**Vale informs about debt amortization**

Rio de Janeiro, November 16th, 2016 Vale S.A. (Vale) informs that it will repay today the outstanding balance of US\$ 2.000 billion drawn under the Revolving Credit Lines in January 2016.

The above mentioned amortization is consistent with Vale's strategy on managing its debt profile by extending its average maturity while resetting the available funding from the Revolving Credit Lines to its original amount of US\$ 5.000 billion.

This press release may include statements that present Vale's expectations about future events or results. All statements, when based upon expectations about the future, involve various risks and uncertainties. Vale cannot guarantee that such statements will prove correct. These risks and uncertainties include factors related to the following: (a) the countries where we operate, especially Brazil and Canada; (b) the global economy; (c) the capital markets; (d) the mining and metals prices and their dependence on global industrial production, which is cyclical by nature; and (e) global competition in the markets in which Vale operates. To obtain further information on factors that may lead to results different from those forecast by Vale, please consult the reports Vale files with the U.S. Securities and Exchange Commission (SEC), the Brazilian Comissão de Valores Mobiliários (CVM), and the French Autorité des Marchés Financiers (AMF), and in particular the factors discussed under "Forward-Looking Statements" and "Risk Factors" in Vale's annual report on Form 20-F.
