In determining from time to time whether to sell or retain their holdings of securities of the Issuer, they will take into consideration such factors as they deem relevant, including the market price of the Ordinary Shares, conditions in the securities markets generally, the Issuer's financial condition, business and prospects and general economic conditions. They reserve the right to dispose of all or a portion of their holdings of securities of the Issuers in public or private transactions and/or to enter

into privately negotiated derivative transactions with institutional counterparties to hedge the market risk of some or all of their positions in the securities of the Issuer. Any such transactions may be effected at any time or from time to time.

Pursuant to the FinSirton Agreement, Fin Sirton S.p.A, the majority shareholder of the Issuer prior to the IPO, agreed to vote its shares in favor of one person designated by Sigma Tau for election to the Issuer's Board of Directors. At the first shareholders meeting of the Issuer following the IPO, Sigma Tau's designee, Marco Codella, was elected as a member of the Board. Marco Codella was repeatedly re-elected as Sigma Tau's designee until December 6, 2011 when Marco Brughera was elected as the Sigma Tau designee. Marco Brughera has been re-elected since then.

Pursuant to the FinSirton Agreement, FinSirton agreed that, if the per share price (the "Sale Share Price") in a sale by the Issuer's shareholders to a third party of all of the Issuer's Ordinary Shares is less than approximately \$5.00 per share, subject to customary antidilution adjustments, FinSirton will transfer to Sigma Tau an additional number of Ordinary Shares equal to (x) \$3.2 million divided by the product determined by multiplying (i) 0.8 by (ii) the Sale Share Price less (y) 800,000 Ordinary Shares.
