### **Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**

#### *Exchangeable Notes*

As a result of the merger transactions contemplated by the Merger Agreement, on February 29, 2016, ARP OP became a wholly owned subsidiary of the Operating Partnership and the Company and Merger Sub entered into the Supplemental Indenture in respect of the Notes and assumed the obligations under the Indenture (as amended and supplemented by the Supplemental Indenture). Pursuant to the Supplemental Indenture, the Notes are fully and unconditionally guaranteed by Merger Sub.

On November 27, 2013, ARP OP issued \$115,000,000 aggregate principal amount of Notes. The Notes are senior unsecured obligations of ARP OP and rank equally in right of payment with all other existing and future senior unsecured indebtedness of ARP OP. Interest is payable in arrears on May 15 and November 15 of each year, beginning May 15, 2014, until the maturity date of November 15, 2018.

## Edgar Filing: American Homes 4 Rent - Form 8-K

The Notes bear interest at a rate of 3.25% per annum and contain an exchange settlement feature, which provides that the Notes may, under certain circumstances, be exchangeable for cash, Company Common Shares or a combination of cash and Company Common Shares, at the option of ARP OP, based on an initial exchange rate of 46.9423 Company Common Shares per \$1,000 principal amount of Notes, subject to adjustment of the exchange rate under certain circumstances. The exchange rate of the Notes as of December 3, 2015 was 47.4697 Company Common Shares per \$1,000 principal amount of Notes.

Prior to the close of business on the business day immediately preceding August 15, 2018, the Notes will be exchangeable at the option of the holders only under the following circumstances: (1) during any calendar quarter beginning after December 31, 2013 (and only during such quarter) if the closing sale price per Company Common Share is more than 130% of the then-current exchange price for at least 20 trading days (whether or not consecutive) in the period of 30 consecutive trading days ending on the last trading day of the preceding calendar quarter; (2) during the five consecutive business-day period following any five consecutive trading-day period in which the trading price per \$1,000 principal amount of Notes was less than 98% of the product of the closing sale price per Company Common Share multiplied by the then-current exchange rate; or (3) upon the occurrence of specified corporate transactions described in the Indenture. On or after August 15, 2018, the Notes will be exchangeable at any time prior to the close of business on the second business day immediately preceding the maturity date. Subject to its election to satisfy its exchange obligations entirely in Company Common Shares, upon exchange, ARP OP will pay or deliver, as the case may be, to exchanging holders in respect of each \$1,000 principal amount of Notes being exchanged a settlement amount either solely in cash, solely in Company Common Shares or in a combination of cash and Company Common Shares.

In accordance with the terms of the Merger Agreement, the Company may not issue more than 19.99% of the Company Common Shares outstanding as of immediately prior to the closing of the Mergers in connection with the Mergers (including any exchange of the Notes pursuant to the Indenture, as amended and supplemented by the Supplemental Indenture) unless or until such time as the Company obtains shareholder approval to issue shares in excess of such amount in accordance with the listing standards of the NYSE. The Company has no duty, obligation or commitment to seek shareholder approval to issue Company Common Shares in excess of such amount. If any such exchange of the Notes would result in the issuance of more than such number of Company Common Shares and no shareholder approval has been obtained, such exchanges will be settled in cash (along with any other exchanges required to be settled in a similar fashion pursuant to the Indenture, as amended and supplemented by the Supplemental Indenture).

ARP OP may not redeem the Notes prior to their maturity date.

The holders of the Notes have the right to require ARP OP to repurchase the Notes, in whole or in part, in cash in the event of a designated event for a repurchase price equal to 100% of the principal amount of the Notes plus unpaid interest, if any, accrued to, but excluding, the repurchase date.

A designated event will be deemed to have occurred at the time that any of the following occurs:

- any person or group (as such terms are used for purposes of Sections 13(d) and 14(d) of the Securities Exchange Act of 1934, as amended (the Exchange Act), whether or not applicable), other than Merger Sub, ARP OP or any other majority-owned subsidiary of Merger Sub, files a Schedule 13D or any schedule, form or report under the Exchange Act disclosing that such person or group has become the direct or indirect ultimate beneficial owner, as defined in Rule 13d-3 under the Exchange Act, of Merger Sub's common equity representing more than 50% of the voting power of Merger Sub's common equity;

- the consummation of (x) any consolidation, merger or binding share exchange or reclassification or similar transaction between Merger Sub and another person (other than its subsidiaries), in each case pursuant to which Company Common Shares shall be converted into cash, securities or other property, other than a transaction (i) that results in the holders of all classes of Merger Sub's common equity immediately prior to such transaction owning, directly or indirectly, as a result of such transaction, more than 50% of the surviving corporation or transferee or the parent thereof immediately after such event or (ii) effected solely to change Merger Sub's jurisdiction of formation or to form a holding company for Merger Sub and that results in a share exchange or reclassification or similar exchange of the outstanding Company Common Shares solely into common shares of the surviving entity or (y) any sale or other disposition in one transaction or a series of transactions of all or substantially all of Merger Sub's assets and its subsidiaries, on a consolidated basis, to another person (other than any of Merger Sub's subsidiaries);
- the managers who either are members of Merger Sub's board of managers (the Board) on February 29, 2016, or who become a member of the Board subsequent to that date and whose election, appointment or nomination for election by Merger Sub's members is duly approved by a majority of the continuing members on the Board at the time of such approval, either by a specific vote or by approval of the proxy statement issued by Merger Sub on behalf of the entire Board in which such individual is named as nominee for manager cease to constitute at least a majority of the Board;
- Merger Sub's members approve any plan or proposal for the liquidation or dissolution of Merger Sub (other than as described in the second bullet in this list);
- the Company Common Shares cease to be listed on the NYSE, The NASDAQ Global Select Market or The NASDAQ Global Market (or any of their respective successors); or
- Merger Sub (or any successor thereto permitted pursuant to the terms of the Indenture, as amended and supplemented by the Supplemental Indenture) ceases to be, either directly or indirectly through one or more of its subsidiaries, the general partner of ARP OP or ceases to control ARP OP;

provided, however, that in connection with a designated event of the type described in the first two bullet points above, if at least 90% of the consideration received by members consists of common equity interests that are listed on the NYSE or The NASDAQ Global Select or The NASDAQ Global Market and the Notes are exchangeable for such equity interests, no designated event will have occurred. Holders of Notes who exchange their Notes upon the occurrence of a designated event (or what would have been a designated event but for the exclusion set forth in clause (x)(i) in the second bullet point above) may be entitled to a make-whole premium in the form of an increase in the exchange rate.

Certain events are considered Events of Default, which may result in the accelerated maturity of the Notes, including:

Edgar Filing: American Homes 4 Rent - Form 8-K

- default in the payment of any interest on the Notes when such interest becomes due and payable, that continues for a period of 30 days;
- default in the payment of the principal of the Notes, or any repurchase price due with respect to the Notes, when due and payable;
- failure by ARP OP or Merger Sub to satisfy their obligations upon an exchange of Notes in accordance with the Supplemental Indenture;
- failure by ARP OP to provide timely notice in connection with a liquidation, dissolution or certain extraordinary distributions that permit the holders of the Notes to exchange them prior to August 15, 2018;

- failure to comply with obligations relating to a merger, consolidation or sale;
- failure to provide notice of a designated event pursuant to which the Notes will be subject to repurchase;
- default in the performance, or breach, of any of ARP OP's or Merger Subs' other covenants or warranties in the Indenture with respect to the Notes and continuance of such default or breach for a period of 60 days after written notice;
- default under any bond, debenture, note, mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any indebtedness for money borrowed by Merger Sub, ARP OP or by any subsidiary the repayment of which Merger Sub or ARP OP have guaranteed or for which Merger Sub or ARP OP are directly responsible or liable as obligor or guarantor, having an aggregate principal amount outstanding of at least \$10,000,000, whether such indebtedness now exists or shall hereafter be created, which default shall have resulted in such indebtedness becoming or being declared due and payable prior to the date on which it would otherwise have become due and payable, without such indebtedness having been discharged, or such acceleration having been rescinded or annulled, within the period specified in such instrument;
- a final judgment for the payment of \$10,000,000 or more (excluding any amounts covered by insurance) rendered against ARP OP, Merger Sub or any of their respective subsidiaries, which judgment is not discharged or stayed within 60 days after (1) the date on which the right to appeal thereof has expired if no such appeal has commenced, or (2) the date on which all rights to appeal have been extinguished; or
- certain events of bankruptcy, insolvency or reorganization, or court appointment of a receiver, liquidator or trustee for Merger Sub, ARP OP or any of their respective significant subsidiaries (within the meaning of Regulation S-X promulgated under the Securities Act) or Merger Sub or ARP OP.

#### *Securitization Facility*

As a result of the merger transactions contemplated by the Merger Agreement, on February 29, 2016, the Company, through certain of its subsidiaries, assumed \$342,241,000 (the *Loan*) of existing indebtedness under a loan agreement, dated as of August 26, 2014 (the *Loan Agreement*), between ARP 2014-1 Borrower, LLC, a Delaware limited liability company and indirect wholly owned subsidiary of ARP OP (*Borrower*), and German American Capital Corporation, as lender (*Lender*). The Loan was entered into in connection with a securitization transaction completed by ARPI on August 26, 2014, which involved the issuance and sale in a private offering of six classes of single-family rental pass-through certificates that represent beneficial ownership interests in the Loan. Certain of the certificates were sold at a discount of \$1,682,300 in the aggregate, resulting in gross proceeds from the offering of approximately \$340,558,700.

## Edgar Filing: American Homes 4 Rent - Form 8-K

Each class of pass-through certificate accrues interest at a rate based on one-month LIBOR plus a fixed-rate spread. The weighted average of the fixed-rate spreads is 2.00%. Taking into account the discount at which certain of the certificates were sold, and assuming the successful exercise of the three one-year extension options of the Loan Agreement and amortization of the discount over the resulting fully extended period, the effective weighted average of the fixed-rate spreads is 2.11%.

## Edgar Filing: American Homes 4 Rent - Form 8-K

The Loan was deposited into a trust in exchange for the pass-through certificates. The pass-through certificates represent the entire beneficial interest in the trust and were sold in a private offering through the placement agents retained for the transaction. The certificates were offered and sold to qualified institutional buyers and non-U.S. persons pursuant to the exemptions from registration provided by Rule 144A and Regulation S, respectively, under the Securities Act of 1933, as amended.

The Loan is a two-year, floating rate loan, composed of six floating rate components, each of which is computed monthly based on one-month LIBOR plus a fixed component spread. Interest on the Loan is paid monthly. As part of certain lender requirements in connection with the securitization transaction, Borrower entered into an interest rate cap agreement for the initial two-year term of the Loan, with a LIBOR-based strike rate equal to 3.12%.

The Loan is secured by first priority mortgages on a portfolio of 2,876 single-family homes operated as rental properties (collectively, the Properties) owned by Borrower. The initial maturity date of the Loan is September 9, 2016 (the Initial Maturity Date). Borrower has the option to extend the Loan beyond the Initial Maturity Date for three successive one-year terms, provided that there is no event of default under the Loan Agreement on each maturity date, Borrower obtains a replacement interest rate cap agreement in a form reasonably acceptable to Lender and Borrower complies with the other terms set forth in the Loan Agreement. The Loan Agreement requires that Borrower comply with various affirmative and negative covenants that are customary for loans of this type, including limitations on indebtedness Borrower can incur, limitations on sales and dispositions of the Properties and various restrictions on the use of cash generated by the operations of the Properties while the Loan is outstanding.

This description of the Loan Agreement is not complete and is qualified in its entirety by reference to the Loan Agreement, filed as Exhibit 10.1 to this Current Report on Form 8-K, which is incorporated herein by reference.
