PROXY STATEMENT

This proxy statement is furnished to stockholders of Trinity Place Holdings Inc. (the Company, we or us) in connection with the solicitation of proxies, in the accompanying form, by the Board of Directors of the Company (the Board of Directors or Board) for use in voting at the 2016 Annual Meeting of Stockholders (the Annual Meeting) to be held at the offices of Kramer Levin Naftalis & Frankel LLP, 1177 Avenue of the Americas, 29th Floor, New York, New York 10036, on Thursday, June 16, 2016, at 10:00 a.m. (local time), and at any adjournment or postponement thereof.

This proxy statement and the accompanying form of proxy are first being mailed to stockholders on or about May 5, 2016.

**FREQUENTLY ASKED QUESTIONS ABOUT
OUR PROXY MATERIALS AND THE ANNUAL
MEETING**

Q: Why am I receiving these materials?

You are receiving these materials because you were a stockholder of Trinity Place Holdings Inc. at the close of business on April 25, 2016, the date for determining those persons entitled to notice of, and to vote at, the Annual Meeting.

Q: What am I voting on?

A: Holders of Common Stock are being asked to vote on the following proposals:

The election of Alexander C. Matina and Marina Shevrytalova as Class II members of the Board of Directors; The ratification of the appointment of BDO USA, LLP as the Company's independent registered public accounting firm for the calendar year ending December 31, 2016; and Such other business as may properly come before the meeting and at any adjournments or postponements of the meeting.

If you are a holder of Special Stock, you are being asked to vote on the election of Joanne M. Minieri as a Class II member of the Board of Directors.

As of the date of this proxy statement, the Board knows of no other matters that will be brought before the Annual Meeting.

Q: Who can vote?

A: The right of the holders of our securities to vote at the meeting is as follows:

Election of two directors by the holders of our Common Stock. The first proposal to be considered at the meeting is the election of Alexander C. Matina and Marina Shevrytalova as Class II members of the Board of Directors by the holders of our Common Stock. All persons that own shares of our Common Stock directly in their name as the stockholder of record are entitled to cast one vote for each share owned. As of April 25, 2016, there were 25,477,422

shares of Common Stock outstanding and entitled to vote.

Election of one director by the holder of our Special Stock. In addition, one of the matters to be considered at the meeting by the holder of our Special Stock is the election of Joanne M. Minieri as a Class II member of the Board of Directors. The holder of the Special Stock is entitled to cast one vote for each share owned. As of April 25, 2016, there was 1 share of Special Stock outstanding and entitled to vote.

TABLE OF CONTENTS

Ratification of the appointment of BDO USA, LLP. The second proposal to be considered at the meeting is the ratification of the appointment of BDO USA, LLP as the Company's independent registered public accounting firm for the calendar year ending December 31, 2016. All persons that own shares of our Common Stock directly in their name as the stockholder of record are entitled to cast one vote for each share owned.

Other matters. The holders of Common Stock will have the right to vote on other matters properly brought before the meeting. With respect to these matters, each holder of record of Common Stock as of the record date will be entitled to one vote for each share held.

If you are a beneficial owner of stock who holds shares indirectly, such as through a broker, bank or other nominee, you should follow instructions from the record owner of your shares in order to vote your shares.

Q: What if my shares are registered in more than one person's name?

A: If you own shares that are registered in the name of more than one person, each person must sign the proxy. If an attorney, executor, administrator, trustee, guardian or any other person signs the proxy in a representative capacity, the full title of the person signing the proxy must be given and a certificate must be furnished showing evidence of appointment.

Q: How do I vote?

A: You have two alternative methods to cast your vote. You may vote:
By completing, signing and returning the proxy card; or
By attending the Annual Meeting and voting in person.

Instructions for voting by mail are set forth on the proxy card. Please follow the instructions carefully.

Q: What happens if I don't give specific voting instructions on my proxy card?

A: If you are a stockholder of record and submit a signed proxy card but do not specify how you want to vote your shares on a particular proposal, then the proxy holders will vote your shares in accordance with the recommendation of the Board. If currently unanticipated matters are properly presented for a vote at the Annual Meeting, the proxy holders will vote your shares in accordance with their best judgment.

If you hold your shares in street name with a broker, bank or other nominee and do not provide specific voting instructions, the broker, bank or other nominee holding your shares can generally vote the shares on routine matters, but cannot vote the shares on non-routine matters. At the Annual Meeting, the ratification of the appointment of BDO USA, LLP as our independent registered public accounting firm is considered a routine matter, and the other proposals which are scheduled to be voted on, or which may be properly presented at the meeting for a vote, are considered non-routine matters. If the broker, bank or other nominee holding your shares does not receive instructions from you on how to vote your shares on a non-routine matter, the broker, bank or other nominee holding your shares will inform the inspector of elections that it does not have authority to vote on the matter with respect to your shares. This is generally referred to as a broker non-vote. Shares represented by broker non-votes will be counted in determining the existence of a quorum, but are not deemed entitled to vote and, therefore, will have no effect on the outcome of the voting and such broker non-votes will not be included in the number of shares present in person or by proxy and entitled to vote on the matter from which the number of votes required for approval is calculated.

TABLE OF CONTENTS

Q: Can I change my mind after I vote?

A: Yes, you can change your vote at any time before the polls close at the Annual Meeting. There are three methods by which you can effect a change in your vote:

Give written notice to the Corporate Secretary at the address of the Company's principal executive offices specified on the first page of this proxy statement;

Deliver a later-dated proxy; or
Vote in person at the Annual Meeting.

Q: Can I vote at the Annual Meeting?

Yes, if you attend the Annual Meeting in person. Even if you plan to be present at the Annual Meeting, we urge you to vote your shares by proxy. If you vote your shares by proxy, you can change your mind and vote your shares **A:** at the Annual Meeting if you attend in person. If you are a beneficial owner of stock who holds shares indirectly through a broker, bank or other nominee, you must obtain a legal proxy from the record owner of your shares in order to vote in person.

Q: How many shares must be present to conduct business at the Annual Meeting?

If the single outstanding share of Special Stock as well as a majority of the outstanding shares of Common Stock entitled to vote at the meeting are present in person or by proxy, sufficient shares will be present at the Annual Meeting to conduct business on all proposals. With respect to the election of Alexander C. Matina and Marina Shevrytalova as Class II members of the Board of Directors, a majority of the outstanding shares of our Common Stock entitled to vote at the meeting must be present in person or by proxy to constitute sufficient shares for the **A:** transaction of business. With respect to the election of Joanne M. Minieri as a Class II member of the Board of Directors by the holder of our Special Stock, the single outstanding share of Special Stock must be present in person or by proxy to conduct business on that proposal. With respect to the ratification of the appointment of BDO USA, LLP as the Company's independent registered public accounting firm, a majority of the outstanding shares of our Common Stock entitled to vote at the meeting must be present in person or by proxy to constitute sufficient shares for the transaction of business on that proposal. These are typically referred to as quorum requirements.

Q: How many votes are needed to elect directors?

Directors are elected by a plurality of the votes cast in the election of directors, either in person or by proxy. The Board of Directors consists of six directors. At the Annual Meeting, the holders of our Common Stock will be asked to vote on the election of two directors and the holder of our Special Stock will be asked to vote on the **A:** election of one director. In each case, the nominees who receive the largest number of FOR votes cast, up to the number of directors to be elected by such class of stock, will be elected as directors. Stockholders cannot cumulate votes in the election of directors. Abstentions and broker non-votes have no effect on the outcome of director elections.

Q: How many votes are needed to ratify the appointment of BDO USA, LLP as the Company's independent registered public accounting firm?

Ratification of the appointment of our independent registered public accounting firm requires the affirmative vote of a majority of the votes represented at the meeting and entitled to vote on the matter. In accordance with Delaware law, only votes cast FOR a matter constitute affirmative votes. A properly executed proxy marked abstain with respect to the ratification of the appointment of our independent registered public accounting firm will **A:** not be voted, although it will be counted for purposes of determining whether there is a quorum. Since abstentions will not be votes cast FOR the ratification of the appointment of our independent registered public accounting firm, they will have the same effect as negative votes or votes against the matter. As noted above, the ratification of the appointment of BDO USA, LLP is considered a routine matter under applicable rules, and therefore no broker non-votes are expected in connection with this proposal.

Q: Who will pay the cost of soliciting votes for the Annual Meeting?

We will pay the entire cost of preparing, assembling, printing, mailing and distributing our proxy materials. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or by electronic and facsimile transmission by our directors, officers and employees, who will not receive any additional compensation for such solicitation activities. In addition, the Company may reimburse its Transfer Agent, brokerage firms and other persons representing beneficial owners of shares of our Common Stock for their expenses in forwarding solicitation material to such beneficial owners.

Q: Is my vote confidential?

Yes. We encourage stockholder participation in corporate governance by ensuring the confidentiality of stockholder votes. Your vote on any particular proposal will be kept confidential and will not be disclosed by the inspector of election except where disclosure is required by applicable law, disclosure of your vote is expressly requested by you or we conclude in good faith that a bona fide dispute exists as to the authenticity of one or more proxies, ballots or votes, or as to the accuracy of any tabulation of such proxies, ballots or votes. However, aggregate vote totals will be disclosed to the Company from time to time and publicly announced following the Annual Meeting.

Q: Why did I receive more than one set of printed materials?

If you received more than one set of printed materials, then you have multiple accounts with brokers or our Transfer Agent. Please vote all of these shares. We also recommend that you contact your broker or our Transfer Agent, as applicable, to consolidate as many accounts as possible under the same name and address. Our Transfer Agent is American Stock Transfer & Trust Company, LLC, which can be contacted by telephone at (718) 921-8200.

Q: How do I get electronic access to the proxy materials?

Our proxy statement and Transition Report on Form 10-KT for the ten months ended December 31, 2015 are also available on our website at www.trinityplaceholdings.com under the Financials tab.

Q: Where can I find the voting results of the Annual Meeting?

We will announce preliminary results at the Annual Meeting and publish preliminary, or final if available, results in a Current Report on Form 8-K within four business days after the Annual Meeting.

MATTERS SUBMITTED TO STOCKHOLDERS

PROPOSAL 1 ELECTION OF DIRECTORS

We currently have six members on our Board of Directors. Under our Certificate of Incorporation, the Board is divided into two classes, as nearly equal in number as possible, designated Class I and Class II. Each director serves for a term ending on the date of the second annual meeting following the annual meeting at which such director was elected and until the election and qualification of their respective successors in offices. There are no familial relationships among our directors and/or executive officers.

Two of the Class II director nominees, Alexander C. Matina and Marina Shevrytalova, are proposed for election by the holders of Common Stock at the Annual Meeting to hold office until the annual meeting of stockholders in 2018 and until their respective successors are duly elected and qualified or their earlier resignation or removal. The holder of the Company's Special Stock is entitled to elect the third Class II director, and is expected to elect Joanne M. Minieri as the Special Stock Director defined in the Company's Certificate of Incorporation, to hold office until the annual meeting of stockholders in 2018 and until her successor is duly elected and qualified or her earlier resignation or removal.

On or about March 8, 2016, a General Unsecured Claim Satisfaction (as defined in the Modified Second Amended Joint Chapter 11 Plan of Reorganization of Syms Corp. and its Subsidiaries, or the Plan) occurred. Upon the occurrence of the General Unsecured Claim Satisfaction, the share of Series A Preferred Stock was automatically redeemed and, pursuant to the terms of our Certificate of Incorporation, the terms of the Series A Director, Alan Cohen, and Independent Director, Keith Pattiz, automatically terminated; Messrs. Cohen and Pattiz ceased to be directors of the Company and the size of the Board was automatically reduced to three. Subsequently, the Board of Directors increased the size of the Board of Directors to six, and appointed each of Alan Cohen, Keith Pattiz and Matthew Messinger as Class I Directors to fill the three vacancies resulting from the increase of the size of the Board from three to six, for terms ending at the 2017 annual meeting of stockholders and to hold office until their successors are elected and qualified or until their earlier resignation or removal.

The Company's Certificate of Incorporation provides that on the first date that Third Avenue Trust, on behalf of Third Avenue Real Estate Value Fund (Third Avenue), no longer meets the Special Stock Ownership Threshold of 2,345,000 shares of Common Stock, the term of the Special Stock Director will automatically terminate, the person formerly holding such directorship will cease to be a director of the Company and the size of the Board of Directors will be automatically reduced by one directorship. Immediately following such reduction, the size of the Board of Directors will automatically be increased by one directorship, which will be a director elected by the holders of Common Stock.

Each nominee has indicated to the Company that he or she will serve if elected. We do not anticipate that any nominee will be unable to stand for election, but, if that happens, your proxy will be voted in favor of another person nominated by the Board of Directors.

TABLE OF CONTENTS

CORPORATE GOVERNANCE

Governance Role of the Board of Directors

Our business and affairs are managed under the direction of the Board of Directors, which is the Company's ultimate decision-making body, except with respect to those matters reserved for our stockholders. The Board establishes overall corporate policies, evaluates our chief executive officer and senior leadership team, and acts as an advisor and counselor to management. The Board also oversees our business strategy and planning, as well as the performance of management in executing our comprehensive business plan and managing our day-to-day operations.

Board Leadership Structure

The offices of Chairman of the Board of Directors of the Company and Chief Executive Officer of the Company are separated. Mr. Matina has been appointed as Chairman of the Company's Board of Directors and Mr. Messinger is the Company's Chief Executive Officer. The Company does not have a fixed policy with respect to the separation of the offices of the Chairman and Chief Executive Officer of the Company. We believe that the separation of these offices is currently appropriate and that it is in our best interests to make these determinations from time to time.

Board Role in Oversight of Risk

The Board of Directors is responsible for overseeing our executive management team in the execution of its responsibilities and for assessing the Company's approach to risk management. The Board exercises these responsibilities on an ongoing basis as part of its meetings and through the Audit Committee. Each member of the management team has direct access to the Board and the Audit Committee to ensure that all risk issues are frequently and openly communicated. The Board of Directors closely monitors the information it receives from management and provides oversight and guidance to our executive management team regarding the assessment and management of risk. For example, the Board regularly reviews the Company's critical strategic, operational, legal and financial risks with management to set the tone and direction for ensuring appropriate risk taking within the business.

In addition, financial risks are overseen by our Audit Committee, which meets separately with representatives of our independent auditors to determine whether any material financial risks or any deficiencies in our internal controls over financial reporting have been identified and, if so, the executive management team's plans to rectify or mitigate these risks. The Audit Committee also oversees risks related to the Company's financial statements, the financial reporting process and accounting matters.

Our Board and Audit Committee have access at all times to the Company's management to discuss any matters of interest, including those related to risk. Those members of our executive management team who are most knowledgeable of the issues facing the Company also regularly attend Board and Audit Committee meetings to provide additional insight into items being discussed, including risk exposures. We believe that our Board leadership structure enables senior management to communicate identified risks to our Board and Audit Committee and affords a free flow of communication regarding risk identification and mitigation.

Director Independence

The Board of Directors has determined that each member of the Board, other than Mr. Messinger, is independent in accordance with Section 803A of the NYSE MKT Company Guide.

Board of Directors Meetings and Attendance

The Board of Directors held five meetings in the ten months ended December 31, 2015 (a ten month transition period as a result of the change in our fiscal year effective with the year ended December 31, 2015). All of the directors attended at least 75% of the total of all meetings of the Board and Board committees on which they served during the ten months ended December 31, 2015. Each director is expected to attend annual meetings of stockholders.

TABLE OF CONTENTS

Audit Committee

The Company's Audit Committee consists of five directors (Joanne Minieri, Alexander Matina, Alan Cohen, Keith Pattiz and Marina Shevrytalova) and is responsible for fulfilling the Board's responsibilities as they relate to the Company's financial oversight functions such as accounting policies, internal controls and financial reporting practices. The Board of Directors has determined that Ms. Minieri is an audit committee financial expert, as that term is used in Item 407 of Regulation S-K promulgated under the Exchange Act. The Board of Directors has determined that each of the current members of the Audit Committee is independent under Section 803A of the NYSE MKT Company Guide, meets the criteria for independence set forth in Rule 10A-3 under the Exchange Act and satisfies the other Audit Committee membership requirements specified in Section 803B of the NYSE MKT Company Guide. The Audit Committee held three meetings during the ten months ended December 31, 2015. The Audit Committee operates under a written charter. A copy of the Audit Committee charter is available on our website at www.trinityplaceholdings.com under the Financials tab and may also be obtained without charge by written request to Investor Relations, Trinity Place Holdings Inc., 717 Fifth Avenue, Suite 1303, New York, New York 10022.

Report of the Audit Committee

The following report of the Audit Committee does not constitute soliciting material and should not and will not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933, as amended, or the Exchange Act, except to the extent the Company specifically incorporates this report by reference therein.

The Audit Committee has reviewed and discussed with BDO USA, LLP, the Company's independent registered public accounting firm, those matters required to be discussed by the applicable requirements of the Public Company Accounting Oversight Board, or PCAOB, including the matters described in the statement on Auditing Standards No. 16, as amended, as adopted by the PCAOB.

The Audit Committee has received the written disclosures and the letter from BDO USA, LLP, as required by applicable requirements of the PCAOB, regarding BDO USA, LLP's communications with the Audit Committee concerning independence, and the Audit Committee has discussed with BDO USA, LLP its independence.

Based on the Audit Committee's review of and discussions regarding the Company's audited consolidated financial statements and the Company's internal control over financial reporting with management, the Company's internal auditors and the independent registered public accounting firm and the other reviews and discussions with the independent registered public accounting firm referred to in the preceding paragraph, subject to the limitations on the Audit Committee's roles and responsibilities described above and in the Audit Committee charter, the Audit Committee recommended to the Board of Directors that the Company's audited consolidated financial statements be included in the Company's Transition Report on Form 10-KT for the ten months ended December 31, 2015 for filing with the SEC.

Director Nomination Process

The Company does not currently have a standing nominating committee or other committee performing similar functions, nor have we adopted a nominating committee charter. Under Section 804 of the NYSE MKT Company Guide, in the absence of a nominating committee, Board of Director nominations may be either selected, or recommended for the Board's selection, by a majority of the independent directors of the Board. Given our size, available resources and that the NYSE MKT does not require us to have a nominating committee, the Board of Directors has determined that it is in the Company's best interest to have the independent directors (Matina, Cohen, Pattiz, Minieri and Shevyrtalova) participate in the consideration of director nominees and, where applicable, composition of Board committees.

TABLE OF CONTENTS

The Board has adopted director nominating procedures. Under these procedures, in general, the independent directors will develop criteria for evaluating prospective candidates to the Board and committees, including any specific minimum qualifications and any specific qualities or skills necessary for one or more directors to possess. Among such other criteria as the independent directors may from time to time determine appropriate, when the independent directors determine that expansion of the Board or replacement of a director, or the establishment or expansion of a committee, or replacement of a committee member, is necessary or appropriate, the independent directors will conduct candidate interviews, which may be with members of management, consult with the candidate's associates and through other means determine a candidate's honesty, integrity, reputation in and commitment to the community, judgment, personality and thinking style, residence, willingness to devote the necessary time, potential conflicts of interest, independence, understanding of financial statements and issues and other matters of relevance to the Board or applicable committee, and the willingness and ability of the candidate to engage in meaningful and constructive discussion regarding Company issues. While diversity may contribute to this overall evaluation, it is not considered by the independent directors as a separate or independent factor in identifying nominees for director.

The Company may identify candidates through recommendations made by directors, senior management or other third parties. The independent directors will consider director candidates recommended to the Board by stockholders during such times as the Company is actively considering appointing new directors. Candidates recommended by stockholders will be evaluated based on the same criteria described above.

The independent directors will recommend those individuals that they determine should be nominees for election or re-election to the Board at the annual meeting of stockholders or, if applicable, at a special meeting of stockholders, or otherwise appointed to the Board or any committee thereof (with authority for final approval remaining with the independent directors). Stockholders desiring to suggest a candidate for consideration by the independent directors must do so in accordance with the Company's bylaws and the securities laws, and should send a letter to the attention of the Company's Secretary, at the Company's principal executive offices, 717 Fifth Avenue, Suite 1303, New York, New York 10022, and include: (a) a statement that the writer is a stockholder (providing evidence if the person's shares are held in street name) and is proposing a candidate for consideration; (b) the name and contact information for the candidate; (c) a statement of the candidate's business and educational experience; (d) information regarding the candidate's qualifications to be a director, including but not limited to an evaluation of the factors discussed above which the Board would consider in evaluating a candidate; (e) information regarding any relationship or understanding between the proposing stockholder and the candidate; (f) information regarding potential conflicts of interest; and (g) a statement that the candidate is willing to be considered and willing to serve as a director if nominated and elected. Because of the small size of the Company and the limited need to seek additional directors, there is no assurance that all stockholder proposed candidates will be fully considered, that all candidates will be considered equally, or that the proponent of any candidate or the proposed candidate will be contacted by the Company or the independent directors, and no undertaking to do so is implied by the willingness to consider candidates proposed by stockholders.

Review, Approval or Ratification of Transactions with Related Persons

The Board has adopted a written policy for the review and approval of any related party transaction, which is defined under the policy as any transaction, arrangement or relationship, or any series of similar transactions, arrangements or relationships, in which the Company or any of its subsidiaries is or will be a participant, the aggregate amount involved will or may be expected to exceed \$120,000 in any fiscal year, and one of our executive officers, directors, director nominees (or their respective immediate family members), 5% stockholders or an entity controlled by any of the foregoing or in which any of the foregoing is employed, has or will have a direct or indirect interest, other than the

Any proposed related party transaction will be reviewed and, if deemed appropriate, approved by the Audit Committee. When practicable, the review and approval will occur prior to entry into the transaction. If advance review and approval is not practicable, the Audit Committee will review, and, if deemed appropriate, ratify the transaction. In

either case, the Audit Committee will take into account, among other factors deemed appropriate, whether the transaction is on terms no less favorable than terms generally available to an unrelated third party under the same or similar circumstances and the extent of the related party's interest in the transaction. The Board has also delegated to the Chairman of the Audit Committee the authority to approve or ratify related party transactions, subject to reporting at the next Audit Committee meeting any such approval or ratification.

Transactions with Related Persons

Since the beginning of our last fiscal year, there has been no transaction (and no transaction is currently proposed), in which the Company was or is to be a participant and the amount involved exceeds \$120,000, and in which any related person had or will have a direct or indirect material interest.

Compensation Processes and Procedures

The Board of Directors does not have a compensation committee; rather, decisions with regard to the compensation of directors and executive officers are made by the independent directors (Messrs. Matina, Cohen and Pattiz, and Ms. Minieri and Ms. Shevyrtalova) based upon such directors' determination of what salaries and level of equity-based compensation is necessary to attract and retain key personnel. The Board believes this is appropriate given the Company's size and the stage of its development. The Board has not engaged a compensation consultant.

Compensation Committee Interlocks and Insider Participation

As noted above, the Company's independent directors perform the functions of a compensation committee. None of the independent directors of the Company have ever been employed by the Company. None of the Company's executive officers serves or has served as a member of the board of directors, compensation committee or other board committee performing equivalent functions of any entity that has one or more executive officers serving on the

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

This Compensation Discussion and Analysis provides compensation information for our chief executive officer, our chief financial officer and our chief accounting officer and former chief financial officer for our 10 month transitional period ended December 31, 2015. These individuals, to whom we refer collectively as our named executive officers or NEOs as determined under the SEC disclosure rules, are:

Matthew Messenger, president and chief executive officer;

Steven Kahn, chief financial officer; and

Richard Pyontek, chief accounting officer, treasurer and secretary, and former chief financial officer.

Effective beginning with the period ended on December 31, 2015, we converted our fiscal year to the calendar 12 months ending December 31. As a result, our fiscal year was shortened from 12 months to a 10 month transition period from March 1, 2015 to December 31, 2015.

Features of Our Executive Compensation

Key features of our 2015 executive compensation align the interests of our NEOs with the long-term interests of our stockholders and help reduce the possibility of our NEOs making business decisions that promote short-term or individual compensation results over long-term stockholder value. In particular, our program focuses on the following:

Alignment of CEO pay with stockholder value. Most of our CEO's compensation consists of long-term equity incentives that vest over a period of years and are then settled over an additional period, extending through 2023, which we believe provides a strong incentive to focus on long-term stockholder value creation. Approximately 70% of Mr. Messenger's compensation for 2015, as set forth in the Summary Compensation Table below (which measures the grant date value of equity awards), was in the form of RSUs.

Management retention. Compensation for executives is designed to assist in management retention by providing time-based vesting for certain long-term equity compensation.

Oversight of Executive Compensation

The Company's executive compensation is administered by the independent directors of the Board of Directors. During the 10-month transition period covered by the accompanying Transition Report on Form 10-KT, as well as the prior periods reflected in the transition report, all members of the Board were independent. The independent directors are responsible for determining the compensation of the executives of the Company, including the named executive officers, and for overseeing the Company's executive compensation and benefits programs. The independent directors take into account a variety of factors including recommendations of the chief executive officer on compensation actions for officers (other than the chief executive officer), the ability and appropriate incentives to create long term stockholder value, contractual commitments, market practices and trends and the regulatory environment.

As part of determining an appropriate compensation package, the independent directors review and consider the risk profile associated with each such package. The independent directors do not set specific targets for compensation levels but instead review each element of compensation independently and determine the appropriate amount for each element for each NEO, as discussed below. Within the framework of the programs approved by independent directors, management provides input to the independent directors on compensation actions for executive officers and key select

employees based on their evaluation of individual and Company performance. In making decisions regarding the compensation for the named executive officers, the independent directors focus primarily on the executive officers' individual performance and overall Company performance as well as incentives and retention needs and the overall business environment.

TABLE OF CONTENTS

Stock Incentive Plan

On September 9, 2015, the Board adopted the Trinity Place Holdings Inc. 2015 Stock Incentive Plan (the 2015 Stock Incentive Plan). The 2015 Stock Incentive Plan authorizes the grants of stock options, stock appreciation rights, shares of restricted stock, restricted stock units and shares of unrestricted stock (collectively, the Awards). The 2015 Stock Incentive Plan and the awards thereunder serve as an important element of the total compensation package of certain employees of the Company, providing Awards that are subject to achievement of specified performance goals, in order to retain persons whose efforts are expected to facilitate the long-term growth and profitability of the Company.

Prior to the adoption of the 2015 Stock Incentive Plan, the Company granted equity awards on an individually-negotiated basis. As such, most of the equity awards outstanding as of December 31, 2015, including all of Mr. Messinger s equity awards, which were made pursuant to our employment agreement with him, as amended, were granted prior to the adoption of the 2015 Stock Incentive Plan.

Say on Pay

We held our first advisory vote on the compensation of our named executive officers (say on pay vote) at our annual meeting of stockholders on August 18, 2015. At that meeting, our stockholders passed a resolution approving the compensation of our named executive officers, with approximately 86.3% of the stockholders entitled to vote and present in person or by proxy at the 2015 annual meeting, voting in favor of the resolution, including the negative effect of abstentions. Overall, the Board of Directors believes that this strong stockholder support is evidence that our executive compensation is appropriately structured and aligned with stockholder interests.

We also held our first advisory vote on the frequency of future say on pay votes at our annual meeting of stockholders on August 18, 2015. In accordance with the recommendation of the holders of the Company s common stock, the Board of Directors of the Company has decided to include an advisory stockholder vote on the compensation of the Company s named executive officers in its proxy materials every three years until the next required advisory vote on the frequency of future advisory votes on the compensation of the Company s named executive officers, which will occur no later than the Company s annual meeting of stockholders in 2021.

Elements of Executive Compensation for 2015

We believe that the compensation packages of our executive officers, including our named executive officers, provide an appropriate blend of fixed and variable compensation with greater emphasis on long-term incentives.

Compensation of Matthew Messinger, President and Chief Executive Officer

The Company hired and entered into an employment agreement with Mr. Messinger to serve as our Chief Executive Officer and President on October 1, 2013, in conjunction with the initial investment by Third Avenue in the Company. Mr. Messinger was hired with a view toward stabilizing and enhancing the chief executive officer role following the emergence of the Company s predecessor from bankruptcy proceedings in 2012, and being instrumental in formulating and executing our long-term strategy. Mr. Messinger s employment agreement was amended on September 11, 2015.

Mr. Messinger s employment with the Company has been and continues to be critical to our success. Since his hiring, Mr. Messinger led the Company in negotiating favorable resolutions in respect of outstanding claims, culminating in significant savings for the Company and a general unsecured claims satisfaction under the Plan. In addition, under his leadership the Company sold various assets, including the Company s former headquarters, at prices substantially greater than previously anticipated. Together, these actions have resulted in both the successful repayment of the

Company's claimholders, as well as increased residual value for the Company's stockholders. Since Mr. Messinger was hired, the price of the Company's common stock has increased from a volume weighted average price of \$3.85 per share during the month of September 2013 to a volume weighted average price of \$7.28 per share during the month of April 2016.

17

TABLE OF CONTENTS

Mr. Messinger has been instrumental in the Company’s execution of its principal strategic objectives, including the following during 2015:

- Substantial repayment of and reduction in claims liabilities and positioning the Company to complete its payment obligations under the Plan (which occurred in March 2016);
- Continuing significant ongoing work related to the development and/or redevelopment of the Company’s remaining four real estate properties including proceeding with pre-development work on 77 Greenwich, and working with the New York City School Construction Authority to refine the framework for the proposed construction of a public school on the lower floors of 77 Greenwich;
- Signing several leases, including Walmart Marketplace and Tire Kingdom, at the West Palm Beach, Florida property at rents 23.4% higher than the previously in-place rents;
- Obtaining a loan of \$40 million to facilitate the payment of the Company’s remaining obligations under the Plan and to provide for working capital needs;
- Completion of a successful \$30 million common stock rights offering, which resulted in a meaningful cash position for the Company;
- Amendment of the Company’s charter to provide for measures designed to help the Company preserve the use of its significant net operating losses;
- Listing of the Company’s shares of common stock for trading on the NYSE MKT LLC; and
- Continuing ongoing work related to the Company’s intellectual property assets, including launching an on-line marketplace at FilenesBasement.com.

The following table lists and describes the purpose of the key elements of Mr. Messinger’s compensation, as provided under the terms of his employment agreement, as amended:

Element of Pay	Description	Purpose
Base Salary	Fixed cash compensation	To compensate for services rendered during the fiscal year
Discretionary Annual Cash Bonus	Discretionary cash payment based on performance and contribution to the Company	To motivate executive officer to achieve the Company’s annual strategic and financial goals
Long-Term Equity Based Compensation	Performance-based share awards with multi-year vesting periods	To align long-term interests of executive and stockholders to increase the value of the Company and provide appropriate balance of at-risk compensation

Base Salary

Under the terms of Mr. Messinger’s employment agreement, his base salary was initially \$700,000 per year. Effective January 1, 2016, his base salary was increased to \$750,000 pursuant to the terms of the amendment to the employment agreement.

Annual Cash Bonus

Mr. Messinger’s employment agreement provides that the Board may, in its sole discretion, award Mr. Messinger an annual cash bonus, taking into account the performance of the Company and Mr. Messinger during such year. The annual cash bonus is designed to reward Mr. Messinger for the achievement of the Company’s short-term financial and strategic goals while taking into account the risk profile of the Company. Mr. Messinger was awarded a bonus of \$500,000 with respect to the period ended December 31, 2015.

Long-Term Equity-Based Compensation

A key component of Mr. Messinger's compensation is long-term equity based compensation in the form of restricted stock units, or RSUs. The long-term equity-based compensation was principally negotiated at the time that we hired Mr. Messinger, with a view toward ensuring the alignment of his interests with those of the

18

TABLE OF CONTENTS

Company's creditors following the emergence of the Company from bankruptcy, by tying the vesting and settlement of his long-term equity-based compensation to payments made to the Company's creditors in accordance with the terms of the Plan. This structure also ensured the conservation of the Company's cash by providing for most of Mr. Messinger's compensation in the form of long-term equity, as well as aligning Mr. Messinger's interests with those of the Company's stockholders by providing him with significant equity ownership in the Company, the value of which is tied to the Company's success following the repayment of the Company's creditors in accordance with the terms of the Plan.

Under the terms of his original employment agreement, Mr. Messinger received the following RSU Awards in 2015 and early 2016:

An RSU Award covering 363,095 shares of Common Stock was granted on March 31, 2015; and
An RSU Award covering 363,095 shares of Common Stock was granted on January 28, 2016. This RSU Award was subject to payments of the Initial Majority Shareholder Payment and the Subsequent Majority Shareholder Payment (each as defined in the Plan) on or prior to December 31, 2015. This condition was not met, but the independent directors determined that Mr. Messinger nevertheless should be granted the RSU Award because the Company had sufficient cash on hand to make such payment and the Company was in the process of negotiating a positive resolution with the former Majority Shareholder (the payment was made on or about March 14, 2016). The RSU Awards vest in three equal annual installments on the first three anniversaries of the respective grant dates, and are subject to other conditions, including Mr. Messinger's continued employment on the applicable vesting dates, as set forth in the employment agreement, as amended, and the form of RSU Award agreement.

The 2015 amendment to Mr. Messinger's employment agreement also provides for additional grants of RSUs as follows:

An RSU Award covering 250,000 shares of Common Stock was made to Mr. Messinger on January 28, 2016, which will vest in equal tranches on December 31, 2018, 2019 and 2020;

Five annual RSU Awards, each covering 30,000 shares of Common Stock, to be granted on December 31, 2015 through 2019, with each grant to vest on the first three anniversaries of the date of grant. The first such grant (with respect to December 31, 2015) was made on January 28, 2016, and will vest pro-rata on December 31, 2017, 2018 and 2019; and

An RSU Award covering 541,074 shares was made to Mr. Messinger on January 28, 2016. The original employment agreement included a commitment of the Company to consider additional RSU awards whenever the Company raises capital through the sale of additional equity securities. In lieu of the ongoing general commitment to consider additional RSU awards on each future sale of equity securities, the amended employment agreement provides for a single additional RSU grant with respect to the first such sale of additional equity securities, in an amount necessary to maintain Mr. Messinger's proportionate ownership interest in the Company's shares. The Company consummated its previously announced backstopped common stock rights offering on December 8, 2015, which resulted in the issuance of 5,000,000 shares of the Company's common stock. As a result, on January 28, 2016, the Company granted Mr. Messinger RSUs covering an aggregate of 541,074 shares, representing 0.248362 (the percentage that the outstanding shares of the Company were increased by the rights offering) multiplied by 2,178,570, the number of RSUs granted to Mr. Messinger under the original employment agreement.

For additional information regarding certain provisions of Mr. Messinger's equity awards, see Potential Payments Upon Termination or Change in Control.

Compensation of our other Named Executive Officers

On September 16, 2015, the Company entered into an employment agreement with Steven Kahn to serve as Chief Financial Officer of the Company, effective as of September 21, 2015. On June 24, 2011, Syms Corp. entered into an

offer letter with Richard Pyontek, who has served with the Company and its predecessor since the period prior to the bankruptcy proceedings.

TABLE OF CONTENTS

The following table lists and describes the purpose of the key elements of the compensation of Messrs. Kahn and Pyontek's compensation.

Element of Pay	Description	Purpose
Base Salary	Fixed cash compensation	To compensate for services rendered during the fiscal year
Discretionary cash bonus	Discretionary cash payment based on performance and contribution to the Company	To motivate executive officers to achieve individual and corporate goals
Restricted stock awards	Discretionary equity awards with multi-year vesting periods; awards are based on performance and contribution to the Company	To align long-term interests of executives and stockholders to increase the value of the Company and provide appropriate balance of at-risk compensation

For additional information regarding certain provisions of each named executive officer's employment arrangement, see Potential Payments Upon Termination or Change in Control.

Base Salary

Base salaries for Messrs. Kahn and Pyontek are designed to compensate each executive for the experience, education, personal qualities and other qualifications of the executive that are essential to the specific role the executive serves within our Company, while remaining competitive in the labor market.

The independent directors, with the assistance of Mr. Messinger, generally review salaries in the early part of each year and, if appropriate adjusts them to reflect changes in considerations and to remain competitive in the labor market.

Under the terms of his employment agreement, Mr. Kahn receives an initial annual base salary of \$290,000. Mr. Pyontek receives an annual base salary of \$164,000.

Discretionary Cash Bonuses

Discretionary cash bonuses for executive officers are designed to attract and retain officer talent. Our named executive officers other than the CEO are eligible to receive annual discretionary cash bonuses as determined by the independent directors. The determination of the amounts of such discretionary bonuses is based on the past, present and expected future contributions of such individual to the overall success of the Company. Factors considered in evaluating those contributions include, among other things: overall individual performance, overall organizational performance, individual contribution to organizational performance, successful completion of projects or initiatives and level of individual responsibilities.

In accordance with his employment agreement, Mr. Kahn received a pro-rated cash bonus of \$25,000 for 2015, based on his September 2015 employment commencement date, which was paid in 2016. Mr. Pyontek received a cash bonus for his performance and contributions to the Company in 2015 in the amount of \$53,333, which was paid in 2016.

Restricted Stock Awards

The Company believes that restricted stock awards reward the achievement of long-term goals, align the interest of executives with those of stockholders, foster employee stock ownership and promote stability among our executives.

Restricted stock awards granted on or after September 9, 2015 are granted pursuant to the terms of the 2015 Stock Incentive Plan. These awards generally vest in two equal annual installments, starting on the first anniversary of the grant date, subject to the applicable executive's continued employment through such dates.

On March 20, 2014, the Company entered into an RSU agreement with Mr. Pyontek, effective as of January 6, 2014, pursuant to which Mr. Pyontek was granted an award of 12,500 RSUs, with one-half of the RSUs vesting on each of January 6, 2015 and January 6, 2016, subject to Mr. Pyontek's continued employment on the applicable vesting dates.

Pre-Approval Policy

Pursuant to the rules and regulations of the Securities and Exchange Commission, before the Company's independent registered public accounting firm is engaged to render audit or non-audit services, the engagement must be approved by the Company's Audit Committee or entered into pursuant to a pre-approval policy. The Audit Committee has adopted a pre-approval policy that sets forth the procedures and conditions pursuant to which pre-approval may be given for services performed by the independent auditor. Under the policy, the Audit Committee must give prior approval for any amount or type of service within four categories—audit, audit-related, tax services or, to the extent permitted by law, other services—that the independent auditor provides. Prior to the annual engagement, the Audit Committee may grant general pre-approval for independent auditor services within these four categories at maximum pre-approved fee levels. During the year, circumstances may arise when it may become necessary to engage the independent auditor for additional services not contemplated in the original pre-approval and, in those instances, such service will require separate pre-approval by the Audit Committee if it is to be provided by the independent auditor.

To ensure prompt handling of unexpected matters, the Audit Committee has delegated to the Chair of the Audit Committee the authority to amend or modify the list of pre-approved non-audit services and fees. The Chair will report action she has taken to the Audit Committee at the Audit Committee's next scheduled meeting. The Audit Committee may also delegate pre-approval authority to one or more of its members, who shall report any pre-approval decisions to the Audit Committee at the Audit Committee's next scheduled meeting. All audit and non-audit services performed by BDO USA, LLP were pre-approved by the Company's Audit Committee during the ten months ended December 31, 2015.

HOUSEHOLDING OF ANNUAL MEETING MATERIALS

The Securities and Exchange Commission has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as householding, potentially provides extra convenience for stockholders and cost savings for companies.

We and some brokers household proxy materials, delivering a single proxy statement or annual report to multiple stockholders sharing an address, unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker or us that they or we will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement or annual report, please notify us by sending a written request to Trinity Place Holdings Inc., 717 Fifth Avenue, Suite 1303, New York, New York 10022 or by calling (212) 235-2190. You may also notify us to request delivery of a single copy of our annual report or proxy statement if you currently share an address with another stockholder and are receiving multiple copies of our annual report or proxy statement.

STOCKHOLDER PROPOSALS FOR THE 2017 ANNUAL MEETING

Pursuant to Rule 14a-8 under the Exchange Act, if a stockholder wants to submit a proposal for inclusion in our proxy materials at the Company's 2017 annual meeting of stockholders, it must be received at our principal executive offices, 717 Fifth Avenue, Suite 1303, New York, New York 10022, Attention: Corporate Secretary, not later than January 5, 2017. In order to avoid controversy, stockholders should submit proposals by means (including electronic) that permit them to prove the date of delivery.

If a stockholder intends to present a proposal for consideration at the next annual meeting outside of the processes of Rule 14a-8 under the Exchange Act, we must receive notice of such proposal at the address given above by March 21, 2017, or such notice will be considered untimely under Rule 14a-4(c)(1) under the Exchange Act, and therefore our proxies will have discretionary voting authority with respect to such proposal, if presented at the annual meeting, without including information regarding such proposal in our proxy materials.

The deadlines described above are calculated by reference to the mailing date of the proxy materials for this year's annual meeting. If the Board changes the date of next year's annual meeting by more than 30 days, the Board will, in a timely manner, inform stockholders of such change and the effect of such change on the deadlines given above by including a notice in our annual report on Form 10-K, our quarterly reports on Form 10-Q, a current report on Form 8-K or by any other means reasonably calculated to inform the stockholders.
