Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

ITEM: 2.02 RESULTS OF OPERATIONS AND FINANCIAL CONDITION

The following is the text of a press release issued by the registrant at 8:15 A.M. Central Time on April 17, 2008.

SIMMONS FIRST ANNOUNCES RECORD EARNINGS

Pine Bluff, AR -- Simmons First National Corporation (NASDAQ-GS: SFNC) today announced record first quarter 2008 earnings of \$8.8 million, or \$0.63 diluted earnings per share, an increase of \$2.2 million, or \$0.17 diluted earnings per share from the same period in 2007. This represents a 37% increase in diluted earnings per share over the comparable period in 2007.

“Needless to say, our first quarter earnings represent record levels, which require further explanation,” commented J. Thomas May, Chairman and Chief Executive Officer. “There were three significant events that positively impacted our Company, each related to our membership in Visa, Inc.”

First, as expected, during the first quarter the Company recorded a nonrecurring \$0.05 increase in earnings per share related to the reversal of a \$1.2 million contingent liability established during the fourth quarter of 2007. That contingent liability represented the Company’s pro-rata portion of Visa, Inc.’s (“Visa”) litigation liabilities, which was satisfied in conjunction with Visa’s initial public offering (“IPO”). Second, also as a result of Visa’s IPO, Simmons First received cash proceeds of \$3.0 million on the mandatory partial redemption of its equity interest in Visa, benefiting the Company’s first quarter 2008 results by \$1.8 million after-tax, or \$0.13 per diluted common share. Lastly, associated with its membership in Visa, the Company received 110,308 class B shares of Visa. The class B shares have a restricted holding period and the Company will not recognize any gain until such time the shares are redeemed for cash.

Excluding both the Visa litigation reversal and the mandatory partial Visa stock redemption gain, the Company’s first quarter 2008 operating earnings were \$6.3 million, or \$0.45 diluted operating earnings per share, a \$0.01 decrease from the same period in 2007.

“Considering the challenges in the national economy, we are very pleased with our first quarter results,” commented May. “The Visa IPO was very positive for Simmons First and its shareholders. The Company realized a first quarter gain of \$3 million and the shares received from Visa will be of significant value in the future.”

The Company’s net interest income for the first quarter of 2008 increased 2.5% to \$22.8 million compared to \$22.2 million for 2007. Net interest margin decreased eight basis points to 3.80% from the first quarter of 2007 and 20 basis points from the fourth quarter of 2007. “The decrease in margin was primarily the result of a significant repricing of earning assets due to declining interest rates during the past 90 days, and our concentrated effort to grow core deposits,” added May.

The Company's loan portfolio increased 2.4% to \$1.84 billion at March 31, 2008. The growth was primarily attributable to increases in commercial loans, real estate loans and the credit card portfolio. More specifically, the credit card portfolio increased \$25.2 million, or 18.9% compared to the prior year.

The allowance for loan losses as a percent of total loans was 1.38% as of March 31, 2008. Non-performing loans equaled 0.60% of total loans, unchanged from year end. The non-performing asset ratio was 79 basis points, up four basis points from year end. The allowance for loan losses was 229% of non-performing loans. The Company's annualized net charge-offs to total loans for the first quarter of 2008 was 0.30%. Excluding credit cards, the annualized net charge-offs to total loans for the first quarter was 0.19%. Annualized net credit card charge-offs for the first quarter were 1.47%, more than 400 basis points below the most recently published credit card charge-off industry average.

Total assets for the Company were \$2.9 billion and deposits were \$2.3 billion at March 31, 2008. Stockholders' equity increased 7.1% to \$281 million at March 31, 2008 compared to \$262 million at March 31, 2007. Book value per share increased 8.6% to \$20.14 at March 31, 2008 compared to \$18.54 at March 31, 2007.

Simmons First opened two new financial centers during the first quarter. In February the Company opened a new regional headquarters in Rogers for the Northwest Arkansas affiliate. In March, a new financial center in Little Rock – Midtown (near War Memorial Stadium and UAMS) began operations.

Simmons First National Corporation is an Arkansas based financial holding company with eight community banks in Pine Bluff, Lake Village, Jonesboro, Rogers, Searcy, Russellville, El Dorado and Hot Springs, Arkansas. The Company's eight banks conduct financial operations from 89 offices, of which 85 are financial centers, in 48 communities.

CONFERENCE CALL

Management will conduct a conference call to review this information at 3:00 p.m. Central Time on Thursday, April 17, 2008. Interested parties can listen to this call by calling 1-800-854-4175 (United States and Canada only) and asking for the Simmons First National Corporation conference call. A recorded playback of the call will be available the next morning by calling 1-800-642-1687. The passcode for this playback is 41492911 and the recording will be available through the end of business April 24, 2008. In addition, the call will be available live or in recorded version on the Company's website at www.simmonsfirst.com under the "webcast" icon.

GENERAL

Statements in this press release that are not historical facts should be considered forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Forward-looking statements of this type speak only as of the date of this news release. By nature, forward-looking statements involve inherent risk and uncertainties. Various factors, including, but not limited to, economic conditions, credit quality, interest rates, loan demand and changes in the assumptions used in making the forward-looking statements, could cause actual results to differ materially from those contemplated by the forward-looking statements. Additional information on factors that might affect Simmons First National Corporation's financial results is included in its Form 10-K filing with the Securities and Exchange Commission.
