All Employees

CF Industries, Inc.

Dear Fellow Employees:

Today we announced that our board of directors has rejected Agrium's proposal to acquire CF Industries and that we are reaffirming our intent to continue to pursue a business combination with Terra Industries. Our board determined that Agrium's proposal was not in the best interests of CF Industries' stockholders and that it was grossly inadequate and opportunistic.

We continue to be excited about the possibility of combining with Terra to create one of the leading producers and distributors of nitrogen and phosphate fertilizer products in the world. We believe that this combination will produce potential opportunities for both companies' employees, customers, business partners and shareholders.

Today we issued a press release that contains the letter we sent to Agrium and the letter we sent to Terra outlining our intent to continue to pursue a combination with them. We remain hopeful that we can reach a friendly agreement with Terra.

As always, thank you for your continued hard work and dedication to CF Industries. As we head into the spring, I again ask you to stay focused on your jobs, continuing our tradition of operating safely and serving our customers well, as it remains business as usual.

If you receive calls from members of the press or investment community, please refer them to Chuck Nekvasil at 847-405-2515 and [CNekvasil@cfindustries.com](mailto:CNekvasil@cfindustries.com).
