Directors will be elected at the Annual Meeting by a plurality of the votes cast in person or represented by proxy and a majority of the votes cast, in person or represented by proxy, is required to approve the amendments to the Stock Incentive Plan and the Nonmanagement Employees Plan to extend the terms thereof. Any stockholder of record returning the accompanying proxy card may revoke such proxy at any time prior to its exercise by (i) giving written notice to the Company of such revocation, (ii) voting in person at the Annual Meeting or (iii) executing and delivering to the Company a later-dated proxy. The Board of Directors has determined that each of Mr. Kerbs, Mr. Levine, Mr. Yurman and Dr. Zerntman is an "independent director" under Nasdaq Marketplace Rule 4200 which is applicable to us.

Other functions of the Audit Committee include reviewing and approving all related party transactions, establishing and maintaining procedures for handling complaints on accounting, internal accounting and auditing matters, and administering and enforcing our Code of Ethics and Business Conduct described below.

The Audit Committee is required to meet periodically in separate executive sessions with our independent auditors and the independent members of our Board of Directors. The Audit Committee has the authority to obtain from outside legal, accounting and other advisors in the performance of the Audit Committee's duties, which the Board of Directors is obligated to fund.

OTHER COMMITTEES

The Board of Directors does not have other standing committees. However, in accordance with applicable rules of The Nasdaq Stock Exchange, Inc. the Board has established a process whereby the compensation of the executive officers is determined by a majority of the independent directors.

The independent directors may identify potential board candidates from a variety of sources, including recommendations from current directors or management, recommendations of security holders or any other source that the independent directors deem appropriate. The independent directors may also engage a search firm or consultant to assist it in identifying, screening and evaluating potential candidates.

In considering candidates for the Board of Directors, the independent directors evaluate the entirety of each candidate's credentials, such as (i) business or other relevant experience; (ii) expertise, skills and knowledge; (iii) integrity and reputation; (iv) the extent to which the candidate will enhance the objective of having directors with diverse viewpoints, backgrounds, expertise, skills and experience; (v) willingness and ability to commit sufficient time to Board responsibilities; and (vi) qualification to serve on specialized board committees (such as the Audit Committee).

2003 in deliberations of the Board of Directors concerning executive officer compensation. During 2003, George Morgenstern engaged in transactions with us in which he was deemed to have an interest. For further information, see "Certain Relationships and Related Transactions" below.

EMPLOYMENT ARRANGEMENTS

George Morgenstern serves as our Chairman of the Board, President and Chief Executive Officer pursuant to an employment agreement that commenced on January 1, 1997, was amended in March 2002 to extend through December 31, 2003, and provides for a period of consultancy thereafter as set forth below (the "Employment Agreement"). Through December 31, 2003, the Employment Agreement provided for a base salary of \$420,000 per annum (which was \$470,000 due to cost of living adjustments as of December 31, 2003), subject to annual review by the Board and an annual cost of living adjustment, plus contributions to a nonqualified retirement fund equal to 25% of his base salary. Mr. Morgenstern's compensation pursuant to the Employment Agreement also includes the use of two company automobiles, premium payments on a life insurance policy owned by Mr. Morgenstern and other fringe benefits.

Pursuant to the terms of the Employment Agreement, on December 31, 2003, Mr. Morgenstern elected to terminate his employment with us and thereafter to continue to serve us as a consultant for a period (the "Consulting Period")

8

ending on December 31, 2010. At the request of the Board, Mr. Morgenstern has continued on as our Chairman of the Board, President and Chief Executive Officer. Mr. Morgenstern's annual consulting fee during the Consulting Period is equal to 50% of his annual salary in effect immediately prior to the Consulting Period through the end of the fourth full calendar year of the Consulting Period, and 25% of such annual salary for the remainder of the Consulting Period (subject in all cases to an annual cost of living adjustment).

Under the terms of the Employment Agreement, we agreed to take appropriate action to fund the payment of all consulting fees to become payable to Mr. Morgenstern throughout the entire Consulting Period, by purchase of an annuity from a reputable insurance company, deposit of funds or U.S. Treasury Securities having maturities of less than one year in a bank acceptable to Mr. Morgenstern, or other arrangements acceptable to Mr. Morgenstern. Upon the earlier of the occurrence of any one of these events and November 30, 2005, the Company would be obligated to fund all consulting fees as provided in the Employment Agreement. During the term of the Employment Agreement (including any Consulting Period), Mr. Morgenstern may not engage in a business that is in substantial and direct competition with our business or the business of any of our subsidiaries.

Yacov Kaufman serves as a Vice President and Chief Financial Officer of the Company and as Executive Vice President and Chief Financial Officer of dsIT pursuant to an employment agreement entered into with the Company on January 1, 1999, and amended in June 2002, at an annual salary of \$250,000.

Edgar Filing: DATA SYSTEMS & SOFTWARE INC - Form DEF 14A

We make certain payments to fund in part our future severance obligations to Mr. Kaufman. If Mr. Kaufman's employment is voluntarily terminated or is terminated by us for reasons other than for cause, we must pay him an amount equal to 150% of his last month's salary multiplied by the number of years (including partial years) that Mr. Kaufman worked for us. This severance obligation, which is customary for executives of Israeli companies, would be reduced by the amount contributed by us to certain Israeli pension and severance funds pursuant to Mr. Kaufman's employment agreement. In addition, the agreement with Mr. Kaufman provides for an additional payment equal to six times his last month's total compensation, payable at the end of his employment with us, unless he is terminated by us for cause. As of December 31, 2003, the unfunded portion of these payments was \$57,000.

Jacob Neuwirth serves as President and Chief Executive Officer of dsIT pursuant to an employment agreement that commenced on December 16, 2001. Mr. Neuwirth's employment agreement provides for a base salary which is denominated in linked NIS equivalent to \$165,000 per annum, linked to the Israeli Consumer Price Index ("Index"). In addition, the agreement with Mr. Neuwirth provides for six months advance notice of termination of employment by either side, and an additional payment equal to six times his last month's total compensation, payable upon any termination of his employment. As of December 31, 2003, the unfunded portion of these payments was \$117,000. Under his employment agreement, Mr. Neuwirth is entitled to a loan of up to \$100,000 from dsIT. As of December 31, 2003 the loan, which is denominated in linked NIS, bears interest at 4% and has no fixed maturity date, had an outstanding balance of \$52,000.

Shlomie Morgenstern serves as the Chief Executive Officer and President of our Databit Inc. subsidiary and as our Vice President-Operations and, pursuant to an employment agreement that was executed on August 19, 2004 and commenced as of January 1, 2004 (the "SM Employment Agreement"). The SM Employment Agreement provides for a four year initial term and subsequent one year renewal terms (unless either party gives notice of non-renewal within 90 days prior to the end of the initial term or a renewal term). Under the SM Employment Agreement, Mr. Morgenstern receives a base salary of \$250,000 per annum. Mr. Morgenstern's compensation pursuant to the SM Employment Agreement also includes a car allowance and participation in fringe benefits maintained and sponsored by DSSI and Databit.

Pursuant to the SM Employment Agreement, Mr. Morgenstern is entitled to an annual bonus equal to 20% of the gross profit of Databit in excess of \$2.8 million. The bonus is capped at 50% of his base salary then in effect if Databit has net income for the calendar year to which the bonus relates (36% of his base salary if Databit does not have net income for the calendar year to which the bonus relates). Under the SM Employment Agreement, on August 19, 2004, Mr. Morgenstern also received stock options exercisable for the purchase of 305,000 shares of our Common Stock at exercise price of \$0.71 per share (the closing market price on the date of grant) and a restricted stock grant of 195,000 shares of our Common Stock. The stock option grant vests in installments of 105,000, 100,000 and 100,000 shares on August 18, 2006, February 18, 2007 and February 18, 2008, respectively, and the restricted stock grant vests in installments of 100,000 upon issuance and 31,666, 31,667 and 31,667 shares on August 18, 2006, 2007 and 2008, respectively. The options and the restricted stock will fully vest if the SM Employment Agreement, or if Mr. Morgenstern terminates his employment within one year after a change in control or 10 days after notice to us of our breach of a material provision of the SM Employment Agreement which breach remains uncured.

Edgar Filing: DATA SYSTEMS & SOFTWARE INC - Form DEF 14A

If the SM Employment Agreement is not renewed after the initial term or any renewal term, Mr. Shlomie Morgenstern will be entitled to receive a lump sum payment equal to one year's salary and the bonus he would have earned for the calendar year in which the non-renewal occurred (in a lump sum payment). If Mr. Morgenstern's employment is terminated by us other than for cause, Mr. Morgenstern terminates his employment within one year after a change in control or after we breach a material provision of the SM Employment Agreement and fail to cure that breach in a timely matter, then Mr. Morgenstern will be entitled to 2.9 times both his annual salary then in effect and the average bonus paid to Mr. Morgenstern during the three preceding years (or such shorter period if the termination occurred before the third year).

The stock option agreements with our executive officers generally provide for accelerated vesting in the event we have a change in control.

CERTAIN RELATED PARTY TRANSACTIONS

During 2003, we paid approximately \$403,000 for legal services rendered and reimbursement of out-of-pocket expenses to Ehrenreich Eilenberg & Krause LLP, a law firm in which Sheldon Krause, a former director and our Secretary, is a member. Such fees related to services rendered by Mr. Krause and other members and employees of his firm, as well as certain special and local counsel retained and supervised by his firm who performed services on our behalf. Mr. Krause is the son-in-law of George Morgenstern, our Chairman, President and Chief Executive Officer.

As reported on the Summary Compensation Table above, Shlomie Morgenstern, the son of George Morgenstern, our Chairman, President and Chief Executive Officer, received compensation during 2003 in connection with his

In July 2001, we entered in an arrangement with a corporation wholly-owned by George Morgenstern, our Chairman, President and Chief Executive Officer, for use by such corporation of approximately 400 of the approximately 4,650 square feet leased by us in New York City. Based on our lease for our New York City premises, the pro rata full rental cost (including electricity) of the portion of the premises utilized by the corporation was approximately \$1,450 per month. In October 2002, we entered into a written agreement for the corporation's use of its portion of the premises. The agreement provided for the payment to us of \$2,000 per month and was terminable by either party on 60 days written notice to the other. Upon notice provided to us in February 2003, the corporation vacated the space in April 2003. During 2003 we received \$6,000 of rent from this corporation.

In January 2000, Comverge extended loans of \$9,925, each evidenced by a promissory note, to both our Chief Executive Officer and Chief Financial Officer to finance the purchase of Comverge Common Stock. The loans had an initial

12

maturity date of January 3, 2002 and were extended at that time to mature on January 3, 2004. The loans bear interest at 4.25% per annum, payable at maturity. In April 2004, the Board approved a bonus to each of the Chief Executive Officer and Chief Financial Officer in the amount of \$13,000. In April 2004, the loans were paid off in full by the Chief Executive Officer and Chief Financial Officer.

dsIT's Chief Executive Officer has a loan outstanding from dsIT that originated in 2001. The loan balance and accrued interest at December 31, 2003 was \$52,000. The loan has no defined maturity date, is denominated in NIS, is linked to the Index and bears interest at 4%.

COMPENSATION REPORT OF THE BOARD OF DIRECTORS

COMPENSATION POLICIES FOR EXECUTIVE OFFICERS

The Company's compensation package for its executive officers generally consists of three components: (i) base salary; (ii) cash bonus; and (iii) options and/or stock grants. Except as stated below, during 2003, the Board did not make any changes to the cash compensation payable to its executive officers all of whom continued to be paid under the terms of employment agreements entered into in prior years. No stock options, restricted stock or other equity compensation was granted to any of our executive officers in 2003. In April 2003 the Board granted a \$50,000 bonus to Shlomie Morgenstern to recognize Mr. Morgenstern's successful management of the Company's Databit subsidiary and the performance of his duties at Comverge during 2002 and to that date in 2003, and as an incentive for his continued employment with us. At its meetings in July and November 2003 the Board discussed the need to negotiate and enter into an employment agreement with Shlomie Morgenstern to provide for appropriate compensation and noncompetition covenants; no action was taken on this by the Board until 2004.

BASIS FOR CHIEF EXECUTIVE OFFICER'S COMPENSATION

During 2003, George Morgenstern, Chairman, President and Chief Executive Officer of the Company, had no increase in salary, receiving \$464,250 pursuant to an employment agreement with the Company. Mr. Morgenstern received no bonus for 2003.

AUDIT COMMITTEE REPORT

The Audit Committee is composed of three directors, each of whom meets the independence and experience requirements of Nasdaq Marketplace Rule 4350(d)(2). The Audit Committee operates under a written charter adopted by the Board, which was amended during 2004 to reflect recent changes in applicable laws and regulations pertaining to audit committees.

Management is responsible for our internal controls and financial reporting process. The external auditors are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

In October 2003, KPMG resigned as the Company's auditors. On January 14, 2004, we engaged Kesselman & Kesselman, a member of PricewaterhouseCoopers International Limited ("K&K"), as our independent auditors for the fiscal year ended December 31, 2003. In this context, the Audit Committee met and held discussions with management and K&K, the external auditors for the year ended December 31, 2003. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America, and the Audit Committee reviewed and discussed the consolidated financial statements with management and K&K prior to their issuance. The Audit Committee discussed with K&K matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). K&K also provided to the Audit Committee the disclosures required by Independent Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with K&K that firm's independence.

Based on the Audit Committee's discussion with management and K&K and the Audit Committee's review of the representation of management and K&K to the Audit Committee, the Audit Committee recommended to the Board, and the Board approved, the inclusion of the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2003.

PROPOSAL 2

AMENDMENT OF THE COMPANY'S 1994 STOCK INCENTIVE PLAN

The Board of Directors of the Company has adopted, subject to stockholder approval, an amendment (the "Stock Incentive Plan Amendment") to the Company's 1994 Stock Incentive Plan (the "Stock Incentive Plan"), as amended, extending the date until which options may be granted under the Stock Incentive Plan to December 31, 2008.

Options to purchase 1,857,500 shares of the Company's Common Stock have

Edgar Filing: DATA SYSTEMS & SOFTWARE INC - Form DEF 14A

been granted under the Stock Incentive Plan, of which 1,112,500 such options have expired (and the shares under such options have become eligible for future grants). Of the options granted under the Stock Incentive Plan that have not expired, 7,500 have been exercised. Additionally, 500,000 shares of restricted stock have been issued under the Stock Incentive Plan. There are currently 355,000 shares available for grant under the Stock Incentive Plan. THE STOCK INCENTIVE PLAN AMENDMENT PROVIDES FOR THE EXTENSION OF THE PLAN ON ITS CURRENT TERMS AND INVOLVES NO INCREASE IN THE NUMBER OF SHARES AVAILABLE FOR GRANT.

The adoption of the Incentive Plan Amendment by the Board of Directors reflects a determination by the Board that ensuring the continuation of the Stock Incentive Plan is important to our ongoing and continuing efforts to attract and retain key senior management personnel and to align the interest of the Company's executive officers with that of its stockholders.

The Stock Incentive Plan is an integral part of the Company's stock-based compensation structure and has been used for grants to senior executives. An aggregate of 737,500 unexercised, non-expired options have been granted under the Stock Incentive Plan at a weighted average exercise price of \$3.20 per share.

Since the granting of options under the Stock Incentive Plan is discretionary, the Company cannot at present determine the number of options that will be granted in the future to any person or group of persons or the terms of any future grant. Future option grants and the terms thereof will be determined in accordance with the terms of the Stock Incentive Plan.

No options have been granted under the Stock Incentive Plan to employees who were not executive officers of the Company at the date of grant. Options granted to nonmanagement employees are generally made under the Company's 1995 Stock Option Plan for Nonmanagement Employees as more fully described in Proposal 3 of this Proxy Statement.

Set forth below is certain information concerning the Stock Incentive Plan. A copy of the Stock Incentive Plan is available upon written request to the Company.

GENERAL

Authorized Shares. The maximum number of shares of Common Stock in respect of which awards may be granted under the Stock Incentive Plan is 1,600,000 of which no more than 500,000 may be granted as restricted stock or delivered in payment of restricted stock units. There are currently 355,000 shares available for issuance under the Stock Incentive Plan, none of which may be granted as restricted stock or delivered in payment of restricted stock units. Shares subject to awards that are forfeited, terminated, canceled or settled without the delivery of Common Stock are available for awards. Also, shares tendered to the Company in satisfaction or partial satisfaction of the exercise price of any award will increase the number of shares available for awards under the Stock Incentive Plan to the extent permitted by Rule 16b-3 under the Exchange Act.

Eligibility. Officers and employees of the Company and its existing or future subsidiaries, any entity in which the Company has a significant equity interest as well as other individuals who perform services for the Company, including consultants, who can make substantial contributions to the successful performance of the Company are eligible to participate in the Stock Incentive Plan.

Edgar Filing: DATA SYSTEMS & SOFTWARE INC - Form DEF 14A

Administration. The members of the Board of Directors who meet the independence requirements of Marketplace Rule 4350(d)(2) of The Nasdaq Stock Market, Inc act as the Committee in administering the Stock Incentive Plan (hereinafter, such directors are referred to as the "Compensation Committee"). No person eligible to participate in the Stock Incentive Plan may perform Committee duties.

The Stock Incentive Plan may be amended or terminated at any time by the Board of Directors, except that no amendment may be made without stockholder approval if the Committee determines that such approval is necessary to comply with any tax or regulatory requirement (including any approval requirement which is a prerequisite for exemptive relief from Section 16 of the Exchange Act) with which the Committee determines that it is desirable to comply. Also, shareholder approval of amendments is generally required under Nasdaq rules.

Awards. The Stock Incentive Plan gives the Committee authority to grant stock options and other stock-based awards, including stock appreciation rights, restricted stock and restricted stock units, and performance awards. To the extent required for exemptive relief from Section 16 of the Exchange Act such awards are also approved by the full Board. To date, only stock option grants and restricted stock awards have been made under the plan.

Stock Options. Stock options may be granted under the Stock Incentive Plan at the discretion of the Committee. Options granted under the Stock Incentive Plan may be either incentive stock options, as defined in Section 422 of the Internal Revenue Code of 1986, as amended (the "Code"), or options which do not qualify as incentive stock options ("nonqualified stock options"). The exercise price of a nonqualified stock option granted under the plan may not be less than 85% of the fair market value of the Common Stock on the date of grant and the exercise price of an incentive stock option granted under the Stock Incentive Plan may not be less than 100% of the fair market value of the Common Stock on the date of grant. Subject to the foregoing, the Compensation Committee has discretion to fix the exercise price of such options. The Committee also has broad discretion as to the terms and conditions upon which options shall be exercisable.

The exercise price of options may be satisfied in cash or, in the discretion of the Committee, by exchanging shares of Common Stock owned by the optionee, or by a combination of cash and shares of Common Stock. The ability to pay the option exercise price in shares of Common Stock would, if permitted by the Committee, enable an optionee to engage in a series of successive stock-for-stock exercises of an option and thereby fully exercise an option with little or no cash investment.

In the event that a participant is permitted to and does exercise an option granted under the Stock Incentive Plan by delivering shares of Common Stock, the Committee is authorized to grant or provide for the automatic grant of Restoration Option to such optionee, subject to the satisfaction of such conditions or criteria as the Committee shall establish from time to time. A Restoration Option shall entitle the participant to purchase a number of shares of Common Stock equal to the number of such shares surrendered in payment of the exercise price of the original option, at a per share exercise price equal to not less than 100% of the per share fair market value of the Common Stock on the date of grant of such Restoration Option. Restoration Options shall have a term not longer than the term remaining on the original option and shall contain such other terms and conditions as the Committee shall determine.

Stock Appreciation Rights. Stock appreciation rights may be granted in conjunction with or unrelated to options and, if in conjunction with an outstanding option, may be granted at the time of such option grant or thereafter, at the exercise price of the option. Upon the exercise of a stock

appreciation right with respect to a share of Common Stock, a participant would be entitled to receive the excess of the fair market value of such share over the exercise price of such right. No stock appreciation right shall be exercisable for six months after grant. The Committee has the authority to determine whether the value of a stock appreciation right is paid in cash or shares of Common Stock or a combination of both.

Performance Awards. The Committee also has discretion to make contingent grants of performance awards which are earned to the extent performance goals established by the Committee are achieved over a period of time specified by the Committee. The value of performance awards that are earned may, in the discretion of the Committee, be paid in the form of cash, shares of Common Stock, or a combination of both.

Restricted Stock. Under the terms of the Stock Incentive Plan, up to 500,000 shares could be used for awards of restricted stock, all of which have been awarded. Therefore, no additional awards of restricted stock will be made under the Plan.

Term of Plan. No award may be granted under the Stock Incentive Plan after December 31, 2004 (or December 31, 2008 if the Stock Incentive Plan Amendment is approved by the stockholders), except for Restoration Options which may continue to be granted as long as options under the Stock Incentive Plan are outstanding.

CERTAIN FEDERAL INCOME TAX CONSEQUENCES OF OPTION GRANTS AND EXERCISES

When an optionee exercises a nonqualified stock option, the difference between the option price and higher fair market value of the shares of Common Stock, generally on the date of exercise, will be ordinary income to the optionee and generally will be allowed as a deduction for federal income tax purposes to the employer. Any gain or loss realized by an optionee on disposition of the Common Stock acquired upon exercise of a nonqualified stock option generally will be capital gain or loss to such optionee, long-term or short-term depending on the holding period, and will not result in any additional tax consequences to the employer. The optionee's basis in the shares for determining gain or loss on the disposition will be the fair market value of such shares determined generally at the time of exercise.

When an optionee exercises an incentive stock option while employed by the Company or a subsidiary or within three months (one year for disability) after termination of employment, no ordinary income will be recognized by the optionee at that time, but the excess (if any) of the fair market value of the shares of Common Stock acquired upon such exercise over the option exercise price will be an adjustment to taxable income for purposes of the federal alternative minimum tax applicable to individuals. If the shares of Common Stock acquired upon exercise of the incentive stock option are not disposed of prior to the expiration of one year after the date of acquisition and two years after the date of the option, the excess (if any) of the sales proceeds over the aggregate option exercise price of such shares will be long-term capital gain, but the employer will not be entitled to any tax deduction with respect to such gain. Generally, if the shares of Common Stock are disposed of prior to the expiration of such periods (a "disqualifying disposition"), the excess of the fair market value of such shares at the time of exercise over the aggregate option exercise price (but not more than the gain on the disposition if the disposition is a transaction on which a loss, if realized, would be recognized) will be ordinary income at the time of such disqualifying disposition (and the

Edgar Filing: DATA SYSTEMS & SOFTWARE INC - Form DEF 14A

employer will generally be entitled to a federal income tax deduction in a like amount). Any gain realized by the optionee as the result of a disqualifying disposition that exceeds the amount treated as ordinary income will be capital in nature, long-term or short-term depending on the holding period. If an incentive stock option is exercised more than three months (one year for disability) after termination of employment, the tax consequences are the same as described above for nonqualified stock options. To date, no incentive stock options have been granted under the Stock Incentive Plan.

18

The foregoing discussion summarizes the federal income tax consequences of the grant and exercise of stock options under the Stock Incentive Plan based on current provisions of the Code which are subject to change. This summary does not cover any state or local tax consequences of participation in the Stock Incentive Plan.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE STOCK INCENTIVE PLAN AMENDMENT (DESIGNATED AS PROPOSAL 2 ON THE ENCLOSED PROXY CARD) EXTENDING THE DATE UNTIL WHICH OPTIONS MAY BE GRANTED UNDER THE STOCK INCENTIVE PLAN TO DECEMBER 31, 2008.

PROPOSAL 3

AMENDMENT OF THE COMPANY'S 1995 STOCK OPTION PLAN FOR NONMANAGEMENT EMPLOYEES

The Board of Directors of the Company has adopted, subject to stockholder approval, an amendment (the "Nonmanagement Employees Plan Amendment") to the Company's 1995 Stock Option Plan for Nonmanagement Employees (the "Nonmanagement Employees Plan"), as amended, extending the date until which options may be granted under the Nonmanagement Employees Plan to December 31, 2008. The Nonmanagement Employees Plan is an integral part of the Company's stock-based compensation structure and has been successfully used for grants to retain long term nonmanagement employees who have been crucial in supporting our senior executives. The 429,851 unexercised, non-expired options that have been granted under the Nonmanagement Employees Plan at a weighted average exercise price of \$3.99 per share. There are currently 272,242 shares available for issuance under the Nonmanagement Employees Plan. THE NONMANAGEMENT EMPLOYEES PLAN AMENDMENT PROVIDES FOR THE EXTENSION OF THE PLAN ON ITS CURRENT TERMS AND INVOLVES NO INCREASE IN THE NUMBER OF SHARES AVAILABLE FOR GRANT.

Since the granting of options under the Nonmanagement Employees Plan is discretionary, the Company cannot at present determine the number of options that will be granted in the future to any person or group of persons or the terms of any future grant. Future option grants and the terms thereof will be determined by the Board of Directors in accordance with the terms of the Nonmanagement Employees Plan.

Set forth below is certain information concerning the Nonmanagement Employees Plan. A copy of the Nonmanagement Employees Plan is available upon written request to the Company.

Authorized Shares. The maximum number of shares of Common Stock in respect of which awards may be granted under the Nonmanagement Employees Plan is currently 870,225. Shares of Common Stock subject to awards that are forfeited, terminated, canceled or settled without the delivery of Common Stock will again be available for awards. Also, shares tendered to the Company in satisfaction or partial satisfaction of the exercise price of any award will increase the number of shares available for awards under the Nonmanagement Employees Plan to the

Edgar Filing: DATA SYSTEMS & SOFTWARE INC - Form DEF 14A

extent permitted by Rule 16b-3 under the Exchange Act.

The adoption of the Nonmanagement Plan Amendment by the Board of Directors reflects a determination by the Board that ensuring the continuation of the Nonmanagement Employees Plan is important to the Company's ongoing and continuing efforts to attract and retain nonmanagement employees and align the interest of the Company's nonmanagement employees with that of its stockholders.

19

Eligibility. Employees and non-executive officers of the Company and its subsidiaries (which includes any subsidiary that is accounted for by the Company on the equity method) as well as other individuals who perform services for the Company, including consultants, who can make substantial contributions to the successful performance of the Company are eligible to participate in the Nonmanagement Employees Plan. Directors and executive officers of the Company are not eligible to receive grants of options under the Nonmanagement Employees Plan.

Administration. The Board of Directors administers the Nonmanagement Employees Plan. Pursuant to the Nonmanagement Employees Plan, the Board of Directors may appoint an officer who is a director of the Company to grant options to eligible employees pertaining to up to an aggregate of 75,000 shares of Common Stock, subject to the provisions of the Nonmanagement Employees Plan. In 2002, the Board of Directors appointed the Chief Executive Officer to make such grants for up to an aggregate of 75,000 shares of Common Stock. To date, options pertaining to 48,000 shares of Common Stock have been granted under such authority. No person eligible to serve on the Compensation Committee may participate in the Nonmanagement Employees Plan.

The Nonmanagement Employees Plan may be amended or terminated at any time by the Board of Directors, except that no amendment may be made without stockholder approval if the Board determines that such approval is necessary to comply with any tax or regulatory requirement with which the Board of Directors determines that it is desirable to comply.

Awards. The Nonmanagement Employees Plan gives the Board of Directors authority to grant only stock options.

Stock Options. Stock options may be granted under the Nonmanagement Employees Plan at the discretion of the Board of Directors. The Board of Directors has broad discretion as to the terms and conditions upon which options shall be exercisable. Options granted under the Nonmanagement Employees Plan may be either incentive stock options, as defined in Section 422 of the Code, or options which do not qualify as incentive stock options ("nonqualified stock options"). Incentive options are subject to certain special rules under the Code and applicable regulations.

The exercise price of options may be satisfied in cash or, in the discretion of the Board of Directors by exchanging shares of Common Stock owned by the optionee, or by a combination of cash and shares of Common Stock. The ability to pay the option exercise price in shares of common stock would, if permitted by the Board of Directors enable an optionee to engage in a series of successive stock-for-stock exercises of an option and thereby fully exercise an option with little or no cash investment.

Term of Plan. No award may be granted under the Nonmanagement Employees Plan after April 18, 2005 (or December 31, 2008 if the Nonmanagement Employees Plan Amendment is approved by the stockholders).

SECTION 4. Shares Available for Awards.

(a) Shares Available. Subject to adjustment as provided in Section 4(b), the number of Shares with respect to which Awards may be granted under the Plan shall be 1,600,000. If, after the effective date of the Plan, any Shares covered by an Award granted under the Plan, or to which such an Award relates, are forfeited, or if an Award is settled for cash or otherwise terminates or is cancelled without the delivery of Shares, then the Shares covered by such Award, or to which such Award relates, or the number of Shares otherwise counted against the aggregate number of Shares with respect to which Awards may be granted, to the extent of any such settlement, forfeiture, termination or cancellation, shall again be, or shall become, Shares with respect to which Awards may be granted. In the event that any Option or other Award granted hereunder is exercised through the delivery of Shares, the number of Shares available for Awards under the Plan shall be increased by the number of Shares surrendered, to the extent permissible under Rule 16b-3. Notwithstanding the foregoing (and subject to adjustment as provided in Section 4(b)), no more than 500,000 Shares shall be available for Awards of Restricted Stock and Restricted Stock Units.

Edgar Filing: DATA SYSTEMS & SOFTWARE INC - Form DEF 14A

dividend or other distribution (whether in the form of cash, Shares, other securities, or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase, or exchange of Shares or other securities of the Company, issuance of warrants or other rights to purchase Shares or other securities of the Company, or other similar corporate transaction or event affects the Shares such that an adjustment is determined by the Committee to be appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan, then the Committee shall, in such manner as it may deem equitable, adjust any or all of (i) the number of Shares or other securities of the Company (or number and kind of other securities or property) with respect to which Awards may be granted, (ii) the number of Shares or other securities of the Company (or number and kind of other securities or property) subject to outstanding Awards, and (iii) the grant or exercise price with respect to any Award or, if deemed appropriate, make provision for a cash payment to the holder of an outstanding Award; provided, in each case, that with respect to Awards of Incentive Stock Options no such adjustment shall be authorized to the extent that such authority would cause the Plan to violate Section 422(b)(1) of the Code, as from time to time amended.

(c) Substitute Awards. Any Shares underlying Substitute Awards shall not, except in the case of Shares with respect to which Substitute Awards are granted to Participants who are officers or directors of the Company for purposes of Section 16 of the Exchange Act or any successor section thereto, be counted against the Shares available for Awards under the Plan.

SECTION 5. Eligibility. Any Employee, including any officer or employee-director of the Company or any Affiliate, or any Consultant, who is not a member of the Committee, shall be eligible to be designated a Participant.

SECTION 6. Stock Options.

(a) Grant. Subject to the provisions of the Plan, the Committee shall have sole and complete authority to determine the Participants to whom Options shall be granted, the number of Shares to be covered by each Option, the option price therefor and the conditions and limitations applicable to the exercise of the Option. The Committee shall have the authority to grant Incentive Stock Options, or to grant Non-Qualified Stock Options, or to grant both types of options. In the case of Incentive Stock Options, the terms and conditions of such grants shall be subject to and comply with such rules as may be prescribed by Section 422 of the Code, as from time to time amended, and any regulations implementing such statute.

(b) Exercise Price. The Committee shall establish the exercise price at the time each Option is granted, which price, except in the case of Options that are Incentive Stock Options or Substitute Awards, shall not be less than 85% of the per Share Fair Market Value on the date of grant.

(c) Exercise. Each Option shall be exercisable at such times and subject to such terms and conditions as the Committee may, in its sole discretion, specify in the applicable Award Agreement or thereafter. The Committee may impose such conditions with respect to the exercise of Options, including without limitation, any relating to the application of federal or state securities laws, as it may deem necessary or advisable.

(d) Payment. No Shares shall be delivered pursuant to any exercise of an Option until payment in full of the option price therefor is received by the Company. Such payment may be made in cash, or its equivalent, or, if and to the extent permitted by the Committee, by exchanging Shares owned by the optionee (which are not the subject of any pledge or other security interest), or by a

Edgar Filing: DATA SYSTEMS & SOFTWARE INC - Form DEF 14A

combination of the foregoing, provided that the combined value of all cash and cash equivalents and the Fair Market Value of any such Shares so tendered to the Company as of the date of such tender is at least equal to such option price.

(e) Restoration Options. In the event that any Participant delivers Shares in payment of the exercise price of any Option granted hereunder in accordance with Section 6(d), the Committee shall have the authority to grant or provide for the automatic grant of a Restoration Option to such Participant. The grant of a Restoration Option shall be subject to the satisfaction of such conditions or criteria as the Committee in its sole discretion shall establish from time to time. A Restoration Option shall entitle the holder thereof to purchase a number of Shares equal to the number of such Shares so delivered upon exercise of the original Option and, in the discretion of the Committee, the number of Shares, if any, tendered to the Company to satisfy any withholding tax liability arising in connection with the exercise of the original Option. A Restoration Option shall have a per share exercise price of not less than 100% of the per Share Fair Market Value on the date of grant of such Restoration Option, a term not longer than the remaining term of the original Option at the time of exercise thereof, and such other terms and conditions as the Committee in its sole discretion shall determine.

SECTION 7. Stock Appreciation Rights.

(a) Grant. Subject to the provisions of the Plan, the Committee shall have sole and complete authority to determine the Participants to whom Stock Appreciation Rights shall be granted, the number of Shares to be covered by each Stock Appreciation Right Award, the grant price thereof and the conditions and limitations applicable to the exercise thereof. Stock Appreciation Rights may be granted in tandem with another Award, in addition to another Award, or freestanding and unrelated to another Award. Stock Appreciation Rights granted in tandem with or in addition to an Award may be granted either at the same time as the Award or at a later time. Stock Appreciation Rights shall not be exercisable earlier than six months after grant, and except for Stock Appreciation Rights which are Substitute Awards, shall have an exercise price of not less than 100% of the Fair Market Value of the Shares on the date of grant or, in the case of a Stock Appreciation Right granted in tandem with or in addition to another Award, at the time of grant of such related Award.

(b) Exercise and Payment. A Stock Appreciation Right shall entitle the Participant to receive an amount equal to the excess of the Fair Market Value of a Share on the date of exercise of the Stock Appreciation Right over the grant price thereof, provided that the Committee may for administrative convenience determine that, with respect to any Stock Appreciation Right which is not related to an Incentive Stock Option and which can only be exercised for cash during limited periods of time in order to satisfy the conditions of Rule 16b-3, the exercise of such Stock Appreciation Right for cash during such limited period shall be deemed to occur for all purposes hereunder on the day during such limited period on which the Fair Market Value of the Shares is the highest. Any such determination by the Committee may be changed by the Committee from time to time and may govern the exercise of Stock Appreciation Rights granted prior to such determination as well as Stock Appreciation Rights thereafter granted. The Committee shall determine whether a Stock Appreciation Right shall be settled in cash, Shares or a combination of cash and Shares.

(c) Other Terms and Conditions. Subject to the terms of the Plan and any applicable Award Agreement, the Committee shall determine, at or after the grant of a Stock Appreciation Right, the term, methods of exercise, methods and form of settlement, and any other terms and conditions of any Stock Appreciation

Edgar Filing: DATA SYSTEMS & SOFTWARE INC - Form DEF 14A

Right. Any such determination by the Committee may be changed by the Committee from time to time and may govern the exercise of Stock Appreciation Rights granted or exercised prior to such determination as well as Stock Appreciation Rights granted or exercised thereafter. The Committee may impose such conditions or restrictions on the exercise of any Stock Appreciation Right as it shall deem appropriate.

SECTION 8. Restricted Stock and Restricted Stock Units.

(a) Grant. Subject to the provisions of the Plan, the Committee shall have sole and complete authority to determine the Participants to whom Shares of Restricted Stock and Restricted Stock Units shall be granted, the number of Shares of Restricted Stock and/or the number of Restricted Stock Units to be granted to each Participant, the duration of the period during which, and the conditions under which, the Restricted Stock and Restricted Stock Units may be forfeited to the Company, and the other terms and conditions of such Awards.

(b) Transfer Restrictions. Shares of Restricted Stock and Restricted Stock Units may not be sold, assigned, transferred, pledged or otherwise encumbered, except, in the case of Restricted Stock, as provided in the Plan or the applicable Award Agreements. Certificates issued in respect of Shares of Restricted Stock shall be registered in the name of the Participant and deposited by such Participant, together with a stock power endorsed in blank, with the Company. Upon the lapse of the restrictions applicable to such Shares of Restricted Stock, the Company shall deliver such certificates to the Participant or the Participant's legal representative.

(c) Payment. Each Restricted Stock Unit shall have a value equal to the Fair Market Value of a Share. Restricted Stock Units shall be paid in cash, Shares, other securities or other property, as determined in the sole discretion of the Committee, upon the lapse of the restrictions applicable thereto, or otherwise in accordance with the applicable Award Agreement. Dividends paid on any Shares of Restricted Stock may be paid directly to the Participant, or may be reinvested in additional Shares of Restricted Stock or in additional Restricted Stock Units, as determined by the Committee in its sole discretion.

SECTION 9. Performance Awards.

(a) Grant. The Committee shall have sole and complete authority to determine the Participants who shall receive a "Performance Award", which shall consist of a right which is (i) denominated in cash or Shares, (ii) valued, as determined by the Committee, in accordance with the achievement of such performance goals during such performance periods as the Committee shall establish, and (iii) payable at such time and in such form as the Committee shall determine.

(b) Terms and Conditions. Subject to the terms of the Plan and any applicable Award Agreement, the Committee shall determine the performance goals to be achieved during any performance period, the length of any performance period, the amount of any Performance Award and the amount and kind of any payment or transfer to be made pursuant to any Performance Award.

(c) Payment of Performance Awards. Performance Awards may be paid in a lump sum or in installments following the close of the performance period or, in accordance with procedures established by the Committee, on a deferred basis.

SECTION 10. Other Stock-Based Awards.

Edgar Filing: DATA SYSTEMS & SOFTWARE INC - Form DEF 14A

(a) General. The Committee shall have authority to grant to eligible Participants an "Other Stock-Based Award", which shall consist of any right which is (i) not an Award described in Sections 6 through 9 above and (ii) an Award of Shares or an Award denominated or payable in, valued in whole or in part by reference to, or otherwise based on or related to, Shares (including, without limitation, securities convertible into Shares), as deemed by the Committee to be consistent with the purposes of the Plan; provided that any such rights must comply, to the extent deemed desirable by the Committee, with Rule 16b-3 and applicable law. Subject to the terms of the Plan and any applicable Award Agreement, the Committee shall determine the terms and conditions of any such Other Stock-Based Award. Except in the case of an Other Stock-Based Award that is a Substitute Award, the price at which securities may be purchased pursuant to any Other Stock-Based Award granted under this Plan, or the provision, if any, of any such Award that is analogous to the purchase or exercise price, shall not be less than 85% of the Fair Market Value of the securities to which such Award relates on the date of grant.

(b) Dividend Equivalents. In the sole and complete discretion of the Committee, an Award, whether made as an Other Stock-Based Award under this Section 10 or as an Award granted pursuant to Sections 6 through 9 hereof, may provide the Participant with dividends or dividend equivalents, payable in cash, Shares, other securities or other property on a current or deferred basis.

SECTION 11. Amendment and Termination.

(a) Amendments to the Plan. The Board may amend, alter, suspend, discontinue, or terminate the Plan or any portion thereof at any time; provided that no such amendment, alteration, suspension, discontinuation or termination shall be made without stockholder approval if such approval is necessary to comply with any tax or regulatory requirement, including for these purposes any approval requirement which is a prerequisite for exemptive relief from Section 16(b) of the Exchange Act. Notwithstanding anything to the contrary herein, the Committee may amend the Plan in such manner as may be necessary so as to have the Plan conform with local rules and regulations in any jurisdiction outside the United States.

(b) Amendments to Awards. The Committee may waive any conditions or rights under, amend any terms of, or alter, suspend, discontinue, cancel or terminate, any Award theretofore granted, prospectively or retroactively; provided that any such waiver, amendment, alteration, suspension, discontinuance, cancellation or termination that would impair the rights of any Participant or any holder or beneficiary of any Award theretofore granted shall not to that extent be effective without the consent of the affected Participant, holder or beneficiary.

(c) Adjustment of Awards Upon the Occurrence of Certain Unusual or Nonrecurring Events. The Committee is hereby authorized to make adjustments in the terms and conditions of, and the criteria included in, Awards in recognition of unusual or nonrecurring events (including, without limitation, the events described in Section 4(b) hereof) affecting the Company, any Affiliate, or the financial statements of the Company or any Affiliate, or of changes in applicable laws, regulations, or accounting principles, whenever the Committee determines that such adjustments are appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan.

(d) Cancellation. Any provision of this Plan or any Award Agreement to the contrary notwithstanding, the Committee may cause any Award granted hereunder to be cancelled in consideration of a cash payment or alternative Award made to the holder of such cancelled Award equal in value to the Fair Market Value of such

Edgar Filing: DATA SYSTEMS & SOFTWARE INC - Form DEF 14A

cancelled Award.

SECTION 12. General Provisions.

(a) Transferability.

- (i) Except as is specifically provided for in any Award approved by the Committee or as otherwise specifically permitted by the Committee each Award and each right under any Award, shall be exercisable only by the Participant during the Participant's lifetime, or if permissible under applicable law, by the Participant's guardian or legal representative or by the transferee receiving such Award pursuant to a qualified domestic relations order ("QDRO"), as determined by the Committee.
- (ii) Except as specifically provided for in any Award approved by the Committee or otherwise specifically permitted by the Committee, except as may be no Award that constitutes a "derivative security", for purposes of Section 16 of the Exchange Act, may be assigned, alienated, pledged, attached, sold or otherwise transferred or encumbered by a Participant otherwise than by will or by the laws of descent and distribution or pursuant to a QDRO, and any such purported assignment, alienation, pledge, attachment, sale, transfer or encumbrance shall be void and unenforceable against the Company or any Affiliate; provided, however that the designation of a ----- beneficiary shall not constitute an assignment, alienation, pledge, attachment, sale, transfer or encumbrance.

(b) No Rights to Awards. No Participant shall have any claim to be granted any Award, and there is no obligation for uniformity of treatment of Participants, or holders or beneficiaries of Awards. The terms and conditions of Awards need not be the same with respect to each recipient.

(c) Share Certificates. All certificates for Shares or other securities of the Company or any Affiliate delivered under the Plan pursuant to any Award or the exercise thereof shall be subject to such stop transfer orders and other restrictions as the Committee may deem advisable under the Plan or the rules, regulations, and other requirements of the Securities and Exchange Commission, any stock exchange or automated quotation system upon which such Shares or other securities are then listed, and any applicable Federal or state laws, and the Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.

(d) Delegation. Subject to the terms of the Plan and applicable law, the Committee may delegate to one or more officers or managers of the Company or any Affiliate, or to a committee of such officers or managers, the authority, subject to such terms and limitations as the Committee shall determine, to grant Awards to, or to cancel, modify or waive rights with respect to, or to alter, discontinue, suspend, or terminate Awards held by Participants who are not officers or directors of the Company for purposes of Section 16 of the Exchange Act, or any successor section thereto, or who are otherwise not subject to such Section.

(e) Withholding. A participant may be required to pay to the Company or any Affiliate and the Company or any Affiliate shall have the right and is

Edgar Filing: DATA SYSTEMS & SOFTWARE INC - Form DEF 14A

hereby authorized to withhold from any Award, from any payment due or transfer made under any Award or under the Plan or from any compensation or other amount owing to a Participant the amount (in cash, Shares, other securities, other Awards or other property) of any applicable withholding taxes in respect of an Award, its exercise, or any payment or transfer under an Award or under the Plan and to take such other action as may be necessary in the opinion of the Company to satisfy all obligations for the payment of such taxes. The Committee may provide for additional cash payments to holders of Awards to defray or offset any tax arising from the grant, vesting, exercise or payments of any Award.

(f) Award Agreements. Each Award hereunder shall be evidenced by an Award Agreement which shall be delivered to the Participant and shall specify the terms and conditions of the Award and any rules applicable thereto, including but not limited to the effect on such Award of the death, retirement or other termination of employment of a Participant and the effect, if any, of a change in control of the Company.

(g) No Limit on Other Compensation Arrangements. Nothing contained in the Plan shall prevent the Company or any Affiliate from adopting or continuing in effect other compensation arrangements, which may, but need not, provide for the grant of options, restricted stock, Shares and other types of Awards provided for hereunder (subject to shareholder approval if such approval is required), and such arrangements may be either generally applicable or applicable only in specific cases.

(h) No Right to Employment. The grant of an Award shall not be construed as giving a Participant the right to be retained in the employ of the Company or any Affiliate. Further, the Company or an Affiliate may at any time dismiss a Participant from employment, free from any liability or any claim under the Plan, unless otherwise expressly provided in the Plan or in any Award Agreement.

(i) No Rights as Stockholder. Subject to the provisions of the applicable Award, no Participant or holder or beneficiary of any Award shall have any rights as a stockholder with respect to any Shares to be distributed under the Plan until he or she has become the holder of such Shares. Notwithstanding the foregoing, in connection with each grant of Restricted Stock hereunder, the applicable Award shall specify if and to what extent the Participant shall not be entitled to the rights of a stockholder in respect of such Restricted Stock.

(j) Governing Law. The validity, construction, and effect of the Plan and any rules and regulations relating to the Plan and any Award Agreement shall be determined in accordance with the laws of the State of New York.

(k) Severability. If any provision of the Plan or any Award is or becomes or is deemed to be invalid, illegal, or unenforceable in any jurisdiction or as to any Person or Award, or would disqualify the Plan or any Award under any law deemed applicable by the Committee, such provision shall be construed or deemed amended to conform the applicable laws, or if it cannot be construed or deemed amended without, in the determination of the Committee, materially altering the intent of the Plan or the Award, such provision shall be stricken as to such jurisdiction, Person or Award and the remainder of the Plan and any such Award shall remain in full force and effect.

(l) Other Laws. The Committee may refuse to issue or transfer any Shares or other consideration under an Award if, acting in its sole discretion, it determines that the issuance or transfer of such Shares or such other consideration might violate any applicable law or regulation or entitle the Company to recover the same under Section 16(b) of the Exchange Act, and any

Edgar Filing: DATA SYSTEMS & SOFTWARE INC - Form DEF 14A

payment tendered to the Company by a Participant, other holder or beneficiary in connection with the exercise of such Award shall be promptly refunded to the relevant Participant, holder or beneficiary. Without limiting the generality of the foregoing, no Award granted hereunder shall be construed as an offer to sell securities of the Company, and no such offer shall be outstanding, unless and until the Committee in its sole discretion has determined that any such offer, if made, would be in compliance with all applicable requirements of the U.S. federal securities laws.

(m) No Trust or Fund Created. Neither the Plan nor any Award shall create or be construed to create a trust or separate fund of any kind or a fiduciary relationship between the Company or any Affiliate and a Participant or any other Person. To the extent that any Person acquires a right to receive payments from the Company or any Affiliate pursuant to an Award, such right shall be no greater than the right of any unsecured general creditor of the Company or any Affiliate.

(n) No Fractional Shares. No fractional Shares shall be issued or delivered pursuant to the Plan or any Award, and the Committee shall determine whether cash, other securities, or other property shall be paid or transferred in lieu of any fractional Shares or whether such fractional Shares or any rights thereto shall be cancelled, terminated, or otherwise eliminated.

(o) Conformity to Securities Laws. It is the intent of the Company that the Plan shall comply in all respects with applicable provisions of Rule 16b-3 under the Exchange Act, so that any Award granted to a Participant or other transaction incident thereto by a Participant who is subject to the reporting requirements of Section 16(a) of the Exchange Act shall not result in short-swing profit liability under Section 16(b) (except for any transaction exempted under alternative Exchange Act rules or intended by such Participant to be a non-exempt transaction). Accordingly, if any provision of this Plan or any agreement relating to an Award does not comply with such requirements of Rule 16b-3 as then applicable to any such transaction so that the Participant would be subject to Section 16(b) liability, such provision shall be construed or deemed amended to the extent necessary to conform to such requirements, and the Participant shall be deemed to have consented to such construction or amendment.

(p) Headings. Headings are given to the Sections and subsections of the Plan solely as a convenience to facilitate reference. Such headings shall not be deemed in any way material or relevant to the construction or interpretation of the Plan or any provision thereof.

SECTION 13. Term of the Plan.

(a) Effective Date. The Plan shall be effective as of the date of its approval by the stockholders of the Company.

(b) Expiration Date. No Award shall be granted under the Plan after December 31, 2008; provided that the authority for grant of Restoration Options hereunder in accordance with Section 6(e) shall continue, subject to the provisions of Section 4, as long as any Option granted hereunder remains outstanding. Unless otherwise expressly provided in the Plan or in an applicable Award Agreement, any Award granted hereunder may, and the authority of the Board or the Committee to amend, alter, adjust, suspend, discontinue, or terminate any such Award or to waive any conditions or rights under any such Award shall, continue after December 31, 2008.

[As amended by the Board of Directors on August 8, 1995 and approved by the stockholders at the Annual Meeting on September 22, 1995 and as amended by the Board of Directors on May 17, 2001 and approved by the stockholders on June 21,

The aggregate number of Shares which may be issued under Options exercised under this Plan shall not exceed 870,225(1). 7. Terms and Conditions of Options. Options granted pursuant to the Plan shall be evidenced by written agreements in such form as the Board or the Committee shall from time to time determine, which agreements shall comply with and be subject to the following terms and conditions:

(a) DATE OF GRANT. Each Option shall specify its effective date (the "date of grant"), which shall be the date specified by the Board or Committee in its action relating to the grant of the Option, but which date shall not be earlier than the date of the determination by the Board or Committee to grant such Option.

(b) NUMBER OF SHARES. Each Option shall state the number of Shares to which it pertains and shall provide for the adjustment thereof in accordance with the provisions of Section 9 hereof.

(c) EXERCISE PRICE. Each Option shall state the Exercise Price, which price shall be determined by the Board or Committee; provided, however, that the Exercise Price (i) in the case of an Incentive Stock Option granted to an Employee who is not a Ten Percent Stockholder, shall not be less than the par value nor less than the Fair Market Value of the Shares to which the Option relates on the date of grant, and (ii) in the case of an Incentive Stock Option granted to an Employee who is a Ten Percent Stockholder, shall not be less than the par value nor less than 110% of the Fair Market Value of the Shares to which the Option relates on the date of grant. The Board or Committee may provide for payment for shares by the surrender of shares owned by the Optionee or by the surrender of the right to purchase shares under this Option or other rights to purchase shares. The Exercise Price of an Option shall be subject to adjustment in accordance with Section 9 hereof.

(1) As amended from original authorization of 500,000.

4

(d) EXERCISE OF OPTIONS AND MEDIUM AND TIME OF PAYMENT. To exercise an Option, the Optionee shall give written notice of exercise to DSSI, specifying the number of Shares to be purchased, together with either (i) full payment of the purchase price therefor in cash or by certified check payable to the order of DSSI or (ii) irrevocable instructions to a broker designated or approved by DSSI to sell shares of Common Stock issuable upon exercise of such Option and promptly deliver to DSSI a portion of the proceeds thereof equal to the exercise price and any applicable withholding taxes.

(e) TERM AND EXERCISE OF OPTIONS; NONTRANSFERABILITY OF OPTIONS. Subject to Section 10 hereof, Options may be exercised as determined by the Board or Committee and as stated in the written agreement evidencing the Option;

Edgar Filing: DATA SYSTEMS & SOFTWARE INC - Form DEF 14A

provided, however, that no Incentive Stock Option granted to an Employee who is not a Ten Percent Stockholder shall be exercisable after the expiration of ten (10) years from its date of grant, and no Incentive Stock Option granted to an Employee who is a Ten Percent Stockholder shall be exercisable after the expiration of five (5) years from its date of grant. In addition, the aggregate fair market value (determined at the time an Incentive Stock Option is granted) of Shares with respect to which Incentive Stock Options are exercisable for the first time by the same Optionee during any calendar year (under this Plan and all other plans maintained by the Company) shall not exceed \$100,000. During the lifetime of the Optionee, the Option shall be exercisable only by the Optionee and shall not be assignable or transferable, other than pursuant to a qualified domestic relations order. In the event of the Optionee's death, no Option shall be transferable by the Optionee otherwise than by will or by the laws of descent and distribution.

5

(f) TERMINATION OF EMPLOYMENT. Subject to the further provisions of this Subsection (f), in the event that an Optionee shall cease to be employed by the Company, other than a termination of the Optionee's employment by the Company for cause, such Optionee (or the heirs or legatees of such Optionee, if applicable) shall have the right, subject to the restrictions of Subsection (e) hereof, to exercise the Option at any time within three (3) months after such termination of employment (twelve (12) months if the termination was due to the death or Disability of the Optionee or, in the case of a Nonstatutory Stock Option, retirement) to the extent that, on the day preceding the date of termination of employment, the Optionee's right to exercise such Option had accrued pursuant to the terms of the option agreement pursuant to which such Option was granted, and had not previously been exercised or expired.

For this purpose, the employment relationship will be treated as continuing intact while the Optionee is on military leave, sick leave or other bona fide leave of absence (to be determined in the sole discretion of the Board or the Committee and, in the case of an Optionee who has received an Incentive Stock Option, only to the extent permitted under Section 422A of the Code and the regulations promulgated thereunder). Moreover, in the case of an Optionee who has been granted an Incentive Stock Option, employment shall, in no event, be deemed to continue beyond the ninetieth (90th) day after the Optionee ceased active employment, unless the Optionee's reemployment rights are guaranteed by statute or by contract.

Any Optionee's right to exercise any portion of any Option granted under this Plan after termination of the Optionee's employment with the Company shall be subject to the satisfaction of the conditions precedent that such Optionee not (i) accept any other employment or render any services to others without DSSI's written consent or (ii) take any action adversely affecting the Company.

6

(g) RIGHTS AS A STOCKHOLDER. An Optionee or a transferee of a deceased Optionee shall have no rights as a stockholder with respect to any Shares covered by his or her Option until the date of the issuance of a stock certificate for such Shares. No adjustment shall be made for dividends (ordinary or extraordinary, whether in cash, securities or other property) or distributions or other rights for which the record date is prior to the date such stock certificate is issued, except as provided in Section 9.

(h) MODIFICATION, EXTENSION AND RENEWAL OF OPTIONS. Subject to the terms and conditions and within the limitations of the Plan, the Board or Committee may modify, extend or renew outstanding Options granted under the Plan, or accept the cancellation of outstanding Options (to the extent not theretofore exercised) for the granting of new Options in substitution therefor. Notwithstanding the foregoing, however, no modification of an Option shall, without the consent of the Optionee, alter or impair the rights or obligations under any Option theretofore granted under the Plan. Moreover, in the case of any modification, extension or renewal of an Incentive Stock Option, all of the requirements set forth herein shall apply in the same manner as though a new Incentive Stock Option had been granted to the Optionee on the date of such modification, extension or renewal, but only if such modification, extension or renewal is treated, under Section 425(h) of the Code, as the granting of a new option.

(i) IDENTIFICATION OF OPTION. Each Option granted under the Plan shall clearly identify its status as an Incentive Stock Option or Nonstatutory Stock Option.

(j) OTHER PROVISIONS. The option agreements authorized under the Plan shall contain, in addition to those provisions provided in Section 7(e) hereof, such other provisions not inconsistent with the terms of the Plan, including, without limitation, restrictions upon the exercise of any Option, and restrictions upon the transfer of Shares received upon exercise of Options, as the Board or Committee shall deem advisable.

7

8. Term of Plan. Options may be granted pursuant to the Plan until April 18, 2005, which is ten years from the effective date of the Plan; provided, however, that upon and subject to the approval of an amendment to the Plan by the stockholders of DSSI at the annual meeting held on December 16, 2004, options may be granted pursuant to the Plan until December 31, 2008.

9. Recapitalization. Subject to any required action by the stockholders of DSSI and the last sentence of Subsection 7(h) hereof, the number of Shares covered by this Plan as provided in Section 6, the number of Shares covered by each outstanding Option, and the Exercise Price thereof shall be proportionately adjusted for any increase or decrease in the number of issued Shares resulting from a subdivision or consolidation of Shares, stock split or the payment of a stock dividend.

Subject to any required action by the stockholders of DSSI and the last sentence of Subsection 7(h) hereof, if DSSI shall be the surviving corporation in any merger or consolidation, each outstanding Option shall pertain and apply to the securities to which a holder of the number of Shares subject to the Option would have been entitled. A dissolution or liquidation of DSSI or a merger or consolidation in which DSSI is not the surviving corporation shall cause each outstanding Option to terminate, unless the agreement of merger or consolidation shall otherwise provide, provided that each Optionee shall, in such event, have the right immediately prior to such dissolution or liquidation, or merger or consolidation in which DSSI is not the surviving corporation to exercise the Option in whole or in part, subject to limitations on exercisability of Options under Section 7 hereof to the extent the Option is exercisable without regard to this sentence at the date of such dissolution, liquidation, merger or consolidation.

In the event of a change in the Common Stock as presently constituted, which is limited to a change of all of its authorized shares with par value into the same number of shares with a different par value or without par value, the

Edgar Filing: DATA SYSTEMS & SOFTWARE INC - Form DEF 14A

shares resulting from any such change shall be deemed to be Shares of Common Stock within the meaning of the Plan.

8

To the extent that the foregoing adjustments relate to stock or securities of DSSI, such adjustments shall be made by the Board or Committee, whose determination in that respect shall be final, binding and conclusive.

Except as hereinabove expressly provided in this Section 9, the Optionee shall have no rights by reason of any subdivision or consolidation of shares of stock of any class, stock split, or the payment of any stock dividend or any other increase or decrease in the number of shares of stock of any class or by reason of any dissolution, liquidation, merger or consolidation or spin-off of assets or stock of another corporation, and any issue by the Company of shares of stock of any class or securities convertible into shares of stock of any class, shall not affect, and no adjustment by reason thereof shall be made with respect to, the number or price of Shares subject to the Option.

The grant of an Option pursuant to the Plan shall not affect in any way the right or power of DSSI to make adjustments, reclassifications, reorganizations or changes of its capital or business structure or to merge or consolidate or to dissolve, liquidate, sell or transfer all or any part of its business or assets.

10. Securities Law Requirements. No Shares shall be issued upon the exercise of any Option unless and until DSSI has determined that: (i) it and the Optionee have taken all actions required to register the Shares under the Securities Act of 1933 or perfect an exemption from the registration requirements thereof (including the furnishing by the Optionee of an appropriate investment letter); (ii) any applicable listing requirement of any stock exchange on which the Common Stock is listed has been satisfied; and (iii) any other applicable provision of state or federal law has been satisfied.

9

11. Application of Funds. The proceeds received by DSSI from the sale of Common Stock pursuant to the exercise of an Option will be used for general corporate purposes.

12. No Obligation to Exercise Option. The granting of an Option shall impose no obligation upon the Optionee to exercise such Option.

13. Withholding.

(a) NONSTATUTORY OPTIONS. Whenever Shares are to be delivered upon exercise of a Nonstatutory Option, DSSI shall be entitled to require as a condition of delivery that the Optionee remit to DSSI an amount sufficient to satisfy DSSI's federal, state and local withholding tax obligations with respect to the exercise of the Option.

(b) INCENTIVE STOCK OPTIONS. The acceptance of Shares upon exercise of an Incentive Stock Option shall constitute an agreement by the Optionee (unless and until DSSI shall notify the Optionee that it is relieved, in whole or in part, of its obligations under this Section 13(b)) (i) to notify DSSI if any or all of such Shares are disposed of by the Optionee within two years from the date the Option was granted or within one year from the date the Shares were transferred to the Optionee pursuant to his exercise of the Option, and (ii) to
