Item 7.01. Regulation FD Disclosure.

On December 14, 2010, Neoprobe Corporation (the “Company”) issued a press release announcing that it had provided analysts and investors with an update on the Company’s corporate and drug pipeline developments, at a conference hosted by the Company at the New York City University Club on December 13, 2010. The session included a corporate update provided by the Company’s President and CEO David Bupp and a pipeline science review by Fredrick O. Cope, Ph.D., the Company’s Senior Vice President, Pharmaceutical Research and Clinical Development. The conference closed with a question and answer session with analysts on improving cancer care through the development and implementation of innovative technologies in the clinical setting.

A copy of the complete text of the Company’s December 14, 2010, press release is furnished as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.

Statements contained or incorporated by reference in this Current Report on Form 8-K which relate to other than strictly historical facts, such as statements about the Company’s plans and strategies, expectations for future financial performance, new and existing products and technologies, anticipated clinical and regulatory pathways and markets for the Company’s products, are forward-looking statements. The words “believe,” “expect,” “anticipate,” “estimate,” “project” and similar expressions identify forward-looking statements that speak only as of the date hereof. Investors are cautioned that such statements involve risks and uncertainties that could cause actual results to differ materially from historical or anticipated results due to many factors including, but not limited to, the Company’s continuing operating losses, uncertainty of market acceptance of its products, reliance on third party manufacturers, accumulated deficit, future capital needs, uncertainty of capital funding, dependence on limited product line and distribution channels, competition, limited marketing and manufacturing experience, risks of development of new products, regulatory risks and other risks detailed in the Company’s most recent Annual Report on Form 10-K and other Securities and Exchange Commission filings. The Company undertakes no obligation to publicly update or revise any forward-looking statements.
