To the Trustee

Magnum Hunter Resources, Inc. 401(k) Employee Stock Ownership Plan:

We have audited the accompanying statement of net assets available for plan benefits of the Magnum Hunter Resources, Inc. 401(k) Employee Stock Ownership Plan (the Plan) as of December 31, 2009 and the related statement of changes in net assets available for plan benefits for the year then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the auditing standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for plan benefits of the Plan as of December 31, 2009 and the changes in net assets available for plan benefits for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2009 is presented for the purpose of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audit of the basic 2009 financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic 2009 financial statements taken as a whole.

**1. PLAN DESCRIPTION**

The following is a brief description of the Magnum Hunter Resources, Inc. 401(k) Employee Stock Ownership Plan (the Plan) which is provided for general information purposes only. Magnum Hunter Resources, Inc. (the Company or MHR) established the Plan effective as of January 1, 2001. Participants should refer to the Plan document, effective January 1, 2001, and amendments thereto for more complete information. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is not covered by the Pension Benefit Guaranty Corporation.

***Plan Termination***

On June 7, 2005, Cimarex Energy Co. (Cimarex) completed the acquisition of the Company. On June 13, 2005, the Company merged into Cimarex with Cimarex being the surviving entity. The terms of the merger agreement provided that the Company's shareholders receive 0.415 shares of Cimarex common stock for each share of the Company's common stock.

On June 7, 2005, the Plan was amended to terminate the Plan effective June 6, 2005. All participants were fully vested as of the date of termination, and the Employee Stock Ownership Plan (ESOP) portion of the Plan was converted to a profit sharing plan. The participants are allowed to sell their shares of Company stock and allocate proceeds to other investments available in the Plan.

Cimarex management submitted Form 5310 to the Internal Revenue Service (IRS) to obtain a determination that the termination of the Plan does not adversely affect its qualification. On September 3, 2009, the Plan received a favorable determination letter from the IRS stating that termination of the Plan does not adversely affect its qualification. Management of Cimarex is currently in the process of liquidating the Plan.

***General and Plan History***

The Plan is a defined contribution employee benefit plan sponsored by the Company. Under the terms of the Plan, employees, upon reaching the age of 21, were eligible for participation after one month of employment. Entry into the Plan was on the first day of the calendar month after completing eligibility requirements. In addition, the ESOP contribution required the participant to be employed on the last day of the year and to have worked over 500 hours.

**Notes to Financial Statements**

**1. PLAN DESCRIPTION (CONTINUED)**

The Plan purchased company common shares using the proceeds of term promissory notes (see Note 7) to the Company and held the stock in a trust established under the Plan. The borrowings were repaid over a period of five years by fully deductible company contributions to the trust fund. As the Plan made each payment of principal, an appropriate percentage of stock was allocated to eligible employees' accounts in accordance with applicable regulations under the Internal Revenue Code ( IRC ). All outstanding promissory notes are paid in full and all remaining shares from the suspense account were allocated to the participant accounts.

***Trustee and Recordkeeper of the Plan***

Gary C. Evans, Chairman, President and CEO of Magnum Hunter Resources, Inc., was the Plan's trustee until May 31, 2005. The successor trustee of the Plan is Wilmington Trust Company (the Trustee ), formerly AST Company. All assets of the Plan are held in trust by the successor Trustee in accordance with provision of the agreement. Retirement Horizons Inc. is the recordkeeper of the Plan.

***Contributions***

Participants could make pre-tax contributions to the Plan in an amount up to the lesser of the limitation found in Section 402(g) of the IRC, or 15% of their eligible compensation. The Company could make discretionary matching contributions, allocated based upon salary deferrals. The Company could also elect to make general profit-sharing contributions, or ESOP contributions, which were allocated to each eligible participant in proportion to his or her compensation as a percentage of the compensation of all eligible participants. As a result of the Plan's termination, no contributions were made to the Plan after May 31, 2005.

***Participant Accounts***

Each participant's account was credited with the participant's contributions and an allocation of the employer's discretionary matching and ESOP contributions. Each participant's account is allocated earnings and losses on investments, and is charged with the participant's withdrawals and distributions on a daily basis. The investment earnings or losses are allocated to each participant's account in the proportion that the balance of each participant's account bears to the total balance of all participants in each investment fund. The benefit to which a participant is entitled is

Edgar Filing: CIMAREX ENERGY CO - Form 11-K

the benefit that can be provided from the participant's vested account. Participants may elect to transfer balances between investment funds within their account at any time.

**1. PLAN DESCRIPTION (CONTINUED)**

*Investment Options*

Participants could direct the investment of their account balance into various investment options offered by the Plan. The Plan offered various investment options in registered investment companies, mutual funds, common stock, company stock, and self-directed brokerage accounts. Participants could change their investment directions at any time, subject to such restrictions and procedures as were established by the recordkeeper, the Plan and Cimarex. Employee-participants may not trade company stock during designated quiet periods, or while in possession of material, undisclosed information about Cimarex.

*Vesting*

Participants were immediately vested in their pre-tax contributions and earnings thereon. Effective June 6, 2005, the Plan was terminated and the participants became 100% vested in all contributions and earnings. Prior to June 6, 2005, employer contributions and earnings vested in accordance with the following schedule:

Completed years of credited service with the employer	Vested Percentage
Less than 1 year	0%
1	40%
2	60%
3	80%
4 or more	100%

*Payment of Benefits*

As of September 3, 2009, the Company received a favorable determination from the IRS stating that termination of the Plan does not adversely affect its qualification. As a result participants may elect to receive lump sum distributions equal to the vested value of the participant's account, or transfer the vested balance to another qualified retirement plan or individual retirement account. Distributions are made in cash or, if a participant elects, in the form of Company common shares plus cash for any fractional share.

**1. PLAN DESCRIPTION (CONTINUED)**

*Expenses*

The Company provides, at no cost to the Plan, certain administrative and accounting services and also pays the cost of certain outside services on behalf of the Plan.

*Voting Rights*

Each participant is entitled to exercise voting rights attributable to the shares allocated to his or her account and is notified by the Trustee prior to the time that such rights are to be exercised. The Trustee is not permitted to vote any shares for which instructions have not been given by a participant.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

*Basis of Accounting*

Due to the decision to terminate the Plan during 2005, the financial statements for 2009 and 2008 have been prepared using the liquidation basis of accounting.

*Forfeited Accounts*

## Edgar Filing: CIMAREX ENERGY CO - Form 11-K

When certain terminations of participation in the Plan occur, the non-vested portion of the participant's account represents a forfeiture, as defined by the Plan document. However, all participants have been 100% vested in their accounts as of June 5, 2005, so there are no forfeitures of terminated non-vested account balances to be allocated to remaining participants at December 31, 2009.

### *Valuation of Investments*

Investments in marketable equity securities and mutual funds are reported at fair value which represents liquidation value due to the plan termination. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

**Notes to Financial Statements**

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

*Diversification*

As required by the Pension Protection Act of 2006, all participants may diversify up to 100% of the company stock in their accounts. Participants had the opportunity to move all or part of the value of their investment in company stock into other investment options offered by the Plan.

*Payment of Benefits*

Benefits are recorded when paid.

*Use of Estimates*

The preparation of the Plan's financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

*Risks and Uncertainties*

The Plan provides for various investment options in any combination of stocks, bonds, fixed income securities, mutual funds, and other investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

*New Accounting Pronouncements*

In June 2009, the Financial Accounting Standards Board ( FASB ) issued guidance under FASB Accounting Standards Codification ( ASC or the Codification ) 105, Generally Accepted Accounting Principles ( GAAP ). This guidance establishes the ASC as the single source of authoritative GAAP for nongovernmental entities, superseding various existing authoritative accounting pronouncements. The Codification establishes one level of authoritative GAAP. All other literature is considered non-authoritative. There were no changes to the Plan s financial statements due to the implementation of the Codification other than changes in reference to various authoritative accounting pronouncements in the financial statements.

**Employee Stock Ownership Plan**

**Notes to Financial Statements**

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

*New Accounting Pronouncements (Continued)*

In April 2009, the FASB issued guidance under ASC 820, *Fair Value Measurement and Disclosures*. This guidance emphasizes that the objective of a fair value measurement does not change even when market activity for the asset or liability has decreased significantly. Fair value is the price that would be received for an asset sold or paid to transfer a liability in an orderly transaction (that is, not a forced liquidation or distressed sale) between market participants at the measurement date under current market conditions. When observable transactions or quoted prices are not considered orderly, then little, if any, weight should be assigned to the indication of the asset or liability's fair value. Adjustments to those transactions or prices should be applied to determine the appropriate fair value. The standard also requires increased disclosures. The impact of adoption of this standard was not material to the Plan's financial statements.

In January 2010, the FASB issued ASC Update 2010-06, *Fair Value Measurements and Disclosures (Topic 820): Improving Disclosures about Fair Value Measurements*. This guidance requires the reporting entity to disclose additional information on transfers in and out of fair value levels, measurement disclosures by classes of assets and descriptions of valuation techniques and inputs used to measure fair value (both recurring and nonrecurring fair value) in addition to other disclosures. This guidance is effective for reporting periods beginning after December 15, 2009, except for certain disclosures which will be effective for fiscal years beginning after December 15, 2010. Management does not expect that the adoption will have a material impact on the Plan's financial statements.

In May 2009, the FASB issued ASC 855, *Subsequent Events*, which was updated in February 2010 by ASC Update 2010-09: *Amendments to Certain Recognition and Disclosure Requirements*. This guidance establishes general standards of accounting and disclosure of events that occur after the balance sheet date but before financial statements are issued or available to be issued. In particular, the guidance sets forth the period after the balance sheet date during which management of a reporting entity should evaluate events or transactions that may occur for potential recognition or disclosure in the financial statements, the circumstances under which an entity should recognize events or transactions occurring after the balance sheet date in its financial statements and the disclosures that an entity should make about events or transactions that occurred after the balance sheet date. The adoption of the guidance is effective immediately and is reflected in Note 8 to the financial statements.
