QUESTIONS AND ANSWERS

WHO MAY ATTEND THE ANNUAL MEETING?

All stockholders who held shares of our common stock on September 25, 2009 may attend. If your stock is held in the name of a broker, bank, or other holder of record, often referred to as "in street name," just bring a copy of your brokerage account statement or a proxy card which you can get from your broker, bank or other holder of record of your stock.

WHO CAN VOTE AT THE MEETING?

The record date for the 2009 Annual Meeting of Stockholders is September 25, 2009. The record date was established by our Board of Directors. Stockholders of record at the close of business on the record date are entitled to:

- (a) receive notice of the meeting; and
- (b) vote at the meeting and any adjournments or postponements of the meeting.

On the record date, 32,756,575 shares of our common stock were outstanding. Each stockholder is entitled to one vote for each share of common stock held on the record date, as further described under "Voting Securities," in this Proxy Statement.

HOW DO I VOTE?

You may vote in person at the meeting or you may appoint a proxy, by mail, to vote your shares. If you return a signed card but do not provide voting instructions, your shares will be voted FOR the proposal to be voted on at the meeting.

WHAT ARE THE DIFFERENT METHODS THAT I CAN USE TO VOTE MY SHARES OF COMMON STOCK?

- (a) By Written Proxy: Stockholders of record can vote by marking, signing, and timely returning the enclosed proxy card. Street name or beneficial holders must follow the directions provided by their broker, bank, or other nominee in

order to direct such broker, bank, or nominee how to vote.

(b) In Person: All stockholders may vote in person at the meeting. Street names or beneficial holders must obtain a legal proxy from their broker, bank, or nominee prior to the meeting in order to vote in person.

1

HOW MANY VOTES MUST BE PRESENT TO HOLD THE MEETING?

At least a majority of the holders of our outstanding shares of common stock, as of the record date, must be present at the annual meeting in order to hold the annual meeting and conduct business. This is called a quorum. Shares of our common stock are counted as present at the annual meeting if the holder of such shares:

- (a) is present and votes in person at the annual meeting; or
- (b) has properly submitted a proxy card.

Abstentions are counted as present for the purpose of determining the presence of a quorum.

CAN I CHANGE MY VOTE AFTER I RETURN MY PROXY CARD?

Yes. You may revoke your proxy card at any time before its exercise at the Annual Meeting by giving our Secretary a written notice revoking your proxy card, or a duly executed proxy bearing a later date, or by attendance at the Annual Meeting and electing to vote in person.

WILL MY STOCK BE VOTED IF I DO NOT PROVIDE MY PROXY?

Your stock may be voted if it is held in the name of a brokerage firm, even if you do not provide the brokerage firm with voting instructions. Brokerage firms have the authority under the rules of The NASDAQ Stock Market, Inc., or NASDAQ, to vote stock for which their customers do not provide voting instructions on certain "routine" matters. We believe that the uncontested election of directors is considered a routine matter for which brokerage firms may vote stock that is held in the name of brokerage firms but does not have voting instructions from you.

HOW MANY VOTES ARE NEEDED TO APPROVE OUR PROPOSALS?

The affirmative vote of a plurality of the shares of common stock present in person or by proxy and entitled to vote is required for the election of a director. The affirmative vote of a majority of the votes cast on Proposal No. 2 is required to ratify the appointment of our independent auditors. Other matters that may properly come before the annual meeting may require a majority or more than a majority vote under our By-laws, the laws of the state of Nevada, our Articles of Incorporation, or other applicable laws.

WHO PAYS FOR THIS PROXY SOLICITATION?

We do. In addition to sending you these materials, some of our employees may contact you by telephone, by mail, by fax, by email, or in person. None of these employees will receive any extra compensation for doing this.

WHY IS SMARTHEAT SEEKING STOCKHOLDER APPROVAL FOR THESE PROPOSALS?

Proposal No. 1 : The General Corporation Law of the State of Nevada and rules applicable to the Company as a result of the listing of our common stock on The Nasdaq Stock Market requires corporations to hold elections for directors each year.

Proposal No. 2 : The Company appointed Goldman Parks Kurland Mohidin, LLP to serve as the Company's independent auditors for the 2009 fiscal year. The Company elects to have its stockholders ratify such appointment.

PROPOSAL FOR ACTION AT THE ANNUAL MEETING

Proposal One:
Election of Directors

Our Articles of Incorporation and By-laws provide that the Board of Directors shall consist of at least one but not more than ten directors, the exact number of which may be fixed and changed from time to time by ordinary resolution of the Board of Directors or the shareholders of the Corporation. The Board of Directors has adopted a resolution establishing five (5) as the number of directors of the Company.

Our Articles of Incorporation and By-laws provide that the Board of Directors shall be elected at each annual meeting. Based on the recommendation of the Nominating and Corporate Governance Committee, the Board of Directors has nominated its current members to be re-elected for another term.

The persons named in the accompanying proxy card intend to vote such proxy in favor of the election of the nominees named below, who are currently directors, unless authority to vote for the director is withheld in the proxy. Although the Board of Directors has no reason to believe that the nominees will be unable to serve as a director, if one of the nominees withdraws or otherwise becomes unavailable to serve, the persons named as proxies will vote for any substitute nominee designated by the Board of Directors, unless contrary instructions are given on the proxy.

The affirmative vote of a plurality of the shares of our common stock present in person or by proxy at the meeting and entitled to vote is required for the election of directors. Proxies for which authority to vote for the nominee is withheld and broker non-votes will be tabulated for the purpose of computing the number of shares of our common stock present for purposes of determining the presence of a quorum for the meeting. CORPORATE GOVERNANCE

INDEPENDENCE OF DIRECTORS

Subject to certain exceptions, under the listing standards of NASDAQ, a listed company's board of directors must consist of a majority of independent directors. Currently, our board of directors has determined that each of Messers. Staloff, Li, and Dr. Wang are independent directors for purposes of the NASDAQ's listed company standards currently in effect and approved by the SEC and all applicable rules and regulations of the SEC. We have established the following standing committees of the board: Audit, Compensation, and Corporate Governance and Nominating. All members of the Audit Committee and a majority of the members of the Compensation and Nominating and Corporate Governance Committees satisfy the "independence" standards applicable to members of each such committee. The board of directors made this affirmative determination regarding these directors' independence based on discussion with the directors and on its review of the directors' responses to a standard questionnaire regarding employment and compensation history; affiliations, family and other relationships; and transactions with the Company. The board of directors considered relationships and transactions between each director or any member of his immediate family and the Company and its subsidiaries and affiliates. The purpose of the board of director's review with respect to each director was to determine whether any such relationships or transactions were inconsistent with a determination that the director is independent under the NASDAQ rules.

MEETINGS OF THE BOARD OF DIRECTORS

Our Board of Directors held three regular meetings and no special meetings during fiscal year 2008. Each director attended at least 75% of the meetings of the Board of Directors and the Board committees on which he served in fiscal year 2008. Under our Corporate Governance Guidelines, directors are expected to attend meetings of our Board of Directors and committees of which he is a member and to spend the time necessary to properly discharge his respective duties and responsibilities.

The compensation of our executive officers and other employees is composed of base salaries. For 2008, compensation for our officers, including our named executive officers, was determined by our executive officers prior to the establishment of the compensation committee. The compensation committee will review base salaries of the executives considering SmartHeat’s overall financial position and the state of its business. The compensation committee will determine any increase in compensation, with respect to each officer, based on individual performance, level of responsibility, and skills and experience, taking into account the anticipated level of difficulty in replacing such officers and employees with persons of comparable experience, skill and knowledge.

NOMINATION PROCESS

The members of the Nominating and Corporate Governance Committee, other than incumbent director nominees, discuss the qualifications of the director nominees and the needs of the Company. The Nominating and Corporate Governance Committee will consider nominees recommended by our directors and officers. In evaluating director candidates, the Nominating and Corporate Governance Committee considers factors that are in the best interests of the Company and its stockholders, including, but not limited to, the knowledge, experience, integrity and judgment of possible candidates for nomination as directors; the potential contribution of each candidate to the diversity of backgrounds, experience and competencies which the Nominating and Corporate Governance Committee desires to have represented on the Board of Directors, including familiarity with and experience in our specific industry; the NASDAQ's requirements for directors, including any applicable independence standards and other qualifications and experience; each candidate's ability to devote sufficient time and effort to his or her duties as a director of the Company and, where applicable, prior service as a director of the Company. There are, however, no stated minimum criteria for director nominees. The Nominating and Corporate Governance Committee recommends candidates to the Board of Directors for election at the annual meeting of stockholders.

STOCKHOLDER NOMINATIONS FOR DIRECTORS

PROPOSAL FOR ACTION AT THE ANNUAL MEETING

Proposal Two

Ratification of Appointment of Independent Auditors

The Audit Committee of the Board of Directors has appointed Goldman, Parks, Kurland, Mohidin LLP (“GPKM”) as our independent auditors for its fiscal year ending December 31, 2009. GPKM has acted in such capacity since its appointment on April 14, 2008. The Audit Committee is directly responsible for the appointment, retention, compensation and oversight of the work of our independent auditors (including resolution of disagreements between management and the independent auditors regarding financial reporting) for the purpose of preparing or issuing an audit report or related work. In making its determination regarding whether to appoint or retain a particular firm of independent auditors the Audit Committee takes into account the views of management. A representative of GPKM is expected to be available telephonically at the annual meeting, with the opportunity to make a statement if the representative desires to do so, and is expected to be available to respond to appropriate questions.

Stockholder Ratification

We are not required to submit the appointment of GPKM for ratification by our stockholders. However, we are doing so as a matter of good corporate practice. If the stockholders fail to ratify the appointment, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if they determine that such an appointment would be in our best interests and that of our stockholders.

The Board of Directors, based upon the recommendation of the Audit Committee, unanimously recommends a vote FOR the ratification of the appointment of GPKM as the independent registered public accounting firm to serve as our auditors for 2009.

Change in Company’s Accountant

On April 14, 2008, we dismissed Dale Matheson Carr Hilton Labonte LLP (“DMCHL”) as our independent accountant. DMCHL had previously been engaged as the principal accountant to audit our financial statements. The reason for the dismissal of DMCHL was that, following the consummation of the Share Exchange on April 14, 2008, i) the former stockholders of Taiyu own a significant amount of the outstanding shares of our common stock and (ii) our primary business became the business previously conducted by Taiyu. The independent registered public accountant of Taiyu for US accounting purposes was the firm of Goldman Parks Kurland Mohidin LLP. We believe that it is in our best interest to have GPKM continue to work with our business, and we therefore retained GPKM as our new principal independent registered accounting firm, effective as of April 15, 2008. GPKM is located at 16133 Ventura Blvd., Suite 880, Encino, CA 91436. The decision to change accountants was approved by our board of directors on April 14, 2008.

During our two most recent fiscal years and any subsequent interim period through to the date of our engagement of GPKM, neither we nor anyone on its behalf, has consulted with GPKM or any other auditor regarding any accounting or audit concerns, including, without limitation, those stated in Item 304(a)(2) of Regulation S-K.

The report of DMCHL on our financial statements for the period from August 4, 2006 (inception) through our fiscal year ended October 31, 2007 did not contain an adverse opinion or disclaimer of opinion, nor was it qualified or modified as to uncertainty, audit scope or accounting principles, except that the report was qualified as to our ability to continue as a going concern.

From our inception through April 15, 2008, there were no disagreements with DMCHL on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to the satisfaction of DMCHL, would have caused it to make reference to the matter in connection with its reports.

From our inception through April 14, 2008, we did not consult GPKM regarding either: (i) the application of accounting principles to a specific completed or contemplated transaction, or the type of audit opinion that might be rendered on our financial statements; or (ii) any matter that was the subject of a disagreement as described in Item 304(a)(1)(iv) of Regulation S-K.

Audit Fees

The firm of Goldman Parks Kurland Mohidin LLP ("GPKM") has been selected by the board of directors as the independent registered certified public accounting firm to audit the books and accounts of our company and its subsidiaries for the fiscal year ending December 31, 2008. This firm has served as independent public accountants for our company since April 14, 2008. Prior to September 3, 2008, we engaged Dale Matheson Carr Hilton Labonte LLP ("DMCHL") as our independent accountants.

The aggregate fees billed by GPKM, for professional services rendered for the audit of our annual financial statements for the year ended December 31, 2008, for the reviews of the financial statements included in our Quarterly Reports on Form 10-Q for the quarterly periods beginning March 31, 2008 and for consents issued in connection with our registration statement on Form S-1, during the fiscal year were \$133,000.

The aggregate fees billed by DMCHL for professional services rendered for the fiscal year ended October 31, 2007, which we refer to as fiscal 2007, in connection with the audit of the Company's annual financial statements for fiscal 2007 and for the reviews of the financial statements included in our Quarterly Reports on Form 10-Q for fiscal 2007 and for the Quarterly Report for the quarter ended January 31, 2008 was \$10,000.

Audit Related Fees

We incurred fees to auditors of \$0, for audit related fees during the fiscal year ended 2007, and for the fiscal year ended December 31, 2008 audit related fees were \$0.

Tax Fees

We did not engage GPKM to provide advice or assistance in tax compliance/preparation and other tax services for either fiscal 2008. DMCHL billed us an aggregate of \$1,000 for tax related fees in 2007.

All Other Fees

We incurred no fees to auditors for professional services other than the services described above during the fiscal year ended December 31, 2007 and the fiscal year ended December 31, 2008.

Audit Committee's Pre-Approval Policy

It is the Audit Committee's policy to approve in advance the types and amounts of audit, audit-related, tax and any other services to be provided by our independent auditors. In situations where it is not possible to obtain full Audit Committee approval, the Committee has delegated authority to the Chairman of the Audit Committee to grant pre-approval of auditing, audit-related, tax and all other services. Any pre-approved decisions by the Chairman are required to be reviewed with the Audit Committee at its next scheduled meeting.

STOCKHOLDER PROPOSALS

The rules of the SEC govern when a company must include a stockholder's proposal in its proxy statement and identify the proposal in its form of proxy when the company holds an annual or special meeting of stockholders. Under these rules, proposals that stockholders would like to submit for inclusion in our proxy statement for our 2010 annual meeting of stockholders should be received by our Corporate Secretary no later than June 11, 2010 (which is not more than 120 days prior to the anniversary of the mailing date of this proxy statement), assuming that the date of the annual meeting to be held in 2010 is not changed by more than 30 days from the date of this annual meeting. In such event, we will provide notice of the date by which such proposals must be received in order to be included in our proxy statement in Item 5 of our quarterly report on Form 10-Q. Our determination of whether we will oppose inclusion of any proposal in our proxy statement and proxy will be made on a case-by-case basis in accordance with our judgment and the rules and regulations promulgated by the SEC.

In addition, if a stockholder wishes to present a proposal at the 2010 annual meeting that will not be included in our proxy statement and the Company is not notified prior to August 25, 2010 (which is 45 days prior to the anniversary of the mailing date of this proxy statement), then the proxies solicited by our management for the 2010 annual meeting will include discretionary authority to vote on the proposal in the event that it is properly brought before the meeting.

As of the date of this proxy statement, the board is not aware of any matters to come before the annual meeting other than those set forth on the notice accompanying this proxy statement. If any other matters come before the annual meeting, the proxy card, if executed and returned, gives discretionary voting authority to the persons named as proxy holders, Jung Wang and Zhijuan Guo, our president and chief financial officer, respectively, with respect to such matters.

ANNUAL REPORT AND FORM 10-K

The proxy statement is accompanied by the Annual Report of the Company for its fiscal year ended December 31, 2008. Stockholders are referred to such Annual Report for information about our business and activities.

Copies of our Annual Report on Form 10-K filed with the SEC pursuant to Section 13 of the Securities Exchange Act of 1934, as amended, will be provided without charge to record or beneficial owners of shares of our common stock entitled to vote at the meeting.
