(“**Gran Tierra**”), and Southeast Investment Corporation, an indirect partially-owned subsidiary of Gran Tierra (together with GTRL and GTEC, the “**Purchasers**”), entered into sale agreements (collectively, the “**Agreements**”) with Vetra Energía, S.L. (“**Vetra**”) and Vetra Exploración y Producción Colombia S.A.S. (“**Vetra E&P**” and, together with Vetra, the “**Vendors**”), pursuant to which the Purchasers agreed to purchase from the Vendors all of the issued and outstanding shares of Vetra’s wholly owned subsidiary, Vetra Southeast S.L.U. (“**Vetra Southeast**”), Vetra E&P’s 50% working interest in the Putumayo-8 block (“**PUT-8**”), Vetra E&P’s 100% working interest in the Llanos-5 Block (“**LLA-5**”), and Vetra E&P’s entire interest in the Suroriente Block (“**Suroriente**”), in exchange for aggregate cash consideration of \$104.2 million, subject to adjustments as set forth in the Agreements (each a “**Transaction**,” and collectively, the “**Transactions**”).

The closing of the Transactions is subject to the satisfaction or waiver of customary conditions, including compliance by each party in all material respects with certain of its covenants. The Transactions related to Vetra Southeast, Suroriente and LLA-5 are expected to close on or before March 11, 2019, following the provision of notice to the Superintendence of Industry and Commerce of the Republic of Colombia, with the Transaction related to Suroriente closing immediately following the Transactions related to Vetra Southeast. The Transaction related to PUT-8 is subject to a right of first refusal.

The Purchasers and Vendors have made customary representations and warranties in the Agreements. The Agreements also contain customary covenants and agreements, including covenants and agreements relating to the conduct of businesses during the interim period between the execution of the Agreements and consummation of the Transactions and the efforts of the parties to cause the Transactions to be completed. Subject to certain limitations on liability contained in the Agreements, the Purchasers agreed to indemnify the Vendors for breaches of representations and warranties, covenants and certain liabilities. The Agreements contains certain termination rights for both the Purchasers and the Vendors including, but not limited to, the right to terminate the Agreements (i) in the event that certain Transactions have not been consummated on or before April 20, 2019 or (ii) under certain conditions, including if there has been a failure to perform certain covenants by the other party.

It is not intended to provide any other factual information about the Purchasers, the Vendors or their respective subsidiaries and affiliates. The representations, warranties and covenants in the Agreements were made solely for the benefit of the parties to the Agreements; may be subject to limitations agreed upon by the contracting parties; may be made for the purposes of allocating contractual risk between the parties to the Agreements instead of establishing these matters

as facts; and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Investors should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of the Purchasers, the Vendors or any of their respective subsidiaries or affiliates.
