ITEM 1.01 Entry into a Material Definitive Agreement.

On April 10, 2006, Positron Corporation (the "Company") sold in a private placement 148,482 units. Each Unit consists of one share of a new series of preferred stock designated Series G Preferred Stock and a warrant exercisable for 50 shares of common stock (the "Units"). The purchase price was \$5.50 per Unit, with \$5.00 of the Unit purchase price allocated to the purchase of the share of Series G Preferred Stock and \$0.50 allocated to the purchase of the warrant, for a total offering amount of \$816,650.

Each share of Series G Preferred Stock is convertible into 100 shares of common stock. Eight percent dividends accrue on the Series G Preferred Stock and may be paid in cash or in Common Stock in the Company's discretion. The Series G Preferred Stock is senior to the Registrant's common stock and junior in priority to the Registrant's Series A, C, D, E and F Preferred Stock in liquidation. Except as required by law and in the case of various actions affecting the rights of the Series G Preferred Stock, holders of the Series G Preferred Stock are not entitled to vote on matters requiring shareholder vote. While the Series G Preferred Stock is outstanding or any dividends thereon remain unpaid, no common stock dividends may be paid or declared by the Registrant. The Series G Preferred Stock may be redeemed in whole or in part, at the option of the Registrant, at any time at a price of \$5.00 per share plus any undeclared and/or unpaid dividends to the date of redemption.

The warrants issued to investors have an exercise price of \$0.10 per share and expire 2 years from the date of issuance. Should the Company's common stock trade at \$0.20 or greater per share for 20 consecutive trading days, on the basis of closing prices of the common stock, the Company may, at its option upon 30 days' prior written notice, redeem the warrants for a purchase price of \$0.001 per share.

Full convertibility of the Series G Preferred shares and warrants into common stock will require an amendment to the Company's Articles of Incorporation which must be approved by the Company's shareholders. Positron has agreed to promptly seek such approval at its next annual meeting of shareholders scheduled for May 18, 2006.

Purchasers of the Units received customary "piggy-back" registration rights covering the Series G Preferred Stock and the common stock issuable upon conversion of the Series G Preferred Stock and upon exercise of the warrants.
