Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On August 11, 2017, the Compensation Committee of the Board of Directors (the Compensation Committee) of The Howard Hughes Corporation (the Company) adopted an amendment and restatement of The Howard Hughes Management Co., LLC Separation Benefits Plan (the Plan). The Plan generally covers salaried employees of the Company who do not have employment agreements that provide severance benefits. Saul Scherl, Executive Vice President and Christopher Curry, Senior Executive Vice President of Development, who are named executive officers in the Company's proxy statement filed with the Securities Exchange Commission on April 11, 2017 are covered by the Plan. In connection with an involuntary termination from the Company and provided the employee executes a release of claims against the Company, Messrs. Scherl and Curry are entitled to the level of severance benefits provided to full-time employees at the Vice President level or higher, which is a lump sum payment equal to 12 weeks of continued base salary payments plus an additional four weeks of continued base salary payments for each year of employment with the Company. The maximum severance payment under the Plan is one year of continued salary payments capped at the Internal Revenue Code section 401(a)(17) limit, which is \$270,000 for 2017. The severance payment may also be reduced by the Company if any portion of the payment is subject to the excise tax under Internal Revenue Code section 4999.

This summary is not intended to be complete and is qualified in its entirety by reference to the Plan, which is filed hereto as Exhibit 10.1.
