PROXY

STATEMENT

Annual Meeting of Stockholder to be Held on Friday, July 12, 2013

GENERAL INFORMATION

This proxy statement and accompanying proxy are being furnished in connection with the solicitation by the Board of Directors (“the “Board”) of Lakeland Industries, Inc., a Delaware corporation (referred to as “Lakeland,” the “Company,” “we,” “our,” or “us”), of proxies to be used at the annual meeting of stockholders of Lakeland to be held on Friday, July 12, 2013, which we refer to as the Annual Meeting, and at any adjournment or postponement thereof. Lakeland will bear the costs of this solicitation. This proxy statement and accompanying proxy are first being mailed to our stockholders on or about May 22, 2013.

Who may vote

Stockholders of Lakeland recorded in our stock register on May 20, 2013 and holders of restricted shares that are vested in the 2012 Stock Incentive Plan may vote at the meeting. As of that date, Lakeland had 5,353,716 shares of common stock outstanding. Each share is entitled to one vote on each matter submitted to the stockholders at the Annual Meeting.

How proxies work

Lakeland’s Board is asking for your proxy. Giving us your proxy means you authorized us to vote your shares at the meeting in the manner you direct. You may vote for all, some or none of our director nominees. You may also vote for or against the other proposals or abstain from voting.

All proxies properly signed will, unless a different choice is indicated, be voted “FOR” the elections of all nominees proposed by the Nominating and Corporate Governance Committee, “FOR” the ratification of Warren Averett as our independent registered public accounting firm for fiscal 2014, “FOR” the resolution approving the compensation of our named executive officers and “FOR” a “Three year” frequency of future advisory votes.

You may receive more than one proxy or voting card depending on how you hold your shares. Shares registered in your name are covered by one card. If you hold shares through someone else, such as a stockbroker or bank, you may get material from them asking how you want to vote. Specifically, if your shares are held in the name of your stockbroker or bank and you wish to vote in person at the meeting, you should request your stockbroker or bank to issue you a proxy covering your shares.

If any other matters come before the meeting or any postponement or adjournment, each proxy will be voted in the discretion of the individuals named as proxies on the card.

Revoking a proxy

You may revoke your proxy at any time before the vote is taken by submitted a new proxy with a later date, by voting via the Internet or by telephone at a later time, by voting in person at the meeting or by notifying Lakeland’s Secretary in writing at the address under “Questions” on page 25.

Quorum

In order to carry on the business of the meeting, we must have a quorum. This means at least a majority of the outstanding shares eligible to vote must be represented at the meeting, either by proxy or in person.

Attending in Person

Only stockholders, their proxy holders and Lakeland guests, each of which must be properly registered as described in the Notice, may attend the meeting.

What vote is required to approve each proposal?

Proposal No. 1, the election of two directors requires a plurality of the votes cast to elect a director. The two nominees receiving the most “For” votes (among votes properly cast in person or by proxy) will be elected. Only votes “For” will affect the outcome. Abstentions or broker non-votes, as described below, will have no effect on the outcome of the vote on Proposal No. 1.

Proposal No. 2, the ratification of the appointment of Warren Averett as our independent registered public accounting firm, must receive a “For” vote by the majority of the votes cast by stockholders present in person or represented by proxy and entitled to vote thereon. In determining whether the proposal has received the requisite number of votes, abstentions will be counted as a vote against this proposal.

Proposal No. 3, the approval of advisory vote on named Executive Officer Compensation, must receive a “For” vote by the majority of the votes cast by stockholders present in person or represented by proxy and entitled to vote thereon. Because this vote is advisory it will not be binding on the Board of Directors of Lakeland. Abstentions will be counted as votes cast and will have the same effect as a vote against this proposal. Broker non-votes, as described below, will have no effect on the outcome of the vote on Proposal No. 3.

Proposal No. 4, the frequency option (one year, two years or three years) receiving the plurality of the votes cast, will be the frequency that has been “approved” by stockholders. Because your vote is advisory, it will not be binding on the Board of Directors of Lakeland. However, the Board will consider the outcome of the vote when determining the frequency of future advisory votes on executive compensation. Abstentions and broker non-votes will have no effect on Proposal No. 4.

How votes are counted and how are brokers non-votes treated?

Votes will be counted by the inspector of election appointed for the Annual Meeting, who will separately count “For” votes, “Against” votes, abstentions, withheld votes and broker non-votes.

A “broker non-vote” is when a broker, bank or other nominee has not received voting instructions from the beneficial owner of shares held in “street name” and the broker, bank or other nominee does not have, or declines to exercise, discretionary authority to vote on a particular matter. Brokers, banks or other nominees only have discretionary authority to vote your uninstructed shares on “routine” matters, but will not be allowed to vote your uninstructed shares with respect to certain “non-routine” matters. Under current Nasdaq Stock Market rules, the ratification of the appointment of independent registered public accountants (Proposal No. 2) is considered routine and your broker, bank or other nominee will be able to vote on that proposal even if it does not receive instructions from you. The election of directors (Proposal No. 1), as well as Proposals No. 3 and No. 4, are “non-routine” matters. This means that if you hold your shares through a broker, bank or other nominee in “street name” and do not provide voting instructions,

the broker, bank or other nominee will have the discretion to vote your shares on Proposal No. 2 but not on Proposal No. 1, Proposal No. 3 and Proposal No. 4.

How can I find out the results of the voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. Final voting results will be published in a Current Report on Form 8-K to be filed with the Securities and Exchange Commission (“SEC”) within four business days following the conclusion of our Annual Meeting.

Householding of proxy material.

Some banks, brokers and other nominee record holders may be participating in the practice of “householding” proxy statements and annual reports. This means that only one copy of this proxy statement may have been sent to multiple stockholders in your household. If you would like to obtain another copy of the proxy, please contact Secretary, Lakeland Industries, Inc. 701 Koehler Avenue, Suite 7, Ronkonkoma, New York, 11779 by mail. If you want to receive separate copies of our proxy statements and annual reports in the future, or if you are receiving multiple copies and would like to receive only one copy for your household, you should contact your bank, broker, or other nominee record holder.

Has the Lakeland Board made a recommendation regarding the matters to be acted upon at the Annual Meeting?

Lakeland Boards’ recommends that you vote “FOR” the election of its two nominees for director, “FOR” the ratification of the selection of Warren Averett as our independent registered public accounting firm for the fiscal year ending January 31, 2014, “FOR” the approval, on an advisory basis of the named Executive Officers compensation, and “FOR” a “three year” frequency of future advisory votes.

ELECTION OF DIRECTORS

(Item 1 on the Proxy Card)

General

Our Bylaw's provide for a Board of Directors, or the "Board", consisting of at least five and not more than seven directors. Our Board for this year's voting purposes consists of seven directors, classified into three classes as nearly equal in number as possible. As indicated below, each nominee will be elected for a three-year term, which will expire at the 2016 Annual Meeting of Stockholders and until their successors are duly elected and qualified or until any such director's earlier resignation or removal. Our Board's nominees are Duane Albro and Thomas McAteer. Our Nominating and Governance Committee (excluding members who are nominees) considered the qualifications of each of the Board's nominees for election prior to the Annual Meeting, and unanimously recommended that each nominee be submitted for election to the Board.

Vote Required

Directors are elected by a plurality of the votes properly cast in person or by proxy. If a quorum is present and voting, the two nominees receiving the highest number of affirmative votes will be elected. Shares represented by executed proxy cards will be voted, if authority to do so is not withheld, for the election of the two nominees named below. Abstentions and broker non-votes will have no effect on the outcome. If any Board nominee becomes unavailable for election as a result of an unexpected occurrence, your shares will be voted for the election of a substitute nominee determined by our Board. Each person nominated by the Board for election has agreed to serve if elected. We have no reason to believe that any Board nominee will be unable to serve.

RATIFICATION OF SELECTION OF WARREN AVERETT LLC (Warren Averett)

AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

(Item 2 on the Proxy Card)

The Audit Committee of our Board has selected Warren Averett as our independent registered public accounting firm to audit our consolidated financial statements for the fiscal year ending January 31, 2014, and has directed that management submit the selection of Warren Averett as our independent registered public accounting firm for ratification by the stockholders at the Annual Meeting.

Warren Averett has audited our financial statements since April 28, 2009. A representative of Warren Averett is expected to be present or available by phone at the Annual Meeting and will be available to respond to appropriate questions from our stockholders and will be given an opportunity to make a statement if he or she desires to do so.

The affirmative vote of the holders of a majority of the shares present or represented by proxy and entitled to vote will be required to ratify the selection of Warren Averett as our independent registered public accounting firm once a quorum is present. Abstentions will be counted toward the tabulation of votes cast on this proposal and will have the same effect as a vote against this proposal.

Stockholder ratification of the selection of Warren Averett as our independent registered public accounting firm is not required by our Bylaws or otherwise. However, the Audit Committee is submitting the selection of Warren Averett to the stockholders for ratification as a matter of good corporate governance. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee may in its discretion direct the appointment of different independent registered public accountants at any time during the year if they determine that such a change would be in the best interests of the Company and its stockholders.

AUDIT COMMITTEE REPORT

The following is the report of the Audit Committee of the Board of Directors of Lakeland Industries, Inc., describing the Audit Committee's responsibilities and practices, specifically with respect to matters involving Lakeland's accounting, auditing, financial reporting and internal control functions. Among other things, the Audit Committee reviews and discusses with management and with Lakeland's independent registered public accounting firm the results of Lakeland's year-end audit, including the audit report and audited financial statements. The members of the Audit Committee of the Board are presenting this report for the fiscal year ended January 31, 2013.

The Audit Committee acts pursuant to a written charter that was originally adopted by the Board in 2001. The Nominating and Governance Committee and the Board consider membership of the Audit Committee annually. The Audit Committee reviews and assesses the adequacy of its charter annually. The Audit Committee held five meetings during the fiscal year ended January 31, 2013.

All members of the Audit Committee are independent directors, qualified to serve on the Audit Committee pursuant to the applicable Nasdaq Marketplace Rules. In accordance with its charter, the Audit Committee oversees accounting, financial reporting, internal control over financial reporting, financial practices and audit activities of Lakeland and its subsidiaries. The Audit Committee provides advice, counsel and direction to management and the independent registered public accounting firm on the basis of the information it receives, discussions with management and the independent registered public accounting firm, and the experience of the Audit Committee's members in business, financial and accounting matters. The Audit Committee relies, without independent verification, on the information provided by Lakeland and on the representations made by management that the financial statements have been prepared with integrity and objectivity, on the representations of management, and the opinion of the independent registered public accounting firm that such financial statements have been prepared in conformity with accounting principles generally accepted in the United States, or GAAP.

In connection with its review of Lakeland's audited financial statements for the fiscal year ended January 31, 2013, the Audit Committee reviewed and discussed the audited financial statements with management and discussed with Warren Averett, Lakeland's independent registered public accounting firm, the matters required to be discussed by SAS 114 (Codification of Statements on Auditing Standards, AU §380). The Audit Committee received the written disclosures and the letter from Warren Averett required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and discussed with Warren Averett its independence from Lakeland. The Audit Committee has also considered whether the provision of certain permitted non-audit services by Warren Averett is compatible with their independence.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board that the audited financial statements be included in Lakeland's Annual Report on Form 10-K for its fiscal year ended January 31, 2013 for filing with the SEC.

During fiscal 2013, the Audit Committee met with management and Lakeland's independent registered public accountants and received the results of the audit examination, evaluations of Lakeland's internal controls and the overall quality of Lakeland's financial organization and financial reporting. The Audit Committee also meets at least once each quarter with Lakeland's independent registered public accountants and management to review Lakeland's interim financial results before the publication of Lakeland's quarterly earnings press releases. The Audit Committee believes that a candid, substantive and focused dialogue with the independent registered public accountants is fundamental to the committee's responsibilities. To support this belief, the Audit Committee meets separately with the independent registered public accountants without the members of management present on at least an annual basis.

The Audit Committee has established procedures for the receipt, retention and treatment of complaints received by Lakeland regarding accounting, internal accounting controls, or auditing matters, including the confidential, anonymous submission by Lakeland employees, received through established procedures, of concerns regarding questionable accounting or auditing matters. We have established a confidential email and hotline for employees to report violations of Lakeland's Code of Ethics or other company policies and to report any ethical concerns.

The information contained in this report shall not be deemed "soliciting material" or to be "filed" with the SEC, nor shall such information be incorporated by reference into any future filing under the Securities Act of 1933, as amended (the "Securities Act"), or the Securities Exchange Act of 1934, as amended (the "Exchange Act"), except to the extent that Lakeland specifically incorporates it by reference into such filing.

In some cases, pre-approval is provided by the full committee for up to a year, and relates to a particular category or group of services and is subject to a specific budget and SEC rules. In other cases, the chairman of the Audit Committee has the delegated authority from the committee to pre-approve additional services, and such pre-approvals are then communicated to the full Audit Committee at its next meeting.

CORPORATE GOVERNANCE

Director Independence

Our Board is currently composed of seven directors. As required under the Marketplace Rules of the Nasdaq Stock Market LLC (“Nasdaq”), a majority of the members of a Nasdaq listed company’s board of directors must qualify as “independent,” as affirmatively determined by our Board. Our Board consults with our counsel, as necessary, to ensure that the Board’s determinations are consistent with all relevant securities and other laws and regulations regarding the definition of “independent,” including those set forth in pertinent Nasdaq Marketplace Rules, as in effect from time to time.

Consistent with these considerations, after review of all relevant transactions or relationships with each director, or any of his or her family members, our executive management has affirmatively determined that, other than Christopher J. Ryan, our Chief Executive Officer, President and Secretary, and Stephen M. Bachelder, our Chief Operating Officer, each member of our Board is an independent director for purposes of the Nasdaq Marketplace Rules. In making this determination, the Board found that none of these directors or nominees for director has a direct or indirect material or other disqualifying relationship with us, which, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

The Board holds executive sessions of its independent directors when it deems necessary but at least once per year.

Board and Committee Meetings and Attendance

The Board has three standing committees: an Audit Committee, a Compensation Committee, and a Nominating and Governance Committee. Each of these committees operates under a written charter adopted by the Board. Copies of these charters are available on our website at www.lakeland.com under the headings Financial Information – Corporate Governance and Board Matters. Board committee charters are also available in print to stockholders upon request, addressed to the Corporate Secretary, at 701 Koehler Avenue, Suite 7, Ronkonkoma, New York 11779.

During the fiscal year ended January 31, 2013, there were:

fourteen (14) meetings of the Board of Directors;
five (5) meetings of the Audit Committee;
two (2) meetings of the Compensation Committee; and
two (2) meetings of the Nominating and Governance Committee.

Each director attended at least 75% of the aggregate of the meetings of the Board and of the respective committees on which he served held during the period for which he was a director or committee member, respectively, during fiscal year ended January 31, 2013.

Audit Committee

During fiscal 2013, our Audit Committee consisted of A. John Kreft (Chairman), Douglas Benedict and James Jenkins (Eric O. Hallman and John J. Collins, retired from the Board on June 20, 2012). The Board annually reviews the definition of independence for Audit Committee members and has determined that all members of our Audit Committee are independent (as independence is currently defined under applicable Nasdaq Marketplace Rules). Our Board has determined that Mr. Kreft is an “audit committee financial expert,” as such term is defined in applicable rules and regulations based on, among other things, his MBA in finance from the Wharton School of Business, four and a half years’ experience with two “Big 4” accounting firms, eighteen years of investment banking, underwriting and advisory services experience with several brokerage firms such as Credit Suisse and Alex Brown and three years as Chief Executive Officer of a NASD broker dealer. Mr. Kreft has held five levels of security licenses at various times including General Securities Principal.

The formal report of our Audit Committee is included in this proxy statement. The Audit Committee’s responsibilities include, among other things:

- the oversight of the quality of our consolidated financial statements and our compliance with legal and regulatory requirements;
- the selection, evaluation and oversight of our independent registered public accountants, including conducting a review of their independence, determining their fees, overseeing their audit work, and reviewing and pre-approving any non-audit services that may be performed by them;
- the oversight of annual audit and quarterly reviews, including review of our consolidated financial statements, our critical accounting policies and any material related-party transactions and the application of accounting principles; and

the oversight of financial reporting process and internal controls, including a review of the adequacy of our accounting and internal controls and procedures.

Compensation Committee

During fiscal 2013, our Compensation Committee consisted of Thomas McAteer (Chairman), Duane Albro and A. John Kreft (John Collins retired from the Board on June 20, 2012), each of whom is an independent director (as independence is currently defined under applicable Nasdaq Marketplace Rules). Our Compensation Committee's role includes setting and administering the policies governing the compensation of executive officers, including cash compensation and equity incentive programs, and reviewing and establishing the compensation of the Chief Executive Officer and other executive officers. Our Compensation Committee's principal responsibilities, which have been authorized by the Board, are:

approving the compensation for the Chief Executive Officer and other executive officers (after considering the recommendation of our Chief Executive Officer with respect to the form and amount of compensation for executive officers other than the Chief Executive Officer);

approving the amount of and vesting of equity awards; and

advising the Board on our compensation and benefits matters, including making recommendations and decisions where authority has been granted regarding our equity incentive plan, bonuses and incentive compensation plans.

Our Compensation Committee does not delegate any of its responsibilities to other committees or persons.

Participation by executive officers in the recommendation or determination of compensation for executive officers or directors is limited to (i) recommendations by our Chief Executive Officer to our Compensation Committee regarding the compensation of executive officers other than with respect to himself and (ii) our Chief Executive Officer's participation in Board determinations of compensation for the non-employee directors.

Nominating and Governance Committee

During fiscal 2013, our Nominating and Governance Committee consisted of Duane Albro (Chairman), Douglas Benedict and James Jenkins, each of whom is an independent director (as independence is currently defined in the applicable Nasdaq Marketplace Rules). The purpose of the Nominating and Governance Committee is to identify, screen and recommend to the Board qualified candidates to serve as directors, to develop and recommend to the Board a set of corporate governance principles applicable to Lakeland, and to oversee corporate governance and other organizational matters. The Nominating and Governance Committee's responsibilities include, among other things:

reviewing qualified candidates to serve as directors;

aiding in attracting qualified candidates to serve on the Board;

considering, reviewing and investigating (including with respect to potential conflicts of interest of prospective candidates) and either accepting or rejecting candidates suggested by our stockholders, directors, officers, employees and others;

recommending to the full Board nominees for new or vacant positions on the Board and providing profiles of the qualifications of the candidates;

- monitoring our overall corporate governance and corporate compliance program;
- reviewing and adopting policies governing the qualification and composition of the Board;
- recommending remuneration for non-employee Board members;

reviewing and making recommendations to the Board regarding Board structure, including establishing criteria for committee membership, recommending processes for new Board member orientation, and reviewing and monitoring the performance of incumbent directors;

recommending to the Board action with respect to implementing resignation, retention and retirement policies of the Board;

reviewing the role and effectiveness of the Board, the respective Board committees and the directors in our corporate governance process; and

reviewing and making recommendations to the Board regarding the nature and duties of Board committees, including evaluating the committee charters, recommending appointments to committees, and recommending the appropriate chairperson for the Board.

Director Nomination Procedures

The Nominating and Governance Committee will consider director candidates recommended by stockholders. In considering candidates submitted by stockholders, the Nominating and Governance Committee will take into consideration the needs of the Board and the qualifications of the candidate. The Nominating and Governance Committee may also take into consideration the number of shares held by the recommending stockholder and the length of time that such shares have been held. To have a candidate considered by the Nominating and Governance Committee, a stockholder must submit the recommendation in writing and must include the following information:

- the name of the stockholder and evidence of the person's ownership of our stock, including the number of shares owned and the length of time of ownership;
- the name of the candidate, the candidate's written detailed resume and a listing of his or her qualifications to be a director of the company; and
- the written consent of the proposed candidate to be named as a nominee and to serve as a director if elected.

The stockholder recommendation and information described above must be sent to the Corporate Secretary at 701 Koehler Avenue, Suite 7, Ronkonkoma, New York 11779 and must be delivered to, or mailed and received by the Corporate Secretary not earlier than the one hundred fiftieth (150th) calendar day, and not later than the close of business on the one hundred twentieth (120th) calendar day, prior to the first anniversary of the immediately preceding year's Annual Meeting of Stockholders.

The Nominating and Governance Committee believes that the minimum qualifications for serving as a director are that a nominee demonstrate, by significant accomplishment in his or her field, an ability to make a meaningful contribution to the Board's oversight of the business and affairs of Lakeland and have an impeccable record and reputation for honesty and ethical conduct in both his or her professional and personal activities. In addition, the Nominating and Governance Committee examines a candidate's specific experiences and skills, relevant industry background and knowledge, time availability in light of other commitments, potential conflicts of interest, interpersonal skills and compatibility with the Board, and independence from management and the Company. The Nominating and Governance Committee also seeks to have the Board represent a diversity of backgrounds and experience. The Nominating and Governance Committee does not assign specific weights to particular criteria and no particular criterion is necessarily applicable to all prospective nominees. The Nominating and Governance Committee believes that the backgrounds and qualifications of the directors, considered as a group, should provide a composite mix of experience, knowledge and abilities that will allow the Board to fulfill its responsibilities.

The Nominating and Governance Committee identifies potential nominees through independent research and through consultation with current directors and executive officers and other professional colleagues. The Nominating and Governance Committee looks for persons meeting the criteria above, and takes note of individuals who have had a change in circumstances that might make them available to serve on the Board, for example, retirement as a Chief Executive Officer or Chief Financial Officer of a company. The Nominating and Governance Committee also, from time to time, may engage firms that specialize in identifying director candidates. As described above, the Nominating and Governance Committee will also consider candidates recommended by stockholders.

Once a person has been identified by the Nominating and Governance Committee as a potential candidate, the committee may collect and review publicly available information regarding the person to assess whether the person should be considered further. If the Nominating and Governance Committee determines that the candidate warrants further consideration by the committee, the Chairman or another member of the committee will contact the person. Generally, if the person expresses a willingness to be considered and to serve on the Board, the Nominating and Governance Committee requests a resume and other information from the candidate, reviews the person's accomplishments and qualifications, including in light of any other candidates that the committee might be considering. The Nominating and Governance Committee may also conduct one or more interviews with the candidate, either in person, telephonically or both. In certain instances, Nominating and Governance Committee members may conduct a background check, may contact one or more references provided by the candidate or may contact other members of the business community or other persons that may have greater first-hand knowledge of the candidate's accomplishments. The Nominating and Governance Committee's evaluation process does not vary based on whether or not a candidate is recommended by a stockholder, although, as stated above, the committee may take into consideration the number of shares held by the recommending stockholder and the length of time that such shares have been held.

Interested Party Communications

The Board has established a process to receive communications from stockholders and other interested parties. Stockholders and other interested parties may contact any member (or all members) of the Board by mail. To communicate with the Board, any individual director or any group or committee of directors, correspondence should be addressed to the Board or any such individual director or group or committee of directors by either name or title. All such correspondence should be sent c/o Corporate Secretary, 701 Koehler Avenue, Suite 7, Ronkonkoma, New York 11779.

All communications received as set forth in the preceding paragraph will be opened by the office of our Corporate Secretary for the sole purpose of determining whether the contents represent a message to our directors. Any contents that are not in the nature of advertising, promotions of a product or service, or patently offensive material will be forwarded promptly to the addressee. In the case of communications to the Board or any group or committee of directors, the Corporate Secretary's office will make sufficient copies of the contents to send to each director who is a member of the group or committee to which the envelope is addressed.

Director Attendance at Annual Stockholder Meetings

We expect that each of our directors attend our Annual Stockholder Meetings, as provided in our Corporate Governance Guidelines. All of our directors were in attendance at the June 20, 2012 Annual Meeting of Stockholders.

Corporate Governance Guidelines and Practices

We are committed to good corporate governance practices and as such we have adopted formal Corporate Governance Guidelines. A copy of the Corporate Governance Guidelines may be found on our website at www.lakeland.com under the headings Financial Information – Corporate Governance and Board Matters. Below are some highlights of our corporate governance guidelines and practices:

Board Independence. We believe that the Board should be comprised of a majority of independent directors and that no more than two management executives may serve on the Board at the same time. Currently, the Board has seven directors, five of whom are independent directors under the applicable Nasdaq Marketplace Rules and two who are active members of management.

Board Committees. All of our Board committees consist entirely of independent directors as defined under the applicable Nasdaq Marketplace Rules.

Chairman, CEO and Position Separation; Leadership Structure. The Board separated the positions of Chairman of the Board and Chief Executive Officer in 2003, and elected Christopher J. Ryan as President and Chief Executive Officer. Raymond Smith retired as Chairman of the Board on February 25, 2011 and was succeeded by Stephen M. Bachelder. In October 27, 2012 Mr. Bachelder stepped down from Chairman of the Board to become the Company's Chief Operating Officer. Mr. Duane Albro was elected to fill the position of Chairman of the Board on October 27, 2012. Separating these positions allows for the Chief Executive Officer to focus on day-to-day business operations of the Company, while allowing the Chairman of the Board to lead the Board in its fundamental role of providing advice to management. The Board recognizes the time, effort, and energy that our Chief Executive Officer is required to devote to his position in the current business environment, as well as the commitment required to serve as Chairman, particularly as the Board's oversight responsibilities continue to grow. While the Company bylaws and corporate governance guidelines do not require that the Chairman and Chief Executive Officer positions be separate, the Board believes that having separate positions is the appropriate leadership structure for the Company at this time and demonstrates its commitment to good corporate governance.

Executive Session of Independent Directors. The Board's current practice is to hold an executive session of its independent directors at least once a year. In fiscal 2013, the independent members of our Board met in executive session four times.

Independent Advisors. The Board and each committee have the power to hire independent legal, financial or other advisors at any time as they deem necessary and appropriate to fulfill their Board and committee responsibilities.

Directors Are Subject to our Code of Conduct. Board members must act at all times in accordance with the requirements of our Code of Conduct. This obligation includes adherence to our policies with respect to conflicts of interest, ethical conduct in business dealings and respect for and compliance with applicable law. Any requested waiver of the requirements of the Code of Conduct with respect to any individual director or executive officer must be reported to, and subject to, the approval of the Board, or the Audit Committee.

Board Engagement. The Board has regularly scheduled presentations from our finance, products, sales and marketing departments.

No Corporate Loans. Our stock plans and practices prohibit us from making corporate loans to employees for the exercise of stock options or for any other purpose.

Risk Oversight

Management is responsible for the day-to-day management of risks for Lakeland, while our Board of Directors, as a whole and through its committees, is responsible for the oversight of risk management. The Board sets our overall risk management strategy and our risk appetite and ensures the implementation of our risk management framework. Specific committees of the Board are responsible for overseeing specific types of risk. Our Audit Committee periodically discusses risks as they relate to the Company's financial statements, the evaluation of the effectiveness of internal control over financial reporting, compliance with legal and regulatory requirements including Sarbanes-Oxley Act, and related party transactions, among other responsibilities set forth in the Audit Committee's charter. Our Audit Committee also periodically may review our tax exposures and our internal processes to ensure compliance with applicable laws and regulations. The Board of Directors monitors risks as they may be related to financing matters such as acquisitions and dispositions, our capital structure, credit facilities, equity issuances, and liquidity. Our Compensation Committee establishes our compensation policies and programs in such a manner that our executive officers are not incentivized to take on an inappropriate level of risk. Our Nominating and Governance Committee reviews any employee reports regarding suspected violations of our Code of Conduct. Each of our board committees delivers periodic reports to the Board, in order to keep the Board of Directors informed about what transpires at committee meetings. In addition, if a particular risk is material or where otherwise appropriate, the full Board may assume oversight over such risk, even if the risk was initially overseen by a committee.

Code of Ethics

The Board adopted our amended Code of Ethics on February 6, 2012 that applies to all officers, directors and employees. The Code of Ethics sets forth information and procedures for employees to report ethical or accounting concerns, misconduct or violations of the Code in a confidential manner. The Code of Ethics is available on our website at www.lakeland.com under the headings Financial Information – Corporate Governance and Board Matters. Amendments to, and waivers from, the Code of Ethics will be disclosed at the same website address provided above and in such filings as may be required pursuant to applicable law or listing standards. We intend to satisfy the disclosure requirement under Item 5.05(c) of Form 8-K regarding certain amendments to, or waivers from a provision of this code of ethics by posting such information on our website at www.lakeland.com under the headings Financial Information – Corporate Governance and Board Matters.

EXECUTIVE OFFICER COMPENSATION

We currently qualify as a “smaller reporting company” as such term is defined in Rule 405 of the Securities Act of 1933, as amended, and Item 10(f) of Regulation S-K. Accordingly, and in accordance with relevant Securities and Exchange Commission rules and guidance, we have elected, with respect to the disclosures required by Item 402 (Executive Compensation) of Regulation S-K, to comply, in some cases, with the requirements applicable to larger companies and, in other cases, with the disclosure requirements applicable to smaller reporting companies. The following Executive Compensation Overview is not comparable to the “Compensation Discussion and Analysis” that is required of SEC reporting companies that are not smaller reporting companies.

executive compensation overview

Compensation Committee. The Compensation Committee of our Board of Directors (the “Committee”) assists the Board in discharging its responsibilities relating to compensation of the Company’s executive officers and supervision of the Company’s stock plans and 401(k) Plans. The Committee reports to the Board of Directors and is responsible for:

- § Developing guidelines for, and reviewing the compensation and performance of, the Company’s executive officers;
- § Evaluating the executive officers’ performance in light of these goals and objectives;
- § Making recommendations to the Board of Directors regarding the management contracts of executive officers when they are proposed or renewed; and
- § Approving the compensation of the Chief Executive Officer.

Compensation Philosophy and Objectives. The Company seeks to pay its executive officers total compensation that is competitive with other companies of comparable size and complexity. Generally, the types of compensation and benefits provided to the Chief Executive Officer and other executive officers are comparable to those provided to other executive officers of small cap, publicly-traded and similarly sized companies in the industry in which the Company operates.

The compensation policies of the Company are designed to:

- § Increase stockholder value;
- § Increase the overall performance of the Company;
- § Attract, motivate and retain experienced and qualified executives; and
- § Incentivize the executive officers to achieve the highest level of Company financial performance.

While the Company seeks to maintain competitive compensation arrangements for its executives, it also strongly believes that the competitiveness of the compensation packages should be based on the total compensation achievable by the executive officers and that a portion of that compensation should be linked to the performance of the Company. Accordingly, the executive compensation packages provided to the Chief Executive Officer and the other executive officers are structured to include, among other things and in addition to base salary and benefits, equity incentives. A reasonable portion of the compensation packages for executive officers is in the form of restricted stock grants, which are intended to provide incentives to executive officers to achieve long-term growth in the price of the Company’s common stock and additional annual cash bonus opportunities, which are intended to reward executive officers for meeting annual financial performance goals. Overall compensation levels are set such that, for executive officers to achieve a competitive compensation level, there must be both growth in the market price of the Company’s common stock and growth in the Company’s earnings and revenues. The determination that such goals have been met and merit pay-outs pursuant to the incentive portion of the overall compensation rests with the Committee.

The Committee believes that executive officer compensation should seek to align the interests of executives with those of the Company's stockholders, by seeking to reward long-term growth (not short-term) in the value of the Company's common stock and to reward the achievement of annual financial goals by the Company. The incentive components of compensation restricted stock grants and annual cash bonuses for executive officers are linked to corporate financial performance as well as individual goals. This is intended to keep the executive team focused on the core goal of overall long-term corporate performance.

When setting or recommending compensation levels, the Committee considers the overall performance of the Company, the individual performance of each of the executive officers, and their individual contributions to and ability to influence the Company's performance, and also seeks to encourage teamwork amongst the executives. The Committee believes that the level of total compensation, including base salary, bonus, restricted stock grants and benefits of executives should generally be maintained to compete with other public and private companies of comparable size and complexity. The Committee bases its determinations on a variety of factors, including the personal knowledge of market conditions that each member of the Committee has gained in his own experience managing businesses, salary surveys available to the Company, the knowledge of the Chief Executive Officer and other executives as to local market conditions, and information learned regarding the compensation levels at other small cap companies in the industrial apparel industry and other similarly sized businesses. The Committee periodically evaluates the types and levels of compensation paid by the Company to ensure that it is able to attract and retain qualified executive officers and that their compensation remains comparable to compensation paid to similarly situated executives in comparable companies.

The following describes in more specific terms the elements of compensation that implement the compensation philosophy and objectives described above, with specific reference to compensation earned by the named executive officers for the fiscal year ended January 31, 2013. "Named executive officers" refers to those executive officers named on the Summary Compensation Table that immediately follows this discussion.

Base Salaries. The base salary of each of our named executive officers is fixed pursuant to the terms of their respective employment agreements with us at the time a person initially becomes an executive officer by evaluating the responsibilities of the position, the experience and knowledge of the individual and the competitive marketplace at that time for executive talent, including a comparison to base salaries for comparable positions (considered in the context of the total compensation paid by such companies). Salaries are reviewed from time to time thereafter, generally in connection with the expiration of employment agreements or when other considerations warrant such review in the discretion of the Committee and Board of Directors, considering the foregoing factors as well as the executive's performance and the other factors considered in setting total compensation described above.

When salary adjustments are considered, they are made in the context of the total compensation for executive officers, consistent with the core principles discussed above. In each case, the participants involved in recommending and approving salary adjustments consider the performance of each executive officer, including consideration of new responsibilities and the previous year's corporate performance. Individual performance evaluations take into account such factors as achievement of specific goals that are driven by the Company's strategic plan and attainment of specific individual objectives. The factors impacting base salary levels are not assigned specific weights but are considered as a totality, against the backdrop of the Company's overall compensation philosophy, and salary adjustments are determined in the discretion of the Committee and the Board of Directors. The base salaries paid in fiscal 2013 were set in prior years, except for a voluntary 8% reduction in officer base salary as of July 2011 which continues in effect as of the date hereof and the voluntary 30% cash reduction the CEO, CFO and COO's base salary payable in unvested restricted stock as of October 2012 which continue in effect as of the date hereof.

Bonuses. There were no bonuses either earned or paid to executive officers for fiscal 2013. The Company has historically made its annual bonuses eligible for executive officers based on corporate performance, as measured by reference to factors which the Committee believes reflect objective performance criteria over which management generally has the ability to exert some degree of control. For each of our named executive officers, all cash bonuses are at the discretion of the Committee, when formulas are set.

Restricted Stock Grants. A third component of executive officers' compensation is grants of restricted shares of common stock issued pursuant to our 2012 Stock Incentive Plan approved by the Company's stockholders in June 2012. The Committee or the full Board of Directors grants restricted stock to the Company's executives in order to align their interests with the interests of the stockholders. Restricted stock grants are considered by the Company to be an effective long-term incentive because the executives' gains are linked to increases in stock value, which in turn provides stockholder gains. Restricted stock was granted to executive officers in accordance with the terms of the 2012 Stock Incentive Plan. The restricted stock granted to executive officers "cliff" vest at the end of three years, which the Company believes makes the grants a more effective retention incentive, subject to the performance evaluation

made by the Board of Directors in their sole discretion, at the end of the three-year performance period. Restricted stock grants made to the executive officers pursuant to the 2012 Stock Incentive Plan reflect the significant individual contributions the Committee expects the executive officers will make to the Company's operations and implementation of the Company's development and growth programs, and the amounts of such grants were determined based on the same considerations discussed above in the context of setting salaries and annual bonuses. The number of shares of restricted stock granted is not tied to a formula or comparable company target ranges, but rather determined at the end of the three-year performance period in the discretion of the Committee and the Board of Directors consistent with the compensation philosophy described above. At the end of the three-year performance period, the number of shares (baseline, maximum or zero) determined by the Board of Directors in its discretion will then vest.

Setting Executive Compensation. Base salaries and other compensation for the Chief Executive Officer and other executive officers are set by the Committee and reflect a number of elements including recommendations by our Chief Executive Officer, Christopher J. Ryan, as to the other executive officers based on evaluation of their performance and the other factors described above. The Committee works closely with Mr. Ryan in establishing compensation levels for the other executive officers. Mr. Ryan and the individual executive typically engage in discussions regarding the executive's salary, and Mr. Ryan reports on such discussions and makes his own recommendations to the Committee. The Committee will separately discuss with Mr. Ryan any proposed adjustment to his own compensation. The Committee reports to the Board of Directors on all proposed changes in executive compensation, after it has formed a view on appropriate adjustments, and makes recommendations for consideration of the Board for the Chief Executive Officer and the other executive officers. The Committee considers such recommendations and, thereafter, sets the compensation level for Mr. Ryan, and for the other executive officers. Salary levels and other aspects of compensation for executive officers historically have been set forth in employment agreements having terms of two to five years.

The Committee is charged with the responsibility for approving the compensation package for the Chief Executive Officer. The Chief Executive Officer is not present during voting or deliberation on his performance or compensation.

The Board of Directors or the Committee can exercise the right to modify any recommended adjustments or awards to the executive officers.

Retirement Benefits. The Company does not provide any retirement benefits to its executive officers, other than matching from time to time a portion of employee contributions to the Company's 401(k) plan. In August 2009, the Board of Directors determined to suspend the Company's 401(k) match which continues in effect as of the date hereof.

Employment Agreements. The Company enters into employment agreements with certain of its executive officers because it generally believes that, in respect of key executive officers, there is a significant value in its competitive markets to setting out compensation and benefit expectations in writing, maintaining appropriate non-competition, non-solicitation of employees and confidentiality agreements with key executives, and agreeing in advance on post-termination payments and other obligations. These employment agreements are described in more detail under the caption "Employment Agreements" below.

Taxation and Accounting Matters. Section 162(m) of the Internal Revenue Code may impose a limit on the amount of compensation we may deduct in any one year with respect to certain specified employees. Section 162(m) of the Code denies a federal income tax deduction for certain compensation in excess of \$1.0 million per year paid to the chief executive officer and the three other most highly-paid executive officers (other than the chief financial officer) of a publicly-traded corporation. Certain types of compensation, including compensation based on performance criteria that are approved in advance by stockholders, are excluded from the deduction limit. We believe that Section 162(m) of the Code will not limit our tax deductions for executive compensation for fiscal year 2013. The Compensation Committee's policy is to qualify compensation paid to our executive officers for deductibility for federal income tax purposes to the extent feasible. However, to retain highly skilled executives and remain competitive with other employers, the Compensation Committee has the right to authorize compensation that would not otherwise be deductible under Section 162(m) or otherwise.

narrative to summary compensation table

We are party to employment agreements with our named Executive Officers, the terms of which are set forth below.

Christopher J. Ryan serves as Chief Executive Officer, President and Secretary of the Company. He also serves as President and Chief Operating Officer or Director and Secretary/Assistant Secretary of all of the Company's subsidiaries. Mr. Ryan is party to an employment agreement with the Company which commenced on April 16, 2010 and automatically renews for two years unless notice not to renew is provided by either party. The agreement currently expires on April 16, 2015. Pursuant to the agreement, Mr. Ryan was to be paid an annual base salary of \$400,000 in FY13. As a result of a voluntary management reduction in his salary by 8% in July 2011, Mr. Ryan was paid a base salary rate of \$368,000 in FY12 and in October 2012 volunteered to have a 30% cash reduction in salary and to receive this reduction in Restricted Stock, subject to two year vesting, resulting in an annualized cash compensation reduction of \$110,400. Mr. Ryan was not granted any stock options and received grants of 27,000 shares of restricted stock in fiscal 2013 at maximum under the three year performance plan, but was eligible to receive an incentive cash bonus payment based upon increases in earnings per share as set by the Compensation Committee, in its discretion, and participates in benefit plans and is entitled to the other benefits available to all other senior

executives. These benefits include, without limitation, health insurance coverage, disability and life insurance, a mobile phone and an auto allowance. Mr. Ryan had a contractual bonus for FY12 and FY13 based on \$3,000 per each penny of EPS over a predetermined amount set by the Board at the beginning of each year, subject to certain limitations; however, Mr. Ryan did not earn a bonus for either FY13 or FY12. Mr. Ryan also participates in the 2012 Stock Incentive Plan. Pursuant to his employment agreement, Mr. Ryan is subject to non-compete and confidentiality restrictions during the term of his employment and for a period of one year thereafter. Potential payments to Mr. Ryan in connection with any termination or change of control are discussed below under “Potential Payments Upon Termination”.

Stephen M. Bachelder serves as Chief Operating Officer of the Company. Mr. Bachelder is party to an employment agreement with the Company which commenced on March 1, 2011 and expires on March 1, 2014, unless earlier terminated pursuant to the terms of the employment agreement. Pursuant to the agreement, Mr. Bachelder was to be paid an annual base salary of \$290,000 in FY13. As a result of a voluntary management reduction in his salary by 8% in July 2011, Mr. Bachelder was paid a base salary rate of \$239,094 in FY13 and in October 2012 volunteered to have a 30% cash reduction in salary and to receive this reduction in Restricted Stock, subject to two year vesting, resulting in an annualized cash compensation reduction of \$80,040. Mr. Bachelder was not granted any stock options and received grants of 27,000 shares of restricted stock in fiscal 2013, and participates in benefit plans and is entitled to the other benefits available to all other senior executives and is eligible to be paid a discretionary stock bonus or cash bonus as determined by the Company’s Chief Executive Officer based on performance. Mr. Bachelder is also entitled to receive up to a maximum of 15,625 shares of restricted stock which may be added to his compensation and to participate in other benefit plans available to all other senior executives. Such shares are subject to two-year time vesting. Pursuant to his employment agreement, Mr. Bachelder is subject to non-compete and confidentiality restrictions during the term of his employment and for a period of 18 months and five years, respectively, thereafter. The potential payments to Mr. Bachelder in connection with any termination are discussed below under “Potential Payments Upon Termination”.

Gary Pokrassa serves as the Chief Financial Officer of the Company. Pursuant to the terms of his employment agreement with the Company, Mr. Pokrassa’s term of employment is for a period of three years commencing on January 31, 2012 and will expire on January 31, 2015, unless earlier terminated pursuant to the terms of the agreement. The agreement provides for an annual base salary of \$225,000, less an 8% voluntary management imposed salary reduction, or \$207,000, until such time as the voluntary reduction may be lifted, and in October 2012 volunteered to have a 30% cash reduction in salary and to receive this reduction in Restricted Stock subject to two year vesting, resulting in an annualized cash compensation reduction of \$62,100. If the 8% reduction is rescinded, Mr. Pokrassa’s annual base salary will increase to \$250,000. Mr. Pokrassa is also entitled to receive an annual bonus under an incentive compensation plan as finally determined by the Compensation Committee. The annual bonus awarded will be between 80% and 120% of Mr. Pokrassa’s target bonus amount of \$85,000, subject to adjustment from time to time, and calculated based upon the Company’s actual earnings per share (“EPS”) as compared with an EPS target for such year established by the Compensation Committee with Mr. Pokrassa’s input. No bonus was earned for FY13. Mr. Pokrassa is entitled to receive health insurance coverage, disability and life insurance, a car allowance and participation in all other benefit plans offered by the Company to other senior executives. Pursuant to his employment agreement, Mr. Pokrassa is subject to non-compete, non-solicitation and confidentiality restrictions during the term of his employment and for a period of one year thereafter. Potential payments to Mr. Pokrassa in connection with termination or change of control are discussed below under “Potential Payments Upon Termination”. Mr. Pokrassa was not granted any stock options and received grants of 16,000 shares of restricted stock in fiscal 2013 at maximum under the three year performance plan.

POTENTIAL PAYMENTS UPON TERMINATION

Christopher J. Ryan

Pursuant to the terms of his employment agreement, if Mr. Ryan is terminated by the Company without cause (as defined in the employment agreement) or he terminates his employment for “good reason” (as defined in the employment agreement), the Company is obligated to pay him, within 30 days after the date of termination, (a) his accrued and unpaid annual base salary through the date of termination, accrued benefits payable under compensation plans, programs or arrangements, and accrued vacation pay (collectively, the “Accrued Obligations”), (b) his pro rata share of the Current Target Bonus (as defined in the employment agreement), if any, payable during the year of his termination, and (c) his base salary and Current Target Bonus as though he had remained in the Company’s employ until the contract expiration date (April 16, 2015) or for a period beginning on the date of termination and ending two years thereafter, whichever is longer. The Company may elect to make the balance of such payments then remaining in a lump sum discounted to present value. In addition, Mr. Ryan would be entitled to a continuation of his medical and health benefits for a period of two years beginning on the date of termination.

In the event a Triggering Transaction” (defined as a “change of control,” as defined in the employment agreement) occurs during the term of his employment agreement and within four years after the Triggering Transaction, the Company terminates Mr. Ryan without cause or Mr. Ryan terminates his employment for good reason, or if one of the aforementioned terminations occurs within six months prior to the earlier of (i) a Triggering Transaction or (ii) Mr. Ryan’s execution of an agreement which results in a Triggering Transaction, then Mr. Ryan shall be entitled to, as of the date of termination or the date of the Triggering Transaction, as applicable, (i) the Accrued Obligations, (ii) his pro rata share of the Current Target Bonus, if any, payable during the year of his termination, and (iii) a severance amount equal to 3.99 times an amount equal to his then current annual base salary and Current Target Bonus. If any of these payments provided to Mr. Ryan would be subject to the excise tax imposed by Section 4999 of the Code, Mr. Ryan shall be entitled to a Gross-up Payment (as defined in the employment agreement). In addition, all stock options held by Mr. Ryan shall immediately vest and be exercisable.

In the event Mr. Ryan’s employment is terminated as a result of his death or disability (as defined in the employment agreement) or if Mr. Ryan terminates his employment other than for good reason, the employment agreement shall immediately terminate and Mr. Ryan or his representatives or beneficiaries shall be entitled to all Accrued Obligations and all other accrued amounts, if any, to which he is entitled as of the date of termination in connection with any benefits or under any incentive compensation plan or programs.

Stephen M. Bachelder

Under the terms of his employment agreement, either Mr. Bachelder or the Company may terminate his employment at any time. In the event Mr. Bachelder terminates his employment or the Company terminates him for cause (as defined in the employment agreement), he would be entitled to his accrued and unpaid base salary through the date of termination and all other benefits, bonuses and stock awards accrued through that date. If the Company shall terminate

Mr. Bachelder without cause or Mr. Bachelder terminates his employment for good reason (as defined in the employment agreement), he would be entitled to one years' base salary and any bonus, stock awards and other benefits that would have accrued within the one year following the date of termination, including those that accrued as of the date of termination. The estimated amount of his bonus to be paid pursuant to the employment agreement for the fiscal year during which the termination occurs shall be determined in good faith by the Compensation Committee of the Board of Directors based upon the Company's results of operations for that portion of the fiscal year through the effective date of the termination and the Company's historical results of operations.

The Company may terminate Mr. Bachelder's employment agreement if he becomes disabled (as defined in the employment agreement). Upon death, Mr. Bachelder's estate is entitled to receive his base salary and all benefits accrued through the last day of the month in which his death occurred.

Gary Pokrassa

Pursuant to the terms of Mr. Pokrassa's employment agreement, if Mr. Pokrassa's employment is terminated "for cause" (as defined in the employment agreement), his employment agreement would terminate immediately and he would be paid his accrued and unpaid annual base salary through the date of termination, any annual bonus earned for the year prior to the year of termination but not yet paid and any other employee benefits generally paid by the Company through the date of termination (collectively, the "GP Accrued Obligations"). In the event Mr. Pokrassa terminates his employment for "good reason" (as defined in the employment agreement) or he is terminated by the Company without cause, Mr. Pokrassa is entitled to be paid (a) the GP Accrued Obligations, (b) an additional twelve months of his then current base salary payable in equal monthly installments, and (c) a pro rata portion of any annual bonus earned for the year of termination through the date of termination, as determined in good faith by the Compensation Committee. ADVISORY VOTE ON NAMED EXECUTIVE OFFICER COMPENSATION

(Item 3 on the Proxy Card)

The Board is committed to excellence in governance. As part of that commitment, as required by Section 14A of the Securities Exchange Act of 1934, the Board is providing our stockholders with an opportunity to vote to approve, on an advisory basis, named executive officer compensation, which is commonly known as “say-on-pay. We are holding the say-on-pay vote in connection with our 2013 Annual Meeting of Stockholders.

We are asking our stockholders to indicate their support for the compensation of our named executive officers as described in this proxy statement. This vote is not intended to address any specific item of compensation, but rather to overall compensation of our named executive officers and the executive compensation program and practices described in this proxy statement. Please read the Executive Compensation Overview and the Executive Compensation Tables and Narrative to Summary Compensation Table for a detailed explanation of our executive compensation program and practices.

“**RESOLVED**”, that the compensation of the named executive officers as disclosed pursuant to the compensation disclosure rules of the SEC, including the Executive Officer Compensation Overview and the Executive Compensation Tables and Narrative to Summary Compensation Table and any other related material disclosed in this proxy statement, is hereby approved on an advisory basis.”

As an advisory vote, this proposal is not binding on Lakeland. However, the Compensation Committee of our Board, which is responsible for designing and administering our executive compensation program and practices, values the opinions expressed by stockholders in their vote on this proposal, and will consider the outcome of the vote when making future compensation decisions for named executive officers.

YOUR BOARD UNANIMOUSLY RECOMMENDS A VOTE “FOR” THIS PROPOSAL

FREQUENCY OF ADVISORY VOTE REGARDING EXECUTIVE COMPENSATION

(Item 4 on the Proxy Card)

Lakeland is seeking an advisory vote on the frequency with which say-on-pay votes, similar to Proposal 3 in this Proxy Statement, should be held in the future. The advisory vote is commonly referred to as “say on frequency.” By

voting on this Proposal 4, stockholders may indicate whether they prefer an advisory vote on the compensation of our named executive officers every one, two, or three years.

After careful consideration of this Proposal, our Board of Directors has determined that an advisory vote on executive compensation that occurs every three years is the most appropriate alternative for our Company and, therefore, our Board of Directors recommends that you support a frequency period of every three years for the advisory vote on executive compensation.

Stockholders are not voting to approve or disapprove of the Board's recommendation. Instead, stockholders have four choices with respect to this proposal: one year, two years, three years or abstaining from voting on the proposal. While this vote is advisory and non-binding in nature, it is the intention of the Board of Directors to give careful consideration to the frequency desired by our stockholders as expressed by their vote on this Proposal before determining the action the Board deems most appropriate for Lakeland and its stockholders.

YOUR BOARD UNANIMOUSLY RECOMMENDS A VOTE FOR A "THREE YEAR" FREQUENCY OF FUTURE ADVISORY VOTES ON THE COMPENSATION OF EXECUTIVE OFFICERS

OTHER MATTERS

The Board of Directors knows of no matters other than those described above that have been submitted for consideration at this Annual Meeting. As to other matters, if any, that properly may come before the Annual Meeting, the Board of Directors intends that the proxy cards will be voted in respect thereof in accordance with the judgment of the person or persons named thereon.
