### INTRODUCTION

This information statement pursuant to Section 14(f) of the Securities Exchange Act of 1934, as amended is being circulated to the shareholders of MarketShare Recovery, Inc., in connection with the proposed merger ("Merger") of MarketShare Merger Sub, a wholly owned subsidiary of the Company ("Merger Sub") with bioMetrX, Technologies, Inc., a Delaware corporation ("bioMetrX") pursuant to that Agreement and Plan of Merger by and among the Company, Merger Sub and bioMetrX (the "Merger Agreement"). We are a reporting company pursuant to the Exchange Act of 1934 dated April 27, 2005, as amended.

### THE TRANSACTIONS

We authorized the issuance of 14,000,000 shares of our Common Stock to the holders of bioMetrX common stock on May 26, 2005. Subject to the fulfillment or waiver of the conditions set forth in the Merger Agreement, we will issue at this closing (the "Effective Date") 14,000,000 shares of Common Stock to the bioMetrX holders, each holder of warrants or options to acquire shares of bioMetrX, of which there are approximately 402,500 outstanding, will receive corresponding instruments in MarketShare being substantially the same rights, preferences and privileges as the original instrument represents. As a result of the Merger, bioMetrX will be merged into Merger Sub and became our wholly owned subsidiary as survivor of the Merger.

Simultaneously with the Merger Mr. Timothy Schmidt, a former officer and director of the Company and Mr. Raymond Barton (whose resignation as an officer and director will be effective upon MarketShare's compliance with Rule 14f-1 and the seating of the nominees) surrendered an aggregate of 2,208,521 shares of MarketShare's Common Stock, such shares to be cancelled and returned to the status of authorized and unissued shares ("Cancelled Shares"). Additionally, 300,000 shares of MarketShare's Common Stock will be deposited into escrow to satisfy a portion of MarketShare's outstanding indebtedness.

As a result of the foregoing, the 14,000,000 shares and 402,500 warrants and options to be issued will represent (assuming the exercise of the warrant and options) as part of the Merger approximately 90% of our total outstanding Common Stock.

### CHANGES IN MAJORITY OF DIRECTORS

1991.

Prior to the Merger, MarketShare only had two directors, each of whom were executive officers and therefore not independent. Since MarketShare's securities are not traded on a national securities exchange or Nasdaq, and had limited operations, no employees and no salary, its two directors determined that they would neither form committees nor recruit independent directors. Accordingly the entire board consisting of Mr. Raymond Barton and Mr. Timothy Schmidt performed the functions customarily assigned to audit and nominating committees. The entire board considered the terms of the merger transaction as well as the qualifications of the nominees of bioMetrX. New management is considering organizing an audit committee, compensation committee and nominating and adopting written charters for each committee which will include standards for director independence consistent with MarketShare's ability to attract independent directors and the listing requirements applicable to the company's securities, if any.

During the fiscal year ended December 31, 2004, MarketShare's board did not have any formal meetings. All corporate action required to be approved by the board was documented by written consent.

### SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Based solely on our review of these reports or written representations from certain reporting persons, the Company believes that during the fiscal year ended June 30, 2003, and during the current fiscal year, all filing requirements applicable to the Company's officers, directors, greater-than-ten-percent beneficial owners and other persons subject to Section 16(a) of the Exchange Act were met.

### CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

On June 13, 2003 the Company, formerly known as Health & Leisure entered into an Acquisition Agreement and Plan of Merger (the "Merger Agreement"), with MarketShare Recovery, Inc., a New York corporation. In connection with said merger, a Promissory Note was delivered to H & L Concepts, Inc. ("H & L") by MarketShare Recovery, the New York corporation. H & L was previously a subsidiary of the registrant but at the time of the making of the Note, to the best of our knowledge, was solely owned by Mr. Robert Feldman, the Company's former president, CEO, chairman. The Promissory Note constituted partial payment for a controlling interest in the Company, previously owned by Mr. Feldman, Mr. Ray Barton and Mr. Tim Schmidt, the Company's current executive officers and directors have since purchased the Promissory Note from H & L for the full value of the Note, in accordance with the terms of the Note. The Company and Messrs. Barton and Schmidt have since ratified the non-material parts of the Note to reflect their ownership and addresses. A release agreement was signed between the Company and the holders in March 2005, which was retroactively effective to December 31, 2004. According to the agreement, the holders released the Company from further obligation under this loan, including principle balance of \$5,985, accrued interest of \$17,439, and legal fees of \$12,300. As a result, at December 31, 2004, the amount due to holders was \$0.
