PROXY STATEMENT

FOR THE ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD NOVEMBER 21, 2006

TO OUR STOCKHOLDERS:

This Proxy Statement is furnished to our stockholders for use at our Annual Meeting of Stockholders to be held at The Hanover Marriott, 1401 Route 10, East, Whippany, New Jersey 07981 on Tuesday, November 21, 2006, at 10:00 a.m. (local time), or at any adjournment or adjournments thereof (the "Annual Meeting"). Emerson's stockholders of record as of the close of business on October 26, 2006 (the "Record Date") are entitled to vote at the Annual Meeting. We expect to begin mailing this Proxy Statement and the enclosed proxy card to our stockholders on or about November 1, 2006.

VOTING PROCEDURES AND REVOCABILITY OF PROXIES

The accompanying proxy card is designed to permit each of our stockholders as of the Record Date to vote on each of the proposals properly brought before the Annual Meeting. As of the Record Date, there were 27,089,832 shares of our common stock, par value \$.01 per share, issued and outstanding and entitled to vote at the Annual Meeting. Each outstanding share of our common stock is entitled to one vote.

The holders of a majority of our outstanding shares of common stock, present in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. If a quorum is not present, the Annual Meeting may be adjourned from time to time until a quorum is obtained. Assuming that a quorum is present, directors will be elected by a plurality vote and the nine nominees who receive the most votes will be elected. There is no right to cumulate votes in the election of directors. The ratification of all other proposals will require the affirmative vote of a majority of the shares present and entitled to vote with respect to such proposal. Abstentions and broker non-votes will be counted for the purpose of determining whether a quorum is present and do not have an effect on the election of directors. Abstentions, but not broker non-votes, are treated as shares present and entitled to vote, and will be counted as a "no" vote on all other matters. Broker non-votes are treated as not entitled to vote, and so reduce the absolute number, but not the percentage of votes needed for approval of a matter. As of the Record Date, The Grande Holdings Limited ("Grande Holdings") had the power to vote approximately 50.9% of

Edgar Filing: EMERSON RADIO CORP - Form DEF 14A

the outstanding shares of our common stock and Grande Holdings has advised us that they intend to attend the Annual Meeting and intend to vote in favor of each of the proposals. As a result, we expect that we will have a quorum present at the Annual Meeting and that each of the proposals will be approved. Holders of the common stock will not have any dissenters' rights of appraisal in connection with any of the matters to be voted on at the Annual Meeting.

The accompanying proxy card provides space for you to vote in favor of, or to withhold voting for: (i) the nominees for the Board of Directors, (ii) the amendment to the 2004 Non-Employee Outside Director Stock Option Plan ("2004 Director Stock Option Plan") to increase the number of shares of common stock available for issuance from 250,000 shares to 500,000 shares and (iii) the ratification of the appointment of Moore Stephens, P.C. as independent registered public accountants of Emerson for the fiscal year ending March 31, 2007. The Board of Directors urges you to complete, sign, date and return the proxy card in the accompanying envelope, which is postage prepaid for mailing in the United States.

When a signed proxy card is returned with choices specified with respect to voting matters, the proxies designated on the proxy card will vote the shares in accordance with the stockholder's instructions. The proxies we have designated for the stockholders are Eduard Will and John D. Florian. If you desire to name another person as your proxy, you may do so by crossing out the names of the designated proxies and inserting the names of the other persons to act as your proxies. In that case, it will be necessary for you to sign the proxy card and deliver it to the person named as your proxy and for the named proxy to be present and vote at the Annual Meeting. Proxy cards so marked should not be mailed to us.

If you sign your proxy card and return it to us and you have made no specifications with respect to voting matters, your shares will be voted FOR: (i) the election of the nominees for director, (ii) the amendment of the 2004 Director Stock Option Plan to increase the number of shares of common stock available for issuance and (iii) the ratification of the appointment of Moore Stephens, P.C. as independent registered public accountants of Emerson for the fiscal year ending March 31, 2007 and, at the discretion of the proxies designated by us, on any other matter that may properly come before the Annual Meeting or any adjournment(s).

You have the unconditional right to revoke your proxy at any time prior to the voting of the proxy by taking any act inconsistent with the proxy. Acts inconsistent with the proxy include notifying Emerson's Secretary in writing of your revocation, executing a subsequent proxy, or personally appearing at the Annual Meeting and casting a contrary vote. However, no revocation shall be effective unless at or prior to the Annual Meeting we have received notice of such revocation.

At least ten days before the Annual Meeting of Stockholders, we will make a complete list of the stockholders entitled to vote at the meeting open to the examination of any stockholder for any purpose germane to the meeting. The list will be open for inspection during ordinary business hours at our offices at Nine Entin Road, Parsippany, New Jersey 07054, and will also be made available to stockholders present at the meeting.

Edgar Filing: EMERSON RADIO CORP - Form DEF 14A

PROPOSAL I: ELECTION OF DIRECTORS

Nine directors are proposed to be elected at the Annual Meeting. If elected, each director will hold office until the next annual meeting of our stockholders or until his successor is elected and qualified. The election of directors will be decided by a plurality vote.

All nominees named in this proxy statement are members of our present Board of Directors. All nominees have consented to serve if elected and we have no reason to believe that any of the nominees named will be unable to serve. If any nominee becomes unable to serve, (i) the shares represented by the designated proxies will be voted for the election of a substitute as the Board of Directors may recommend, (ii) the Board of Directors may reduce the number of directors to eliminate the vacancy or (iii) the Board of Directors may fill the vacancy at a later date after selecting an appropriate nominee.

Nominations for election to the Board of Directors may be made by the Board of Directors or by any stockholder of any outstanding class of capital stock of Emerson entitled to vote for the election of directors. The following procedures (the "Minimum Procedures") shall be utilized in considering any candidate for election to the Board of Directors at an annual meeting, other than candidates who have previously served on the Board of Directors or who are recommended by the Board of Directors. A nomination must be delivered to the Secretary of Emerson at our principal executive offices not later than the close of business on the ninetieth (90th) day nor earlier than the close of business on the one hundred twentieth (120th) day prior to the first anniversary of the preceding year's annual meeting; provided, however, that if the date of the annual meeting is more than thirty (30) days before or more than sixty (60) days after such anniversary date, notice to be timely must be so delivered not earlier than the close of business on the one hundred twentieth (120th) day prior to such annual meeting and not later than the close of business on the later of the ninetieth (90th) day prior to such annual meeting or the close of business on the tenth (10th) day following the day on which public announcement of the date of such meeting is first made by us. The public announcement of an adjournment or postponement of an annual meeting will not commence a new time period (or extend any time period) for the giving of a notice as described above. A nomination notice must set forth as to each person whom the proponent proposes to nominate for election as a director: (a) all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected) and (b) information that will enable our Board of Directors to determine whether the candidate satisfies the minimum criteria and any additional criteria established by our Board of Directors.

The current Board of Directors nominated the individuals named below for election to our Board of Directors, and background information on each of the nominees (as of October 26, 2006) is set forth below. See "Security Ownership of Certain Beneficial Owners and Management" for additional information about the nominees, including their ownership of securities issued by Emerson.

BOARD OF DIRECTORS AND COMMITTEES

At the beginning of our fiscal year, our Board of Directors consisted of Messrs. Bungler, Farnum, Morey, Jurick and Robert H. Brown, Jr. Mr. Brown passed away on August 12, 2005. On March 2, 2006, Mr. Morey resigned as a director, informing us by letter dated March 1, 2006 that he elected to resign as a result of Mr. Jurick's sale of his shares of common stock. A copy of such letter was filed as an exhibit to our current report on Form 8-K filed with the SEC on March 7, 2006. Mr. Jurick resigned from the Board of Directors in July 2006. Since December 2005, we have added seven directors to the Board of Directors: Messrs. Ho, Binney, Driscoll, Ma, Pitts, Will and Wirsching.

The Board of Directors meets periodically during our fiscal year to review significant developments affecting us and to act on matters requiring Board of Director approval. The Board of Directors held twenty-two (22) formal meetings during fiscal year ended March 31, 2006 ("Fiscal 2006") and also acted by unanimous written consent. During Fiscal 2006, each member of the Board of Directors participated in at least 75% of the aggregate of all meetings of the Board of Directors and the aggregate of all meetings of committees on which such member served that were held during the period. During Fiscal 2006, the Board of Directors had three standing committees, the Audit Committee, the Compensation and Personnel Committee and the Nominating Committee. The functions of these committees during Fiscal 2006 are described below. No member of any of the committees is an employee of Emerson.

The Board of Directors is responsible for the management and direction of Emerson and for establishing broad corporate policies. It has initiated actions consistent with the Sarbanes-Oxley Act of 2002, the Securities and Exchange Commission (the "SEC") and the American Stock Exchange. The Board of Directors has determined that during Fiscal 2006 Messrs. Bungler, Driscoll, Farnum, Pitts and Will satisfied the independence standards of the American Stock Exchange and the SEC's Rule 10A-3. In addition, the Board of Directors has determined that Messrs. Bungler, Driscoll, Farnum, Pitts and Wirsching currently satisfy all such definitions of independence.

The Board of Directors has also determined that during Fiscal 2006, Eduard Will constituted our "audit committee financial expert," as such term is defined by the SEC. As a result of the appointment of Mr. Will as our President-North American Operations in July 2006, the Board of Directors has determined that Mr. Driscoll currently constitutes our "audit committee financial expert" as such term is defined by the SEC. Emerson has a policy of

encouraging, but not requiring, its Board members to attend annual meetings of stockholders. Last year each of Emerson's directors, at such time, attended the annual meeting of stockholders.

As of October 26, 2006, Grande Holdings beneficially owned an aggregate of 13,780,600 shares of our common stock, which represents approximately 50.9% of the shares of common stock currently outstanding. Accordingly, Emerson is a "controlled company," as such term is defined in Section 801(a) of The American Stock Exchange Company Guide (the "Company Guide"). As a "controlled company," Emerson is not required to comply with

Edgar Filing: EMERSON RADIO CORP - Form DEF 14A

Sections 802(a), 804 or 805 of the Company Guide relating to independent directors, Board nominations and executive compensation, respectively.

Although a majority of our current directors meet the definition of independence as established by the American Stock Exchange and SEC rules, under Section 802(a) of the Company Guide, we are exempt from the requirement that at least a majority of the directors on our Board of Directors be independent directors as defined in Section 121A of the Company Guide because we are a "controlled company," as such term is defined in Section 801(a) of the Company Guide. As a result, in the future, we may not maintain a board of directors comprised of a majority of independent directors that meet the definition of independence as set forth in the American Stock Exchange and SEC rules.

Audit Committee. Our Audit Committee is presently comprised of Messrs. Driscoll (Chairman), Farnum and Wirsching. The Audit Committee is empowered by the Board of Directors to, among other things: (i) serve as an independent and objective party to monitor Emerson's financial reporting process, internal control system and disclosure control system; (ii) review and appraise the audit efforts of Emerson's independent accountants; (iii) assume direct responsibility for the appointment, compensation, retention and oversight of the work of the outside auditors and for the resolution of disputes between the outside auditors and Emerson's management regarding financial reporting issues and (iv) provide the opportunity for direct communication among the independent accountants, financial and senior management and the Board of Directors.

During Fiscal 2006, the Audit Committee performed its duties under a written charter approved by the Board of Directors and formally met six (6) times. A copy of our Audit Committee Charter is posted on our website: www.emersonradio.com on the Investor Relations page.

Compensation and Personnel Committee. During Fiscal 2006, our Compensation and Personnel Committee was comprised of Messrs. Bunger and Farnum and (i) made recommendations to the Board of Directors concerning remuneration arrangements for senior executive management; (ii) administered our stock option plans and (iii) made such reports and recommendations, from time to time, to the Board of Directors upon such matters as the Compensation and Personnel Committee may deem appropriate or as may be requested by the Board of Directors. During Fiscal 2006, the Compensation and Personnel Committee formally met one (1) time.

Under Section 805 of the Company Guide, we are exempt from the requirement to have the compensation of our executives determined by a compensation committee comprised solely of

9

independent directors or by a majority of the board's independent directors because we are a "controlled company," as such term is defined in Section 801(a) of the Company Guide. As a result, we have disbanded the Compensation and Personnel Committee.

Nominating Committee. During Fiscal 2006, the Nominating Committee was comprised of Messrs. Bunger and Farnum and was empowered by the Board of Directors to, among other functions: (i) recommend to the Board of Directors qualified individuals to serve on Emerson's Board of Directors and (ii) identify the manner in which the Nominating Committee evaluates nominees recommended for the Board of Directors. Our Nominating Committee met two (2) times during Fiscal 2006.

Under Section 804 of the Company Guide, we are exempt from the

Edgar Filing: EMERSON RADIO CORP - Form DEF 14A

requirement to have director nominees selected by a nominating committee comprised entirely of independent directors or by a majority of the independent directors because we are a "controlled company," as such term is defined in Section 801(a) of the Company Guide. As a result, we have disbanded the Nominating Committee and the full Board of Directors will participate in the consideration of director nominees in the future.

CODES OF ETHICS

We have adopted a Code of Ethics for Senior Financial Officers ("Code of Ethics") that applies to our Chief Executive Officer, Chief Financial Officer, Chief Accounting Officer, Controller and Treasurer. This Code of Ethics was established with the intention of focusing Senior Financial Officers on areas of ethical risk, providing guidance to help them recognize and deal with ethical issues, providing mechanisms to report unethical conduct, fostering a culture of honesty and accountability, deterring wrongdoing and promoting fair and accurate disclosure and financial reporting.

We have also adopted a Code of Conduct for Officers, Directors and Employees of Emerson Radio Corp. and Its Subsidiaries ("Code of Conduct"). We prepared this Code of Conduct to help all officers, directors and employees understand and comply with our policies and procedures. Mr. Bunger is a Director of Emerson who serves on the Emerson Compensation and Personnel Committee and, until July 1, 2005, had been a Director of SSG and a member of the SSG Compensation Committee. See "Certain Relationships and Related Transactions".

REPORT OF COMPENSATION AND PERSONNEL COMMITTEE

The Compensation and Personnel Committee of our Board of Directors (the "Compensation Committee") oversees our senior executive compensation strategy. The strategy is implemented through policies designed to support the achievement of our business objectives and the enhancement of stockholder value. Our Compensation Committee reviews, on an ongoing basis, all aspects of senior executive compensation and its policies support the following objectives:

- o The reinforcement of management's concern for enhancing stockholder value.
- o The attraction, hiring and retention of qualified executives.
- o The provision of competitive compensation opportunities for exceptional performance.

18

The basic elements of our senior executive compensation strategy are:

BASE SALARY. Base salaries for our senior executive managers represent compensation for the performance of defined functions and assumption of defined responsibilities. The Compensation Committee reviews each senior executive's base salary on an annual basis. In determining salary adjustments, the Compensation Committee considers our growth in earnings and revenues and the executive's performance level, as well as other factors relating to the executive's specific responsibilities. Also considered are the executive's position, experience, skills, potential for advancement, responsibility and current salary in relation to the expected level of pay for the position. Our Compensation Committee exercises its judgment based upon the above criteria and does not apply a specific formula or assign a weight to each factor considered.

ANNUAL INCENTIVE COMPENSATION. At the beginning of each year, our Board of Directors establishes our performance goals for that year, which may include target increases in sales, net income and earnings per share, as well as more subjective goals with respect to marketing, product introduction and expansion of customer base. Bonuses awarded to executive officers are discretionary based primarily upon individual achievement.

LONG-TERM INCENTIVE COMPENSATION. Our long-term incentive compensation for management and employees consists of stock options awarded under our stock option plans.

Our Compensation Committee views the granting of stock options as a significant method of aligning management's long-term interests with those of the stockholders and determines awards to executives based on its evaluation of criteria that include responsibilities, compensation, as well as past and

Edgar Filing: EMERSON RADIO CORP - Form DEF 14A

expected contributions to the achievement of our long-term performance goals. Stock options are designed to focus executives on our long-term performance by enabling them to share in any increases in value of our stock.

Our Compensation Committee encourages executives, individually and collectively, to maintain a long-term ownership position in our stock. The Compensation Committee believes this ownership, combined with a significant performance-based incentive compensation opportunity, forges a strong link between our executives and stockholders.

COMPENSATION OF THE CHIEF EXECUTIVE OFFICER

Mr. Geoffrey P. Jurick served as our Chief Executive Officer, Chairman of the Board of Directors and President throughout substantially all of Fiscal 2006. The Compensation Committee considered the results in all aspects of our business, and Mr. Jurick's performance during Fiscal 2006.

Mr. Jurick's annual compensation for Fiscal 2006 was comprised of an annual base salary of \$715,000. In Fiscal 2006, Mr. Jurick also received \$37,500 in salary for the services he

19

rendered to SSG. See "Summary Compensation Table". Mr. Jurick resigned as Chief Executive Officer and Chairman of the Board of Directors on March 30, 2006. Adrian Ma replaced Mr. Jurick as Chief Executive Officer and Chairman, but did not receive any compensation for his role as Chief Executive Officer during Fiscal 2006. Christopher Ho replaced Mr. Ma as Chairman of the Board of Directors on July 26, 2006.

POLICY ON QUALIFYING COMPENSATION

Our Board of Directors has considered the potential impact of Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"). Section 162(m) generally provides that a publicly held company's deduction for compensation paid to its covered employees is limited to \$1 million per year, subject to certain exceptions. Our policy is to qualify, to the extent reasonable, our executive officers' compensation for deductibility under applicable tax laws. However, the Board of Directors believes that its primary responsibility is to provide a compensation program that will attract, retain and reward the executive talent necessary to our success. Consequently, the Board of Directors recognizes that the loss of a tax deduction could be necessary in some circumstances.

This report is submitted by the members of the Board of Directors and the Compensation and Personnel Committee that were in existence at the end of Fiscal 2006.

REPORT OF THE AUDIT COMMITTEE

This report shall not be deemed "soliciting material" or incorporated by reference in any filing by us under the Securities Act or the Exchange Act except to the extent that we specifically incorporate this information by reference, and shall not otherwise be deemed filed under either act.

Through March 2006, the Audit Committee was comprised of Messrs. Will (Chairman), Morey and Farnum. Following Mr. Morey's resignation in March 2006, the Board of Directors appointed Mr. W. Michael Driscoll to the Audit Committee. All members of the Audit Committee have been determined to be independent as defined by the listing standards of the American Stock Exchange. The Board of Directors appointed Mr. Pitts to the Audit Committee following Mr. Will's appointment as President-North American Operations in July 2006. Following Mr. Pitts resignation in October, 2006, the Board of Directors appointed Mr. Wirsching to the Audit Committee.

In this context, the Audit Committee has reviewed the audited consolidated financial statements and has met and held discussions with management and Moore Stephens, P.C. ("Moore Stephens"), Emerson's independent auditors. Management has represented to the Audit Committee that Emerson's consolidated financial statements were prepared in accordance with generally accepted accounting principles. Our independent auditors are responsible for performing an independent audit of Emerson's financial statements in accordance with auditing standards generally accepted in the United States and for issuing a report on those financial statements. The Audit Committee is responsible for monitoring and overseeing these processes. The Audit Committee also discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61, which includes, among other items, matters related to the conduct of the audit of Emerson's financial statements:

Edgar Filing: EMERSON RADIO CORP - Form DEF 14A

- o methods to account for significant unusual transactions;
- o the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus;
- o the process used by management in formulating particularly sensitive accounting estimates and the basis for the auditors' conclusions regarding the reasonableness of those estimates; and

21

- o disagreements, if any, with management over the application of accounting principles, the basis for management's accounting estimates and the disclosures in the financial statements (there were no such disagreements).

The independent auditors also provided the Audit Committee with written disclosures and the letter required by Independence Standards Board Standard No. 1, which relates to the auditors' independence from Emerson and its related entities, and the Audit Committee discussed with the independent auditors their independence. This standard further requires the auditors to disclose annually in writing all relationships that, in the auditors' professional opinion, may reasonably be thought to bear on their independence, confirm their perceived independence and engage in the discussion of independence.

Based on the Audit Committee's discussions with management and the independent auditors, as well as the Audit Committee's review of the representations of management and the report of the independent auditors to the Audit Committee, the Audit Committee recommended to the Board of Directors that Emerson's audited consolidated financial statements be included in the Annual Report on Form 10-K for the fiscal year ended March 31, 2006, and filed with the SEC.

The Audit Committee has selected Moore Stephens to be retained as Emerson's independent certified public accountants to conduct the annual audit and to report on, as may be required, the consolidated financial statements that may be filed by Emerson with the SEC during the ensuing year.

FEES BILLED FOR SERVICES RENDERED BY PRINCIPAL ACCOUNTANT

In accordance with the requirements of the Sarbanes-Oxley Act of 2002 and the Audit Committee's charter, all audit and audit-related work and all non-audit work performed by our independent accountants, Moore Stephens, is approved in advance by the Audit Committee, including the proposed fees for such work. The Audit Committee is informed of each service actually rendered. Prior to May 17, 2006, when Moore Stephens was retained by us as our independent accountants, BDO Seidman, LLP ("BDO") served as our independent accountants during Fiscal 2005.

- o Audit Fees. Audit fees billed to us by BDO and Moore Stephens for the audit of the financial statements included

Edgar Filing: EMERSON RADIO CORP - Form DEF 14A

in our Annual Reports on Form 10-K, and reviews by BDO of the financial statements included in our Quarterly Reports on Form 10-Q, for the fiscal years ended March 31, 2005 and 2006 totaled approximately \$242,000 and \$314,700, respectively.

22

- o Audit-Related Fees. We were billed \$16,000 and \$0 by BDO and Moore Stephens for the fiscal years ended March 31, 2005 and 2006, respectively, for assurance and related services that are reasonably related to the performance of the audit or review of Emerson's financial statements and are not reported under the caption Audit Fees above.
- o Tax Fees. BDO billed us an aggregate of \$196,000 and \$139,600, for the fiscal years ended March 31, 2005 and 2006, respectively, for tax services, principally related to the preparation of income tax returns and related consultation.
- o All Other Fees. BDO and Moore Stephens billed us \$0 and \$0 for the fiscal years ended March 31, 2005 and 2006, respectively, for permitted non-audit services, principally consultation related to mergers and acquisitions.

Applicable law and regulations provide an exemption that permits certain services to be provided by our outside auditors even if they are not pre-approved. We have not relied on this exemption at any time since the Sarbanes-Oxley Act was enacted.

CHANGE IN ACCOUNTANTS

As discussed above and previously reported in a Form 8-K dated May 23, 2006, on May 17, 2006, we retained the services of Moore Stephens as our independent auditors to replace our former independent auditors, BDO, who resigned as our independent registered public accounting firm on March 7, 2006. BDO served as our independent registered public accountant since March 31, 2004. Prior to March 31, 2004, Ernst & Young, LLP ("E&Y") served as our independent registered public accountant.

The engagement of Moore Stephens and the replacement of BDO was approved by our Board of Directors on the recommendation of our Audit Committee. During our two most recent fiscal years ended March 31, 2004 and March 31, 2005, respectively, and any subsequent interim period to May 17, 2006, we did not consult with Moore Stephens regarding any matters noted in Item 304(a) of Regulation S-K. BDO has provided tax services to us during the fiscal years ended March 31, 2004, 2005 and 2006 and is expected to continue to provide such services to us.

There were no "disagreements" within the meaning of Item 304(a) (1) (iv) of Regulation S-K, or any events of the type listed in Item 304(a) (1) (v) (A) through (D) of Regulation S-K, involving BDO that occurred within our most recent fiscal year ended March 31, 2005. BDO's report on our financial statements for the fiscal year ended March 31, 2005 did not contain any adverse opinion or disclaimer of opinion, and was not qualified or modified as to uncertainty, audit scope or accounting principles.

There were no "disagreements" within the meaning of Item 304(a) (1) (iv)

Edgar Filing: EMERSON RADIO CORP - Form DEF 14A

of Regulation S-K, or any events of the type listed in Item 304(a)(1)(v)(A) through (D) of Regulation S-K, involving E&Y, that occurred within our fiscal year ended March 31, 2004. E&Y's report on

23

our financial statements for the fiscal year ended March 31, 2004 did not contain any adverse opinion or disclaimer of opinion, and was not qualified or modified as to uncertainty, audit scope or accounting principles.

During the most recent fiscal year and through March 7, 2006, there had been no disagreements with BDO on any matter of accounting principles or practices, financial statement disclosures, or auditing scope or procedures, which disagreements, if not resolved to the satisfaction of BDO, would have caused BDO to make reference to the subject matter of the disagreement in connection with its reports on the financial statements for such periods.

During the fiscal year ended March 31, 2004, there were no disagreements with E&Y on any matter of accounting principles or practices, financial statement disclosures, or auditing scope or procedures, which disagreements, if not resolved to the satisfaction of E&Y, would have caused E&Y to make reference to the subject matter of the disagreement in connection with its reports on the financial statements for such periods.

During the two most recent fiscal years and through March 7, 2006, there have been no reportable events as described in Item 304(a)(1)(v)(A) through (D) of Regulation S-K.

We provided BDO with a copy of the disclosures made pursuant to the Form 8-K (which disclosures are consistent with the disclosures noted above) and BDO furnished us with a letter addressed to the SEC stating that it agrees with the statements made by us in the Form 8-K filing, a copy of which was filed as an exhibit to the Form 8-K.

COMPARISON OF CUMULATIVE TOTAL RETURN

SHARE PRICE PERFORMANCE GRAPH

The following graph shows a comparison of cumulative total returns on our common stock for the period April 1, 2001 to March 31, 2006, with the cumulative total return over the same period for the American Stock Exchange and a peer group of companies. Companies used for the peer group are Boston Acoustics, Inc., Cobra Electronics Corp., Concord Camera Corp., Koss Corp. and Pioneer Corporation. Boston Acoustics, Inc. merged with D&M Holdings in August 2005, and as a result was only included in the peer group index through 2005. In selecting companies to be part of the peer group, we focus on publicly traded companies that design and/or distribute consumer electronic products that have characteristics similar to ours in terms of one or more of the following: (i) type of product, (ii) distribution channels, (iii) sourcing or (iv) sales volume. The comparison assumes the investment of \$100 in our common stock on April 1, 2001, and reinvestment of all dividends. The information in the graph was provided by Coredata, Inc.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

RELATIONSHIP WITH SPORT SUPPLY GROUP, INC.

On July 1, 2005, we and Emerson Radio (Hong Kong) Limited ("Emerson HK"), our wholly owned subsidiary, sold all of the issued and outstanding shares of SSG common stock, which we owned, aggregating 4,746,023 shares, or approximately 53.2% ownership of SSG, for \$32 million or \$6.74 per share.

Prior to July 1, 2005, our Board of Directors included the following people that were associated with SSG: Geoffrey P. Jurick, our former Chairman and Chief Executive Officer and current President and Chairman and Chief Executive Officer of SSG, and Peter G. Bunger, a director of both companies and member of the Compensation Committee of each company.

During 1997, we entered into a management services agreement with SSG in an effort to share certain administrative and logistic functions and to enable SSG and Emerson to reduce certain costs. In connection with the sale of our interest in SSG, the management services agreement was amended to permit termination of various defined Transition Services on one hundred twenty (120) days' prior notice by either Emerson or SSG in order to facilitate the parties' transition of the Transition Services to another provider. We incurred net fees of \$40,000, \$206,000, \$319,000 for services provided pursuant to this agreement during Fiscal 2006, 2005 and 2004, respectively.

Effective January 1, 2006, we entered into a lease for office space in Hong Kong with Grande and an agreement for services in connection with this office space rental from Grande Holdings. The agreements expire on December 31, 2006, unless terminated earlier by either party upon three (3) months' prior written notice of termination by either party. For the fiscal year ended March 31, 2006, we incurred expenses to Grande Holdings of approximately \$53,000 under these arrangements.

FUTURE TRANSACTIONS

We have adopted a policy that all future affiliated transactions will be made or entered into on terms no less favorable to us than those that can be obtained from unaffiliated third parties. In addition, all future affiliated transactions, must be approved by a majority of the independent outside members of our Board of Directors who do not have an interest in the transactions.

PROPOSAL 2: APPROVAL OF THE AMENDMENT TO THE 2004 NON-EMPLOYEE OUTSIDE DIRECTOR STOCK OPTION PLAN TO INCREASE THE NUMBER OF SHARES OF COMMON STOCK AVAILABLE FOR ISSUANCE

At the Annual Meeting, the stockholders are being asked to approve an amendment to Emerson's 2004 Non-Employee Outside Director Stock Option Plan (the "Director Plan") in order to increase the number of shares available for issuance thereunder by 250,000 shares, from 250,000 shares to 500,000 shares. As of October 26, 2006, 250,000 options were outstanding under the Director Plan and zero shares of common stock were available for issuance under the Director Plan. Approval of the amendment to the Director Plan is intended to ensure that Emerson can continue to provide an incentive to outside directors by enabling them to share in the future growth of Emerson. The Director Plan was adopted by the Board of Directors on July 19, 2004 and approved by the stockholders in August 2004. On October 25, 2006, the Board of Directors adopted this amendment to the plan and recommends that the stockholders approve such amendment.

Emerson believes that stock-based awards are a key component to its ability to retain and attract qualified individuals to serve as outside directors of Emerson, and to provide incentives for qualified individuals to remain on the Board as outside directors.

DESCRIPTION OF THE DIRECTOR PLAN

The following summary description of the principal terms of the Director Plan is qualified in its entirety by the full text of the Plan.

ADMINISTRATION

The Director Plan currently is administered by our Board of Directors and may in the future be administered by a committee of the Board of Directors consisting solely of members of the Board who are not outside directors (the administrator of the Director Plan, whether it be the Board of Directors or such committee, is hereinafter referred to as the "Administrator"). Subject to applicable law and the terms of the Director Plan, the Administrator's responsibilities include approving the forms of agreement for use under the Director Plan, determining the exercise price of options granted under the Director Plan, adopting, amending and rescinding rules and regulations for administration of the Director Plan, interpreting the Director Plan and making all other determinations deemed necessary or advisable for administering the Director Plan.

ELIGIBILITY

The Director Plan authorizes the grant of non-statutory stock options to persons who, on the date such options are granted, have not been employed by Emerson or any of Emerson's subsidiaries as an employee during the twelve-months preceding such date of grant ("Outside Directors").

OPTION GRANTS

The Director Plan currently provides that each Outside Director will receive a grant of options to purchase twenty-five thousand (25,000) shares of common stock on the day first elected to serve on the Board. Further, each non-employee director who is chairman of a duly constituted committee of the Board shall also automatically be granted options to purchase an additional twenty-five thousand (25,000) shares of common stock.

Subject to the approval of the stockholders of the amendment to increase the number of shares available for issuance under the Director Plan from 250,000 shares to 500,000 shares, the Board of Directors has adopted an amendment to the Director Plan pursuant to which immediately following the Annual Meeting, each Outside Director who did not receive options on the day first elected to serve on the Board and/or on the first day to serve as the chairman of one of the Board committees because no additional shares were available under the Director Plan at such time shall receive options to purchase such number of shares of common stock such Outside Director would have been entitled to receive had there been a sufficient number of shares available under the Director Plan. Accordingly, if the amendment to the Director Plan is approved by our stockholders at the Annual Meeting, immediately following the Annual Meeting, Mr. Driscoll will receive options to purchase 50,000 shares and Messrs. Farnum, Will, Pitts and Wirsching will each receive options to purchase 25,000 shares, each of whom began to serve as a director and/or the chairman of one of the Board committees at a time when no additional shares were available under the Director Plan.

EXERCISE PRICE

The exercise price of each option granted under the Director Plan shall be 100% of the fair market value on the date of the grant, which shall equal the closing price of the common stock as reported on the American Stock Exchange for the last market trading day prior to the time of grant. Upon exercise of an option, the exercise price may be paid (a) in cash or by certified check, bank draft or money order, (b) through delivery of shares of common stock having a fair market value equal to the purchase price, (c) through delivery of a promissory note or (d) a combination of these methods. The Administrator is also authorized to establish a cashless exercise program.

EXERCISE PERIOD

Options under the Director Plan vest in equal installments over three years, commencing one year from the date of grant, and their exercise is contingent upon continued service as a member of our Board of Directors.

Each option shall cease to be exercisable ten years after the date on which it is granted. No options may be granted under the Director Plan after July 19, 2014, but the Director Plan will continue thereafter while previously granted options remain subject to the Director Plan.

All outstanding options shall be deemed fully vested prior to the consummation of a plan of reorganization such as a merger or consolidation involving Emerson, any liquidation or

dissolution of Emerson or any sale of substantially all of Emerson's assets. The optionee shall be entitled (a) to exercise his or her options within thirty days after receipt of notice from Emerson regarding the plan of reorganization, (b) in the event of a merger or consolidation in which stockholders of Emerson will receive shares of another corporation, to agree to convert his or her options into comparable options to acquire such shares, (c) in the event of a merger or consolidation in which stockholders of Emerson will receive cash or other property (other than capital stock), to agree to convert his or her options into such consideration (in an amount representing the appreciation over the exercise price of such options) or (d) to surrender such options or any unexercised portion thereof.

In the event that an option granted under the Director Plan terminates without having been exercised in full, the number of shares of common stock as to which such option was not exercised shall be available for future grants within certain limits under the Director Plan.

TRANSFERABILITY

Options granted under the Director Plan are nontransferable, except by will or by the laws of descent and distribution. During a recipient's lifetime an option may be exercised only by the recipient unless otherwise determined by the Administrator. In the event of an optionee's death or disability, his or her options shall terminate one year after the date of death or disability. During such time after death, an option may only be exercised by the optionee's personal representative, executor or administrator, as the case may be. In the event that an optionee ceases to serve on the Board of Directors for any reason other than cause, death or disability, his or her options shall automatically terminate three months after the date on which such service terminates. If the optionee is removed from the Board of Directors for cause, his or her options shall automatically terminate on the date such removal is effective.

AMENDMENT AND TERMINATION

The Board of Directors may at any time amend, alter, suspend or terminate the Director Plan; provided, however, that Emerson shall obtain stockholder approval of any such amendment to the extent necessary to comply with requirements relating to the administration of stock option plans under U.S. state corporate laws, U.S. federal and state securities laws, the Code, any stock exchange or quotation system on which the common stock is listed or quoted and the applicable laws of any foreign country or jurisdiction where options are, or will be, granted under the Director Plan.

FEDERAL INCOME TAX CONSEQUENCES

Following is a summary of the federal income tax consequences of option grants under the Director Plan. The following summary is based upon an analysis of the Internal Revenue Code of 1986, as amended (the "Code") as currently in effect, existing laws, judicial decisions, administrative rulings, regulations and proposed regulations, all of which are subject to change and does not address state, local or other tax laws.

Options granted under the Director Plan are non-statutory options. Subject to certain exceptions not discussed herein, neither Emerson nor the optionee will recognize taxable income or loss upon the grant of non-statutory

Edgar Filing: EMERSON RADIO CORP - Form DEF 14A

stock options under the Director Plan. In general, the optionee will recognize taxable ordinary income equal to the excess of the stock's fair market value on the date of exercise over the option exercise price. Emerson generally will receive a corresponding tax deduction equal to the amount includable in the optionee's income.

Upon disposition of the shares acquired by exercise of an option, the optionee will recognize a capital gain or loss equal to the difference between the selling price and the sum of the amount paid for such shares plus any amount recognized as ordinary income upon exercise of such option. Such gain or loss will be long or short-term depending on whether the shares were held for more than one year.

On October 26, 2006, the closing price of the common stock on the American Stock Exchange was \$2.92. Except with respect to the description of compensation for our outside directors, future grants under the Director Plan have not yet been determined.

VOTE REQUIRED

The affirmative vote of a majority of the votes cast at the meeting at which a quorum representing a majority of all outstanding shares of our common stock is present and voting, either in person or by proxy, is required to adopt this proposal.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE APPROVAL OF THE AMENDMENT TO THE COMPANY'S 2004 NON-EMPLOYEE OUTSIDE DIRECTOR STOCK OPTION PLAN DESCRIBED ABOVE IN PROPOSAL TWO.

30

PROPOSAL 3: RATIFICATION OF THE APPOINTMENT OF MOORE STEPHENS, P.C. AS INDEPENDENT AUDITORS OF EMERSON FOR THE FISCAL YEAR ENDING 2007

The Audit Committee has appointed Moore Stephens as independent registered accountants to audit the financial statements of Emerson for the fiscal year ending March 31, 2007, and has further directed that management submit the selection of independent registered accountants for ratification by our stockholders at the Annual Meeting of Stockholders. Stockholder ratification of the selection of Moore Stephens is not required by our by-laws or otherwise. However, we are submitting the selection of Moore Stephens to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain Moore Stephens. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent accounting firm at any time during the year if it is determined that such a change would be in the best interests of Emerson and its stockholders.

Representatives of the firm of Moore Stephens are expected to be present at the Annual Meeting of Stockholders and will have an opportunity to make a statement, if they so desire, and will be available to respond to appropriate questions.

VOTE REQUIRED

The affirmative vote of a majority of the votes cast at the meeting at which a quorum representing a majority of all outstanding shares of our common stock is present and voting, either in person or by proxy, is required for the ratification of our independent registered accountants.
