PROXY STATEMENT

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors of Andrea Electronics Corporation (“Andrea Electronics” or the “Company”) to be used at the 2007 annual meeting of shareholders of the Company. The annual meeting will be held at the La Quinta Inn & Suites Islip/MacArthur Airport, 10 Aero Road, Bohemia, New York on Wednesday, September 12, 2007 at 2:00 p.m., local time. This proxy statement and the enclosed proxy card are being first mailed on or about August 16, 2007 to shareholders of record.

General Information about Voting

Who Can Vote at the Meeting

You are entitled to vote your Company common stock only if the records of the Company show that you held your shares as of the close of business on August 10, 2007. As of the close of business on August 10, 2007, a total of 59,679,373 shares of Andrea Electronics common stock were outstanding. Each share of common stock has one vote.

Attending the Meeting

If you are a beneficial owner of Company common stock held by a broker, bank or other nominee (*i.e.*, in “street name”), you will need proof of ownership to be admitted to the meeting. A recent brokerage statement or letter from a bank or broker are examples of proof of ownership. If you want to vote your shares of Company common stock held in street name in person at the meeting, you will have to get a written proxy in your name from the broker, bank or other nominee who holds your shares.

Vote Required

The annual meeting will be held only if there is a quorum present. A quorum exists if a majority of the outstanding shares of common stock entitled to vote is represented at the meeting. If you return valid proxy instructions or attend the meeting in person, your shares will be counted for purposes of determining whether there is a quorum, even if you abstain from voting. Broker non-votes also will be counted for purposes of determining the existence of a quorum. A broker non-vote occurs when a broker, bank or other nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner.

Directors must be elected by a plurality of the votes cast by holders of common stock at the annual meeting. This means that the nominees receiving the greatest number of votes will be elected. Votes that are withheld and broker non-votes will have no effect on the election of directors. The affirmative vote of a majority of the votes cast by holders of common stock is required to approve: (i) the appointment of Marcum & Kliegman LLP as independent auditors. Abstentions and broker non-votes will have no effect on these proposals.

Voting by Proxy

The board of directors of the Company is sending you this proxy statement for the purpose of requesting that you allow your shares of Company common stock to be represented at the annual meeting by the persons named in the enclosed proxy card. All shares of Company common stock represented at the annual meeting by properly executed and dated proxies will be voted according to the instructions indicated on the proxy card. If you

sign, date and return a proxy card without giving voting instructions, your shares will be voted as recommended by the Company's Board of Directors. **The Board of Directors recommends a vote "FOR" each of the nominees for director, and "FOR" ratification of Marcum & Kliegman LLP as independent auditors.**

If any matters not described in this proxy statement are properly presented at the annual meeting, the persons named in the proxy card will use their own best judgment to determine how to vote your shares. This includes a motion to adjourn or postpone the annual meeting in order to solicit additional proxies. If the annual meeting is postponed or adjourned, your Company common stock may be voted by the persons named in the proxy card on the new annual meeting date as well, unless you have revoked your proxy. The Company does not know of any other matters to be presented at the annual meeting.

You may revoke your proxy at any time before the vote is taken at the meeting. To revoke your proxy you must either advise the Secretary of the Company in writing before your Company common stock has been voted at the annual meeting, deliver a later dated proxy, or attend the meeting and vote your shares in person. Attendance at the annual meeting will not in itself constitute revocation of your proxy.

If your Company common stock is held in street name, you will receive instructions from your broker, bank or other nominee that you must follow in order to have your shares voted. Your broker, bank or other nominee may allow you to deliver your voting instructions via the telephone or the Internet. Please see the instruction form provided by your broker, bank or other nominee that accompanies this proxy statement. If you wish to change your voting instructions after you have returned your voting instruction form to your broker or bank, you must contact your broker or bank.

(1) Includes fees for consulting and assistance with securities filings.

Pre-Approval of Services by the Independent Auditor

The Audit Committee has adopted a policy for pre-approval of audit and permitted non-audit services by the Company's independent auditor. The Audit Committee will consider annually and, if appropriate, approve the provision of audit services by its external auditor and consider and, if appropriate, pre-approve the provision of certain defined audit and non-audit services. The Audit Committee also will consider on a case-by-case basis and, if appropriate, approve specific engagements that are not otherwise pre-approved.

Any proposed engagement that does not fit within the definition of a pre-approved service may be presented to the Audit Committee for consideration at its next regular meeting or, if earlier consideration is required, to the Audit Committee or one or more of its members. The member or members to whom such authority is delegated shall report any specific approval of services at its next regular meeting. The Audit Committee will regularly review summary reports detailing all services being provided to the Company by its external auditor.

During the year ended December 31, 2006, all services were approved, in advance, by the Audit Committee in compliance with these procedures.

Report of the Audit Committee

The Company's management is responsible for the Company's internal control over financial reporting. The independent auditors are responsible for performing an independent audit of the Company's consolidated financial statements and issuing an opinion on the conformity of those financial statements with generally accepted accounting principals. The Audit Committee oversees the Company's internal control over financial reporting on behalf of the Board of Directors.

In this context, the Audit Committee has met and held discussions with management and the independent auditors. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent auditors. The Audit Committee discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61 (Communication With Audit Committees), including the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of the disclosures in the financial statements.

In addition, the Audit Committee has received the written disclosures and the letter from the independent auditors required by the Independence Standards Board Standard No. 1 (Independence Discussions With Audit Committees)

and has discussed with the independent auditors the auditors' independence from the Company and its management. In concluding that the auditors are independent, the Audit Committee considered, among other factors, whether the non-audit services provided by the auditors were compatible with its independence.

The Audit Committee discussed with the Company's independent auditors the overall scope and plans for their audit. The Audit Committee meets with the independent auditors, with and without management present, to

8

discuss the results of their examination, their evaluation of the Company's internal control over financial reporting, and the overall quality of the Company's financial reporting process.

In performing all of these functions, the Audit Committee acts only in an oversight capacity. In its oversight role, the Audit Committee relies on the work and assurances of the Company's management, which has the primary responsibility for financial statements and reports, and of the independent accountants who, in their report, express an opinion on the conformity of the Company's financial statements to generally accepted accounting principles. The Audit Committee's oversight does not provide it with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions with management and the independent accountants do not assure that the Company's financial statements are presented in accordance with generally accepted accounting principles, that the audit of the Company's consolidated financial statements has been carried out in accordance with the standards of the Public Company Accounting Oversight Board (United States) or that the Company's independent accountants are in fact "independent."

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the board has approved, that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-KSB for the year ended December 31, 2006 for filing with the Securities and Exchange Commission. The Audit Committee has appointed, subject to shareholder ratification, the selection of the Company's independent auditors for the fiscal year ended December 31, 2007.

Nomination and Governance Committee Procedures**General**

It is the policy of the Nomination and Governance Committee of the Board of Directors of Company to consider director candidates recommended by stockholders who appear to be qualified to serve on the Company's Board of Directors. The Nomination and Governance Committee may choose not to consider an unsolicited recommendation if no vacancy exists on the Board of Directors and the Nomination and Governance Committee does not perceive a need to increase the size of the Board of Directors. In order to avoid the unnecessary use of the Nomination and Governance Committee's resources, the Nomination and Governance Committee will consider only those director candidates recommended in accordance with the procedures set forth below.

Procedures to be Followed by Stockholders

To submit a recommendation of a director candidate to the Nomination and Governance Committee, a stockholder should submit the following information in writing, addressed to the Chairman of the Nomination and Governance Committee, care of the Corporate Secretary, at the main office of the Company:

1. The name of the person recommended as a director candidate;
2. All information relating to such person that is required to be disclosed in solicitations of proxies for election of directors pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended;
3. The written consent of the person being recommended as a director candidate to being named in the proxy statement as a nominee and to serving as a director if elected;

4. As to the stockholder making the recommendation, the name and address, as they appear on the Company's books, of such stockholder; provided, however, that if the stockholder is not a registered holder of the Company's common stock, the stockholder should submit his or her name and address along with a current written statement from the record holder of the shares that reflects ownership of the Company's common stock; and
5. A statement disclosing whether such stockholder is acting with or on behalf of any other person and, if applicable, the identity of such person.

In order for a director candidate to be considered for nomination at the Company's annual meeting of stockholders, the recommendation must be received by the Nomination and Governance Committee at least 120 calendar days prior to the date the Company's proxy statement was released to stockholders in connection with the previous year's annual meeting, advanced by one year.

Minimum Qualifications

The Nomination and Governance Committee has adopted a set of criteria that it considers when it selects individuals to be nominated for election to the Board of Directors. First a candidate must meet any eligibility requirements set forth in the Company's bylaws. A candidate also must meet any qualification requirements set forth in any Board or committee governing documents.

The Nomination and Governance Committee will consider the following criteria in selecting nominees: business experience; integrity, honesty and reputation; dedication to the Company and its stockholders; independence; and any other factors the Nomination and Governance Committee deems relevant, including age, diversity, size of the Board of Directors and regulatory disclosure obligations.

In addition, prior to nominating an existing director for re-election to the Board of Directors, the Nomination and Governance Committee will consider and review an existing director's Board and committee attendance and performance; length of Board service; experience, skills and contributions that the existing director brings to the Board; and independence.

Process for Identifying and Evaluating Nominees

The process that the Nomination and Governance Committee follows when it identifies and evaluates individuals to be nominated for election to the Board of Directors is as follows:

Identification. For purposes of identifying nominees for the Board of Directors, the Nomination and Governance Committee relies on personal contacts of the committee members and other members of the Board of Directors. The Nomination and Governance Committee also will consider director candidates recommended by stockholders in accordance with the policy and procedures set forth above. The Nomination and Governance Committee has not previously used an independent search firm to identify nominees.

Evaluation. In evaluating potential nominees, the Nomination and Governance Committee determines whether the candidate is eligible and qualified for service on the Board of Directors by evaluating the candidate under the selection criteria set forth above. In addition, the Nomination and Governance Committee will conduct a check of the individual's background and interview the candidate.

Submission of Business Proposals and Shareholder Nominations

The Company must receive proposals that stockholders seek to include in the proxy statement for the Company's next annual meeting no later than April 18, 2008. If next years annual meeting is held on a date more than 30 calendar

days from September 12, 2008, a stockholder proposal must be received by a reasonable time before the Company begins to print and mail its proxy solicitation for such annual meeting. Any stockholder proposals will be subject to the requirements of the proxy rules adopted by the Securities and Exchange Commission.

The Company's By-laws provide that in order for a shareholder to make nominations for the election of directors or proposals for business to be brought before the annual meeting, a shareholder must give written notice of such nominations and/or proposals to the Secretary not less than 90 days prior to the date of the annual meeting. A copy of the By-laws may be obtained from the Company.

Stockholder Communications

The Company encourages stockholder communications to the Board of Directors and/or individual directors. Stockholders who wish to communicate with the Board of Directors or an individual director should send their communications to the care of Corisa L. Guiffre; Chief Financial Officer, Andrea Electronics Corporation at 65 Orville Drive, Bohemia, NY 11716. Communications regarding financial or accounting policies should be sent to the attention of the Chairman of the Audit Committee. All other communications should be sent to the attention of the Chairman of the Nomination and Governance Committee.

Miscellaneous

The solicitation of proxies in the enclosed form is made on behalf of the Board of Directors and the cost of this solicitation is being paid by the Company. In addition to the use of the mails, proxies may be solicited personally or by telephone or telegraph using the services of directors, officers and regular employees of the Company at nominal cost. Banks, brokerage firms and other custodians, nominees and fiduciaries will be reimbursed by the Company for expenses incurred in sending proxy material to beneficial owners of the Company's stock.

A copy of the Company's Form 10-KSB for the fiscal year ended December 31, 2006, as filed with the Securities and Exchange Commission has been mailed to persons who were shareholders as of the close of business on August 10, 2007. Any shareholder who has not received a copy of the Annual Report may obtain a copy by writing to the Corporate Secretary of the Company. The Annual Report is not to be treated as part of the proxy solicitation material or as having been incorporated in this proxy statement by reference.

If you and others who share your address own your shares in "street name," your broker or other holder of record may be sending only one annual report and proxy statement to your address. This practice, known as "householding," is designed to reduce our printing and postage costs. However, if a shareholder residing at such an address wishes to receive a separate annual report or proxy statement in the future, he or she should contact the broker or other holder of record. If you own your shares in "street name" and are receiving multiple copies of our annual report and proxy statement, you can request householding by contacting your broker or other holder of record.
