**Magyar Telekom acquires systems integration company**

## Edgar Filing: Magyar Telekom Plc. - Form 6-K

Budapest February 9, 2009 Magyar Telekom (Reuters: NYSE: MTA.N, BÉT: MTEL.BU and Bloomberg: NYSE: MTA US, BÉT: MTELEKOM HB), the leading Hungarian telecommunications service provider, announces that it has signed an agreement to buy a 100% equity stake in KFKI Direkt Kft.

Magyar Telekom signed a share purchase agreement to acquire 100% of KFKI Direkt Kft. on 9 February, 2009. The purchase price is HUF 300 million plus an earn-out payment depending on the 2009 financial performance of up to a maximum of HUF 100 million. KFKI Direkt is a systems integration and infrastructure support company with specialist expertise in these areas. Based on the preliminary financial statements, the company achieved nearly HUF 1.5 billion revenues and exceeded HUF 200 million EBITDA in 2008. KFKI Direkt de-merged from KFKI in 1995, while the remainder of the KFKI Group was acquired by Magyar Telekom in 2006. With this acquisition Magyar Telekom aims to further strengthen its position in the IT service market.

The closing of the transaction, which is anticipated to be in the second quarter of 2009, is subject to Competition Authority approval.

This investor news contains forward-looking statements. Statements that are not historical facts, including statements about our beliefs and expectations, are forward-looking statements. These statements are based on current plans, estimates and projections, and therefore should not have undue reliance placed upon them. Forward-looking statements speak only as of the date they are made, and we undertake no obligation to update publicly any of them in light of new information or future events.

Forward-looking statements involve inherent risks and uncertainties. We caution you that a number of important factors could cause actual results to differ materially from those contained in any forward-looking statement. Such factors are described in, among other things, our Annual Report on Form 20-F for the year ended December 31, 2007 filed with the U.S. Securities and Exchange Commission.
