Dear Valued Customers,

Earlier today, we announced that Multimedia Games Holding Company, Inc. (Multimedia Games) and Global Cash Access Holdings, Inc. (GCA) have entered into a merger agreement whereby GCA will acquire Multimedia Games. Upon completion of the proposed transaction, GCA and Multimedia Games will be uniquely positioned in the gaming industry to support your operations as a premier provider of world class gaming content and technologies and leading cash payment and processing technology.

We believe this transaction will elevate our ability to deliver continued product innovation and consistent, reliable operational performance that optimizes the returns on your investment in gaming technology and systems. We also believe that together with GCA, Multimedia Games is better positioned to navigate industry changes, thereby ensuring continuity of our commitment to deliver customers value added products, support and services. Global Cash Access is equally dedicated to providing customers the best products, services and support and we are confident that your experience will only be enhanced by our alignment with GCA.

Notably, it continues to be business as usual at Multimedia Games we will continue to provide the same high-quality products and commitment to excellence in customer service throughout the transition. In fact, with no product overlap between the organizations, we expect to be positioned to provide you with expanded service and sales support and to have broader engineering capabilities that will allow us to consistently bring you innovative products in a very timely manner.

We appreciate and value your ongoing partnership with Multimedia Games and we look forward to furthering our relationship in the future as we continue to bring you products, services and support that enhance your operations. Please feel free to contact me or your Multimedia Games representative if you have any questions and we hope to see you later this month at G2E.
