Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On September 8, 2008, Orthofix International N.V. (the "Company") announced that Robert S. Vaters, 48, has been appointed Executive Vice President and Chief Financial Officer of the Company effective as of September 7, 2008. Mr. Vaters will also serve as Treasurer and Assistant Secretary of the Company. A copy of the September 8, 2008 press release is attached hereto as Exhibit 99.1, and is hereby incorporated by reference.

Since March 2006, Mr. Vaters has served as a general partner in Med Opportunity Partners, a Connecticut based private equity firm. Mr. Vaters has served as a director of Applied Neurosolutions, Inc. since October 2005, and from July 2006 until December 2007 served as their Chairman of the Board. Previously, Mr. Vaters was employed as Executive Vice President of Inamed Corporation from August 2002 to March 2006, initially as Chief Financial Officer, then as head of Strategy and Corporate Development.

On September 7, 2008, Mr. Vaters entered into an employment agreement (the "Agreement") with the Company's main operating subsidiary, Orthofix Inc., which provides for a base salary of \$350,000 per year and eligibility for incentive compensation of between 50% and 75% of his base salary pursuant to the Company's annual incentive program. For 2008, Mr. Vaters' incentive compensation will be guaranteed at 50% of his base salary, prorated based on his date of hire. As an additional inducement to enter into the Agreement, Mr. Vaters has been granted 150,000 stock options vesting in one-third increments beginning on the first anniversary of his date of employment. The stock options are being granted pursuant to a standalone inducement stock option agreement, on terms substantially the same as grants made under the Company's Amended and Restated 2004 Long Term Incentive Plan and related stock option agreement. The exercise price of the stock options is \$25.05. A copy of the inducement stock option agreement is attached hereto as Exhibit 10.1, and is hereby incorporated by reference.

Other than the specifics set forth above, the Agreement is substantially similar to those of the other senior officers of the Company who have employment agreements, including as it relates to payments or other benefits resulting from a separation of employment or following a change in control (other than the Company's CEO). A detailed description of the terms of such employment agreements is set forth in the Company's 2008 proxy statement under the headings "Agreements with Named Executive Officers" and "Potential Payments Upon Termination or Change of Control" and elsewhere therein. A copy of the Agreement is attached hereto as Exhibit 10.2, and is hereby incorporated by reference.

Pursuant to the Company's offer letter to Mr. Vaters dated September 5, 2008, Mr. Vaters will receive a relocation package to facilitate a move to Boston, Massachusetts. The relocation package includes a temporary relocation allowance of \$3500 per month, as well as reimbursement of certain expenses with respect to the sale and moving of his primary residence, each as further described in the Company's offer letter to Mr. Vaters attached hereto as Exhibit 10.3 and incorporated herein by reference.

Tom Hein, who has served as Orthofix's CFO for more than eight years, will remain with the Company as Executive Vice President of Finance.
