Enclosure: Partner Communications announces the results of the public bid process for its Notes in Israel

PARTNER COMMUNICATIONS ANNOUNCES THE
RESULTS OF THE PUBLIC BID PROCESS FOR ITS
NOTES IN ISRAEL

ROSH HA'AYIN, Israel, May 4, 2011 - Partner Communications Company Ltd. ("Partner" or the "Company") (NASDAQ and TASE: PTNR), a leading Israeli communications operator, announces today, further to the filing of a Shelf Offering Report on May 3, 2011 (the "Offering Report") and pursuant to the Company's Shelf Prospectus dated September 3, 2009, as amended on May 23, 2010 and on September 20, 2010, that the public bid, in which the Company offered to the public in Israel the Company's Series D Notes and Series E Notes (the "Notes"), through an expansion of the Company's Series of such Notes, which are currently outstanding and registered for trading on the Tel Aviv Stock Exchange Ltd. ("TASE"), has been concluded.

Following the results of the public bid, the Company will issue, through the said expansion of the Company's Series of Notes, a total amount of NIS 681,207,000 par value of the Notes, according to the following details:

- (1) NIS 146,142,000 par value of Series D Notes, bearing a variable annual interest rate based on the annual interest rate of short term debt issued by the State of Israel ('Makam') in addition to a fixed annual spread of 1.20%, with a price per unit (each unit comprised of NIS 1,000 par value) of NIS 992, reflecting approximately 0.17% discount on the market price of the Series D Notes as of May 4, 2011;
 - (2) NIS 535,065,000 par value of Series E Notes bearing an annual fixed interest rate of 5.50%, with a price per unit (each unit comprised of NIS 1,000 par value) of NIS 996, reflecting approximately 0.17% discount on the market price of the Series E Notes as of May 4, 2011.
-

The immediate gross proceeds expected to be received by the Company for the issuance of the said Notes is approximately NIS 678 million. The Company intends to use the proceeds from the said Offering for the Company's current needs, including settling payments on, or purchasing, the Company's Series A Notes and/or refinancing other debt.

The unsecured and non-convertible Series D Notes and Series E Notes, were initially issued by the Company pursuant to a shelf offering report dated April 15, 2010, as amended on April 21, 2010. The terms of the Series D Notes and Series E Notes that the Company will issue according to the Offering Report will be identical to the terms of the currently outstanding Series D Notes and Series E Notes. It should be noted that the Notes do not restrict the Company's ability to issue additional notes of any class or distribute dividends in the future, and contain standard terms and conditions. The Notes will be listed for trading only on the TASE.

The public offering of the Notes was made only in Israel. The Notes have not and will not be registered under the U.S. Securities Act of 1933, as amended (the "Securities Act"), and may not be offered or sold in the United States and/or to U.S. Persons (as defined in Regulation "S" promulgated under the Securities Act) without registration under the Securities Act or an applicable exemption from the registration requirements of the Securities Act.

This press release shall not be deemed to be an offer to sell or a solicitation of an offer to buy any of the Notes.

Forward-Looking Statements

This press release includes forward-looking statements within the meaning of Section 27A of the US Securities Act of 1933, as amended, Section 21E of the US Securities Exchange Act of 1934, as amended, and the safe harbor provisions of the US Private Securities Litigation Reform Act of 1995. Words such as "believe", "anticipate", "expect", "intend", "seek", "will", "plan", "could", "may", "project", "goal", "target" and similar expressions often identify forward-looking statements but are not the only way we identify these statements. All statements other than statements of historical fact included in this press release regarding our future performance, plans to increase revenues or margins or preserve or expand market share in existing or new markets, reduce expenses and any statements regarding other future events or our future prospects, are forward-looking statements.

We have based these forward-looking statements on our current knowledge and our present beliefs and expectations regarding possible future events. These forward-looking statements are subject to risks, uncertainties and assumptions about Partner, consumer habits and preferences in cellular telephone usage, trends in the Israeli telecommunications industry in general, the impact of current global economic conditions and possible regulatory and legal developments.
