- On August 26, 2009, a family limited partnership of which the reporting person is a general and limited partner, Promerica LP, entered into a Rule 10b5-1 trading plan with an unaffiliated bank to execute a series of variable prepaid forward sales contracts. On September 3, 2010, Promerica settled a prepaid variable contract originally entered into on September 3, 2009 with an unaffiliated commercial bank. At the initiation of the contract, the bank paid \$1,124,143.43 to the reporting person.
- Under the contract reported on this form, Promerica was obligated to deliver to the bank up to 125,000 shares of the Issuer's common stock depending on the market price at maturity on September 6, 2011. In addition, if the market price per share was equal to or greater than \$13.4729 on the first anniversary of the contract date, the bank would be obligated to pay an additional amount, determined by the bank based on the stock price at the time, to Promerica three business days after the first anniversary. If the market price per share on the

Edgar Filing: BOSTON SCIENTIFIC CORP - Form 4

first anniversary of the contract date was less than \$13.4729 the contract would then be terminated and Promerica would deliver shares to the bank pursuant to the early termination provision in the contract.

- (3) Upon early termination, if the market price per share was equal to or less than \$11.2274 Promerica would deliver 125,000 shares to the bank and if the market price per share was greater than \$11.2274, Promerica would deliver a fewer number of shares. The closing market price per share on September 3, 2010 was \$5.35. Accordingly, Promerica transferred to the bank 125,000 shares of the Issuer's common stock.
- (4) Sales reported on this form were transacted pursuant to a 105b-1 trading plan.
- (5) The weighted average sales price reported as stock sales were aggregated for reporting purposes. The per share transaction price ranged from \$5.38 to \$5.26. The reporting person will provide, upon request from an appropriate party, the per share sales volumes and prices.
- (6) Shares held by a trust of which the reporting person's spouse and brother are trustees and the reporting person's spouse and children are beneficiaries.
