**Item 1.01 Entry into a Material Definitive Agreement.**

On September 30, 2010, Atlantic Tele-Network, Inc. (the Company) entered into a Second Amended and Restated Credit Agreement between the Company, as Borrower, certain of the Company's subsidiaries, as Guarantors, CoBank, ACB (CoBank), as Administrative Agent, Arranger, Swingline Lender, an Issuing Lender and a Lender, and the other Lenders named therein. The credit agreement provides for a \$370.2 million credit facility, consisting of a \$72.0 million term loan A (the Term Loan A), a \$148.1 million term loan B (the Term Loan B), a \$50.0 million term loan C (the Term Loan C) and a \$100.0 million revolver loan (the Revolver Loan, and together with the Term Loan A, the Term Loan B and the Term Loan C, the Credit Facility).

Upon the closing of the Credit Facility, \$72.0 million under the Term Loan A and \$148.1 million under the Term Loan B remained outstanding from the Company's prior credit facility. Also upon the closing of the Credit Facility, the Company drew down \$50.0 million under the Term Loan C, a portion of which was used to repay outstanding borrowings under the Company's prior revolving loan. The Company currently has no borrowings outstanding under the Revolver Loan, of which the Company may use up to \$10.0 million for standby or trade letters of credit and may use up to \$10 million under a swingline sub-facility to the Revolver Loan (the Swingline Facility).

The Term Loan A, Term Loan B and Term Loan C each mature on September 30, 2014, unless accelerated pursuant to an event of default, as described below. The Revolver Loan matures on September 10, 2014, unless accelerated pursuant to an event of default, as described below. Amounts borrowed under the Term Loan A, Term Loan B, Term Loan C and the Revolver Loan bear interest at a rate equal to, at the Company's option, either (i) the London Interbank Offered Rate (LIBOR) plus an applicable margin ranging between 3.50% to 4.75% or (ii) a base rate plus an applicable margin ranging from 2.50% to 3.75% (or, in the case of amounts borrowed under the Swingline Facility, an applicable margin ranging from 2.00% to 3.25%). The base rate is equal to the higher of (i) 1.50% plus the higher of (x) the one-week LIBOR and (y) the one-month LIBOR; and (ii) the prime rate (as defined in the credit agreement). The applicable margin is determined based on the ratio of the Company's indebtedness (as defined in the credit agreement) to its EBITDA (as defined in the credit agreement). Under the terms of the Credit Facility, the Company must also pay a fee ranging from 0.50% to 0.75% of the average daily unused portion of the Revolver Loan over each calendar quarter, which fee is payable in arrears on the last day of each calendar quarter.

All amounts outstanding under the Revolver Loan will be due and payable upon the earlier of the maturity date or the acceleration of the loan upon an event of default. Amounts outstanding under the Term Loan A and the Term Loan B became due and payable on September 30, 2010 in quarterly payments equal to 1.25% of the initial principal amount outstanding under each loan, increasing to 2.50% of the initial principal amount outstanding commencing on March 31, 2012. Amounts outstanding under the Term Loan C will be due and payable commencing on December 31, 2010 in quarterly payments equal to \$250,000. Remaining balances on each of the Term Loan A, Term Loan B and Term Loan C will be due and payable upon maturity, unless the loans are accelerated upon an event of default.

Certain of the Company's domestic subsidiaries are guarantors of the Company's obligations under the Credit Facility. Further, the Company's obligations are secured by (i) a first priority, perfected lien on substantially all the property and assets of the Company and the guarantor subsidiaries, including its principal wholly-owned domestic operating subsidiaries and (ii) a pledge of 100% of the Company's equity interests in certain domestic subsidiaries and up to 65% of the equity interests outstanding of certain foreign subsidiaries, in each case, including the Company's principal operating subsidiaries.

The Credit Facility contains customary representations, warranties and covenants, including covenants by the Company limiting additional indebtedness, liens, guaranties, mergers and consolidations, substantial asset sales, investments and loans, sale and leasebacks, transactions with affiliates and fundamental changes. In addition, the Credit Facility contains financial covenants by the Company (as further defined in the credit agreement) that (i) impose a maximum ratio of indebtedness to EBITDA, (ii) require a minimum ratio of EBITDA to cash interest expense, (iii) require a minimum ratio of equity to consolidated assets and (iv) require a minimum ratio of EBITDA to fixed charges.

The Credit Facility provides for events of default customary for credit facilities of this type, including but not limited to non-payment, defaults on other debt, misrepresentation, breach of covenants, representations and warranties, insolvency and bankruptcy. After the occurrence of an event of default and for so long as it continues, the administrative agent or the requisite lenders (as defined in the credit agreement) may increase the interest rate then in effect on all outstanding obligations by 2.0%. Upon an event of default relating to insolvency, bankruptcy or receivership, the amounts outstanding under the Credit Facility will become immediately due and payable and the lender commitments will be automatically terminated. Upon the occurrence and continuation of any other event of default, the administrative agent and/or the requisite lenders (as defined in the credit agreement) may accelerate payment of all obligations and terminate the lenders' commitments under the Credit Facility.

The foregoing description is only a summary of the provisions of the Credit Facility and is qualified in its entirety by the terms of the credit agreement, a copy of which is filed herewith as Exhibit 10.1 and incorporated herein by reference.

On September 30, 2010, the Company issued a press release announcing that it had entered into the Credit Facility. A copy of the press release is furnished herewith as Exhibit 99.1.
