Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

On July 15, 2012, the Board of Directors (the "Board") of Protalix BioTherapeutics, Inc. (the "Company") adopted certain recommendations of the Board's Compensation Committee (the "Compensation Committee") regarding the compensation of the Company's executive officers, including the grant of certain incentive bonuses to be paid to the Company's executive officers upon the achievement of designated milestones, as described in more detail below. In addition, the Company made certain grants of restricted stock to its executive officers, as described below, and to other members of the Company's management team.

No changes have been made to the base salaries of the Company's executive officers. If the Company achieves agreed-upon advancements in the clinical development of each of certain designated product candidates during an agreed-upon amount of time immediately following the Board's approval of the bonuses, the Company's executive officers will be entitled to the amounts listed in the first two columns of the table below. Such amounts are payable upon achievement of the applicable milestone if, at such time, the Company has available an agreed-upon minimum cash balance (the "Minimum Cash Balance"). If the Company does not have the Minimum Cash Balance, the bonuses will be considered earned, and are payable when the Company next achieves the Minimum Cash Balance.

The Company will pay a bonus to its executive officers upon the Company's entry into a certain undisclosed substantial commercial agreement, currently the subject of discussions with a third party. In addition, the Company will pay a bonus upon its entry into any one or more substantial strategic or other defined transactions, within an agreed-upon period of time, each of which results in aggregate cash payments to the Company in excess of an agreed-upon amount (each, a "Substantial Transaction").

If the Company enters into a Change in Control transaction (as defined in the Company's 2006 Stock Incentive Plan, as amended June 17, 2012 (the "Plan")), such as a merger or acquisition transaction, the Company's executive officers will be entitled to the bonus payments shown in the last column of the table below, subject to certain exceptions.
