*Forward-looking Statements*

This report contains forward-looking information within the meaning of the United States Private Securities Litigation Reform Act of 1995 and applicable Canadian securities legislation. Forward-looking statements include statements with respect to: future financial or operating performance of the Company or its subsidiaries and its projects; future inventory, production, cash costs, capital expenditures and exploration expenditures; funding sources for the Endako Mine expansion and Mt. Milligan development costs; 2011 operating goals; and 2011 molybdenum prices.

Such forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause our actual results, performance or achievements to be materially different from any future results, performance or achievements expressed or implied by the forward-looking statements. Such factors include, among others, risks related to general business, economic, competitive, political and social uncertainties including global economic conditions; volatility in molybdenum prices; labor cost and materials cost fluctuations; foreign currency fluctuations; energy price fluctuations; project delays; title disputes or claims; limitations of insurance coverage; changes in governmental regulation of mining operations; risks related to the volatility of the Company's share price; changes in environmental regulation; the actual results of current exploration activities; actual results of reclamation activities; conclusions of economic evaluations; changes in project parameters as plans continue to be refined; possible variations of ore grade or recovery rates; and failure of plant, equipment or processes to operate as anticipated. Additional factors that could cause Company's results to differ from those described in the forward-looking information can be found in the section entitled Risk Factors in the Company's Annual Report on Form 10-K and in Section 1A of Form 10-Q, and subsequent documents filed on EDGAR at [www.sec.gov](http://www.sec.gov) and on SEDAR at [www.sedar.com](http://www.sedar.com). Forward-looking statements contained herein are
