Item 8.01. Other Events

Cal-Maine Foods, Inc. (the “Company”) entered into a Loan Agreement, dated as of April 30, 2007, with Metropolitan Life Insurance Company (“Lender”) (the “Loan Agreement”), pursuant to which the Company has issued a Secured Promissory Note due April 1, 2017, to the Lender in the principal amount of \$20 million (the “Note”). Of the Note proceeds, approximately \$8.6 million has been used to pay the balance of an existing loan with the Lender, and approximately \$10.5 million will be used to purchase leased assets used by the Company’s recently acquired subsidiary, Green Forest Foods, Inc. (“Green Forest”). Green Forest is engaged in the production, processing and marketing of shell eggs, and pullet growing for replacements of its laying hens. The Green Forest acquisition was reported in the Company’s Form 10-Q report for the fiscal quarter ended March 3, 2007.

The Loan Agreement is secured by certain properties of the Company that previously secured the loan balance paid with part of the proceeds of the Loan Agreement. The Note bears interest at the rate of 6% per annum and contains various terms and conditions customarily found in such agreements.

The Company hereby agrees to furnish a copy of the Loan Agreement to the Commission upon request. The total amount of the indebtedness under the Loan Agreement represents significantly less than 10% of the Company’s total consolidated assets.
