PROXY STATEMENT

INFORMATION CONCERNING SOLICITATION AND VOTING

General

This proxy statement and form of proxy are furnished in connection with the solicitation of proxies by the Board of Directors of Precision Optics Corporation, Inc., a Massachusetts corporation (the "Company"), for the 2007 Annual Meeting of Stockholders of the Company to be held on November 27, 2007, at 10:00 a.m. at the offices of Ropes & Gray LLP, One International Place, Boston, Massachusetts, and any adjournments thereof, for the purposes set forth in the notice of meeting. The Company was incorporated in 1982, and its principal executive offices are at 22 East Broadway, Gardner, Massachusetts 01440 (telephone 978-630-1800). This proxy statement and form of proxy are first being distributed to stockholders on or about November 2, 2007.

Stockholders Entitled to Vote

As of September 15, 2007, the Company had outstanding 25,458,212 shares of common stock, \$0.01 par value per share (the "Common Stock"). Each share of Common Stock entitles the holder of record thereof at the close of business on October 12, 2007 to one vote, in person or by proxy, on the matters to be voted upon at the meeting.

Voting Procedures

Consistent with Massachusetts law and the Company's by-laws, the holders of a majority of the shares entitled to be cast on a particular matter, present in person or represented by proxy, constitutes a quorum as to such matter. Votes cast by proxy or in person at the annual meeting will be counted by persons appointed by the Company to act as election inspectors for the meeting.

If the enclosed form of proxy is properly signed and returned and not revoked, the shares represented thereby will be voted at the annual meeting. If the stockholder specifies in the proxy how the shares are to be voted, they will be voted as specified. If the stockholder does not specify how the shares are to be voted, such shares will be voted in favor of Proposal 1 below and for the election of the nominees for director.

Any stockholder has the right to revoke his or her proxy at any time before it is voted by: (1) attending the meeting and voting in person, (2) by filing with the Clerk of the Company a written instrument revoking the proxy or (3) delivering to the Clerk another newly executed proxy bearing a later date.

Required Vote

The approval of the amendment to the Articles of Organization, as amended, to increase the number of shares outstanding as described in Proposal 1 requires the affirmative vote of a majority of all shares outstanding.

The election of the Class II directors described in Proposal 2 requires a plurality of votes cast.

Abstentions and broker “non-votes” are counted as present and entitled to vote for purposes of determining a quorum, but will not be counted as votes properly cast for purposes of determining the outcome of voting on any matter. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power for the particular item and has not received instructions from the beneficial owner.

1

Voting on Other Matters

At the date hereof, the Company's management has no knowledge of any business other than that described in the notice for the annual meeting which will be presented for consideration at such meeting. If any other business should come before such meeting, the persons appointed by the enclosed form of proxy may, in their discretion, vote all such proxies in accordance with their own judgment. The persons appointed by the enclosed form of proxy also may, in their discretion, vote all proxies with respect to matters incident to the conduct of the meeting.

Costs of Proxy Solicitation

The Company will bear all the costs of the solicitation of proxies. The Board of Directors (the "Board") may arrange with brokerage houses and other custodians, nominees, and fiduciaries to forward solicitation materials to the beneficial owners of the stock held of record by such persons, and the Company may reimburse them for the reasonable out-of-pocket expenses incurred in so doing. In addition to the solicitation of proxies by use of the mail, the Company may use the services of some of its directors, officers, and regular employees (who will receive no compensation therefrom in addition to their regular salaries) to solicit proxies personally or by mail or telephone.

PROPOSAL 1: APPROVAL OF THE AUTHORIZED SHARES AMENDMENT

TO APPROVE AN AMENDMENT TO THE COMPANY'S ARTICLES OF ORGANIZATION, AS AMENDED TO DATE, AS SET FORTH IN EXHIBIT I, TO EFFECT AN AMENDMENT TO THE COMPANY'S ARTICLES OF ORGANIZATION, AS AMENDED, TO INCREASE THE NUMBER OF SHARES OF COMMON STOCK THAT THE COMPANY IS AUTHORIZED TO ISSUE FROM 50,000,000 TO 60,000,000, TO BE IMPLEMENTED AT THE DISCRETION OF THE COMPANY'S BOARD OF DIRECTORS AT ANY TIME PRIOR TO THE COMPANY'S NEXT ANNUAL MEETING IN 2008, WITHOUT FURTHER APPROVAL OR AUTHORIZATION OF THE COMPANY'S SHAREHOLDERS.

Purpose of the Increase in Authorized Shares

The Board of Directors has approved and is hereby soliciting stockholder approval of an amendment to the Company's Articles of Organization, as amended, to increase the number of shares of Common Stock that the Company is authorized to issue from 50,000,000 to 60,000,000. On September 15, 2007, the Company had 25,458,212 shares of Common Stock outstanding and 15,990,021 shares of Common Stock reserved for specific purposes, including issuance upon exercise of outstanding warrants and outstanding stock options or for future awards under its equity incentive arrangements. The Board of Directors believes that it is desirable to have available an additional number of authorized but unissued shares of Common Stock, which may be issued from time to time without further action by the stockholders, to provide for stock splits or stock dividends, stock options and other equity incentives, to be able to take advantage of acquisition opportunities, to meet future capital needs and for other general corporate purposes.

The form of the proposed amendment is attached hereto as Annex I. Subject to favorable stockholder action, the proposed amendment would become effective upon the filing of Articles of Amendment with the Secretary of State of The Commonwealth of Massachusetts. Upon filing of such amendment, all stockholders of the Company would be bound by the amendment, whether or not they voted for it. If the Proposal is approved by the stockholders, the amendment will be effected only upon a determination by the Board of Directors that the filing of such amendment is in the best interest of the Company and its stockholders at that time. Even if the increase in the authorized shares is approved by the stockholders of the Company, the Board of Directors may, in its sole discretion, determine not to effect the amendment or to delay such action.

Risks Associated with the Increase in Authorized Shares

The issuance of additional authorized shares of Common Stock may dilute the voting power and equity interests of present stockholders. Prior to the Authorized Shares Amendment, if all of the existing authorized shares were issued, current shares outstanding would be approximately 51% of the total outstanding shares. If the Authorized Shares Amendment is approved and all of the then authorized shares were issued, current shares outstanding would be approximately 42% of the total outstanding shares. It is not possible to predict in advance whether the issuance of additional shares will have a dilutive effect on earnings per share as it depends on the specific events associated with a particular transaction. Shares of authorized but unissued Common Stock may be issued from time to time by the Board of Directors without further stockholder action unless such action is required by Massachusetts law, under which the Company is incorporated, or the Company's Articles of Organization.

Recommendation of the Board of Directors

The Board of Directors recommends a vote FOR the proposal to amend the company's Articles of Organization, as amended to date, as set forth in Annex I to increase in the authorized shares of the Company's Common Stock, to be implemented at the discretion of the Company's Board of Directors at any time prior to the Company's next annual meeting in 2008. The affirmative vote of the holders of a majority of all outstanding shares of our Common Stock as of the record date is required to approve the amendment.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR PROPOSAL 1.

3

PROPOSAL NUMBER 2. ELECTION OF DIRECTORS

The Company's Board of Directors is divided into three classes that are as nearly equal in number as possible, with staggered terms of office. Only one class is elected each year. Each director serves a three year term and until his or her successor has been duly elected and qualified. The Board of Directors has fixed the number of directors at six. The Company's Class II directors (Joel R. Pitlor and Donald A. Major) will hold office until the annual meeting of stockholders in 2007 and are standing for re-election. The directors in Class III (Richard Miles and Joseph N. Forkey) will hold office until the annual meeting of stockholders in 2008 and until their respective successors have been duly elected and qualified. The director in Class I (Richard E. Forkey) will hold office until the annual meeting of stockholders in 2009 and until his successor has been duly elected and qualified.

The names, ages, principal occupations for at least the last five years, and certain other information regarding the current directors, are as follows:

Richard E. Forkey (1)	67	1982	President, Chief Executive Officer, Treasurer and a director of the Company since founding the Company in 1982; Clerk of the Company from May 1983 to June 1990.

Prior to joining the Company, Dr. Forkey spent seven years at the University of Pennsylvania Medical School as a postdoctoral fellow and research staff member.
Joel R. Pitlor	69	1990	Since 1979, Mr. Pitlor has been President of J.R. Pitlor, a management consulting firm that provides strategic business planning, which Mr. Pitlor founded. Mr. Pitlor has provided business planning consultation to the Company since 1983.

(1) Directors whose terms do not expire this year.

4

All of the stockholders holding shares of the Company's Common Stock are entitled to cast one vote in person or by proxy for each share standing in their names and are entitled to elect two Class II directors at the 2007 Annual Meeting. If a nominee is not available as a candidate when the election occurs, the persons named in the proxy may, in their discretion, vote for the election of such other person as the Board of Directors may designate or reduce the number of directors correspondingly. The Company has no reason to believe the nominees will not be available for election.

Board of Directors

During the fiscal year ended June 30, 2007, the Company's Board of Directors held six meetings and acted by unanimous written consent on one occasion. Each director attended at least 75% of the meetings of the Board of Directors.

While the Company has no formal policy in place regarding board members' attendance at annual meetings of stockholders, the Company encourages their attendance at such annual meetings. There were two members of the Board of Directors in attendance at the Company's 2006 Annual Meeting of Stockholders.

Information as to ownership of the Company's securities by the nominee for director is included under the heading "Security Ownership of Certain Beneficial Owners and Management."

While the Board does not have a standing nominating committee, it does have a standing Audit Committee and a standing Compensation Committee.

Audit Committee

The Audit Committee of the Board of Directors is currently composed of Messrs. Major and Miles. The Audit Committee's primary function is to assist the Board of Directors in monitoring the integrity of the Company's financial statements, systems of internal control and the independence and performance of the independent registered public accounting firm. The Audit Committee's specifically enumerated powers and responsibilities include hiring and terminating the independent registered public accounting firm and pre-approving any engagements of the independent registered public accounting firm for non-audit services. The Audit Committee held four meetings during the fiscal year ended June 30, 2007. Each of the Audit Committee members attended 100% of the meetings of the Audit Committee in the last year.

The Board of Directors has made a determination that Donald A. Major, Chair of the Audit Committee, qualifies as an audit committee financial expert meeting the criteria set forth in Item 407(d)(5) of Regulation S-B.

Compensation Committee

The Board constituted a compensation committee in April 2006. The Compensation Committee of the Board of Directors is currently composed of Messrs. Major and Miles, with Mr. Major serving as chair of the committee. The Compensation Committee does not have a charter. The Compensation Committee's primary functions are to provide a general review of the Company's compensation and benefit arrangements and to review and establish compensation practices and policies for the officers of the Company. The Compensation Committee did not meet in separate session during the fiscal year ended June 30, 2007.

Director Nomination Procedures

The Company believes that it is appropriate not to have a standing nominating committee because of the small size of the Board of Directors. The Board of Directors as a whole identifies and evaluates nominees for election to the Board

of Directors. By having the Board of Directors as a whole consider and evaluate nominees, the Board of Directors weighs the input of all directors.

5

The process by which the Board of Directors considers nominees for membership on the Board of Directors is flexible and based, generally, on the directors' assessment of the needs of the Company and the extent to which existing directors meet those needs. Factors considered by the Board of Directors in evaluating the suitability of a potential nominee may include, but not be limited to: business and management experience, familiarity with the Company's industry and products, the ability to integrate with existing directors and management and the extent to which a potential nominee may satisfy applicable requirements such as independence or expertise requirements under the securities laws.

The Board of Directors will consider director nominees recommended by stockholders. Such recommendations should include the name, age, address, telephone number, principal occupation, background and qualifications of the nominee and the name, address, and telephone number of and number of shares of Common Stock beneficially owned by the stockholder making the recommendation and should be sent to the Clerk of the Company at 22 East Broadway, Gardner, Massachusetts 01440. Such recommendations should be submitted to the Clerk of the Company prior to June 15 of the respective year in order to give the Company adequate time in order to consider the recommendations.

Audit Committee Pre-Approval Policies

The Audit Committee has established pre-approval policies and procedures that would prohibit engagement of accountants to render audit or non-audit services without prior approval of the Audit Committee. As a result, all engagements of the independent auditors to render any services, whether they would be deemed audit or non-audit services, require pre-approval of the Audit Committee. No audit, review or attest services were approved in accordance with Section 2-01(c)(7)(i)(C) of Regulation S-X during the fiscal year ended June 30, 2007.

AUDIT COMMITTEE REPORT

The Audit Committee is composed of Messrs. Major and Miles, each of whom is “independent” as defined in Rule 4200(a)(15) of the National Association of Securities Dealers’ listing standards. The Board of Directors has adopted a written charter for the Audit Committee, which was filed with the Company’s proxy statement on Schedule 14A for the 2006 Annual Meeting of Stockholders.

The Audit Committee has submitted the following report:

The Audit Committee has reviewed and discussed with management the audited consolidated financial statements for the fiscal year ended June 30, 2007, and has discussed with the Company’s independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (SAS 61). SAS 61 requires independent auditors to communicate to the Audit Committee various matters, including, if applicable: (1) methods used to account for certain unusual transactions; (2) the effect of certain accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus; (3) the process used by management in formulating certain accounting estimates and the basis for the auditor’s conclusions regarding the reasonableness of those estimates and (4) disagreements with management over the application of accounting principles and certain other matters. The Audit Committee has received the written disclosures and the letter from the Company’s independent accountants required by Independence Standards Board Standard No. 1 (requiring auditors to make written disclosures to, and to discuss with, the Audit Committee, various matters relating to the auditor’s independence), has discussed with the accountants their independence and has considered whether the provision of non-audit services by the accountants is compatible with maintaining that independence. Based on the foregoing and further review and discussion, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company’s Annual Report on Form 10-KSB for the fiscal year ended June 30, 2007 for filing with the Securities and Exchange Commission.
