Quorum and Voting

Only shareholders of record at the close of business on April 19, 2013, are entitled to vote at the Annual Meeting. On that date, there were 3,248,646 shares of Common Stock outstanding. Each share has one vote. A simple majority of

the outstanding shares of Common Stock is required to be present in person or by proxy at the meeting for there to be a quorum for purposes of proceeding with the Annual Meeting. Seven directors will be elected by the Company's Common Stockholders at this meeting. The Common Stock does not possess cumulative voting rights. The election of directors will be by the vote of a plurality of shares of Common Stock present in person or by proxy at the Annual Meeting at which a quorum is present. The ratification of auditors will require the vote of a simple majority of the shares of Common Stock present at the Annual Meeting by person or proxy. Abstentions and withheld votes have the effect of votes against these matters. Broker non-votes (shares of record held by a broker for which a proxy is not given) will be counted for purposes of determining the presence or absence of a quorum, but will not be counted as present for purposes of determining the vote on any matter considered at the meeting.

A shareholder submitting a proxy prior to the Annual Meeting has the power to revoke it at anytime before the shares subject to it are voted by (i) sending a written statement to that effect to the Secretary of the Company, (ii) submitting a valid proxy having a later date, or (iii) voting in person at the Annual Meeting. If a shareholder specifies how the proxy is to be voted with respect to any of the proposals for which a choice is provided, the proxy will be voted in accordance with such specifications. If a shareholder fails to so specify with respect to such proposals, the proxy will be voted "FOR" the nominees for directors contained in these proxy materials, "FOR" the appointment of the Company's independent registered public accounting firm, "FOR" approval of the compensation of the Company's named executive officers as described in this proxy statement, and "FOR" the proposal providing for an advisory vote to be held every three years to approve the compensation of the Company's named executive officers.

A stockholder submitting a proxy prior to the annual meeting may revoke the proxy at any time before the shares subject to it are voted if (i) sending a written statement to that effect to the Secretary of the Company, (ii) submitting a valid proxy having a later date, or (iii) voting in person at the annual meeting.

Discretionary Voting Power

The Board of Directors knows of no other matters to be presented for shareholder action at the Annual Meeting. On matters which may be raised at the Annual Meeting that are not covered by this Proxy Statement, the persons named in the proxy will have full discretionary authority to vote.

CORPORATE GOVERNANCE AND THE BOARD OF DIRECTORS

General

The business and affairs of the Company are managed under the direction of the Board of Directors in accordance with the Illinois Business Corporation Act and the Articles of Incorporation and By-laws of the Company, as amended. Members of the Board of Directors are kept informed of the Company's business through discussions with the Chairman of the Board of Directors and the Chief Financial Officer, and other officers, by reviewing materials provided to them and by participating in meetings of the Board of Directors and its committees.

During 2012, the Board of Directors had seven members. The Board met four times during 2012. During 2012, no director attended less than 75% of the combined Board of Directors and Committee meetings. The Board has determined that each of Stanley M. Brown, Bret Tayne, John I. Collins and Phil Roos, presently directors of the Company, and that Howard Eirinberg and John M. Klimek, if elected, will be independent based upon the application of the rules and standards of the NASDAQ Stock Market.

Board Leadership Structure

John H. Schwan, Chief Executive Officer of the Company has been appointed Chairman of the Board of Directors. In his role as Chairman, he presides over the meetings of the Board of Directors and communicates the decisions and directives of the Board to management, and also engages in implementation of Board decisions and operations. Stephen M. Merrick, President and Chief Financial Officer of the Company, is also a member of the Board of Directors and provides leadership in the operations, finance, financial reporting, compliance and legal affairs of the Company, and in reporting financial and operational matters to the Board of Directors. The Board of Directors believes that this combination and allocation of roles among the two principal executive officers of the Company, each of whom are also members of the Board of Directors, provides the most efficient and effective leadership model for the Company, providing perspective and direction with regard to business strategies and plans to both the Board and management. The Company has no bylaw or policy in place that mandates that an officer serve as Chairman of the Board. The Board of Directors periodically evaluates its leadership structure.

John I. Collins has been designated as the lead independent director. Mr. Collins is responsible for (i) communicating regularly with the Chief Executive Officer and the President, and other officers of the Company for the Board of Directors, and particularly the independent members of the Board of Directors, and (ii) for calling separate meetings of the independent directors of the Company. During 2012, there were four separate meetings of the independent directors. At such meetings, only independent directors are present and the independent directors are free to discuss any aspect of the Company's business and risk management without the influence of interested directors or management.

All members of the Company's Audit, Compensation and Nominating and Governance Committees have been determined to be independent based on application of the rules and standards of the NASDAQ Stock Market.

Board Role in Risk Oversight

The Board of Directors plays an active role, as a whole and at the committee level, in overseeing management of the Company's risks. The Board regularly reviews information regarding our credit, liquidity and operations, as well as the risks associated with each. The Audit Committee oversees management of financial risks through regular meetings with the Company's independent registered public accounting firm and the Company's Chief Financial Officer. The Company's Compensation Committee evaluates and addresses risks relating to executive compensation, our incentive compensation plans and other compensatory arrangements. The Nominating and Governance Committee manages risks associated with the independence of the Board of Directors and potential conflicts of interest. While each committee is responsible for evaluating certain risks and overseeing the management of those risks, the entire Board of Directors is regularly informed through management and committee reports to the full Board about these and other operational risks.

Committees of the Board of Directors

The Board of Directors has standing Audit, Compensation and Nominating and Governance Committees.

Audit Committee

Since 2000, the Company has had a standing Audit Committee, which is presently composed of Mr. Tayne (Chairman), Mr. Roos, and Mr. Collins. Each of the members of the Audit Committee is independent based on the application of the rules and standards of The Nasdaq Stock Market and Rule 10a-3(b) under the Securities Exchange Act of 1934. Mr. Collins has been designated as, and is, the Company's "Audit Committee Financial Expert" in

accordance with Item 407(d)(5) of Regulation S-K and meets the requirements for an audit committee expert as set forth in that item. The Audit Committee held four meetings during fiscal year 2012, including quarterly meetings with management and independent auditors to discuss the Company's financial statements. The Company's Board of Directors has adopted a written charter, as amended, for the Company's Audit Committee, a copy of which has been posted and can be viewed on the Company's Internet website at <http://www.ctiindustries.com> under the section entitled "Investor Relations." In addition, the Audit Committee has adopted a complaint monitoring procedure to enable confidential and anonymous reporting to the Audit Committee of concerns regarding, among other things, questionable accounting or auditing matters.

Report of the Audit Committee

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Annual Report with management and the Company's independent registered public accounting firm, Plante & Moran, PLLC ("Plante & Moran"), including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, the clarity of disclosures in the financial statements and internal controls.

The Audit Committee reviewed with the independent registered public accounting firm, which is responsible for expressing an opinion on the conformity of those audited financial statements with U.S. generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's application of accounting principles and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards, including but not limited to those matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards, AU §380, as amended). In addition, the Audit Committee has discussed with the independent registered public accounting firm their independence from management and the Company including the matters in the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding its communications with the Audit Committee concerning independence.

The Audit Committee discussed with the Company's independent registered public accounting firm the overall scope and plans for their audit of the Company's financial statements and the effectiveness of internal controls over financial reporting. The Audit Committee meets with the internal auditor and independent registered public accounting firm, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2012 for filing with the Securities and Exchange Commission. The Audit Committee and the Board of Directors have also recommended, subject to stockholder approval, the selection of Plante & Moran, as the Company's independent registered public accounting firm.

Bret Tayne, Audit Committee Chair

John I. Collins, Member

Philip Roos, Member

Compensation Committee

The Compensation Committee is composed of Stanley M. Brown (Chairman), John I. Collins and Phil Roos. The Board has determined that each of the members of the Compensation Committee is independent as defined in the listing standards for the Nasdaq Stock Market. The Compensation Committee reviews and acts on the Company's executive compensation and employee benefit and retirement plans, including their establishment, modification and administration. It also recommends to the Board of Directors the compensation of the Chief Executive Officer and certain other executive officers. The Compensation Committee has a charter which has been posted and can be viewed on the Company's Internet website at <http://www.ctiindustries.com> under the section entitled "Investor Relations." The Compensation Committee met four times in 2012.

Nominating and Governance Committee

In 2005, the Company established a Nominating and Governance Committee. The Nominating and Governance Committee consists of three directors, Phil Roos (Chairman), Stanley Brown and Bret Tayne. The Nominating and Governance Committee does not have a charter. The Board of Directors has determined that each of the members of the Nominating and Governance Committee is independent as defined in the listing standards for the Nasdaq Stock Market.

The Nominating and Governance Committee has not adopted a formal policy with regard to consideration of director candidates recommended by security holders. The Company believes that continuing service of qualified incumbent members of the Board of Directors promotes stability and continuity at the Board level, contributes to the Board's ability to work as a collective body and provides the benefit of familiarity and insight into the Company's affairs. Accordingly, the process of the Nominating and Governance Committee for identifying nominees reflects the

Company's practice of re-nominating incumbent directors who continue to satisfy the criteria for membership on the Board. For vacancies that are anticipated on the Board of Directors, the Nominating and Governance Committee intends to seek out and evaluate potential candidates from a variety of sources that may include recommendations by security holders, members of management, the Board of Directors, consultants and others. The minimum qualifications for potential candidates for the Board of Directors include demonstrated business experience, decision-making abilities, personal integrity and a good reputation.

While diversity is not a leading factor in the Nominating Committee's evaluation of potential candidates and there is no formal policy for considering diversity when nominating a potential director, it is a consideration that is evaluated along with other qualifications of potential candidates. In light of the forgoing, it is believed that a formal policy and procedure with regard to consideration of director candidates recommended by security holders is not necessary in order for the Nominating and Governance Committee to perform its duties.

The Nominating Committee met two times in 2012 and 2013. All of the independent directors of the Board of Directors participated in the nominating process and, in separate session, voted in favor of recommending to the Board of Directors the nomination of each of the nominees for election as directors.

Information Relating to Cash Incentives

Effective April 1, 2007, the Board of Directors, on the recommendation of the Compensation Committee, adopted an Incentive Compensation Plan providing for annual incentive compensation to be paid to executive and managerial employees of the Company. Under the Plan, designated Named Executive Officers and several other executive officers and managers may receive incentive compensation payments, determined on a quarterly and annual basis, based upon the income of the Company before provision for income tax or for incentive compensation if the net income exceeds a threshold amount of profit for any quarter of \$100,000 and, for the year, of \$250,000. The benefits under the Plan are divided into two Pools of compensation. Pool I (representing the largest pool of incentive compensation) covers senior executive officers who participate in the pool of incentive compensation based upon a percentage allocation recommended by the Compensation Committee and determined by the Board of Directors each year. Pool II covers other executives and managers who are selected to participate in proportions determined by management. Under the Plan, the award to each participants in Pool I represents a percent of income and the Pool II award, in the aggregate, represents a percent of income. The Compensation Committee recommends the amount of the incentive compensation awards which, in the aggregate, may not exceed sixteen percent of the net income of the Company (before provision for income tax or incentive compensation under the Plan). Further, the amount of incentive compensation to any participant may not exceed the annual base compensation of the participant. The Compensation Committee believes such incentive compensation motivates participants to achieve strong profitability which is viewed as the most significant element of corporate performance, provides rewards for strong corporate performance and aligns the incentive with the interests of the stockholders. Incentive compensation participation levels are generally determined during the first quarter of each fiscal year.

In determining the executives who participate in the incentive compensation awards in Pool I each year, and the relative amount of the award to each participant, the Compensation Committee considers and takes into account (i) the position of the executive, (ii) the level of responsibility and authority of the executive, (iii) the performance of the executive, and (iv) the extent to which the executive is in a position to affect the financial results and profitability of the Company.

Long-Term Equity Incentives

From time to time, upon the recommendation and action of the Compensation Committee and Board of Directors, stock options or grants under the 2009 Incentive Stock Plan, may be awarded to officers, directors, or management personnel of the Company. At the Company's Annual Meeting of Stockholders held in May 2009, the Company's 2009 Incentive Stock Plan was approved by the stockholders.

Stock and option grants are determined from time to time by the Compensation Committee in consultation with management. The actual grant for each executive is determined taking into consideration (i) individual performance, (ii) corporate performance and (iii) prior grants to, or stock ownership of the Company by, the executive or director.

Generally, stock options are granted with an exercise price equal to or greater than the closing price of the Company's common stock on the NASDAQ Stock Market on the date of the grant.

During 2011, the Company issued 8,000 stock options from the 2009 Plan to independent directors.

In November 2012, the Company issued options to purchase an aggregate of 109,000 shares of common stock under the 2009 Stock Incentive Plan, of which options for 6,000 shares were issued the Named Executive Officer, Samuel Komar.

The options issued in 2012 have a term of five years. The vesting schedule for options issued in 2012 to the Named Executive Officer and others were (i) 20% vesting after 6 months (ii) 40% vesting after 18 months, (iii) 60% vesting after 30 months, (iv) 80% vesting after 42 months, and (v) 100% vesting after 54 months,

The policy of the Compensation Committee with respect to the timing of stock option awards is as follows: (i) all awards shall be dated and issued as of the date they are approved by the Compensation Committee and (ii) generally, the Compensation Committee will expect to make awards annually during May of each year after the release of financial information for the first quarter.

Retirement Benefits

The Company maintains a 401(k) employee savings plan in which all salaried employees are eligible to participate. The plan is a tax qualified retirement plans.

Under the 401(k) Plan, employees may contribute up to 15% of their eligible compensation to the Plan and the Company will contribute a matching amount to the Plan each year. The federal statutory limit for eligible compensation in 2012 was \$245,000. Participating employees may direct the investment of individual and company contributions into one or more of the investment options offered by the Plan. Under the terms of the Plan, the Company makes a matching contribution equal to 100% of employee contributions that do not exceed 3% of eligible compensation plus 50% of employee contributions between 3% and 5% of eligible compensation. The Company's contributions to the 401(k) plan totaled approximately \$126,000 in 2012, which is allocated to participants subject to the vesting requirements of the Plan.

PLANTE & MORAN, PLLC

The Audit Committee and Board of Directors has selected and approved Plante & Moran, PLLC as the independent registered public accounting firm to audit our financial statements for 2012, subject to ratification by the stockholders at the annual meeting. It is expected that a representative of the Firm of Plante & Moran will be present at the Annual Meeting and will have an opportunity to make a statement if he or she so desires and will be available to respond to appropriate questions.

Effective July 1, 2012, Blackman Kallick, L.L.P. (“Blackman Kallick”), the independent registered public accounting firm of the Company, consummated a merger with Plante & Moran, with Plante & Moran being the surviving legal entity. As of that date, Plante & Moran succeeded Blackman Kallick as the Company’s independent registered public accounting firm as a matter of law, and the Company formally engaged Plante & Moran as its new independent registered public accounting firm. The foregoing changes were unanimously approved and ratified by the Audit Committee of the Company’s Board of Directors

THE BOARD OF DIRECTORS RECOMMENDS SHAREHOLDERS VOTE "FOR" SUCH RATIFICATION

PROPOSAL THREE – ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION

We are requesting our stockholders to provide advisory approval of the compensation of our Named Executive Officers as disclosed in the Executive Compensation section of this Proxy Statement, including the compensation tables and narrative discussion set forth on pages 13 to 16 of this Proxy Statement. This non-binding advisory vote is commonly referred to as a “say-on-pay” vote.

OUR BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE “FOR” APPROVAL OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS AS DISCLOSED IN THIS PROXY STATEMENT

Background on Proposal

In accordance with the Dodd-Frank Wall Street Reform and Consumer Protection Act (the “Dodd-Frank Act”) and related SEC Rules, stockholders are being given the opportunity to vote at the Annual Meeting on an advisory resolution regarding the compensation of our Named Executive Officers (commonly referred to as “say-on-pay”). The advisory resolution which will be presented and voted upon at the Annual Meeting is as follows:

RESOLVED, that the stockholders of CTI Industries Corporation hereby approve, on an advisory basis, the compensation of the Company’s Named Executive Officers, as disclosed in the Executive Compensation section of this Proxy Statement, including the compensation tables and narrative discussion set forth on pages 13 to 16 of the Proxy Statement.

Effects of the Advisory Vote

Because the vote on this proposal is advisory in nature, it will not affect any compensation already paid or awarded to our Named Executive Officers and will not be binding on the Board of Directors or the Compensation Committee. However, the Compensation Committee and the Board of Directors will consider the outcome of the vote when making future executive compensation decisions.

Vote Required

The resolution approving, on an advisory basis, the compensation of our Named Executive Officers will be approved if a majority of the votes cast affirmatively or negatively at the Annual Meeting are voted in favor of the proposal, assuming a quorum is present. A properly executed proxy marked “ABSTAIN” with respect to the proposal will not be voted or treated as a vote cast, although it will be counted for purposes of determining whether a quorum is present. Accordingly, an abstention will not affect the outcome of the proposal. Brokers are not entitled to use their discretion to vote uninstructed proxies with respect to the proposal and any such “broker non-votes” will not be deemed a vote cast.

Discussion

Our Compensation Committee and our Board of Directors who are responsible for designing and administering our executive compensation program, have designed our executive compensation program to provide a competitive and internally equitable compensation program and benefits package that reflects company performance, job complexity and the value provided, while also promoting long-term retention, motivation and alignment with the long-term interests of the Company's stockholders.

We encourage you to carefully review the Executive Compensation section of this Proxy Statement including the compensation tables and narrative discussion set forth on pages 13 to 16 of this Proxy Statement. We are asking you to indicate your support for the compensation of our Named Executive Officers as described in this Proxy Statement. This vote is not intended to address any specific item of compensation but rather the overall compensation of our Named Executive Officers. Accordingly, we are asking you to vote, on an advisory basis "FOR" the foregoing resolution at the Annual Meeting.

PROPOSAL FOUR – ADVISORY VOTE ON FREQUENCY OF FUTURE “SAY-ON-PAY” ADVISORY VOTES

At the Annual Meeting, stockholders will be given the opportunity to vote on whether they prefer to have future “say-on-pay” votes occur (i) every year, (ii) every two years or (iii) every three years.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE IN FAVOR OF HOLDING FUTURE “SAY-ON-PAY” ADVISORY VOTES EVERY THREE YEARS

Background on Proposal

In accordance with the Dodd-Frank Act and related SEC rules, stockholders are being given the opportunity to vote at the Annual Meeting on an advisory resolution regarding the compensation of our Named Executive Officers. See Proposal Two above in this Proxy Statement. The Dodd-Frank Act and applicable SEC rules also require that, at least once every six years, stockholders be given the opportunity to vote on an advisory resolution regarding the frequency of future “say-on-pay” votes.

Stockholders may vote to recommend that future “say-on pay” votes be held every year, every two years or every three years. The Board of Directors presently believes that future “say-on-pay” votes should occur every three years. The Board of Directors believes that holding a “say-on-pay” vote every three years is most consistent with the Company’s approach to executive compensation in which the Company seeks to enhance the long-term growth of the Company and to attract, retain and motivate our executive officers over the long term. The Board of Directors believes a three-year cycle for the advisory vote on executive compensation will provide investors the most meaningful timing alternative by which to evaluate the effectiveness of our executive compensation strategies and their alignment with the Company’s business and results of operation. It will also minimize the administrative, compliance and other corporate expenses associated with holding “say-on-pay” votes more frequently (e.g., every year or every two years).

Effects of Advisory Vote

Because the vote on this matter is advisory in nature, it will not be binding on the Board of Directors. However, the Board of Directors will consider the outcome of the vote, along with other factors, when making its decision about the frequency of future “say-on-pay” votes.

Vote Required

This proposal is being submitted to enable stockholders to express a preference as to whether future “say-on-pay” votes should be held every year, every two years or every three years. The selection that receives a plurality of affirmative votes will be considered the preference of the stockholders. Brokers are not entitled to use their discretion to vote uninstructed proxies with respect to the proposal and any such “broker non-votes” will not be deemed a vote cast.

Stockholder Proposals for 2014 Proxy Statement

Proposals by shareholders for inclusion in the Company's Proxy Statement and form of proxy relating to the 2014 Annual Meeting of Stockholders, which is tentatively scheduled to be held on June 6, 2014, should be addressed to the Secretary, CTI Industries Corporation, 22160 North Pepper Road, Lake Barrington, Illinois 60010, and must be received at such address no later than December 31, 2013. Upon receipt of any such proposal, the Company will determine whether or not to include such proposal in the Proxy Statement and proxy in accordance with applicable law. It is suggested that such proposal be forwarded by certified mail return receipt requested.

Proxy Statement and Annual Report Delivery

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for annual reports and proxy statements with respect to two or more shareholders sharing the same address by delivering a single annual report and/or proxy statement addressed to those shareholders. This process, which is commonly referred to as “householding,” potentially provides extra convenience for shareholders and cost savings for companies. The Company and some brokers household annual reports and proxy materials, delivering a single annual report and/or proxy statement to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholders.

Once you have received notice from your broker or the Company that your broker or the Company will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate annual report and/or proxy statement in the future, please notify your broker if your shares are held in a brokerage account or the Company if you hold registered shares. If, at any time, you and another shareholder sharing the same address wish to participate in householding and prefer to receive a single copy of the Company’s annual report and/or proxy statement, please notify your broker if your shares are held in a brokerage account or the Company if you hold registered shares.

You may request to receive at any time a separate copy of our annual report or proxy statement, or notify the Company that you do or do not wish to participate in householding by sending a written request to the Corporate Secretary at 22160 N. Pepper Road, Lake Barrington, Illinois 60010 or by telephoning (847) 382-1000.

Stockholder Communications

The Nominating and Governance Committee of our Board has established the following process for stockholders to communicate with the Board. Stockholders wishing to communicate with our Board should send correspondence to the attention of the Nominating and Corporate Governance Committee, c/o CTI Industries Corporation, 22160 N. Pepper Road, Lake Barrington, Illinois 60010, and should include with the correspondence evidence that the sender of the communication is one of our stockholders. Satisfactory evidence would include, for example, contemporaneous correspondence from a brokerage firm indicating the identity of the stockholder and the number of shares held. The Chairperson of the Nominating and Corporate Governance Committee will review all correspondence confirmed to be from stockholders and decide whether or not to forward the correspondence or a summary of the correspondence to the Board or a committee of the Board. The Chairperson of the Nominating and Corporate Governance Committee will review all stockholder correspondence, but the decision to relay that correspondence to the Board or a committee will rest entirely within his or her discretion.
