Item 1.01 Entry into a Material Definitive Agreement

Merger Agreement

On January 21, 2018, Idera Pharmaceuticals, Inc., a Delaware corporation (Idera), BioCryst Pharmaceuticals, Inc., a Delaware corporation (BioCryst), Nautilus Holdco, Inc., a Delaware corporation and a direct, wholly owned subsidiary of BioCryst (Holdco), Island Merger Sub, Inc., a Delaware corporation and a direct, wholly owned subsidiary of Holdco (Merger Sub A), and Boat Merger Sub, Inc., a Delaware corporation and a direct, wholly owned subsidiary of Holdco (Merger Sub B), entered into an Agreement and Plan of Merger (the Merger Agreement). Pursuant to the Merger Agreement, and subject to the satisfaction or waiver of the conditions specified therein, (a) Merger Sub A shall be merged with and into Idera (the Idera Merger), with Idera surviving as a wholly owned subsidiary of Holdco, and (b) Merger Sub B shall be merged with and into BioCryst (the BioCryst Merger), and, together with the Idera Merger, the Mergers, with BioCryst surviving as a wholly owned subsidiary of Holdco. Holdco will be renamed prior to the closing of the Mergers.

The board of directors of each of Idera and BioCryst has unanimously approved the Merger Agreement and the transactions contemplated thereby.

Merger Consideration

At the effective time of the Mergers (the Effective Time), (i) each share of common stock, par value \$0.001 per share, of Idera (Idera Common Stock) issued and outstanding immediately prior to the Effective Time (other than the shares that are owned by Idera, BioCryst, Holdco, Merger Sub A or Merger Sub B or any wholly owned subsidiary of Idera, BioCryst, Holdco, Merger Sub A or Merger Sub B) will be converted into the right to receive 0.20 (the Idera Exchange Ratio) of a newly issued share of common stock (the Holdco Common Stock), par value \$0.01 per share, of Holdco (the Idera Common Stock Merger Consideration) and (ii) each share of preferred stock, par value \$0.01 per share, of Idera (Idera Preferred Stock) issued and outstanding immediately prior to the Effective Time (other than the shares that are owned by Idera, BioCryst, Holdco, Merger Sub A or Merger Sub B or any wholly owned subsidiary of Idera, BioCryst, Holdco, Merger Sub A or Merger Sub B) will be converted into the right to receive an amount of Holdco Common Stock based on their liquidation preference (together with the Idera Common Stock Merger Consideration, the Idera Merger Consideration). No fractional shares of Holdco Common Stock will be issued in the Mergers, and Idera stockholders will receive cash in lieu of fractional shares as part of the Idera Merger Consideration, as specified in the Merger Agreement.

At the Effective Time of the Mergers, (i) each share of common stock, par value \$0.01 per share, of BioCryst (BioCryst Common Stock) issued and outstanding immediately prior to the Effective Time (other than the shares that are owned by Idera, BioCryst, Holdco, Merger Sub A or Merger Sub B or any wholly owned subsidiary of Idera, BioCryst, Holdco, Merger Sub A or Merger Sub B) will be converted into the right to receive 0.50 (the BioCryst Exchange Ratio) of a newly issued share of Holdco Common Stock (the BioCryst Merger Consideration). No fractional shares of Holdco Common Stock will be issued in the Mergers, and BioCryst stockholders will receive cash in lieu of fractional shares as part of the BioCryst Merger Consideration, as specified in the Merger Agreement.

The Idera Exchange Ratio and BioCryst Exchange Ratio will result in Idera common stockholders and BioCryst common stockholders owning approximately 48.4% and 51.6%, respectively, of the outstanding shares of Holdco Common Stock following the Effective Time.

Edgar Filing: IDERA PHARMACEUTICALS, INC. - Form 8-K

Also at the Effective Time, outstanding options to purchase shares of Idera Common Stock (Idera Options) and outstanding warrants and pre-funded warrants to purchase shares of Idera Common Stock (Idera Warrants) will be assumed by Holdco and, if the Idera Options are held by individuals who are not a party to a Severance and Change of Control Agreement, such options shall accelerate and vest in full. All Idera Options will be converted into a stock option to purchase shares of Holdco Common Stock (Holdco Option) with the same terms and conditions (other than, in the case described above, vesting) as applied to the option immediately prior to the Effective Time; however, the Holdco Option will cover a number of shares of Holdco Common Stock equal to the product of the number of shares of Idera Common Stock subject to the Idera Option and the Idera Exchange Ratio and will have an exercise price per share equal to the amount obtained by dividing the per share exercise price of the Idera Option by

the Idera Exchange Ratio. All Idera Warrants will be converted into a warrant to acquire Holdco Common Stock (Holdco Warrant) with the same terms and conditions as applied to the warrant immediately prior to the Effective Time; however, the Holdco Warrant will cover a number of shares of Holdco Common Stock equal to the product of the number of shares of Idera Common Stock subject to the Idera Warrant and the Idera Exchange Ratio and will have an exercise price per share equal to the amount obtained by dividing the per share exercise price of the Idera Option by the Idera Exchange Ratio.

Also at the Effective Time, outstanding options to purchase shares of BioCryst Common Stock (the BioCryst Options) will accelerate and vest in full and be assumed by Holdco and converted into Holdco Options with the same terms and conditions (other than vesting) as applied to the BioCryst Options immediately prior to the Effective Time; however, each such Holdco Option will cover a number of shares of Holdco Common Stock equal to the product of the number of shares of BioCryst Common Stock subject to the BioCryst Option and the BioCryst Exchange Ratio and will have an exercise price per share equal to the amount obtained by dividing the per share exercise price of the BioCryst Option by the BioCryst Exchange Ratio. All BioCryst restricted stock units covering BioCryst Common Stock (BioCryst RSUs) will accelerate and vest in full and be converted into restricted stock units covering Holdco Common Stock (Holdco RSUs) with the same terms and conditions (other than vesting) as applied to the BioCryst RSUs immediately prior to the Effective Time; however, the Holdco RSUs will cover a number of shares of Holdco Common Stock equal to the product of the number of shares of BioCryst Common Stock subject to the BioCryst RSU and the BioCryst Exchange Ratio.

Governance

Under the terms of the Merger Agreement, as of the Effective Time, the corporate headquarters of Holdco and its subsidiaries will be located in Exton, Pennsylvania and the primary research and development facility for Holdco and its subsidiaries will be located in Birmingham, Alabama.

The Merger Agreement provides that, upon the closing of the Mergers, the board of directors of Holdco (the Holdco Board) will be comprised of nine members, consisting of (i) four directors designated from the board of directors of Idera (the Idera Board), one of which will be Vincent J. Milano, Idera's current chief executive officer, (ii) four directors designated from the board of directors of BioCryst (the BioCryst Board), one of which will be Jon P. Stonehouse, BioCryst's current chief executive officer, and (iii) one director to be mutually agreed upon by Idera's Board and BioCryst's Board. Robert A. Ingram, the current Chairman of the BioCryst Board, will be chairman of the Holdco Board. Each director designee (other than the chief executive officer of Idera or BioCryst immediately prior to the Effective Time) must qualify as an independent director, as defined in NASDAQ Equity Rule 5605(a)(2). Additionally, at least one Idera designee shall be appointed to each committee of the Holdco Board.

The Merger Agreement provides that Vincent J. Milano, the current chief executive officer of Idera, will be Chief Executive Officer of Holdco.

Conditions to the Mergers

The consummation of the Mergers is subject to customary closing conditions, including (i) the adoption of the Merger Agreement by the affirmative vote of the holders of a majority of all outstanding shares of Idera capital stock entitled to vote thereon, (ii) the adoption of the Merger Agreement by the affirmative vote of the holders of a majority of all outstanding shares of BioCryst Common Stock entitled to vote thereon, (iii) the absence of any adverse law or order promulgated, entered, enforced, enacted or issued by any governmental entity that prohibits, restrains or makes illegal the consummation of the Mergers, (iv) the shares of Holdco Common Stock to be issued in the Mergers being approved for listing on the NASDAQ Global Select Market, (v) the expiration or termination of the

waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976 and other material government approvals, (vi) the U.S. Securities and Exchange Commission (the SEC) having declared effective the Form S-4 Registration Statement of Holdco which will contain the joint proxy statement/prospectus of the parties in connection with the Mergers, (vii) subject to certain materiality exceptions, the accuracy of certain representations and warranties of each of Idera and BioCryst contained in the Merger Agreement and the compliance by each party with the covenants contained in the Merger Agreement, (viii) the receipt of certain opinions from legal counsel

regarding the intended tax treatment of the Mergers and (ix) the absence of a material adverse effect with respect to each of Idera and BioCryst. The parties expect the Mergers will be completed in the second quarter of 2018.

Certain Other Terms of the Merger Agreement

Idera, BioCryst, Holdco, Merger Sub A and Merger Sub B each made certain representations, warranties and covenants in the Merger Agreement, including, among other things, covenants by Idera and BioCryst to conduct their businesses in the ordinary course during the period between the execution of the Merger Agreement and consummation of the Mergers, to refrain from taking certain actions specified in the Merger Agreement and to use reasonable best efforts to cause the conditions of the Mergers to be satisfied.

Neither Idera nor BioCryst is permitted to solicit, initiate or knowingly encourage or induce, or take any other action designed to facilitate, any competing transaction proposals from third parties or to engage in discussions or negotiations with third parties regarding any competing transaction proposals, subject to certain exceptions. Each party's board of directors may change its recommendation to its stockholders in response to a superior proposal or an intervening event if the board of directors determines in good faith that the failure to take such action would constitute a breach of the directors' fiduciary duties under applicable law.

The Merger Agreement provides for certain termination rights for both Idera and BioCryst. Upon termination of the Merger Agreement under certain specified circumstances, Idera or BioCryst may be required to pay the other party a termination fee of \$25,000,000.00. In addition, if the Merger Agreement is terminated by Idera or BioCryst as a result of the other party's failure to obtain stockholder approval, or is terminated by Idera or BioCryst due to the other party's breach of its representations and covenants and such breach would result in the closing conditions not being satisfied, then the non-terminating party may be required to pay a fixed expense reimbursement amount of \$6,000,000.00.

The foregoing summary does not purport to be a complete description and is qualified in its entirety by reference to the full text of the Merger Agreement, which is attached hereto as Exhibit 2.1 and is incorporated herein by reference.

The Merger Agreement has been attached as an exhibit to this report to provide investors and security holders with information regarding its terms. It is not intended to provide any other factual information about Idera or BioCryst or to modify or supplement any factual disclosures about Idera or BioCryst in its public reports filed with the SEC. The Merger Agreement includes representations, warranties and covenants of Idera and BioCryst made solely for the purposes of the Merger Agreement and which may be subject to important qualifications and limitations agreed to by Idera and BioCryst in connection with the negotiated terms of the Merger Agreement. Moreover, some of those representations and warranties may not be accurate or complete as of any specified date, may be subject to certain disclosures between the parties and a contractual standard of materiality different from those generally applicable to Idera's or BioCryst's SEC filings. In addition, the representations and warranties were made for purposes of allocating risk among the parties to the Merger Agreement and should not be relied upon as establishing factual matters.

Simultaneously with the execution of the Merger Agreement, Idera entered into a Voting and Support Agreement (the Voting and Support Agreement) with 667, L.P. (667) and Baker Brothers Life Sciences, L.P. (BBL S), each of which is an affiliate of Baker Bros. Advisors, LP

The Registration Rights Agreement Amendment provides for the continuation of the registration rights provided for pursuant to the Registration Rights Agreement in the event of a recapitalization, merger, consolidation, reorganization or other similar transaction (which will include the Idera Merger).

The foregoing summary does not purport to be a complete description and is qualified in its entirety by reference to the full text of the Registration Rights Agreement Amendment, which is attached hereto as Exhibit 10.1 and is incorporated herein by reference.

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year

On January 21, 2018, the Idera Board determined that it was in the best interests of Idera and its stockholders to amend the Amended and Restated By-Laws of Idera (the Bylaws) and by resolution authorized, approved and adopted an amendment to the Bylaws (the Bylaws Amendment). The Bylaws Amendment became effective immediately upon its adoption. The Bylaws Amendment provides that, unless Idera consents in writing to the selection of an alternative forum, the Court of Chancery (the Chancery Court) of the State of Delaware (or, in the event that the Chancery Court does not have jurisdiction, the federal district court for the District of Delaware or other state courts of the State of Delaware) is the sole and exclusive forum for (i) any derivative action or proceeding brought on behalf of Idera, (ii) any action asserting a claim of breach of a fiduciary duty owed by any director, officer, other employee or stockholder of Idera to Idera or to Idera's stockholders, (iii) any action arising pursuant to any provision of the law or Idera's Certificate of Incorporation or the Bylaws (as either may be amended from time to time), (iv) any action to interpret, apply, enforce or determine the validity of Idera's Certificate of Incorporation or the Bylaws or (v) any action asserting a claim against Idera governed by the internal affairs doctrine.

In addition, the Bylaws Amendment provides that the chairman of the Idera Board, or in the absence of the chairman of the Idera Board, the chief executive officer, the president, or, in the absence of all of them, a vice president, or, in the absence of all of them, a person designated by the Idera Board, shall act as chairman of each stockholders meeting. The chairman of such meeting shall have the right and authority to convene and (for any or no reason) to recess and/or adjourn the meeting, and other such rights as specified in the Bylaws Amendment.

The foregoing description of the Bylaws Amendment does not purport to be a complete description and is qualified in its entirety by reference to the full text of the Bylaws Amendment, which is attached hereto as Exhibit 3.1 and is incorporated herein by reference.
