Item 1.01. Entry into a Material Definitive Agreement.

On March 8, 2016, Amyris, Inc. (the “*Company*”) entered into an At Market Issuance Sales Agreement (the “*Agreement*”) with FBR Capital Markets & Co. and MLV & Co. LLC (the “*Agents*”) under which the Company may issue and sell shares of its common stock having an aggregate offering price of up to \$50.0 million from time to time through the Agents, acting as its sales agents, under the Company’s Registration Statement on Form S-3 (File No. 333-203216), effective April 9, 2015. Sales of the Company’s common stock through the Agents, if any, will be made by any method that is deemed an “at the market offering” as defined in Rule 415 under the Securities Act of 1933, as amended (the “*Securities Act*”), including by means of ordinary brokers’ transactions at market prices, in block transactions, or as otherwise agreed by the Company and the Agents. The Agents will use commercially reasonable efforts consistent with their normal trading and sales practices. Each time that the Company wishes to issue and sell the Company’s common stock under the Agreement, the Company will notify one of the Agents of the number of shares to be sold, the dates on which such sales are anticipated to be made, any minimum price below which sales may not be made and other sales parameters as the Company deems appropriate. The Company will pay the designated Agent a commission rate of up to 3.0% of the gross proceeds from the sale of any shares of common stock sold through such Agent as agent under the Agreement. The Company has also agreed to reimburse the Agents for certain expenses incurred in connection with entering into the Agreement and has provided the Agents with customary indemnification rights. The Agreement contains customary terms, provisions, representations and warranties.

The foregoing description of the Agreement is not complete and is qualified in its entirety by reference to the full text of the Agreement, a copy of which is filed herewith as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.
