Item 8.01. Other Events.

On November 9, 2009, in our litigation against Endicia, Inc. and PSI Systems, Inc., the United States District Court for the Central District of California granted the summary judgment motion of Endicia, Inc. and PSI Systems, Inc. that the fifteen claims we selected from eight patents are invalid. We were required to select fifteen claims from amongst the over six hundred claims available in the eleven patents we initially asserted. We disagree with the ruling and intend to file an appeal.

The second lawsuit, which was filed by PSI Systems, Inc. August 8, 2008, and in which we have asserted four additional patents against PSI, was not the subject of this ruling and remains pending.

For further information about Stamps.com litigation, please refer to our quarterly report on Form 10-Q for the fiscal quarter ended September 30, 2009.
