**Item 2.05. Costs Associated with Exit or Disposal Activities.**

On July 9, 2008, we notified our employees of an initiative to reduce our headcount by eliminating approximately 47 regular jobs and 26 temporary positions to reduce costs in preparation for additional financing that we will seek during the second half of 2008. This reduction represents approximately 34% of our total workforce and we expect it to be completed during July 2008.

We estimate that the total cash expenses to be incurred in connection with this reduction in workforce will be approximately \$450,000 to \$500,000. Most of these expenses are expected to be incurred in the third quarter of 2008. We anticipate that average monthly cost savings from the workforce reduction initiative combined with other cost saving initiatives planned by the company will be approximately \$1.3 million.

This Current Report on Form 8-K contains forward-looking statements within the meaning of the federal securities laws. These statements include, but are not limited to, those concerning the accounting charges and the cash expenditures to be incurred in connection with the reduction in workforce, the expected cost savings resulting from the reduction in workforce and other planned cost saving initiatives, the timing of the completion of the reduction in workforce and the expected reduction in the number of personnel. Forward-looking statements are based on management's current, preliminary expectations, and are subject to risks and uncertainties that could cause actual results to differ from the results predicted and which are included in the Risk Factors section of XTENT's Quarterly Report on Form 10-Q for the quarter ended March 31, 2008. This Quarterly Report was filed with the SEC on May 13, 2008, and is available on the company's investor relations website at <http://www.xtentinc.com> and on the SEC's website at <http://www.sec.gov>. Undue reliance should not be placed on forward-looking statements, which speak only as of the date they are made. XTENT undertakes no obligation to update publicly any forward-looking statements to reflect new information, events or circumstances after the date they were made, or to reflect the occurrence of unanticipated events.

**Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On July 9, 2008, Brian Walsh, our Vice President of Sales and Marketing, tendered his resignation effective July 11, 2008. Mr. Walsh has accepted a position as the Chief Executive Officer of a private ophthalmics company. We plan to have our Chief Executive Officer, Gregory D. Casciaro, assume Mr. Walsh's responsibilities until a suitable replacement is retained.

On July 9, 2008, Jeffrey Grainger tendered his resignation as our Vice President of Corporate Affairs and General Counsel effective July 11, 2008. Mr. Grainger will remain with the company as a non-officer employee until August 1, 2008 after which time, we expect Mr. Grainger to continue providing services to the company as a consultant.
