Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

As previously disclosed by Repros Therapeutics Inc. (the “Company”), on June 14, 2017, the Listing Qualifications Staff (the “Staff”) of The NASDAQ Stock Market LLC (“Nasdaq”) notified the Company that the closing bid price of the Company’s common stock had, for 30 consecutive business days preceding the date of such notice, been below the \$1.00 per share minimum required for continued listing on The NASDAQ Capital Market pursuant to NASDAQ Marketplace Rule 5550(a)(2) (the “Minimum Bid Price Rule”). In accordance with NASDAQ Marketplace Rule 5810(c)(3)(A), the Company was provided 180 calendar days, or until December 11, 2017, to regain compliance.

Also as previously disclosed, the Staff notified the Company on November 8, 2017 that, based upon the Company’s continued non-compliance with the minimum stockholders’ equity requirement for continued listing on The NASDAQ Capital Market, as set forth in NASDAQ Marketplace Rule 5550(b)(2) (the “Stockholders’ Equity Rule”), the Staff had determined to delist the Company’s securities from Nasdaq unless the Company timely requested a hearing before the Nasdaq Hearings Panel (the “Panel”). On November 14, 2017, the Company submitted a request for a hearing before the Panel, which request stayed any suspension or delisting action by Nasdaq at least until the hearing process concludes and any extension granted by the Panel expires. An oral hearing has been scheduled for January 18, 2018.

On December 12, 2017, the Company received written notification (the “December Notice”) from the Staff indicating that, based upon (i) the Company’s continued non-compliance with the Minimum Bid Price Rule and (ii) the Company’s inability to meet The NASDAQ Capital Market initial listing criteria set forth in NASDAQ Marketplace Rule 5550 (except for the Minimum Bid Price Rule), the Staff had determined that the Company was not eligible for an additional 180 day extension to meet the Minimum Bid Price Rule, and this determination served as an additional basis for delisting the Company’s securities from Nasdaq.

The December Notice also serves as formal notification that the Panel will consider the Staff’s decision to delist the Company’s securities.

The December Notice has no effect on the listing of the Company’s common stock at this time and the Company’s common stock will continue to trade on the NASDAQ Capital Market under the symbol “RPRX.”

There can be no assurances that the Panel will grant the Company’s request for continued listing or that the Company will be able to evidence compliance with all applicable requirements for continued listing on The NASDAQ Capital Market within any extension of time that may be granted by the Panel. If the Company’s common stock is delisted, it could be more difficult to buy or sell the Company’s common stock or to obtain accurate quotations, and the price of the Company’s common stock could suffer a material decline. Delisting could also impair the Company’s ability to raise capital.
