Item 4. Description of Securities.

Item 5. Interests of Named Experts and Counsel.

Item 6. Indemnification of Directors and Officers.

As permitted by the Delaware General Corporation Law, the Registrant's Restated Certificate of Incorporation provides that a director of the Registrant shall not be liable to the Registrant or its stockholders for monetary damages for breach of fiduciary duty as a director, including grossly negligent business judgments made in good faith, except for liability (i) for breach of the duty of loyalty to the Registrant or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the Delaware General Corporation Law (governing distributions to stockholders), or (iv) for any transaction for which a director derives an improper personal benefit. In addition, Section 145 of the Delaware General Corporation Law and Article III, Section 13 of the Registrant's Bylaws, under certain circumstances, provide for the indemnification of the Registrant's officers, directors, employees, and agents against liabilities that they may incur in such capacities. A summary of the circumstances in which such indemnification is provided for is contained herein, but that description is qualified in its entirety by reference to Article III, Section 13 of the Registrant's Bylaws (filed as Exhibit 3.1 to the Registrant's Periodic Report on Form 8-K filed on August 23, 2007), which is incorporated by reference herein.

In general, any officer, director, employee or agent may be indemnified against expenses including attorneys' fees, fines, settlements or judgments which were actually and reasonably incurred in connection with a legal proceeding, other than one brought by or on the behalf of the Registrant, to which he was a party as a result of such relationship, where such person acted in good faith and reasonably believed to be in or not opposed to the best interest of the Registrant. The Registrant shall indemnify any such individual in connection with a proceeding (or part thereof) initiated by such individual only if such proceeding or part thereof was authorized in advance by the Board of Directors of the Registrant and if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the Registrant, and with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful.

Indemnification shall be granted by the Registrant if the Board of Directors or the stockholders of the Registrant determine in good faith, or independent legal counsel for the Registrant opines in writing, that the standards for indemnification have been met. A successful defense is deemed conclusive evidence of a person's right to be indemnified against expenses.

The Registrant may advance funds to pay the expenses of any person involved in such action provided that the Registrant receives an undertaking that the person will repay the advanced funds if it is ultimately determined that he is not entitled to indemnification.

Indemnification may also be granted pursuant to provisions of Bylaws that may be adopted in the future, pursuant to the terms of agreements that may be entered into in the future or pursuant to a vote of stockholders or disinterested directors. The statutory provisions cited above and the referenced portion of the Bylaws also grant the power to the Registrant to purchase and maintain insurance which protects its officers, directors, employees and agents against any liabilities incurred in connection with their services in such a position. Such an insurance policy has been obtained by the Registrant.

Item 9. Undertakings.

A. The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement: (i) to include any prospectus required by Section 10(a)(3) of the Securities Act, (ii) to reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement, and (iii) to include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement, provided, however, that clauses (i) and (ii) do not apply if the information required to be included in a post-effective amendment by those clauses is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement;

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

B. The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

C. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
