Item 7.01. REGULATION FD DISCLOSURE.

The following information is being furnished, not filed, pursuant to Item 7.01 - Regulation FD Disclosure of Form 8-K.

MBIA Inc. (the “Company”) today issued the following clarification of the statement in its earnings press release that was issued on Monday February 29 that “it is currently working with Patriarch Partners and other parties to implement a plan to reduce the amount of Zohar II CDO notes outstanding prior to its maturity of January 20, 2017 and to also maximize recoveries of the claims we paid on the Zohar I CDO.” While MBIA Insurance Corporation, the Company’s subsidiary that insures the notes issued by Zohar II 2005-1 CLO, is currently working to effectuate a transition to a new collateral manager of the ZOHAR I 2003-1, Limited CLO (“Zohar I CLO”) and the Zohar II 2005-1 CLO (“ZOHAR II CLO”), following Patriarch Partners’ resignation from those roles, it is not presently working with Patriarch regarding a plan to reduce the amount of ZOHAR II CLO notes prior to their maturity or to maximize recoveries on the Zohar I CLO.

FORWARD-LOOKING AND CAUTIONARY STATEMENTS

This current report of MBIA Inc. includes statements that are not historical or current facts and are “forward-looking statements” made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. The words “believe,” “anticipate,” “project,” “plan,” “expect,” “intend,” “will likely result,” “looking forward” or “will continue,” expressions identify forward-looking statements. These statements are subject to certain risks and uncertainties that could cause actual results to differ materially from historical earnings and those presently anticipated or projected. MBIA cautions readers not to place undue reliance on any such forward-looking statements, which speak only to their respective dates. The following are some of the factors that could affect financial performance or could cause actual results to differ materially from estimates contained in or underlying the Company’s forward-looking statements: the possibility that we will experience severe losses due to the continued deterioration in the performance of residential mortgage-backed securities and collateralized debt obligations; fluctuations in the economic, credit, interest rate or foreign currency environment in the United States and abroad; level of activity within the national and international credit markets; competitive conditions and pricing levels; legislative or regulatory developments; technological developments; changes in tax laws; changes in the Company’s credit ratings; the effects of mergers, acquisitions and divestitures; and uncertainties that have not been identified at this time. The Company undertakes no obligation to publicly correct or update any forward-looking statement if it later becomes aware that such results are not likely to be achieved. The reader should, however, consult any further disclosures MBIA may make in its filings of its reports on Form 10-K, Form 10-Q and Form 8-K.
