By agreement dated July 22, 2005 (which was later amended), Adolph Coors Company ("Coors"), Coors Canada Inc., a Canadian corporation and an indirect subsidiary of Coors and now known as Molson Coors Canada Inc. ("Exchangeco") and Molson, a Canadian corporation, entered into a merger-of-equals transaction between Coors and Molson, referred to as the "merger", resulting in, among other things, (i) the combination of the operations of Coors and Molson, (ii) the Molson stockholders acquiring, directly or indirectly through Exchangeco, economic and voting rights in the Company, and (iii) the Coors stockholders remaining stockholders of the combined Company. The transactions and approvals necessary to effect the merger were approved by the stockholders of Molson on January 28, 2005 and by the stockholders of Coors on February 1, 2005, and the merger was consummated on February 9, 2005. As a result of the transactions and approvals related to the merger, Coors was renamed Molson Coors Brewing Company.

Item 4. Purpose of Transaction.

Pentland (and for purposes of this Item 4, Pentland with 4280661) will continuously analyze the operations, capital structure, and markets of companies in which it invests, including the Company, through analysis of documentation and discussions with knowledgeable industry and market observers and with representatives of such companies (often at the invitation of management). As a result of these activities, Pentland may participate in interviews or hold discussions with the Adolph Coors, Jr. Trust dated September 12, 1969 (the

Such suggestions or positions may relate to one or more of the transactions described in Item 4(a) through (j) of Schedule 13D under Rule 13d-1(a), including, without limitation, such matters as disposing of one or more businesses; selling the Company or acquiring another company or business; changing operating or marketing strategies; adopting, not adopting, modifying, or eliminating certain types of anti-takeover measures; restructuring the Company's capitalization; reviewing dividend and compensation policies; entering into agreements with third parties relating to acquisitions of securities issued or to be issued by the

Further, depending upon the availability of prices deemed favorable by Pentland, it may choose to purchase additional securities of the Company from time to time in the open market, in privately negotiated transactions with third parties, or otherwise. In addition, depending upon prevailing conditions or other factors, Pentland may determine to dispose of shares of Class B Common Stock that would result from the exchange of Class B Exchangeable Shares or conversion of Class A Common Stock, in the open market, in privately negotiated transactions with third parties, or otherwise.

As directors of the Company, Eric Molson and Andrew Molson may consider plans and proposals submitted by management with respect to business combinations aimed at improving the operating efficiencies of the Company, acquiring complementary properties, entering new market regions and/or for other reasons. Except as described herein, neither the Reporting Persons nor any person listed in Exhibit 99.1 have any present plans or proposals that relate to or would result in any of the actions described Items 4(a) through (j) of Schedule 13D under Rule 13d-1(a).

Pentland Shareholders Agreement

Lincolnshire, Nooya, Pentland, 4280661, Eric Molson and Stephen Molson are parties to an Amended and Restated Shareholders Agreement, dated as of February 9, 2005, with respect to the securities held by, and corporate governance of, Pentland (the "Pentland Shareholders Agreement"). The Pentland Shareholders Agreement contains restrictions on the sale or other disposition by Pentland of the Company's Class A Common Stock and Class B Common Stock and Class A Exchangeable Shares and Class B Exchangeable Shares owned or to be owned directly or indirectly by Pentland (collectively the "Relevant Shares") without the written approval of Lincolnshire and Nooya, subject to exceptions for estate planning and payment of taxes arising on death. Eric Molson may cause Pentland to accept a third party offer for the sale or other disposition of all (but not part of) the Relevant Shares, or may cause the sale to a third party of all shares of Pentland owned by Lincolnshire and Nooya. Additionally, the President of Pentland (currently Andrew Molson) may cause the sale by Pentland for cash of Class B Exchangeable Shares of Exchangeco or the Company's Class B Common Stock under certain conditions.

Voting Agreement and Voting Trust Agreements

The Adolph Coors, Jr., Trust dated September 12, 1969 (the "Coors Family Trust"), Pentland and 4280661 entered into a Voting Agreement made on February 2, 2005, with respect to the Class A Common Stock owned by the Coors Family Trust and the Class A Exchangeable Shares and Class A Common Stock owned by Pentland and 4280661 following the completion of the merger (the "Voting Agreement"). Under the Voting Agreement, the parties agreed that the Class A Common Stock and the Class A Exchangeable Shares are to be voted in accordance with the voting provisions of the Voting Trust Agreements.

The Coors Family Trust, Pentland, 4280661 and The Royal Trust Company, as trustee (the "Canadian Trustee") have entered into the Class A Exchangeable Shares Molson Coors Canada Inc. Voting Trust Agreement, dated as of February 9, 2005, (the "Canadian Voting Trust Agreement") with respect to the Class A Exchangeable Shares owned by Pentland and 4280661 following the completion of the merger. The Coors Family Trust, Pentland and Wilmington Trust Company, as trustee (the "U.S. Trustee") have entered into the Class A Common Stock Molson Coors Brewing Company Voting Trust Agreement, dated as of February 9, 2005 (the "U.S. Voting Trust Agreement" and, together with the Canadian Voting Trust Agreement, the "Voting Trust Agreements") with respect to the Class A Common Stock owned by the Coors Family Trust and Pentland following the completion of the merger. The Voting Trust Agreements provide that other members of the Molson family group or Coors family group, each as defined in the Voting Trust Agreements, may become parties to these agreements from time to time. Each of the Voting Trust Agreements contain substantially identical terms, relating to, among other matters, voting on nominees for election to the Company's board of directors, voting on proposals presented to the Company's stockholders, and

Edgar Filing: MOLSON COORS BREWING CO - Form SC 13D

transfers of the stock held in the resulting trusts.

The Coors Family Trust, Pentland and 4280661 have entered into the Voting Trust Agreements in order to secure their respective obligations to vote the Class A Common Stock owned by the Coors Family Trust and Pentland and the Class A Exchangeable Shares owned by Pentland and 4280661 in the manner agreed upon in the Voting Agreement and more generally to combine their voting power over the Company Class A Common Stock and the Class A Exchangeable Shares owned by them. The Coors Family Trust has deposited into these trust arrangements all of its shares of Class A Common Stock, or approximately 33.49% of the pro forma voting power of the Company Class A Common Stock and the Class A Exchangeable Shares. Pentland has deposited into these trust arrangements all of its Class A Exchangeable

22

Shares and Class A Common Stock, or approximately 24.68% of the pro forma voting power of the Company Class A Common Stock and the Class A Exchangeable Shares. 4280661 has deposited into the trust arrangements all of its Class A Exchangeable Shares, or approximately 8.87% of the pro forma voting power of the Company Class A Common Stock and the Class A Exchangeable Shares. These securities, together with any other securities deposited into these trusts, will be voted as a block by the U.S. Trustee and the Canadian Trustee, respectively, as follows:

- o All securities subject to the Voting Trust Agreements will be voted at any Company stockholder meeting in favor of director nominees that have been nominated by the nominating committee of the Company board of directors or the Class A-M or Class A-C nominating subcommittees (as such committees exist under the Company's Restated Certificate of Incorporation) of the Company board of directors, and against any other director nominees;
- o If the representative of the Molson family beneficiaries or the representative of the Coors family beneficiaries under the Voting Trust Agreements so instructs the trustees, the trustees will vote at any Company stockholder meeting all securities subject to the Voting Trust Agreements in favor of the removal of a director nominated or appointed by the Class A-M nominating subcommittee of the Company board of directors or the Class A-C nominating subcommittee of the Company board of directors, respectively, from the board of directors; the trustees will otherwise vote at any Company stockholder meeting all the shares against a removal of those directors; and
- o Unless the representatives of both the Molson family beneficiaries and the Coors family beneficiaries under the Voting Trust Agreements instruct the trustees to vote otherwise, all securities subject to the Voting Trust Agreements will be voted at any Company stockholder meeting in accordance with the recommendation of the Company's board of directors with respect to any other proposal at any Company stockholder meeting to remove a director from the Company's board of directors.
- o With respect to all corporate matters other than those described above relating to the election and removal of directors and those described below relating to the Class A Exchangeable Shares, all securities subject to the Voting Trust Agreements will be voted at any Company stockholder meeting against the approval of any matter unless the trustees receive instructions from the representatives of

Edgar Filing: MOLSON COORS BREWING CO - Form SC 13D

both the Molson family beneficiaries and the Coors family beneficiaries under the Voting Trust Agreements to vote in favor of the approval of the matter.

- o If the holders of Class A Exchangeable Shares (in their capacity as shareholders of Exchangeco and not in their capacity as indirect holders of voting rights with respect to the Company) are required to vote on certain proposals that would materially adversely affect the terms of either class of exchangeable shares of Exchangeco or modify or terminate a voting and exchange trust agreement between the Company and Exchangeco, then the Class A Exchangeable Shares will be voted against any proposal if the representative of the Molson family beneficiaries under the Voting

23

Trust Agreements has instructed the trustees to vote against the proposal (even if the representative has otherwise forfeited the right to provide instructions to the trustees as described below).

The Coors Family Trust is the representative to act on its behalf of the beneficiaries of the Coors family group and Pentland is the representative to act on behalf of the beneficiaries of the Molson family group under the Voting Trust Agreements. The representative of the Molson family beneficiaries under the Voting Trust Agreements will forfeit the right to provide instructions to the trustees with respect to any of the above matters (other than as indicated above) if Pentland and any other Molson family shareholders cease to beneficially own, in the aggregate, a number of shares of the Company's common stock and Exchangeco's exchangeable shares (as adjusted for any stock split, recapitalization, reclassification, reorganization or similar transaction) equal to at least 1,689,776 shares of the Company's common stock and Exchangeco's exchangeable shares outstanding on the date of the completion of the merger, of which at least 825,000 shares must be Company Class A Common Stock (and/or Class A Exchangeable Shares) subject to the Voting Trust Agreements. Similarly, the representative of the Coors family beneficiaries under the Voting Trust Agreements will forfeit the right to provide instructions to the trustees with respect to the above matters (other than as indicated above) if the Coors Family Trust and any other Coors family stockholders cease to beneficially own, in the aggregate, a number of shares of the Company's common stock and Exchangeco's exchangeable shares (as adjusted for any stock split, recapitalization, reclassification, reorganization or similar transaction) equal to at least 2,534,664 shares of the Company's common stock and Exchangeco's exchangeable shares outstanding on the date of the completion of the merger, of which at least 825,000 shares must be Company Class A Common Stock (and/or Class A Exchangeable Shares) subject to the Voting Trust Agreements. In the event of a forfeiture by either family of the above rights, the trustee under the Voting Trust Agreements will vote all shares at the direction of the representative of the other family acting on its own. If both families forfeit the above rights, the Voting Trust Agreements will terminate.

The Voting Trust Agreements also contain restrictions on the transfer of the securities subject to the Voting Trust Agreements. A Molson family beneficiary or Coors family beneficiary under the Voting Trust Agreements may transfer its interest in securities subject to the Voting Trust Agreements to any other beneficiary under the relevant Voting Trust Agreements or to members of its family group, so long as the transferee is or becomes a party to the Voting Trust Agreements with respect to the transferred securities. Securities subject to the Voting Trust Agreements must be converted into shares of the Company's Class B common stock (or Class B exchangeable shares of Exchangeco, as applicable) before they can be transferred to any persons that are not

Edgar Filing: MOLSON COORS BREWING CO - Form SC 13D

beneficiaries under the Voting Trust Agreements or members of the Molson or Coors family groups. Any shares so converted will no longer be subject to the Voting Trust Agreements.

The Voting Trust Agreements prohibit any Molson family beneficiary from transferring its interest in shares subject to the Voting Trust Agreements to a third party (or converting these shares into shares of the Company's Class B common stock or Class B exchangeable shares of Exchangeco) if the remaining shares subject to those agreements would constitute less than 50.1% of the aggregate voting power of the outstanding shares of the Company's Class A Common Stock and Class A Exchangeable Shares, unless prior to the proposed transfer or

24

conversion, the number of shares of the Coors family beneficiaries subject to the Voting Trust Agreements, is less than 1,260,000 (as adjusted for any stock split, recapitalization, reclassification, reorganization or similar transactions).

Each of Pentland and any other Molson family beneficiary, and the Coors Family Trust and any other Coors family beneficiary who become parties to the Voting Trust Agreements is also prohibited from transferring its interest in securities subject to the Voting Trust Agreements if, as a result of the transfer, the right of holders of shares of the Company's Class B common stock or the right of holders of Class B exchangeable shares of Exchangeco to convert into shares of the Company's Class A Common Stock or Class A Exchangeable Shares, respectively, in limited circumstances relating to specified offers which are not made to holders of the Company's Class B common stock or Class B exchangeable shares of Exchangeco would be triggered. The trustees under these Voting Trust Agreements are authorized, unless both family group beneficiaries give instructions to the contrary, in the event of such specified offers, to deliver a notice providing the Company with adequate assurances that the family group beneficiaries will not participate in the specified offers.

Registration Rights Agreement

The Coors Family Trust, Pentland, 4280661, Nooya, Lincolnshire, 4198832, BAX, 6339522, DJS, 6339549 and certain other Molson family entities are parties to a Registration Rights Agreement that became effective upon the completion of the merger.

The Registration Rights Agreement provides that the Coors Family Trust, Pentland, and the other parties to the agreement, as well as certain related parties, referred to as the eligible stockholders, that propose to sell registrable securities (as defined below) may request that the Company effect the registration on Form S-3 or other available form under the Securities Act and, if applicable, a Canadian prospectus under the Canadian securities laws and the multi-jurisdictional disclosure system. Upon receipt of such a request, the Company is required to promptly give written notice of such requested registration to all holders of registrable securities and, thereafter, to use its reasonable best efforts to effect such a registration of all registrable securities which it has been requested to register pursuant to the terms of the Registration Rights Agreement. The Company may choose to register such stock pursuant to a U.S. and Canadian shelf registration statement. Each beneficiary representative under the Voting Trust Agreements and each other eligible stockholder is eligible to request no more than five registrations. The Company will not be required to effect such registration if such requests relate to a sale of less than \$25,000,000 of Registrable Securities.

"Registrable securities" means Class B Common Stock, including any shares

Edgar Filing: MOLSON COORS BREWING CO - Form SC 13D

of Class B Common Stock issued or issuable upon conversion, directly or indirectly, of Class A Common Stock, Class B Exchangeable Shares, or Class A Exchangeable Shares, held by eligible stockholders.

If an eligible stockholder requests registration of any of its registrable securities, the Company is required to prepare and file a registration statement with the SEC as soon as possible, and no later than 90 days after receipt of the request.

25

The Company will pay all of its expenses and the expenses of the eligible stockholders, other than underwriting discounts and selling commissions of the seller, in connection with the successfully effected registrations requested.

The eligible stockholders may request that any offering requested by them under the Registration Rights Agreement be an underwritten offering. The eligible stockholders may also select one or more underwriters to administer the requested offering, but the selection of underwriters will be subject to approval by the Company, which approval will not be unreasonably withheld.

The Registration Rights Agreement also provides that, with certain exceptions, the eligible stockholders will have certain incidental registration rights if the Company at any time proposes to register any of its equity securities if the registration form to be used may be used for the registration of securities otherwise registrable under the Registration Rights Agreement.

In addition to the provisions set forth above, the Registration Rights Agreement contains other terms and conditions including those customary to agreements of this kind, including indemnification provisions.

The Registration Rights Agreement will terminate as to an eligible stockholder on the earliest of the date on which the sale of the securities of such eligible stockholder subject to the agreement do not require registration under U.S. Securities laws or are not subject to limitations under Rule 144 of the Securities Act, would not be a distribution under Canadian securities law, or the date upon which there are no holders of registrable securities that have not been sold to the public.
