Item 1.01 Entry into a Material Definitive Agreement.

The disclosure set forth below under Item 2.03 (Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant ) is hereby incorporated by reference into this Item 1.01.

Item 1.02 Termination of a Material Definitive Agreement.

Concurrently with the effectiveness of the Credit Agreement described in Item 2.03 below, Time Warner Cable Inc. ("TWC"), a consolidated subsidiary of Time Warner Inc. ("Time Warner"), and Time Warner Entertainment Company, L.P. ("TWE" and, together with TWC, the "Borrowers"), a consolidated subsidiary of TWC, terminated their previously existing \$1.0 billion 364-day revolving credit agreement, dated as of December 9, 2003, and \$500 million three-year term loan agreement, dated as of December 9, 2003 (the "Terminated Agreements").

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On November 23, 2004, the Borrowers entered into an amended and restated \$4.0 billion five-year revolving credit agreement (the "Credit Agreement") with a syndicate of financial institutions, including JPMorgan Chase Bank, N.A., as Administrative Agent, Citibank, N.A. and Deutsche Bank AG, New York Branch, as Co-Syndication Agents, and ABN Amro Bank N.V. and BNP Paribas, as Co-Documentation Agents. The Credit Agreement amends and restates the Borrowers' previous \$2.0 billion five-year revolving credit agreement, dated as of December 9, 2003, and replaces the Terminated Agreements.

Borrowings under the Credit Agreement bear interest at an annual rate based on the credit rating of TWC, which rate is currently LIBOR plus 0.39%. In addition, the Borrowers are required to pay a facility fee of 0.11% per annum on the aggregate commitments under the Credit Agreement. An additional usage fee of 0.10% per annum of the outstanding amounts under the Credit Agreement is incurred if such amounts exceed 50% of the aggregate commitments under the Credit Agreement. The Credit Agreement provides same-day funding capability, and a portion of the commitments not to exceed \$300 million at any time may be used for the issuance of letters of credit. The Credit Agreement contains representations, warranties, covenants and events of default which are substantially identical to those contained in the Borrowers' previous \$2.0 billion five-year credit agreement, including, without limitation, a maximum leverage ratio covenant of 5.0 times consolidated EBITDA of TWC and an interest coverage covenant of 2.0 times consolidated cash interest expense of TWC. Each of these ratios is more fully defined in the Credit Agreement. The Credit Agreement does not contain any credit ratings-based defaults or covenants, or any ongoing covenant or representation specifically relating to a material adverse change in TWC's financial condition or results of operations. Borrowings may be used for general corporate purposes and unused credit is available to support commercial paper borrowings.

The Borrowers have cross-guaranteed their respective obligations under the Credit Agreement, and Warner Communications Inc. ("WCI") and American Television and Communications Corporation ("ATC") (both indirect wholly-owned subsidiaries of Time Warner, but not subsidiaries of TWC) have each guaranteed a pro-rata portion of TWE's obligations under the Credit Agreement (including TWE's obligations under its guarantee of TWC's obligations), although there are generally no restrictions on the ability of WCI and ATC to transfer material assets (other than their interest in TWC or TWE) to parties that are not

guarantors. The Credit Agreement will expire on November 23, 2009, at which time all outstanding amounts under the Credit Agreement will be due and payable. In the event of a default by the Borrowers, the lenders may terminate the Credit Agreement and declare any outstanding loans, accrued interest, fees and other obligations to be due and payable immediately.

Some of the lenders under the Credit Agreement and their affiliates have various relationships with Time Warner and its subsidiaries (including the Borrowers) involving the provision of financial services, including cash management, investment banking, trust and leasing services. In addition, Time Warner and certain of its

subsidiaries have entered into interest rate, foreign exchange and other derivative arrangements with certain of the lenders and their affiliates.
