ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS

This report contains forward looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended and Section 21E of the Securities Exchange Act of 1934, as amended. The Company's actual results could differ materially from those set forth in the forward looking statements as a result of the risks set forth in the Company's filings with the Securities and Exchange Commission, general economic conditions, and changes in the assumptions used in making such forward looking statements.

GENERAL

Micro Bio-Medical Waste Systems, Inc., formerly known as the Company Networks, Inc. (the "Company") was incorporated on August 31, 1995 as "Visioneering Corporation" under the laws of the State of Nevada, to engage in any lawful corporate undertaking, including, but not limited to, selected mergers and acquisitions. The Company has changed its name several times. None of the proposed business activities for which the Company's name was changed produced any revenues or created any appreciable business activities for the Company.

In December, 2003, the Company entered into an Agreement with its majority

Edgar Filing: 20/20 NETWORKS INC - Form 10QSB

shareholder, Crown Partners, Inc. ("Crown") to acquire Crown's wholly owned subsidiary, Sanitec Services of Hawaii, Inc. The Company is obligated to pay Crown the sum of \$550,000 and issue five percent of its common stock to Crown. The \$550,000 was due within 60 days of the agreement but the Company has been unable to pay the sum owing, so that the transaction with Crown has not been closed. As part of the transaction with Crown, the Company changed its name to "Micro Bio-Medical Waste Systems, Inc." and approved a twenty-for-one forward stock split which was implemented in January, 2004. The Company does not know when or if it will be able to complete this transaction.

Once the Company is able to pay Crown the money it owes it, the Company will assume management and control of Crown's Hawaiian operations. The Company anticipates engaging in the medical waste disposal business and other related business ventures.
