### **ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT**

On May 25, 2006, Gran Tierra Energy Inc. (“Gran Tierra” or the “Company”) entered into a Securities Purchase Agreement (the “Agreement”), dated as of May 25, 2006, with Crosby Capital, LLC (“Crosby”) to acquire all of the limited partnership interests of Argosy Energy International (“Argosy”) and all of the issued and outstanding capital stock of Argosy Energy Corp. (“AEC”), a Delaware corporation and the general partner of Argosy. Argosy, a Utah limited partnership, holds a diverse portfolio of producing properties, drill-ready prospects and exploration acreage in Colombia.

Argosy’s oil production averaged approximately 987 barrels per day (after royalty) during the fourth quarter of 2005. Argosy’s remaining proven reserves at December 31, 2005 are estimated at 2.34 million barrels, with probable reserves of 1.50 million barrels (all net after royalty). Royalty rates are 20% and 8% for Argosy’s producing properties. Argosy’s net land position is approximately 153,000 acres. The material terms of Gran Tierra’s acquisition of Argosy were first disclosed in a Current Report on Form 8-K filed with the Securities and Exchange Commission on April 7, 2006.

The consideration to be paid by Gran Tierra for the limited partnership interests of Argosy and the capital stock of AEC includes a \$37.5 million cash payment, the issuance to Crosby of \$3.5 million of Gran Tierra’s common stock and participation rights (including overriding royalty interests and net profit interests) in Argosy’s assets valued at \$1 million. Closing of the transaction is scheduled to occur as soon as practicable, but in no event later than July 21, 2006. If the Agreement terminates prior to closing, Gran Tierra is obligated to pay a break-up fee of \$3.5 million, payable in either cash or in shares of Gran Tierra’s common stock. For each day after June 30, 2006 that the transaction has not closed, the break-up fee will increase by \$25,000 per day, payable only in cash.

The Agreement contains standard representations and warranties, as well as pre-closing and post-closing covenants of the parties. The closing of the transaction is subject to customary conditions to closing, as well as Gran Tierra’s ability to close, contemporaneously with or prior to the closing, financing with net proceeds of no less than \$41 million.

The text of the Agreement is filed as Exhibit 10.18 to this Current Report on Form 8-K and is incorporated herein by reference.

### **ITEM 5.03. AMENDMENT TO ARTICLES OF INCORPORATION.**

On June 1, 2006, Gran Tierra filed a Certificate of Amendment (the “Amendment”) to its Articles of Incorporation with the Secretary of State of the State of Nevada increasing its authorized capital stock from 80,000,001 shares to 325,000,001 shares, including: 300,000,000 shares of common stock, par value \$0.001, 25,000,000 shares of preferred stock, par value \$0.001, and 1 share, par value of \$0.001, to be designated as Special Voting Stock.

The Amendment was approved unanimously by Gran Tierra’s Board of Directors and submitted to stockholders for approval. The Amendment was consented to and approved by the written consent, in lieu of a meeting, of the holders of a majority of Gran Tierra’s issued and outstanding shares eligible to vote.
