PROXY STATEMENT
ANNUAL MEETING OF STOCKHOLDERS
April 24, 2014

Important Notice Regarding the Availability of Proxy Materials
for the Annual Meeting to Be Held on April 24, 2014:

This proxy statement and the Fund's Annual Report to stockholders for the period ended December 31, 2013 are available for viewing, printing and downloading from The New America High Income Fund, Inc. home page at www.newamerica-hyb.com. The direct address for viewing, printing and downloading the proxy statement is www.newamerica-hyb.com/proxystatement.pdf. The direct address for the Annual Report is www.newamerica-hyb.com/2013annualreport.pdf.

This proxy statement is furnished in connection with the solicitation of proxies on behalf of the Board of Directors of The New America High Income Fund, Inc., a Maryland corporation (the "Fund"), for use at the Fund's 2014 annual meeting of stockholders (the "Annual Meeting") to be held at the offices of Goodwin Procter LLP, Exchange Place, 53 State Street, Boston, Massachusetts 02109 on Thursday, April 24, 2014 at 10:30 a.m. local time, and at any and all adjournments or postponements thereof, for the purposes set forth in the accompanying Notice of Annual Meeting dated February 27, 2014. This proxy statement and the accompanying Notice of Annual Meeting and form of proxy will be first sent to stockholders on or about February 27, 2014.

The Board of Directors fixed the close of business on Tuesday, February 11, 2014, as the record date for the determination of stockholders entitled to notice of, and to vote at, the Annual Meeting. As of the record date, 23,368,918 shares of the Fund's common stock, par value \$.01 per share (the "Common Stock"), were issued and outstanding. Each outstanding share of the Common Stock is entitled to one vote on each matter submitted to stockholders at the Annual Meeting as described below.

All stockholders as of the record date, or their duly appointed proxies, may attend the meeting. Each stockholder may be asked to present valid identification. Please note that stockholders who hold their shares in "street name" (that is, through a broker, bank, or other nominee) will need to bring a copy of a brokerage statement reflecting the stockholder's stock ownership as of the record date.

If the accompanying form of proxy is properly executed and returned in time to be voted at the Annual Meeting (either by returning the paper proxy card or, for certain holders of the Common Stock, by submitting a proxy electronically by telephone or over the Internet), the shares represented thereby will be voted in accordance with the instructions indicated thereon by the stockholder. Executed proxies that are unmarked will be voted for the election of the applicable nominees named herein as Directors of the Fund. All executed proxies will be voted in the discretion of the persons named as proxies in connection with all other matters which may properly come before the Annual Meeting or any adjournments or postponements thereof. Any proxy will be governed by and construed in accordance with Maryland law and applicable federal securities laws.

Stockholders who tender proxies by mail should sign and return the enclosed proxy card. The proxy card should be returned in the enclosed postage-paid envelope. Certain stockholders also have the option of executing and returning their proxies by telephone or over the Internet. The form of proxy these stockholders receive along with

the proxy statement includes an attachment that has instructions both for calling a toll-free number for automated touch-tone voting and for finding a website address that will permit voting over the Internet. Prior to using either of these methods of voting, stockholders should read the proxy statement and have it and the form of proxy ready at hand.

A stockholder voting by telephone or over the Internet represents that the stockholder is authorized to vote the shares of the Common Stock being voted, for example, when a stockholder is acting on behalf of all registered owners of an account or in the capacity of trustee of a trust or officer of an organization that holds Fund shares. In addition, by using the telephone or the Internet to submit voting instructions, the stockholder expressly authorizes American Stock Transfer & Trust Company ("AST"), which is assisting the Fund in gathering and tabulating votes for the Annual Meeting, and its agents, to execute a proxy to vote the stockholder's shares at the Annual Meeting as the stockholder has indicated. The Fund believes that the procedures governing the execution of proxies by telephone or over the Internet are reasonably designed to ensure that the identities of the stockholders executing proxies are accurately determined and that the voting instructions of those stockholders are accurately recorded.

The presence, in person or by proxy, of stockholders of the Fund entitled to cast a majority of the votes entitled to be cast at the Annual Meeting constitutes a quorum for the transaction of business. Abstentions and broker "nonvotes" (that is, proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owner or other persons entitled to vote shares on a particular matter with respect to which the brokers or nominees do not have discretionary power) will be treated as shares that are present at the meeting for purposes of determining the existence of a quorum but will be disregarded in determining the "votes cast" for the proposal. A stockholder may revoke the stockholder's proxy prior to its use by attending the Annual Meeting and voting in person, by giving written notice of such revocation to the Secretary of the Fund, or by returning a subsequently dated proxy. In addition, certain stockholders that may vote by telephone or over the Internet may also revoke their proxies by executing a subsequently dated proxy using either of these methods of voting. Stockholders who vote by telephone or over the Internet should not subsequently return a proxy card by mail unless they intend the proxy card to revoke their prior instructions given by telephone or over the Internet.

In the event a quorum is not present at the Annual Meeting, the persons named as proxies may propose one or more adjournments of the Annual Meeting to permit further solicitation of proxies, provided that such persons determine such an adjournment and additional solicitation is reasonable and in the interest of stockholders. A stockholder vote may be taken on any proposal in this proxy statement prior to such adjournment if sufficient votes have been received and such vote is otherwise appropriate. Any such adjournment will require the affirmative vote of a majority of those shares present at the Annual Meeting in person or by proxy.

In addition to the solicitation of proxies by mail, Directors and officers of the Fund or other representatives of the Fund may also solicit proxies by telephone, by telegraph or in person. The Fund has also retained a proxy solicitor, AST Fund Solutions ("Fund Solutions"), to assist in the solicitation of proxies. Pursuant to this arrangement, Fund Solutions has agreed to contact banks, brokers and proxy intermediaries to secure votes in favor of the proposal described in this proxy statement. The costs of retaining Fund Solutions, which will be fully borne by the Fund, are not expected to exceed \$10,000. The costs of proxy solicitation and expenses incurred in connection with preparing this proxy statement and its enclosures will be paid by the Fund.

Each stockholder entitled to notice of, and to vote, at the Annual Meeting has been sent a copy of the Fund's Annual Report for the period ended December 31, 2013, including financial statements, either with this proxy statement or under separate cover. If you did not receive the Annual Report or would like to request another copy please call the Fund collect at (617) 263-6400.

**THE INVESTMENT ADVISER
AND ADMINISTRATIVE SERVICES**

T. Rowe Price Associates, Inc., with its principal office at 100 East Pratt Street, Baltimore, Maryland 21202, has served as the investment adviser to the Fund since December 2, 2002. Since February 1992, the Fund has engaged Ellen E. Terry to perform administrative services, and has engaged Paul E. Saidnaway to provide certain related administrative services subject to the supervision of Ms. Terry (and prior to her election as President, the supervision of Ms. Terry and Robert F. Birch, whom Ms. Terry succeeded as President).

**PROPOSAL ONE
ELECTION OF DIRECTORS**

The stockholders of the Fund are being asked to elect the seven nominees listed below as Directors of the Fund, each to serve as such until the next annual meeting of the Fund's stockholders and until a successor shall have been duly elected and qualified, or until the Director's death, resignation or removal. Six of the nominees named below are presently serving as Directors of the Fund. Four nominees, Ms. Piret, Professor Bower and Messrs. Birch and Korman, were elected at last year's annual meeting. Two nominees, Messrs. McFarland and Pohotsky, were appointed during the fiscal year ended December 31, 2013 and are nominated for election by stockholders for the first time at the Annual Meeting. Ms. Terry does not currently serve as a Director. All shares represented by valid proxies will be voted in the election of Directors for the applicable nominees named below, unless authority to vote for a particular nominee is withheld. Each nominee has agreed to serve as a Director if elected. If any such nominee is not available for election at the time of the Annual Meeting, the persons named as proxies will vote for such substitute nominee as the Board of Directors may recommend.

The Fund's charter provides for the election of the nominees named below by stockholders. A plurality of all the votes cast is sufficient to elect a Director. Voting for the election of Directors is non-cumulative; accordingly, holders of a majority of the outstanding shares represented at the Annual Meeting in person or by proxy may elect all of the Directors.

The Board of Directors recommends that stockholders vote FOR the election of the seven nominees to the Fund's Board of Directors.

A Fund officer holds office until the officer's successor is duly elected and qualified, until the officer's death or until the officer resigns or has been removed.

Regulatory Matters

In December 2012, the U.S. Securities and Exchange Commission (the "Commission") entered into a settlement agreement with the Fund, Mr. Birch and Ms. Terry. Without admitting or denying the Commission's findings, the Fund, Mr. Birch and Ms. Terry consented to the entry of an order by the Commission finding violations of the Investment Company Act of 1940, as amended (the "1940 Act"), by each of the Fund, Mr. Birch and Ms. Terry with respect to (1) the Fund's repurchase of 600 shares of the Fund's Series C Auction Term Preferred Stock ("ATP") in January 2008 during the auction rate securities market crisis (the "ATP Repurchase"), (2) the dividend rate paid by the Fund to ATP Series A, B and C holders between September 2008 and December 2010 (the "ATP Dividend Rate") and (3) the Fund's disclosures relating to these matters. On November 9, 2012, the Fund redeemed all outstanding shares of ATP in accordance with the ATP's terms.

In its order, the Commission found that: (a) in violation of Section 23(c) of the 1940 Act and Rule 23c-1 thereunder, the ATP Repurchase unfairly discriminated against holders of ATP and was made without adequate notice of the Fund's intention to repurchase the ATP; and (b) in violation of Section 34(b) of the 1940 Act, the Fund's 2008 semi-annual and annual shareholder reports failed to adequately disclose that (i) the purpose of the ATP Repurchase was to prevent an auction failure (rather than to maintain compliance with asset coverage requirements for the ATP) and (ii) the ATP Dividend Rate was lower than the rate prescribed by the terms of the ATP. The order required the Fund, together with Mr. Birch and Ms. Terry, to cease and desist from violations of the foregoing provisions of the 1940 Act. In addition, the order required the Fund to pay disgorgement of \$410,594.08 and prejudgment interest of \$2,805.49 which payment was deemed satisfied by the supplemental dividend paid to ATP Series A, B, and C holders on December 27, 2010 and Mr. Birch and Ms. Terry each to pay a civil monetary penalty of \$10,000. A copy of the SEC order describing the settlement is available on the Commission's website at www.sec.gov/litigation/admin/2012/ic-30313.pdf.

The Board

The Directors of the Fund are responsible for the oversight and supervision of the affairs of the Fund as is described more fully below. Neither the Fund's charter nor the Charter of the Audit Committee (formerly the Audit, Nominating and Compensation Committee) sets forth specific qualifications to serve as a Director, although the Board has policies identifying certain factors that it may take into account when considering Director candidates. Each Director serves until the Director's successor is duly elected and qualified, until the Director's death or until the Director's resignation or removal.

The Directors have varied experiences, attributes and skills that are used in overseeing the Fund's activities, reviewing contractual arrangements with companies that provide services to the Fund, and reviewing the Fund's performance. Among the attributes or skills common to all Directors are their ability to: (i) review critically, evaluate, question, and discuss information provided to them; (ii) interact effectively with the other Directors, the Fund's investment adviser, other service providers, counsel, and the Fund's independent registered public accounting firm; and (iii) exercise effective and independent business judgment in the performance of their duties as Directors. Each Director's ability to perform his or her duties effectively has been attained through the Director's business, consulting, public service, and/or academic positions and through experience from service as a board member of the Fund and/or in other capacities, including, as applicable, for publicly- and privately-held companies, non-profit entities and other organizations as set forth in the tables above providing biographical information for each Director. Each Director's ability to perform his or her duties effectively also has been enhanced by his or her educational background, professional training, and/or other life experiences.

Board Leadership Structure

Overall responsibility for oversight of the Fund rests with the Board. The Board has engaged the investment adviser to manage the Fund's investment portfolio on a day-to-day basis. The Board is responsible for overseeing the Fund's management and staff, the investment adviser and other service providers in the operation of the Fund in accordance with the provisions of the 1940 Act, applicable provisions of Maryland law and the Fund's charter and By-laws, the terms of its New York Stock Exchange ("NYSE") listing and other applicable laws and regulations. The six current members of the Board have varied experiences, attributes and skills. The Board ordinarily conducts five regular meetings a year. In addition, the Board may hold special in-person or telephonic meetings, or informal conference calls, as necessary, to address specific matters as they arise between regular meetings. As discussed below, the Board has established one committee that focuses on certain specific oversight responsibilities.

The Board does not have a formally elected chairperson or "lead independent director." Mr. Birch has been appointed by the Board to serve as "Lead Director"; in that capacity, he generally chairs Board meetings and serves as a liaison between the Board and the President between meetings of the Board. The Board believes that its current leadership structure is appropriate principally because (a) Mr. Birch is not an employee of, or otherwise affiliated with, the Fund's investment adviser, (b) Mr. Birch served as President of the Fund from 1992 to 2013, and (c) given the Board's size and the nature of the Fund's operations, neither a chairperson nor a lead independent director would enhance the Board's effectiveness. The Board may, in its discretion, modify its leadership structure at any time.

The Fund is subject to a number of risks, including investment, leverage and compliance risks. Day-to-day risk management functions are subsumed within the responsibilities of (i) the Fund's officers and staff (consisting of Ms. Terry and Mr. Saidnawey (collectively, "Fund Officers and Staff"), (ii) the Fund's investment adviser and (iii) other Fund service providers (depending on the nature of the risk) who carry out other aspects of the Fund's investment management and business affairs. The Fund's investment adviser and other Fund service providers each have their own independent interest in risk management, and their policies and methods of carrying out risk management functions will depend, in part, on their individual priorities, resources, and controls. Risk oversight is an aspect of the Board's general oversight of the Fund and is addressed as part of various Board and Audit Committee activities. The Board recognizes that it is not possible to identify all of the risks that may affect the Fund or to develop processes and controls to eliminate or mitigate their occurrence or effects. In fact, some aspects of the Fund's design and operation are premised on a degree of risk, *e.g.*, investing in high yield debt and maintaining a leveraged capital structure.

As part of its regular oversight of the Fund, the Board, directly or through a committee, interacts with and reviews reports from, among others, the Fund Officers and Staff (including Ms. Terry in her capacity as the Fund's chief compliance officer (the "CCO")), the Fund's investment adviser and the Fund's independent registered public

accounting firm, as appropriate, regarding risks faced by the Fund and relevant risk functions. The Board reviews investment policies and risks in connection with its review of the Fund's performance. The CCO reports to the Board regarding compliance matters for the Fund and its principal service providers and oversees the testing of the Fund's compliance program. In addition, as part of the Board's periodic review of the Fund's investment advisory and other service provider agreements, the Board may consider risk management aspects of their operations and the functions for which they are responsible. The Board may, at any time and in its discretion, change its risk oversight role.

The Board has established a standing Audit Committee to assist the Board in the oversight and direction of certain business and affairs of the Fund, namely the oversight of audit functions and related matters. The Audit Committee, which is discussed in greater detail below, operates pursuant to a charter approved by the Board, is chaired by an Independent Director and consists of all the Independent Directors. The Audit Committee was formerly known as the Audit, Nominating and Compensation Committee. As a result of the Committee's 2013 review of Committee and Board functions, the Board determined that the Committee's functions relating to (a) the nomination and election of directors of the Fund, (b) the periodic review of the Fund's governance structures and procedures, and (c) recommendations regarding the compensation of directors, officers and employees, should be addressed by the Board as whole, and amended the Committee's charter to remove these functions. The Board made this determination principally based on the following observations and conclusions: (1) the Committee consists of all the Directors except for Mr. Birch; (2) Mr. Birch is not an employee of, or otherwise affiliated with, the Fund's investment adviser; (3) Mr. Birch generally participates by invitation of the Committee in deliberations regarding these matters; and (4) the Board expects to be able to address these matters as effectively as a committee of the whole.

Meetings

During fiscal year 2013, there were six meetings of the Board of Directors, with each Director attending 75% or more of the aggregate of the meetings held during such time the Director was a Board member, by the Board as a whole and of the respective committees on which such Director served.

The Board expects that Directors will ordinarily attend in person all annual and special meetings of the Fund's stockholders other than adjourned meetings and, if unable to attend in person, will participate by other means, if practical. In recognition of this policy, the Board of Directors typically schedules the annual meeting of stockholders to coincide with a regular quarterly Board meeting. Each Director serving on the Board at the time attended the 2013 Annual Meeting of Stockholders held on April 18, 2013.

Audit Committee

The Board of Directors has established one ongoing committee comprised of all the Independent Directors the Audit Committee. The Audit Committee performs the following functions:

- oversees the accounting and financial reporting processes of the Fund and its internal control over financial reporting and, as the Committee deems appropriate, inquires into the internal control over financial reporting of certain third-party service providers;
- oversees the quality and integrity of the Fund's financial statements and the independent audit thereof;
- oversees, or, as appropriate, assists Board oversight of, the Fund's compliance with legal and regulatory requirements that relate to the Fund's accounting and financial reporting, internal control over financial reporting and independent audits;
- approves prior to appointment the engagement of the Fund's independent auditors and, in connection therewith, reviews and evaluates the qualifications, independence and performance of the Fund's independent auditors and the

audit partner in charge of leading the audit; and

- acts as a liaison between the Fund's independent auditors and the full Board.

The Audit Committee acts pursuant to a written Audit Committee Charter, which is available on the Fund's website at www.newamerica-hyb.com via the Corporate Governance hyperlink. The Audit Committee is presently comprised of Messrs. Korman, McFarland and Pohotsky, Ms. Piret and Professor Bower, each of whom is "independent" as defined in the applicable NYSE listing standards. The Board has determined that Ms. Piret qualifies as an "audit committee financial expert" under the rules implementing Section 407 of the Sarbanes-Oxley Act of 2002. The Committee met six times during 2013, with all Directors on the Committee attending 75% or more of the meetings held during such time each Director was a Committee member.

Selection and Evaluation of Director Candidates

The Board is responsible for the nomination and election of directors of the Fund. The Board will, when a vacancy on the Board exists or is anticipated, consider any candidate for Director recommended by a stockholder if (a) the recommendation contains sufficient background information concerning the candidate to enable the Committee to make a proper judgment as to the candidate's qualifications and (b) the recommendation is submitted in accordance with applicable procedural requirements set forth in the Fund's By-laws.

The Board has not established specific, minimum qualifications that must be met by an individual for the Board to recommend that individual for nomination as a Director. In seeking candidates to consider for nomination to fill a vacancy on the Board, the Board expects to seek referrals from a variety of sources, including current Directors, management of the Fund and counsel to the Fund. The Board may also engage a search firm to identify or evaluate or assist in identifying or evaluating candidates.

The Board does not have a formal policy to consider diversity when identifying Director candidates. However, when evaluating candidates for a position on the Board, the Board considers a variety of factors, including the following factors, as appropriate, which may bear on the overall diversity in the backgrounds, skills and experiences of the Board's members: (i) the candidate's knowledge in matters relating to the mutual fund industry; (ii) any experience possessed by the candidate as a director or senior officer of other public companies; (iii) the candidate's educational background; (iv) the candidate's reputation for high ethical standards and personal and professional integrity; (v) any specific financial, technical or other expertise possessed by the candidate, and the extent to which such expertise would complement the Board's existing mix of skills and qualifications; (vi) the candidate's perceived ability to contribute to the ongoing functions of the Board, including the candidate's ability and commitment to attend meetings regularly and work collaboratively with other members of the Board; (vii) the candidate's ability to qualify as an Independent Director for purposes of the 1940 Act, the candidate's independence from Fund service providers and the existence of any other relationships that might give rise to a conflict of interest or the appearance of a conflict of interest; (viii) the candidate's ability to meet applicable requirements of any national securities exchange or national securities association on which the Fund's shares are listed; and (ix) such other factors as the Board determines to be relevant in light of the existing composition of the Board and any anticipated vacancies or other transitions, *e.g.*, whether or not a candidate is an "audit committee financial expert" under the federal securities laws. Prior to making a final decision, the Board conducts personal interviews with the candidates it concludes are the most qualified. Any candidates recommended by stockholders will be evaluated in the same manner.

Candidates Recommended by Stockholders

A stockholder wishing to submit a nomination for Director at an annual or special meeting of stockholders must provide a timely notice (as required under the Fund's By-Laws) in writing to the Secretary of the Fund, at The New America High Income Fund, Inc., 33 Broad Street, Boston, Massachusetts 02109. To nominate Directors for election at an annual meeting, the stockholder's notice, to be timely, must be received by the Secretary (i) not earlier than the close of business on the 120th day and (ii) not later than the close of business on the 90th day prior to the

date of the annual meeting. In the event that, during the prior year the Fund did not hold an annual meeting or the date of the annual meeting changed by more than 30 days from the first anniversary of the prior year's annual meeting (other than as a result of adjournment), the stockholder's notice must be received by the Secretary (i) not earlier than the close of business on the 120th day prior to such annual meeting and (ii) not later than the close of business on the later of the 90th day prior to such annual meeting or the 10th day following the day on which public announcement of the date of such annual meeting is first made. With respect to election of Directors at a special meeting of stockholders, such notice, to be timely, must be received by the Secretary of the Fund (i) not earlier than the close of business on the 120th day and (ii) not later than the close of business on the later of the 90th day prior to such special meeting or the 10th day following the day on which public announcement of the date of such special meeting is first made. The public announcement of a postponement or adjournment of an annual or special meeting does not commence a new time period for the giving of a stockholder's notice.

A stockholder's notice proposing a Director nominee must specify, as to each stockholder giving the notice, certain of the proposing stockholder's associated persons and the proposed Director nominee: certain identifying information and certain information on Fund shares owned and any related short interest or hedging, derivative or other transactions or agreements affecting the owner's voting power with respect to, or exposure to price changes in, Fund shares, as provided in the Fund's By-Laws. In addition, if a proposing stockholder or one of its associated persons is not an individual, the stockholder's notice must provide the entity's investment strategy and a copy of the prospectus or similar document provided to its investors, as required under the Fund's By-Laws. The stockholder notice must also include all other information relating to the Director nominee that would be required to be disclosed in an election contest (whether or not an election contest is involved) or would otherwise be required in a proxy solicitation, and certain information regarding other stockholders supporting the proposed Director nominee, as provided in the Fund's By-Laws. Failure to meet the submission or information requirements for a stockholder proposal of a Director nominee, or failure to provide additional information or verify or update such information, as required by the Fund's By-Laws, may result in a stockholder's nomination being disregarded.

Appointment of Directors

Subject to the requirements of applicable law, the Board may at any time between meetings of the shareholders appoint new Directors to fill vacancies on the Board, including vacancies arising from action by the Board to expand the number of Directors. In no event may the Board fill a vacancy, consistent with the requirements of the 1940 Act, unless immediately thereafter at least two-thirds of the members of the Board will have been elected by shareholders.
