## Edgar Filing: DATA SYSTEMS & SOFTWARE INC - Form 8-K

Morgenstern was to serve as a consultant to the Registrant on a part-time basis for a period of seven years, which period began on January 1, 2004 and was to end on December 31, 2010. At the request of the Board, Mr. Morgenstern has continued to serve as on a substantially full-time basis as Chairman, President and CEO of the Registrant.

In recognition of that continued service, and to provide additional incentive for such continued service at the pleasure of the Board, the Board of Directors agreed to extend the consulting period by one year. Under the Employment Agreement as so amended, Mr. Morgenstern would continue to serve as a consultant until the end of 2011, and would receive a consulting fee (plus certain other benefits) through the end of 2008 at a rate equal to 50% of that which he received during 2003 (his last year of employment) and at 25% of such base rate for the last three years of the consulting period. The Board also approved the grant to Mr. Morgenstern of options to purchase 180,000 shares of the Registrant's Common Stock at an exercise price of \$0.91 per share, vesting over the next 18 months, provided Mr. Morgenstern continues to serve as CEO at the pleasure of the Board. The options will become immediately exercisable upon an involuntary termination of Mr. Morgenstern as CEO or a change in control of the Registrant.

2. On December 30, 2004, the Registrant's Board of Directors approved the grant of options to Yacov Kaufman, the Registrant's Vice President and CFO, to purchase 75,000 shares of the Registrant's Common Stock at an exercise price of \$0.91 per share, vesting over the next two years. The options will become immediately exercisable upon an involuntary termination of Mr. Kaufman or a change in control of the Registrant.

3. On December 30, 2004, the Registrant's Board of Directors approved the grant of options to Sheldon Krause, the Registrant's Secretary and General Counsel, to purchase 10,000 shares of the Registrant's Common Stock, at an exercise price of \$0.91 per share, vesting over the next 30 months. The options will become immediately exercisable upon an involuntary termination of Mr. Krause or a change in control of the Registrant.

All the option grants were made pursuant to the Registrant's 1994 Stock Incentive Plan.
