**Section 1 Registrant's Business and Operations**

**Item 1.01 Entry into a Material Definitive Agreement.**

On June 20, 2007, NovaMed, Inc. entered into a Second Amendment to Credit Agreement (the "Second Amendment") with National City Bank, as agent and lender, and LaSalle Bank National Association, Charter One Bank, BMO Capital Markets Financing, Inc. and The Northern Trust Company, as the other participating lenders that executed the Second Amendment. The Second Amendment amended the terms of the Sixth Amended and Restated Credit Agreement dated as of February 7, 2007, as amended on May 31, 2007 (the "Credit Facility"), among the same parties to the Second Amendment, as well as Associated Bank, N.A. and JPMorgan Chase Bank, National Association. Prior to incurring certain indebtedness, we are required to obtain the consent of lenders holding at least 51% of the aggregate amount of indebtedness under the Credit Facility. On June 20, 2007, we announced a proposed offering of convertible senior subordinated notes and on June 21, 2007 we announced the pricing of such offering. The Second Amendment sets forth the lenders' consent to the offering and the related convertible note hedge and warrant transactions, as well as modifications to loan pricing, financial covenants and various definitions. In connection with the Second Amendment, we and National City Bank, as agent, amended certain collateral documents, the form of which we previously filed as exhibits to the Credit Facility in our Current Report on Form 8-K/A, dated May 30, 2007, to make certain changes to the defined terms in such documents and restate the collateral granting clause.

The foregoing summary does not purport to be complete and is qualified in its entirety by reference to the full text of the Second Amendment and related collateral document exhibits, all of which are filed herewith as Exhibit 10.56 and are incorporated herein by reference.
