PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS
AUGUST 18, 2010
SOLICITATION, EXECUTION AND REVOCATION OF PROXIES

The mailing address of the principal corporate office of the Company is 9449 Science Center Drive, New Hope, MN 55428. This Proxy Statement and the form of proxy, which is enclosed, are being mailed to the Company's shareholders commencing on or about July 20, 2010.

Proxies in the accompanying form are solicited on behalf, and at the direction, of the Board of Directors of the Company. All shares of common stock represented by properly executed proxies, unless such proxies have previously been revoked, will be voted in accordance with the direction of the proxies. If no direction is indicated, the shares will be voted in accordance with the direction of the proxies. If any other matters are properly presented at the meeting for action, including a question of adjourning the meeting from time to time, the persons named in the proxies and acting there under will have discretion to vote on such matters in accordance with their best judgment.

When stock is in the name of more than one person, each such person must sign the proxy. If the shareholder is a corporation, an executive or other authorized officer must sign the proxy in the name of such corporation. If signed as attorney, executor, administrator, trustee, and guardian or in any other representative capacity, the signer's full title should be given and, if not previously furnished, a certificate or other evidence of appointment must be furnished.

A shareholder executing and returning a proxy has the power to revoke it at any time before it is voted. A shareholder who wishes to revoke a proxy can do so by executing a later dated proxy relating to the same shares and delivering it to the Secretary of the Company prior to the vote at the Annual Meeting, by written notice of revocation received by the Secretary prior to the vote at the Annual Meeting, or by appearing in person at the Annual Meeting and voting in person the shares to which the proxy relates.

In addition to the use of the mail, proxies may be solicited by personal interview, telephone and telegram by the Directors, officers and regular employees of the Company. Such persons will receive no additional compensation for such services. Arrangements will also be made with certain brokerage firms and certain other custodians, nominees and fiduciaries for the forwarding of solicitation materials to the beneficial owners of common stock held of record by such persons, and such brokers, custodians, nominees and fiduciaries will be reimbursed by the Company for their reasonable out-of-pocket expenses incurred by them in connection therewith. All expenses incurred in connection with this solicitation will be borne by the Company.

The Company is including with this Proxy Statement its Annual Report to shareholders for the year ended December 31, 2009, which includes a copy of the Company's Form 10-K, as filed with the Securities and Exchange Commission. Shareholders may receive, without charge, additional copies of the Form 10-K, by writing to Multiband Corporation at its principal corporate office.

The presence at the Annual Meeting in person or by proxy of the holders of 34% of the outstanding shares of the Company's common stock entitled to vote shall constitute a quorum for the transaction of business. If a broker returns a "non-vote" proxy, indicating a lack of voting instructions by the beneficial holder of the shares and a lack of discretionary authority on the part of the broker to vote on a particular matter, then the shares covered by such non-vote shall be deemed present at the meeting for purposes of determining a quorum but shall not be deemed to be represented at the meeting for purposes of calculating the vote required for approval of such matter. If a shareholder abstains from voting as to any matter, then the shares held by such shareholder shall be deemed present at the meeting for purposes of determining a quorum and for purposes of calculating the vote with respect to such matter, but shall not be deemed to have been voted in favor of such matter. An abstention as to any proposal will therefore have the same effect as a vote against the proposal.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

Only shareholders of record at the close of business on June 30, 2010 (the Record Date) will be entitled to vote at this meeting. On the Record Date, there were 9,995,768 shares of common stock issued and outstanding. Board of Directors and its Committees

The Board has determined that a majority of its members are "independent" as defined by the listing standards of the NASDAQ Stock Market. The independent Directors are Messrs. Frank Bennett, Jonathan Dodge, Eugene Harris and Donald Miller. Both Messrs. Bennett and Harris have extensive backgrounds in investment banking, finance and capital raising. They have been valuable to the Company in advising management how to structure various debt and equity offerings. Mr. Miller was CFO for a large private company and advises the Company with regards to its financial and management reporting. Mr. Dodge has extensive experience in the tax field and assists the Company on an ongoing basis with answering various tax questions and suggesting various tax strategies.

The Board of Directors met five times in 2009. As permitted by Minnesota Law, the Board of Directors also acted from time to time during 2009 by unanimous written consent in lieu of conducting formal meetings. Last year, there were three such actions and accompanying Board Resolutions passed. The Board has designated an audit committee consisting of Jonathan Dodge, Donald Miller and Frank Bennett. The Board also designated a Compensation committee consisting of Jonathan Dodge, Eugene Harris, and Donald Miller. Frank Bennett and Eugene Harris were also designated to the nominating committee.

To the best of the Company's knowledge, none of the Company's directors have been involved with any legal proceedings brought by the government or private individuals during the past ten years that involve allegation of securities law violations or other fraud.

Diversity

The Company has no formal board diversity policy at present. The Company's nominating committee, in assessing candidates for potential board membership, does examine whether those candidates have particular skill sets or elements in their background that would raise the board's overall level of expertise and enhance the development of the Company's business plans and objectives.

Shareholder Communication with the Board

Our Board welcomes your questions and comments. If you would like to communicate directly to our Board, or if you have a concern related to the Company's business ethics or conduct, financial statements, accounting practices or internal controls, then you may contact our website via www.multibandusa.com, section Investor Relations. All communications will be forwarded to our audit committee.

Directors' attendance at Annual Meetings can provide shareholders with an opportunity to communicate with Directors about issues affecting the Company. The Company does not have a policy regarding director attendance, but all Directors are encouraged to attend the Annual Meeting of Shareholders. Five of our directors attended our Annual Meeting in 2009.

Audit Committee

Our audit committee:

- recommends to our Board of Directors the independent registered public accounting firm to conduct the annual audit of our books and records;
 - reviews the proposed scope and results of the audit;
 - approves the audit fees to be paid;
- reviews accounting and financial controls with the independent registered public accounting firm and our financial and accounting staff; and
 - reviews and approves transactions between us and our Directors, officers and affiliates.

Our audit committee has a formal charter.

Our Audit Committee met five times during 2009. The Audit Committee is comprised entirely of individuals who meet the independence and financial literacy requirements of NASDAQ listing standards. Our Board has determined that all three members, Jonathan Dodge, Donald Miller, and Frank Bennett qualify as an "audit committee financial expert" independent from management as defined by Item 401(h)(2) of Regulation S-K under the Securities Act of 1933, as amended. The Company acknowledges that the designation of the members of the audit committee as financial experts does not impose on them any duties, obligations or liability that are greater than the duties, obligations and liability imposed on them as a member of the audit committee and the Board of Directors in the absence of such designation.

Report of the Audit Committee

In accordance with its written charter adopted by the Board of Directors, the Audit Committee assists the Board in fulfilling its responsibility for oversight of the quality and integrity of the accounting, auditing, and financial reporting practices of the Company. During the year ended December 31, 2009, the committee met five times, and Frank Bennett, as the Audit Committee chair and representative of the Audit Committee, discussed the interim financial information contained in quarterly and annual filings on Forms 10Q and 10K, respectively, with the Company's Chief Financial Officer and the Company's independent registered public accounting firm prior to public release.

In discharging its oversight responsibility as to the audit process, the audit committee obtained from the independent registered public accounting firm a formal written statement describing all relationships between the auditors and the Company that might bear on the auditors' independence consistent with the Securities Acts and Standards of the Public Company Accounting Oversight Board, discussed with the auditors any relationships that may affect their objectivity and independence and satisfied itself as to the auditors' independence. The audit committee also discussed with management and the independent registered public accounting firm the quality and adequacy of the Company's internal controls. The audit committee reviewed with the independent registered public accounting firm their audit plans, audit scope, and identification of audit risks.

The audit committee discussed and reviewed with the Company's independent registered public accounting firm all communications required by generally accepted auditing standards and, both with and without management present, discussed and reviewed the results of the independent registered public accounting firms' examination of the Company's consolidated financial statements. The audit committee reviewed the audited consolidated financial statements of the Company as of and for the fiscal year ended December 31, 2009 with management and the independent registered public accounting firm. Management has the responsibility for the preparation of the Company's consolidated financial statements and the Company's independent registered public accounting firm has the responsibility for the examination of those statements.

Based on the review referred to above and discussions with management and the independent registered public accounting firm, the Audit Committee recommended to the Board of Directors that the Company's audited consolidated financial statements be included in its Annual Report on Form 10-K for the fiscal year ended December 31, 2009 for filing with the Securities and Exchange Commission. The Audit Committee also recommended the reappointment, subject to shareholder approval, of the independent registered public accounting firm and the Board of Directors concurred in such recommendation.

Nominating Committee

The Nominating Committee was formed by our Board in April 2004 and consists of Frank Bennett and Eugene Harris. The Nominating Committee's duties include adopting criteria for recommending candidates for election or re-election to our Board and its committees, considering issues and making recommendations considering the size and composition of our Board. The Nominating Committee will also consider nominees for Director suggested by shareholders in written submissions to the Company's Secretary.

Director Nomination Procedures

DIRECTOR MANAGER QUALIFICATIONS. The Company's Nominating Committee has established policies for the desired attributes of our Board as a whole. The Board will seek to ensure that a majority of its members are independent as defined in the NASDAQ listing standards. Each member of our Board must possess the individual qualities of integrity and accountability, informed judgment, financial literacy, high performance standards and must be committed to representing the long-term interests of the Company and the shareholders. In addition, Directors must be committed to devoting the time and effort necessary to be responsible and productive members of our Board. Our Board values diversity, in its broadest sense, reflecting, but not limited to, profession, geography, gender, ethnicity, skills and experience.

IDENTIFYING AND EVALUATING NOMINEES. The Nominating Committee regularly assesses the appropriate number of Directors comprising our Board, and whether any vacancies on our Board are expected due to retirement or otherwise. The Nominating Committee may consider those factors it deems appropriate in evaluating Director candidates including judgment, skill, diversity, strength of character, experience with businesses and organizations comparable in size or scope to the Company, experience and skill relative to other Board members, and specialized knowledge or experience. Depending upon the current needs of our Board, certain factors may be weighed more or less heavily by the Nominating Committee. In considering candidates for our Board, the Nominating Committee evaluates the entirety of each candidate's credentials and, other than the eligibility requirements established by the Nominating Committee, does not have any specific minimum qualifications that must be met by a nominee. The Nominating Committee considers candidates for the Board from any reasonable source, including current Board members, shareholders, professional search firms or other persons. The Nominating Committee does not evaluate candidates differently based on who has made the recommendation. The Nominating Committee has the authority under its charter to hire and pay a fee to consultants or search firms to assist in the process of identifying and evaluating candidates.

CHARTER OF THE NOMINATING COMMITTEE. A copy of the charter of the Nominating Committee is available on our website at www.multibandusa.com.

Code of Ethics for Senior Financial Management

Our Code of Ethics for Senior Financial Management applies to all of our executive officers, including our president and our chief financial officer, and meets the requirements of the Securities and Exchange Commission. We have posted our Code of Ethics for Senior Financial Management on our website at www.multibandusa.com . We intend to disclose any amendments to and any waivers from a provision of our Code of Ethics for Senior Financial Management on our website within four business days following the amendment or waiver.

Compensation Discussion and Analysis

Our compensation committee

- reviews and recommends the compensation arrangements for management, including the compensation for our Chief Executive Officer; and
- establishes and reviews general compensation policies with the objective to attract and retain superior talent, to reward individual performance and to achieve our financial goals.

We are committed to attracting, hiring and retaining an experienced management team that can successfully sell and operate our services. The fundamental policy of our compensation committee is to provide our executive officers with competitive compensation opportunities based upon their contribution to our development and financial success and long-term shareholder interest, as well as each officer's personal performance. The compensation package for each executive officer is comprised of three elements (i) base salary which reflects individual performance and is designed primarily to be competitive with salary levels in the industry; (ii) potential for cash bonus payments contingent upon specific corporate and individual milestones; and (iii) long-term stock-based incentive awards which strengthen the mutuality of interests between the executive officers and our shareholders.

At the beginning of each year, certain performance objectives are set by the compensation committee for management. 2009 corporate objectives included goals based on subscriber sales and certain financial metrics. By year end, the compensation committee reviews the performance of the Company against the corporate objectives and reviews the performance of each executive officer against their individual objectives. Based upon results achieved, the executive officers may receive part or all of a targeted bonus award.

Our compensation committee met four times during 2009. The compensation committee is comprised entirely of non-employee Directors who meet the independence requirements of the NASDAQ listing standards. The compensation committee is comprised of Jonathan Dodge, Eugene Harris, and Donald Miller.

(1)The “potential realizable value” shown represents the potential gains based on annual compound stock price appreciation of 5% and 10% from the date of grant through the full option terms, net of exercise price, but before taxes associated with exercise. The amounts represent certain assumed rates of appreciation only, based on the Securities and Exchange Commission rules. Actual gains, if any, on stock option exercises are dependent on the future performance of the common stock, overall market conditions and the option holders, continued employment through the vesting period. The amounts reflected in this table may not necessarily be achieved and do not reflect the Company’s estimate of future stock price growth.

Each option represents the right to purchase one share of common stock. The options shown in this table are all non-qualified stock options. To the extent not already exercisable, the options generally become exercisable in the event of a merger in which the Company is not the surviving corporation, a transfer of all shares of stock of the Company, a sale of substantially all the assets, or a dissolution or liquidation, of the Company.

Class J shares have forced redemption rights at par, upon the occurrence of a major transaction or triggering event as defined in the agreement. Classes G, I and J have no redemption "call" price). Upon Multiband's call for redemption, the holders of the preferred stock called for redemption will have the option to convert each share of preferred stock into shares of common stock until the close of business on the date fixed for redemption, unless extended by Multiband in its sole discretion.
