Accelerated Share Repurchase

On April 24, 2013, as part of the 2013 Repurchase Program discussed below under Item 8.01, Bally Technologies, Inc. (the "Company") entered into an accelerated share repurchase agreement (the "ASR Agreement") with J.P. Morgan Securities LLC ("JPMorgan") under which the Company will purchase \$150 million of its outstanding shares of common stock from JPMorgan. The ASR Agreement requires JPMorgan to deliver to the Company on or about April 26, 2013 a substantial majority of the shares of the Company's common stock expected to be repurchased under the ASR Agreement. The total number of shares to be delivered to the Company by JPMorgan under the ASR Agreement will be adjusted based on a discount to the average of the daily volume weighted average price of the Company's common stock during the repurchase period. Upon final settlement of the ASR Agreement, the Company may be entitled to receive additional shares of the Company's common stock from JPMorgan, or, under certain circumstances specified in the ASR Agreement, the Company may be required to deliver shares or make a cash payment, at its option, to JPMorgan. In connection with this transaction, JPMorgan is expected to purchase the Company's common stock in the open market.

The ASR Agreement contains the principal terms and provisions governing the accelerated share repurchase transaction, including, but not limited to, the mechanism used to determine the number of shares that will be delivered, the required timing of delivery of the shares, the specific circumstances under which JPMorgan is permitted to make adjustments to the transaction, the specific circumstances under which the transaction may be terminated early, and various acknowledgements, representations and warranties made by the Company and JPMorgan to each another.

The foregoing summary of the ASR Agreement is qualified in its entirety by reference to the complete text of such agreement, a copy of which will be filed in the future with the Securities and Exchange Commission.

An affiliate of JPMorgan is a party to the Second A&R Credit Agreement discussed below.
