Item 4.02. Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.

(a) As a result of a normal periodic review of the financial reports of Citrix Systems, Inc. (the "Company") by the staff of the Securities and Exchange Commission, the Company reviewed the presentation of cash and investments on its balance sheet. The Company concluded that collateral pledged under the Company's synthetic lease, credit default contracts and interest rate swaps should be presented as restricted cash equivalents and investments.

After discussions among the Audit Committee of the Board of Directors of the Company, management and Ernst & Young LLP, the Company's independent registered public accounting firm, the Company determined on March 4, 2005 that it will restate its consolidated balance sheets and cash flow statements for fiscal years 2002 and 2003 and for the first three quarters of 2004 to correct the presentation of cash and investments on the Company's balance sheet and to reflect certain reclassifications. Today the Company will file its restated consolidated balance sheets and cash flow statements in an amended Annual Report on Form 10-K for the year ended December 31, 2003 and in amended Quarterly Reports on Form 10-Q for the first three quarters of fiscal 2004.
