Item 4 of the Schedule 13D is hereby amended and supplemented by adding the following paragraphs:

Hopa's Investment in Olimpia

The following information set forth under “-Hopa's Investment in Olimpia” is based on and qualified in its entirety by amendment no. 14 to Pirelli S.p.A.'s Schedule 13D relating to the ordinary shares of Telecom Italia filed as Exhibit 25 hereto.

Introduction

On December 19, 2002, Pirelli, Edizione Holding, UCI and BCI (collectively, the “Present Olimpia Shareholders”), Olimpia and Hopa (collectively with the Present Shareholder and Olimpia, the “Parties”) executed a term sheet (the “Hopa Term Sheet”), a copy of which is included in Exhibit 27 hereto. Hopa is one of the Majority Bell Shareholders with whom, on September 19, 2001, Pirelli, Edizione Holding and Olimpia entered into the Agreement with Bell Shareholders, as discussed in Amendment No. 7 to Pirelli's Schedule 13D. Pursuant to the Hopa Term Sheet, the Parties agreed that, subject to certain terms and conditions, Holy S.p.A (“Holy”), a company 100%-owned by Hopa, will be merged into Olimpia (the “Merger”). Following the Merger, the share capital of Olimpia will be held by Pirelli, Edizione Holding, UCI, BCI and Hopa in the following respective proportions: 50.4%, 16.8%, 8.4% and 16%. It is expected that the Merger will be completed on or before April 20, 2003.

As discussed in press releases issued by Pirelli and Olimpia and a background note for the media issued by Olivetti, copies of which are included in Exhibit 25 hereto, the purpose of the Merger is to expand Olimpia's shareholder base and thereby strengthen its financial structure.

In addition, the Parties agreed that, in the aggregate, the number of Olivetti Shares held by Olimpia, the Present Olimpia Shareholders, Hopa, Holy, Holinvest and the Hopa Controlling Companies may not at any time exceed 30% of Olivetti's voting share capital.

The Parties also agreed to enter into definitive documentation reflecting the contents of the Hopa Term Sheet.

Proposed Expanded Olimpia Shareholders Agreement

The Hopa Term Sheet provides that, effective upon the Merger, Hopa and the Present Olimpia Shareholders will enter into an agreement governing their relationship as shareholders of Olimpia (the “Expanded Olimpia Shareholders Agreement”).

Under the Expanded Olimpia Shareholders Agreement, Hopa will have the right to appoint one Olimpia director and the Present Olimpia Shareholders will seek to elect one director of each of Olivetti, Telecom Italia, SEAT and TIM nominated by Hopa (with a corresponding reduction in the number of Pirelli nominees). Hopa’s initial nominees are identified on Attachment C to the Hopa Term Sheet; Hopa’s selection of their successors will require Pirelli’s consent, which may not be unreasonably denied.

Hopa will not have the right to veto any decision taken by the board of directors or shareholders of Olimpia. In the event of a disagreement over certain specified transactions, the failure of Olimpia to maintain a debt to equity ratio of 1:1 (which the Present Olimpia Shareholders will commit to maintain, with Pirelli guaranteeing to furnish 80%, and Edizione Holding 20%, of the necessary resources), or the occurrence of certain transactions involving the disposition of Olimpia or Olivetti, Hopa may cause the partial demerger of Olimpia, in which event Olimpia may cause the partial demerger of Holinvest. As a result of these partial demerger transactions, Hopa will receive its proportional share of Olimpia’s assets and liabilities (determined in accordance with the Hopa Term Sheet) and Olimpia will receive its proportional share of Holinvest’s assets and liabilities (determined in accordance with the Hopa Term Sheet). Except under certain extraordinary circumstances (including the failure of Olimpia to hold at least 25% of Olivetti’s share capital or to maintain a debt to equity ratio of 1:1 after a specified cure period), the partial demerger transactions may not be implemented prior to the third anniversary of the Merger.

Hopa will have certain co-sale rights in the event Pirelli reduces its equity interest in Olimpia.

Hopa, its controlled companies, the Hopa Controlling Companies, the Present Olimpia Shareholders and their respective controlling and controlled companies will agree not to acquire any additional Olivetti Shares except (i) in the case of Pirelli, in connection with the exercise of the existing call options and swap agreements referred to in Attachment D to the Hopa Term Sheet, (ii) as currently permitted under the New Partners Agreement among Pirelli, UCI and BCI or (iii) as currently permitted under the second amendment to the Shareholders Agreement between Pirelli and Edizione Holding.

The Expanded Olimpia Shareholders Agreement will have a three-year term, subject to extension by mutual agreement of the Parties. If the Expanded Olimpia Shareholders Agreement is not renewed, the partial demerger transactions will occur and Hopa will receive a premium of at least euro 0.35 per Olivetti Share (or financial instrument).

Proposed Holinvest Shareholders Agreement

The Hopa Term Sheet provides that, effective upon the Merger, Holinvest's by-laws will be amended to limit its corporate purpose to holding Olivetti securities and derivative financial instruments relating to Olivetti Shares, and Olimpia and Hopa will enter into an agreement governing their relationship as shareholders of Holinvest (the "Holinvest Shareholders Agreement").

Under the Holinvest Shareholders Agreement, Olimpia will have the right to designate one Holinvest director. For a period of 20 months following the Merger, Hopa will not be permitted to dispose of its equity interest in Holinvest and Holinvest must retain at least 65% of the Olimpia Bonds, Olivetti Bonds and Olivetti Financial Instruments that it holds at the time of the Merger. Thereafter, and for a period of two years after expiration of the agreement, Olimpia will have a right of first refusal in the event Holinvest wishes to sell its Olivetti Instruments.

The Holinvest Shareholders Agreement will have a three-year term, subject to automatic extension if and to the extent the Expanded Olimpia Shareholders Agreement is extended.

In light of the events and transactions described under "Item 4-Purpose of Transaction-Hopa's Investment in Olimpia", Olivetti expects that decisions regarding its interests in the Issuer's ordinary share capital will be taken by, or in close consultation with, the Parties.

Bond Repurchases and Cancellations

Beginning on February 8, 2001, Olivetti, through wholly owned subsidiaries, began a series of repurchases of the 1.00 per cent. Guaranteed Exchangeable Bonds due 2005 (the "Bonds") issued on October 31, 2000. These repurchases resulted in a cancellation of Euro 500,000,000 in principal amount of the Bonds on December 31, 2001 and Euro 1,235,000,000 in principal amount of the Bonds on December 23, 2002. As of the date hereof, Euro 765,000,000 in principal amount of the Bonds remain outstanding which have exchange rights relating to 50,250,915 of the ordinary shares of Telecom Italia. The repurchases of the Bonds are part of a larger refinancing program of the Olivetti Group. The Olivetti Group expects to continue making such repurchases from time to time in the future. Annex A hereto provides a detailed description of the dates of such transactions, the purchasers (or vendors), the principal amount of the Bonds repurchased or sold and the consideration for each such transaction.

The 2002 Exchangeable Bond Offering

On September 20, 2002, Olivetti Finance N.V., a public limited liability company incorporated under the laws of The Netherlands ("Olivetti Finance") offered Euro 385,000,000 Zero Coupon Guaranteed Exchangeable Bonds due 2004, (the "2002 Bonds") in an international offering (the "September 2002 Offering") outside the United States in reliance on

Regulation S under the Securities Act. The 2002 Bonds have not been and will not be registered under the Securities Act. Each holder of the 2002 Bonds (the "2002 Bondholders") who is not a U.S. person (as defined under Regulation S) shall have the right, subject as provided herein, to have all or any of his 2002 Bonds redeemed at their principal amount and, upon such redemption, to have that amount applied on his behalf in acquiring a *pro rata* phase of the exchange property, subject to Olivetti Finance's right to purchase the 2002 Bonds for the cash value of relevant 2002 Bondholder's *pro rata* share of the exchange property. At September 20, 2002, the exchange property was comprised of 41,400,000 existing fully paid shares, of Euro 0.55 each, of Telecom Italia. The issue price of the 2002 Bonds was 100 per cent. of their principal amount. The 2002 Bonds bear no interest.

On exercise of exchange rights, the 2002 Bondholders shall be entitled, subject to certain conditions, to have their 2002 Bonds redeemed by means of procurement by Olivetti Finance of the delivery or transfer to or to the order of each relevant 2002 Bondholder of a *pro rata* share of the exchange property as of the exchange date which *pro rata* phase shall initially entitle a 2002 Bondholder to receive 1,075,269 ordinary shares of Telecom Italia in respect of each Euro 10,000 in principal amount of 2002 Bonds.

Exchange rights are not exercisable in respect of any specific ordinary shares and no ordinary shares have been charged or otherwise placed into custody or set aside to secure or satisfy the obligation of Olivetti Finance in respect of the exchange rights. At any time Olivetti Finance may or may not be the owner of the whole or any part of the exchange property and is not under any obligation to hold any ordinary shares and/or other ordinary shares and may sell or otherwise dispose of the same at any time. The composition of the exchange property may also change as a result of the operation of the provisions of the terms and conditions of the 2002 Bonds.

Olivetti has guaranteed, on an unconditional and irrevocable basis, the due and punctual payment of all amounts at any time becoming due and payable in respect of the 2002 Bonds and the performance of all other obligations expressed to be assumed by Olivetti Finance in the 2002 Bonds.

Exhibits 26 and 27 hereto provide additional information on the offering of the 2002 Bonds.

Securities forming part of the September 2002 Offering may not be offered or sold in the United States of America or any other countries in which securities may not be offered absent registration or any exemption from registration. The 2002 Bonds and the ordinary shares of Telecom Italia that may be exchanged therefor have not been and will not be registered under the Securities Act and may not be offered, sold or delivered, directly or indirectly, in the United States (as defined by Regulation S) or to U.S. Persons (as defined by Regulation S). This document does not constitute an offer for such securities.
