PROXY STATEMENT FOR ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD DECEMBER 9, 2014

The board of directors of Paylocity Holding Corporation is soliciting your proxy for the 2015 Annual Meeting of Stockholders to be held on December 9, 2014, or any adjournment or postponement thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. This Proxy statement and related materials are first being mailed to stockholders on or about November 6, 2014. References in this Proxy Statement to the Company, we, our, us and Paylocity are to Paylocity Holding Corporation and its consolidated subsidiaries, and references to the annual meeting are to the 2015 Annual Meeting of Stockholders. When we refer to the Company's fiscal year, we mean the annual period ended on June 30, 2014. This proxy statement covers our 2014 fiscal year, which was from July 1, 2013 through June 30, 2014 (fiscal 2014). Certain information contained in this Proxy Statement is incorporated by reference into Part III of our Annual Report on Form 10-K for the fiscal year ended June 30, 2014, as filed by the Company with the U.S. Securities and Exchange Commission (SEC) on August 22, 2014.

SOLICITATION AND VOTING

Record Date

Only stockholders of record at the close of business on October 29, 2014 will be entitled to notice of and to vote at the meeting and any adjournment thereof. At the close of business on October 27, 2014, a total of 49,585,569 shares of our common stock were outstanding and entitled to vote. Each share of common stock has one vote.

Quorum

A majority of the shares of common stock issued and outstanding as of the record date must be represented at the meeting, either in person or by proxy, to constitute a quorum for the transaction of business at the meeting. Your shares will be counted towards the quorum if you submit a valid proxy (or one is submitted on your behalf by your broker or bank) or if you vote in person at the meeting. Abstentions and broker non-votes (shares held by a broker or nominee that does not have the authority, either express or discretionary, to vote on a particular matter) will each be counted as present for purposes of determining the presence of a quorum.

Vote Required to Adopt Proposals

Each share of our common stock outstanding on the record date is entitled to one vote on each of the two director nominees. Each share of our common stock outstanding on the record date is entitled to one vote on each other matter. For the election of directors, the nominees to serve as Class I directors will be elected by a plurality of the votes cast by the stockholders entitled to vote at the election. You may vote For or

Withhold with respect to each director nominee. Votes that are withheld will be excluded entirely from the vote with respect to the nominee from which they are withheld and will have no effect on the election of directors. With respect to the other proposals, approval of the proposal requires the affirmative vote of a majority in voting power of the shares present in person or represented by proxy and entitled to vote on the matter.

Effect of Abstentions and Broker Non-Votes

Broker non-votes occur when a beneficial owner of shares held in street name does not give instructions to the broker, bank or other nominee holding the shares as to how to vote on matters deemed non-routine by New York Stock Exchange rules and regulations. Broker non-votes, if any, and shares voted Withhold will have no effect on the election of directors. For each of the other proposals, broker non-votes, if any, will not be counted in determining the number of votes cast and will have no effect on the approval of these proposals, but abstentions will have the same effect as negative votes. If your shares are held in an account at a bank or brokerage firm, that bank or brokerage firm may vote your shares of common

Table of Contents

stock on Proposal No. 2 regarding ratification of our independent auditors, but will not be permitted to vote your shares of common stock with respect to Proposal No. 1, unless you provide instructions as to how your shares should be voted. If an executed proxy card is returned by a bank or broker holding shares which indicates that the bank or broker has not received voting instructions and does not have discretionary authority to vote on the proposals, the shares will not be considered to have been voted in favor of the proposals. Your bank or broker will vote your shares on Proposal No. 1 only if you provide instructions on how to vote by following the instructions they provide to you. Accordingly, we encourage you to vote promptly, even if you plan to attend the annual meeting. In tabulating the voting results for any particular proposal, shares that constitute broker non-votes are not considered entitled to vote on that proposal.

Voting Instructions

If you complete and submit your proxy card or voting instructions, the persons named as proxies will follow your voting instructions. If no choice is indicated on a signed and dated proxy card, the shares will be voted as the board recommends on each proposal as follows: FOR the election of each of the nominees named herein and FOR the ratification of the appointment of our independent auditors. Many banks and brokerage firms have a process for their beneficial owners to provide instructions via telephone or the Internet. The voting instruction form that you receive from your bank or broker will contain instructions for voting.

Depending on how you hold your shares, you may vote in one of the following ways:

Stockholders of Record: You may vote by either marking, signing and returning the enclosed proxy card or using telephone or Internet voting. You may also vote in person at the annual meeting.

Beneficial Stockholders: Your bank, broker or other holder of record will provide you with a voting instruction form for you to use to instruct them on how to vote your shares. Check the instructions provided by your bank, broker or other holder of record to see which voting options are available to you. However, since you are not the stockholder of record, you may not vote your shares in person at the annual meeting unless you request and obtain a valid, legal proxy from your bank, broker or other agent.

Votes submitted by telephone or via the Internet must be received by 11:59 p.m. Eastern Time on December 8, 2014. Submitting your proxy by mail or telephone or via the Internet will not affect your right to vote in person should you decide to attend the annual meeting in person.

If you are a stockholder of record, you may revoke your proxy and change your vote at any time before the polls close by returning a later-dated proxy card, by voting again by Internet or telephone as more fully detailed in your proxy card or by delivering written instructions to the Corporate Secretary before the annual meeting. Attendance at the annual meeting will not in and of itself cause your previously voted proxy to be revoked unless you specifically so request or vote again at the annual meeting. If your shares are held in an account at a bank, brokerage firm or other agent, you may change your vote by submitting new voting instructions to your bank, brokerage firm or other agent, or, if you have obtained a legal proxy from your bank, brokerage firm or other agent giving you the right to vote your shares, by attending the annual meeting and voting in person.

Solicitation of Proxies

We will bear the cost of soliciting proxies. In addition to soliciting stockholders by mail, we will request banks, brokers and other intermediaries holding shares of our common stock beneficially owned by others to obtain proxies from the beneficial owners and will reimburse them for their reasonable, out-of-pocket costs for forwarding proxy and solicitation material to the beneficial owners of common stock. We may use the services of our officers, directors and employees to solicit proxies, personally or by telephone, without additional compensation.

Voting Results

We will announce preliminary voting results at the annual meeting. We will report final results in a Form 8-K report filed with the SEC.

JOBS Act Explanatory Note

We are an emerging growth company under applicable federal securities laws and therefore permitted to take advantage of certain reduced public company reporting requirements. As an emerging growth company, we provide in this proxy statement the scaled disclosure permitted under the Jumpstart Our Business Startups Act of 2012 (the JOBS Act), including the compensation disclosures required of a smaller reporting company, as that term is defined in Rule 12b2 promulgated under the Securities Exchange Act of 1934, as amended (the Exchange Act). In addition, as an emerging growth company, we are not required to conduct votes seeking approval, on an advisory basis, of the compensation of our named executive officers or the frequency with which such votes must be conducted. We will remain an emerging growth company until the earliest of (i) the last day of the fiscal year in which we have total annual gross revenues of \$1 billion or more; (ii) December 31, 2019; (iii) the date on which we have issued more than \$1 billion in nonconvertible debt during the previous three years; or (iv) the date on which we are deemed to be a large accelerated filer under the rules of the SEC.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

We have a classified board of directors consisting of two Class I directors, two Class II directors and two Class III directors. At each annual meeting of stockholders, directors are elected for a term of three years to succeed those directors whose terms expire at the annual meeting date.

The term of the Class I directors, Steven I. Sarowitz and Jeffrey T. Diehl, will expire on the date of the 2015 annual meeting. Accordingly, two persons are to be elected to serve as Class I directors of the board of directors at the meeting. The board's nominees for election by the stockholders to those two positions are the two current Class I members of the board of directors, Steven I. Sarowitz and Jeffrey T. Diehl. If elected, each nominee will serve as a director until our 2018 annual meeting of stockholders and until their respective successors are elected and qualified, or their earlier death, resignation or removal. If any of the nominees declines to serve or becomes unavailable for any reason, or if a vacancy occurs before the election (although we know of no reason to anticipate that this will occur), the proxies may be voted for such substitute nominees as we may designate. The proxies cannot vote for more than two persons.

The two nominees for Class I director receiving the highest number of votes of shares of common stock will be elected as Class I directors. A Withhold vote will have no effect on the vote.

We believe that each of our directors has demonstrated business acumen, ethical integrity and an ability to exercise sound judgment as well as a commitment of service to us and our board of directors.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE ELECTION OF STEVEN I. SAROWITZ AND JEFFREY T. DIEHL AS CLASS I DIRECTORS. PROXIES WILL BE SO VOTED UNLESS STOCKHOLDERS SPECIFY OTHERWISE IN THEIR PROXIES.

The names of our directors who will continue in office until the 2016 and 2017 annual meetings of stockholders, as well as the nominees for Class I directors to be elected at this meeting, and certain information about them as of October 28, 2014 is set forth below. CORPORATE GOVERNANCE

Director Independence

Our board of directors has determined that each of Messrs. Diehl, Mishler, Reiner and Waters is an independent director for purposes of the Nasdaq Listing Rules and Rule 10A-3(b)(1) under the Exchange Act as the term relates to membership on the board of directors.

The definition of independence under the Nasdaq Listing Rules includes a series of objective tests, such as that the director is not, and has not been for at least three years, one of our employees and that neither the director, nor any of his or her family members, has engaged in various types of business dealings with us. In addition, as further required by the Nasdaq Listing Rules, our board has made a subjective determination as to each independent director that no material relationships exist that, in the opinion of our board, would interfere with his exercise of independent judgment in carrying out the responsibilities of a director. In making these determinations, our board reviewed and discussed information provided by the directors in questionnaires with questions tailored to the Nasdaq Listing Rules with regard to each director's business and personal activities as they may relate to us and our management.

Board of Directors Leadership Structure

The board of directors has adopted corporate governance guidelines to promote the functioning of the board and its committees. These guidelines address board composition, board functions and responsibilities, qualifications, leadership structure, committees and meetings.

Our Corporate Governance Guidelines do not contain a policy mandating the separation of the offices of the Chairman of the Board and the Chief Executive Officer, and the board is given the flexibility to select its Chairman and our Chief Executive Officer in the manner that it believes is in the best interests of our stockholders. Accordingly, the Chairman and the Chief Executive Officer may be filled by one individual or two. The board has chosen to separate the positions of Chairman of the Board and Chief Executive Officer. We believe this structure is optimal for us because it avoids any duplication of effort between the Chairman and the Chief Executive Officer and permits our Chief Executive Officer to focus his efforts on the day-to-day management of the Company. This separation provides strong leadership for the board and the Company through the Chairman, while also positioning our Chief Executive Officer as our leader in the eyes of our employees and other stakeholders. The board may reconsider the best board leadership structure for us from time to time.

Risk Management

Edgar Filing: Paylocity Holding Corp - Form DEF 14A

Our risk management function is overseen by our board of directors. Through our management reports and company policies, such as our Corporate Governance Guidelines, our Code of Business Conduct and Ethics and our audit committee's and compensation committee's review of financial and other risks, we keep our board of directors apprised of material risks and provide our directors access to all information necessary for them to understand and evaluate how these risks interrelate, how they affect us and how our management addresses those risks. Mr. Beauchamp, as our Chief Executive Officer, works with our independent directors and with management when material risks are identified by the board of directors or management to address such risk. If the identified risk poses an actual or potential conflict with management, our independent directors would conduct an assessment by themselves.

Executive Sessions

Non-management directors generally meet in executive session each time the board of directors holds a regularly scheduled meeting. The board's policy is to hold executive sessions without the presence of management as a part of all

Table of Contents

regular board meetings, and, in any event, at least twice during each calendar year. The Company's Corporate Governance Guidelines provide that a non-management independent director shall be chosen to preside at each executive session.

Meetings of the Board of Directors and Committees

The board of directors held 6 meetings during the fiscal year ended June 30, 2014. The board of directors has three standing committees: an audit committee, a compensation committee and a nominating and corporate governance committee. During the last fiscal year, each of our directors attended at least 75% of the total number of meetings of the board and all of the committees of the board on which such director served during that period.

The following table sets forth the standing committees of the board of directors and the members of each committee as of the date that this Proxy Statement was first made available to our stockholders:

Name of Director	Audit	Compensation	Nominating and Corporate Governance
Steven R. Beauchamp			
Jeffrey T. Diehl	X	X	X
Mark H. Mishler	X	Chair	X
Andres D. Reiner			
Steven I. Sarowitz			Chair
Ronald V. Waters, III	Chair	X	

Audit Committee

The members of the audit committee are Messrs. Diehl, Mishler and Waters, each of whom is a non-employee member of our board of directors. Mr. Waters serves as the chair of the audit committee. Our board of directors determined that each of Messrs. Diehl, Mishler and Waters is independent for purposes of the Nasdaq Listing Rules and SEC rules and regulations as they apply to audit committee members. Our board of directors has determined that each of Messrs. Diehl, Mishler and Waters meet the requirements for financial literacy and sophistication, and that Mr. Waters qualifies as an audit committee financial expert, under the applicable requirements of the Nasdaq Listing Rules and SEC rules and regulations. The composition of our audit committee complies with all applicable requirements in the Nasdaq Listing Rules and SEC rules and regulations.

The functions of the audit committee include:

- selecting a firm to serve as the independent registered public accounting firm to audit our financial statements;

Edgar Filing: Paylocity Holding Corp - Form DEF 14A

- ensuring the independence of the independent registered public accounting firm;
- discussing the scope and results of the audit with the independent registered public accounting firm, and reviewing, with management and that firm, our interim and year-end operating results;
- establishing procedures for employees to submit anonymously concerns about questionable accounting or audit matters;
- considering the adequacy of our internal controls;
- reviewing material related party transactions or those that require disclosure; and
- approving or, as permitted, pre-approving all audit and non-audit services to be performed by the independent registered public accounting firm.

The audit committee held two meetings during the fiscal year ended June 30, 2014. Additional information regarding the audit committee is set forth in the Report of the Audit Committee immediately following Proposal No. 2.

Compensation Committee

The members of the compensation committee are Messrs. Diehl, Mishler and Waters, each of whom is a non-employee member of our board of directors. Mr. Mishler serves as the chairperson of the compensation committee. Our board of directors has determined that each member of the compensation committee is independent for purposes of the Nasdaq Listing Rules, is a non-employee director, as defined by Rule 16b-3 promulgated under the Exchange Act, and is an outside director, as defined pursuant to Section 162(m) of the Internal Revenue Code.

The functions of the compensation committee include:

- reviewing and approving, or recommending that our board of directors approve, the compensation of our executive officers;
- reviewing and recommending to our board of directors the compensation of our directors;
- reviewing and recommending to our board of directors the terms of any compensatory agreements with our executive officers;
- administering our stock and equity incentive plans;
- reviewing and approving, or making recommendations to our board of directors with respect to, incentive compensation and equity plans; and
- reviewing our overall compensation philosophy.

The compensation committee and board of directors believe that attracting, retaining and motivating our employees, and particularly the company's senior management team and key operating personnel, are essential to Paylocity's performance and enhancing shareholder value. The compensation committee will continue to administer and develop our compensation programs in a manner designed to achieve these objectives.

The compensation committee reviews and recommends policies relating to compensation and benefits of our officers and employees. The compensation committee reviews and approves corporate goals and objectives relevant to compensation of our Chief Executive Officer and other executive officers, evaluates the performance of these officers in light of those goals and objectives, and recommends the compensation of these officers based on such evaluations. The Compensation Committee also administers the issuance of stock options and other awards under our equity compensation plans.

Edgar Filing: Paylocity Holding Corp - Form DEF 14A

In April, 2014, the compensation committee selected Compensia, Inc. (Compensia), to provide independent compensation consulting support. Compensia has provided market information on compensation trends and practices and makes compensation recommendations based on competitive data of a peer group of companies. Compensia is also available to perform special projects at the compensation committee's request. Compensia provides analyses and recommendations that inform the compensation committee's decisions, but does not decide or approve any compensation actions. As needed, the compensation committee also consults with Compensia on other compensation-related matters, which for fiscal year 2014 included a review of stock ownership guidelines for the company's executive officers and directors and assessing compensation of the board of directors after the completion of our initial public offering. The engagement of any compensation consultant rests exclusively with the compensation committee, which has sole authority to retain and terminate any compensation consultant or other advisor that it uses.

The compensation committee has assessed the independence of Compensia and concluded that no conflicts of interest exist that would prevent Compensia from providing independent and objective advice to the compensation committee.

The compensation committee held one meeting during the fiscal year ended June 30, 2014.

Nominating and Corporate Governance Committee

The members of the nominating and corporate governance committee are Messrs. Diehl, Mishler and Sarowitz. Mr. Sarowitz serves as the chairperson of the nominating and corporate governance committee. Our board of directors determined that each of Messrs. Diehl and Mishler is independent for purposes of the Nasdaq Listing Rules and under applicable SEC rules and regulations. The composition of our nominating and corporate governance committee complies with all applicable requirements in the Nasdaq Listing Rules and SEC rules and regulations and a majority of our nominating and corporate governance committee members are independent directors. After the phase in period under the applicable requirements of the Nasdaq Listing Rules and SEC rules and regulations, upon which we rely, all members of our nominating and corporate governance committee will be independent directors. The functions of the nominating and corporate governance committee include:

- identifying and recommending candidates for membership on our board of directors;
- reviewing and recommending our corporate governance guidelines and policies;
- reviewing proposed waivers of the code of conduct for directors and executive officers;
- overseeing the process of evaluating the performance of our board of directors; and
- assisting our board of directors on corporate governance matters.

The nominating and corporate governance committee held no meetings during the fiscal year ended June 30, 2014.

Director Nominations

Our nominating and corporate governance committee is responsible for, among other things, assisting our board of directors in identifying qualified director nominees and recommending nominees for each annual meeting of stockholders. The nominating and corporate governance committee's goal is to assemble a board that brings to our company a diversity of experience in areas that are relevant to our business and that complies with the Nasdaq Listing Rules and applicable SEC rules and regulations. While we do not have a formal diversity policy for board membership, the nominating and corporate governance committee generally considers the diversity of nominees in terms of knowledge, experience, background, skills, expertise and other demographic factors. When considering nominees for election as directors, the nominating and corporate governance committee reviews the needs of the board for various skills, background, experience and expected contributions and the qualification standards established from time to time by the nominating and corporate governance committee. The nominating and corporate governance committee believes that directors must also have an inquisitive and objective outlook and mature judgment. Director candidates

must have sufficient time available in the judgment of the nominating and corporate governance committee to perform all board and committee responsibilities. Members of the board of directors are expected to rigorously prepare for, attend and participate in all meetings of the board and applicable committee meetings.

Other than the foregoing and the applicable rules regarding director qualification, there are no stated minimum criteria for director nominees. Under the Nasdaq Listing Rules, at least a majority of the members of the board must meet the definition of "independence" and at least one director must be a "financial expert" under the Exchange Act and the Nasdaq Listing Rules and applicable SEC rules and regulations. The nominating and corporate governance committee also believes it appropriate for our Chief Executive Officer to participate as a member of the board of directors.

The nominating and corporate governance committee will evaluate annually the current members of the board whose terms are expiring and who are willing to continue in service against the criteria set forth above in determining whether to recommend these directors for election. The nominating and corporate governance committee will assess regularly the optimum size of the board and its committees and the needs of the board for various skills, background and business experience in determining if the board requires additional candidates for nomination.

Candidates for director nominations come to our attention from time to time through incumbent directors, management, stockholders or third parties. These candidates may be considered at meetings of the nominating and corporate governance committee at any point during the year. Such candidates are to be evaluated against the criteria set forth above. If the nominating and corporate governance committee believes at any time that it is desirable that the board consider additional

candidates for nomination, the committee may poll directors and management for suggestions or conduct research to identify possible candidates and may engage, if the nominating and corporate governance committee believes it is appropriate, a third-party search firm to assist in identifying qualified candidates.

Our bylaws permit stockholders to nominate directors for consideration at an annual meeting. The nominating and corporate governance committee will consider director candidates validly recommended by stockholders. For more information regarding the requirements for stockholders to validly submit a nomination for director, see [Stockholders Proposals or Nominations to Be Presented at Next Annual Meeting](#) elsewhere in this Proxy Statement.
