5.02(e) Compensatory Arrangements of Certain Officers

On March 15, 2011, the Board of Directors of STAAR Surgical Company (the “Company”) approved the following elements of compensation for executive officers: long-term equity compensation in the form of Performance Accelerated Restricted Stock grants (“PARS”) and stock options, and salary increases for 2011. Salary increases will take effect on March 28, 2011. The PARS granted on March 15, 2011 consist of shares of common stock that are subject to forfeiture based on vesting conditions. They vest in full on March 15, 2014, the third anniversary of the grant date, but vesting may be accelerated for up to one third of the shares each year if the Company exceeds budgeted revenue by 5% and generates cash from operations for the applicable year.

For the Chief Executive Officer, Chief Financial Officer and named executive officers, the compensation was awarded as follows:

- (1) The PARS may not be sold or transferred until vested on March 15, 2014, unless achievement of specified performance criteria results in accelerated vesting. Until vested the shares are subject to forfeiture if service to the Company terminates.
- (2) The options are exercisable for common stock at a price of \$5.49 per share, vest in three equal installments on March 15, 2012, March 15, 2013 and March 15, 2014, and expire on March 14, 2021.
