JOINT PROXY STATEMENT

INTRODUCTION

This Joint Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of THE JAPAN EQUITY FUND, INC. and THE THAI CAPITAL FUND, INC. (each a "Fund," and collectively, the "Funds") for use at the Annual Meetings of Stockholders, to be held at the principal office of Daiwa Capital Markets America Inc., Financial Square, 32 Old Slip, 14th Floor, New York, New York 10005, on Wednesday, June 2, 2010, at 10:45 a.m., New York time, for The Japan Equity Fund, Inc., and at 11:00 a.m., New York time, for The Thai Capital Fund, Inc. and at any adjournments thereof.

This Joint Proxy Statement and proxy card(s) are first being made available to stockholders on or about April 21, 2010. Any stockholder giving a proxy in advance of the Annual Meeting of a Fund has the power to revoke it by mail (addressed to the Secretary of such Fund, c/o Daiwa Securities Trust Company, One Evertrust Plaza, 9th Floor, Jersey City, New Jersey 07302-3051) or in person at the Meeting of such Fund, by executing a superseding proxy or by submitting a notice of revocation to the Fund. All properly executed proxy cards received in time for a Meeting will be voted as specified in the proxy card or, if no specification is made, for each proposal referred to in this Joint Proxy Statement. Shares owned by any stockholder who attends a Meeting but does not cast a vote are included in the determination of the number of shares present at such Meeting.

Under rules and regulations of the U.S. Securities and Exchange Commission, instead of mailing a printed copy of the proxy materials to each stockholder of record, the Funds are furnishing proxy materials, which include the Joint Proxy Statement, over the Internet and providing a Notice of Internet Availability of Proxy Materials by mail. You will not receive a printed copy of the proxy materials unless you request to receive these materials in hard copy by following the instructions provided in the Notice of Internet Availability of Proxy Materials. Instead, the Notice of Internet Availability of Proxy Materials will instruct how you may access and review the important information contained in the proxy materials. The Notice of Internet Availability of Proxy Materials also instructs how you may submit your proxy card via the Internet. You may also vote your shares via touchtone telephone by dialing 1-800-PROXIES (please call 1-718-921-8500 for calls from outside the United States). If you received a Notice of Internet Availability of Proxy Materials by mail and would like to receive a printed copy of the proxy materials, you should follow the instructions for requesting such materials included in the Notice of Internet Availability of Proxy Materials. It is expected that the Notice of Internet Availability of Proxy Materials will first be mailed to stockholders on or about April 21, 2010.

Each Fund will furnish, without charge, a copy of its Annual Report for its most recent fiscal year to any stockholder requesting such report or any stockholder requesting a paper copy of the proxy materials. Requests for the Annual Report should be made by writing to the respective Fund, c/o Daiwa Securities Trust Company, One Evertrust Plaza, 9th Floor, Jersey City, New Jersey 07302-3051, attention: Shareholder Relations, or by calling collect at (201) 915-3054.

The Board of Directors of each Fund has fixed the close of business on March 17, 2010 as the record date for the determination of stockholders entitled to notice of and to vote at the Meeting for that Fund and at any adjournments thereof. Stockholders on the record date will be entitled to one vote for each share held, with no shares

having cumulative voting rights. As of the record date, The Japan Equity Fund, Inc. had outstanding 14,446,336 shares of common stock and The Thai Capital Fund, Inc. had outstanding 3,172,313 shares of common stock.

Management of each Fund knows of no business other than that mentioned in the Notice of Meetings, which will be presented for consideration at the Meetings. If any other matter is properly presented, it is the intention of the persons named in the proxy card to vote in accordance with their best judgment.

This Joint Proxy Statement is being used in order to reduce the preparation, printing, handling and postage expenses that would result from the use of a separate proxy statement for each Fund and, because stockholders may own shares of more than one Fund, to potentially avoid burdening stockholders with more than one proxy statement. To the extent information relating to common ownership is available to the Funds, a stockholder that owns shares at the record date in two or more of the Funds will receive only one copy of the Notice of Internet Availability for the Funds in which such stockholder is a record owner. If the information relating to common ownership is not available to the Funds, a stockholder that beneficially owns shares in two or more Funds may receive two or more copies of the Notice of Internet Availability for each Fund in which such stockholder is a beneficial owner.

It is essential that stockholders vote their shares over the Internet, by telephone or by completing, dating, signing and returning each requested paper proxy card as indicated in each Fund's proxy card. Stockholders are able to vote their shares over the Internet at www.proxyvote.com. The Internet procedures are designed to authenticate a stockholder's identity to allow stockholders to vote their shares and confirm that their instructions have been properly recorded. Stockholders will also be able to obtain the toll free number to vote their shares via touchtone telephone after viewing the proxy materials over the Internet at <https://secure.amstock.com/voteproxy/login2.asp>. The Notice of Internet Availability of Proxy Materials includes instructions on how to request paper copies of proxy materials. If you received printed proxy materials, you may submit your proxy by mail by signing your proxy card and mailing it in the enclosed envelope.

EACH FUND'S BOARD UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE IN FAVOR OF THE MATTER MENTIONED IN THE NOTICE OF MEETINGS.

Proposal 1: ELECTION OF DIRECTORS

Persons named in the proxy card(s) intend, in the absence of contrary instructions, to vote all proxies for the election of the nominees listed below as Directors of such Fund listed below:

- (i) David G. Harmer and Rahn K. Porter as Class II Directors for a term expiring in 2013 for The Japan Equity Fund, Inc.; and
- (ii) Martin J. Gruber and David G. Harmer as Class I Directors for a term expiring in 2013 for The Thai Capital Fund, Inc.

The terms of all nominees for Director will expire on the date on which Directors are elected at the Annual Meetings of Stockholders of the relevant Fund in the years stated above or the date that their successors are elected and qualified. If any such nominee should be unable to serve due to an event that is not now anticipated, the proxies will be voted for such person, if any, as shall be designated by the relevant Fund's Board of Directors to replace any such nominee. The election of each nominee as a Director of a Fund will require the affirmative vote of a majority of the votes cast at the Fund's Meeting.

Each of the nominees for Director of a Fund has consented to be named in this Joint Proxy Statement and to serve as a Director of the Fund if elected. The Board of Directors of each Fund has no reason to believe that any of the nominees named above will become unavailable for election as a Director, but if that should occur before the meeting for that Fund, the persons named as proxies in the proxy cards will vote for such persons as the Board of Directors of the Fund may recommend.

Nominees for Director.

Based on the information furnished by each of the Directors as of March 17, 2010, neither any of the Directors nor any immediate family member of the Directors owned any securities of the investment manager or investment adviser, or any of their respective affiliates, of any Fund as of such date.

The Japan Equity Fund, Inc.'s Board of Directors held four regular meetings during its fiscal year ended October 31, 2009, and The Thai Capital Fund, Inc.'s Board of Directors held four regular meetings during its fiscal year ended December 31, 2009. Each current Director attended at least seventy-five percent of the aggregate number of meetings of the respective Board of Directors and any Committee of which he was a member. For annual or special stockholder meetings, Directors may but are not required to attend the meetings; and for the Fund's last annual stockholder meeting, each Director attended the meeting.

Each Fund's Board of Directors has a separately-designated standing Audit Committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, which is responsible for reviewing financial and accounting matters. The members of each Fund's Audit Committee are independent as defined in Sections 303A.02 and 303A.07(a) of the New York Stock Exchange's Listed Company Manual, as may be modified

or supplemented. Each Fund has adopted a formal, written Audit Committee Charter, a copy of which is available at www.daiwast.com. The current members of The Japan Equity Fund, Inc.'s and The Thai Capital Fund, Inc.'s Audit Committees are Messrs. Dowling, Gruber, Harmer, Herring and Porter.

The Japan Equity Fund, Inc.'s Audit Committees met two times during its fiscal year and The Thai Capital Fund, Inc.'s Audit Committee met four times during its fiscal year. The report of the Funds' Audit Committees, along with certain disclosures regarding fees paid to the Fund's independent registered public accounting firm, are set forth on pages 10 and 11 of this Joint Proxy Statement.

Each Fund's Board of Directors has a Nominating and Compensation Committee, which is responsible for recommending individuals to the Board for nomination as members of the Board and its Committees. Each Fund's Nominating and Compensation Committee is composed of Directors who are not interested persons of the Fund and comply with the independence requirements of the New York Stock Exchange listing standards for Nominating and Compensation Committee members. Each Fund's Nominating and Compensation Committee's actions are governed by the Fund's Nominating and Compensation Committee Charter, a copy of which is available at www.daiwast.com. The current members of each Fund's Nominating and Compensation Committee are Messrs. Dowling, Gruber, Harmer, Herring and Porter. Each Fund's Nominating and Compensation Committee did not meet during its last fiscal year.

Process of Evaluation of Independent Director Candidates

Each Fund's Nominating and Compensation Committee identifies individuals qualified to serve as Independent Directors on each Fund's Board and on committees of such Board and recommends such qualified individuals for nomination by the Fund's Independent Directors as candidates for election as Independent Directors, advises each Fund's Board with respect to Board composition, procedures and committees, monitors and makes recommendations on corporate governance matters and policies and procedures of the Fund's Board of Directors and any Board committees and oversees periodic evaluations of the Fund's Board and its committees. Persons recommended by each Fund's Nominating and Compensation Committee as candidates for nomination as Independent Directors are required to possess such knowledge, experience, skills, expertise and diversity so as to enhance the Board's ability to manage and direct the affairs and business of the Fund, including, when applicable, to enhance the ability of committees of the Board to fulfill their duties and/or to satisfy any independence requirements imposed by law, regulation or any listing requirements of the New York Stock Exchange. While the Independent Directors of each of the Funds expect to be able to continue to identify from their own resources an ample number of qualified candidates for each Fund's Board as they deem appropriate, they will consider nominations from stockholders to the Board. Nominations from stockholders should be in writing and sent to the Independent Directors as described herein.

Diversity Policy

Each Fund's policy on Board diversity provides that while diversity and variety of experiences and viewpoints represented on the Board should always be considered, a nominee for Director should not be chosen nor excluded solely or largely because of race, color, gender, national origin or sexual orientation or identity. In selecting a nominee for Director, each Fund's Nominating and Compensation Committee focuses on skills, expertise or background that would complement the existing Board, recognizing that the Fund's business and operations are diverse and global in nature.

Board Leadership Structure and Risk Oversight

Each Fund is focused on its corporate governance practices and values independent Board oversight as an essential component of strong corporate performance to enhance stockholder value. Each Fund's commitment to independent oversight is demonstrated by the fact that all of its Directors, except the Chairman, are independent.

In addition, all of the members of each Board's committees are independent. Each Board acts independently of management and regularly holds independent director sessions of the Board without members of management present. The Funds do not have a lead independent director because each Board believes that the current Board leadership structure is well suited for the Fund and its stockholders at this time.

The Funds are subject to a number of risks, including investment, compliance, operational and valuation risks, among others. Risk oversight forms part of the Boards' general oversight of the Funds and is addressed as part of various Board and committee activities. The Funds' investment advisers and investment managers and other service providers also employ a variety of processes, procedures and controls to identify various events or circumstances that give rise to risks, to lessen the probability of their occurrence and/or to mitigate the effects of such events or circumstances if they do occur. In addition, the Funds' Chief Compliance Officer compiles risk assessments for the Funds which are reviewed by the Boards. The Boards recognize that it is not possible to identify all of the risks that may affect the Funds or to develop processes and controls to eliminate or mitigate their occurrence or effects. As part of its regular oversight of the Funds, the Boards interact with and review reports from, among others, the Funds' investment advisers and investment managers, the Funds' Chief Compliance Officer, the Funds' independent registered public accounting firm and counsel, as appropriate, regarding risks faced by the Funds and applicable risk controls. In addition, DSTC prepares an operations memorandum for each Fund which is distributed to the Boards prior to each quarterly meeting. The Boards may, at any time and in its discretion, change the manner in which they conduct risk oversight.

Stockholder Communications

Stockholders may send communications to each Fund's Board of Directors. Stockholders should send communications intended for each Fund's Board by addressing the communication directly to that Board (or individual Board members) and/or otherwise clearly indicating in the salutation that the communication is for the Board (or individual Board members) and by sending the communication to either the Fund's office or directly to such Board member(s) at the address specified for each Director above. Other stockholder communications received by the Funds not directly addressed and sent to the Boards will be reviewed and generally responded to by management, and will be forwarded to the Board only at management's discretion based on the matters contained therein.
