(a) The reason described in reasonable detail in Part III of this form could not be eliminated without unreasonable effort or expense

The subject annual report, semi-annual report, transition report on Form 10-K, Form 20-F, Form 11-K, Form N-SAR or Form N-CSR, or portion thereof, will be filed on or before the fifteenth calendar day following the (b) prescribed due date; or the subject quarterly report or transition report on Form 10-Q or subject distribution report on Form 10-D, or portion thereof, will be filed on or before the fifth calendar day following the prescribed due date; and

(c) The accountant's statement or other exhibit required by Rule 12b-25(c) has been attached if applicable.

PART III—NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

CorEnergy Infrastructure Trust, Inc. (“we” or the “Company”) is unable to file timely the portion of its annual report on Form 10-K for the fiscal year ended December 31, 2018 (the “Form 10-K”) consisting of audited financial statements from the parent guarantor of its tenant, Energy XXI Gulf Coast, Inc. (“EGC”), which is an indirect wholly owned subsidiary of privately-held MLCJR LLC (the “Acquiring Entity”). The Company has not received such audited financial statements from EGC.

We believe the terms of the Grand Isle Lease Agreement (as defined in the Form 10-K filed with the SEC on February 28, 2019) require we be provided with copies of certain financial statement information that we are required to file pursuant to SEC Regulation S-X, as described in Section 2340 of the SEC Financial Reporting Manual. Prior to October 29, 2018, EGC was subject to the reporting requirements of the Exchange Act and was required to file with the SEC annual reports containing audited financial statements and quarterly reports containing unaudited financial statements. So long as EGC remained a public reporting company, the Grand Isle Lease Agreement requirement to provide financial statement information was fulfilled by EGC making its financial statements and reports publicly available through the SEC's EDGAR system. On October 18, 2018, EGC was acquired and became an indirect wholly owned subsidiary of the Acquiring Entity. Upon the filing by EGC of a Form 15 with the SEC on October 29, 2018, EGC's SEC reporting obligations were suspended and it ceased to file such reports.

As EGC's financial information is no longer publicly filed, we are engaged in discussions with EGC concerning satisfaction of its obligations under the Grand Isle Lease Agreement to provide information to us for inclusion in our SEC reports. Because EGC has not yet fulfilled these obligations, the Form 10-K the Company filed with the SEC on February 28, 2019 omitted such separate audited financial statements for EGC. The omission of such separate financial statements had no affect on the financial statements for the Company included therein.

It is our intention to enforce the obligations of EGC to provide the financial statement information that we believe is required under the terms of the Grand Isle Lease Agreement. We expect to file the financial statement information that is required by Regulation S-X by amendment to the Form 10-K once such information is made available to us on or before 15 days following the original due date for the Form 10-K.
